Baseline Document Change Announcement

Release of the Specification Style Guidelines

BDC08T-03

Date: March 20, 2008

SUBJECT: Specification Style Guidelines

The first edition of the Specifications Style Guidelines is hereby issued. The intent of this document is to explain the format of the 2007 Standard Specifications, and to provide guidance to the designers in preparing Special Provisions for the projects utilizing the 2007 Standard Specifications.

Implementation Code S (SPECIAL)

Follow these guidelines in preparing Special Provisions while utilizing the 2007 Standard Specifications.
