*Baseline Document Change Announcement*

**ANNOUNCEMENT:**      **BDC13MR-03**

**DATE:**                      **June 11, 2014**

**SUBJECT:**                      **Traffic Calming**  
**Addition of New Section 15, Traffic Calming, to the Roadway**  
**Design Manual**

---

The Roadway Design Manual is augmented with the inclusion of the new Section 15, Traffic Calming.

To enhance the safety of roadways within the criteria of Section 15, the Department in conceiving, scoping and designing projects will consider the need of all road users of all ages and abilities. To accomplish this effort, Section 15 provides to designers the specific design features known as “Traffic Calming”.

**Implementation Code R (ROUTINE)**

Changes must be implemented in all applicable Department projects scheduled for Final Design Submission at least one month after the date of the BDC announcement. This will allow designers to make necessary plan, specifications, and estimate/proposal changes without requiring the need for an addenda or postponement of advertisement or receipt of bids.
