Baseline Document Change Announcement

ITS Material Specifications

BDC11S-11

October 28, 2011

SUBJECT: The release of the ITS Material Specifications

The Intelligent Transportation Systems (ITS) Material Specifications are released hereby. These Specifications are available on the Department's web site:

<http://www.state.nj.us/transportation/eng/elec/ITS/itsenglishjuly2001/>

The Designers are directed to utilize these Material Specifications on all Department projects with ITS facilities.

Implementation Code R (ROUTINE)

Changes must be implemented in all applicable Department projects scheduled for Final Design Submission at least one month after the date of the BDC announcement. This will allow designers to make necessary plan, specifications, and estimate/proposal changes without requiring the need for an addenda or postponement of advertisement or receipt of bids.
