Pedestrian Bridge over Route 440

DBNUM: 17356 / UPC: 173560

The Pedestrian Bridge over Route 440 is a proposed structure to connect pedestrians and bicyclists between the recently developed Peninsula at Bayonne Harbor (PABH) on the east side of Route 440 and the 34th Street Hudson Bergen Light Rail (HBLR) station on the west side of Route 440. The site of the proposed bridge is located in the vicinity of the intersection of Goldsborough Drive and Route 440 in Bayonne, NJ.

The project will include traffic studies, investigations into intersection improvements, Americans with Disabilities Act (ADA) compliance, public involvement, utility relocations, modifications to the existing NJ Transit pedestrian structure, and construction of a new pedestrian bridge over Route 440. The west end of the bridge will connect directly to the existing NJ Transit pedestrian structure and the east end will touch down in the grass area between Route 440 and the CVS parking lot. The structure will be ADA compliant and accessible by either a ramp or elevator system. Proposed sidewalks will connect to existing sidewalks on the south side of Goldsborough Drive and at Port Terminal Boulevard.

The following federal appropriation was allocated to this project: DEMO ID# NJ 272.

COUNTY: Hudson

MUNICIPALITY: Bayonne City

MILEPOSTS: 21.2-21.3
