BDC06T-04

March 29, 2006

SUBJECT: Revisions to Procedure for Processing Working Drawings dated May 2005

Attachment 5, (Pages 15 & 16) Working Drawings requiring APPROVAL or CERTIFICATION, has been added to the *Procedure for Processing Working Drawings* document dated May 2005. This list will remove the uncertainty of which Working Drawings requires an approval versus a certification. Additionally, pages 1, 7 and 10 have been revised to make reference to attachment 5. Pages 15 through 18 are re-issued due to shifting of the text.

Replace:

Pages 1, 7 & 10

Pages 15 through 18

With:

New Pages of 1, 7 & 10

Add new pages 15 & 16

Pages 17 through 20

Implementation Code R (ROUTINE)

Changes must be implemented in all applicable Department projects scheduled for Final Design Submission at least one month after the date of the BDC announcement. This will allow designers to make necessary plan, specifications, and estimate/proposal changes without requiring the need for an addenda or postponement of advertisement or receipt of bids.
