Baseline Document Change Announcement

Standard Drawings for Overhead and Cantilever Sign Support Structures

BDC01MB-2

June 8, 2001

Subject: Release of English Version of the Standard Drawings for Overhead and Cantilever Sign Support Structures

The English version of the Metric Standard Drawings for Overhead and Cantilever Sign Support Structures as issued under BDC01MB-1, dated June 7, 2001, is issued in US customary English units as part of the English conversion process of NJDOT baseline documents.

Instructions to Designers

The release of the English version of the Metric Standard Drawings for Overhead and Cantilever Sign Support Structures is issued for use in Department projects that are to be designed in English Units.

Distribution and Announcement Access Information

This announcement is being distributed electronically to our in-house staff and various public agencies based on our Bridge Design Manual distribution list maintained by the Engineering Documents Unit.

Internet access to this BDC Announcement can be downloaded and viewed from the following New Jersey Department of Transportation Web Page:

<http://www.state.nj.us/transportation/cpm/BaselineDocuments/bdcdownloadmb.htm>.

The BDC Announcements will have a download button for attachments. The download button will either allow you to download the file or it will forward you to the web page where the file(s) reside for downloading/viewing.

In-house staff can copy or view this BDC Announcement file in the QM shared area on the NJDOT-FA-NTS7 server. To access this area, open Windows Explorer on an NJDOT Network Computer. Go to the drop down menu labeled **T**ools, and then select **M**ap **N**etwork **D**rive. In the path box type in \\NJDOT-FA-NTS7\QM, then click on the OK button. All files are located in the QM\BDC Announcements\BDC 01 Folder.

Hard copies of this document can be acquired on a limited basis by contacting:
