## ***Baseline Document Change Announcement***

**BDC02T-08**

**October 25, 2002**

**Subject: Release of the 2002 Standard Pay Item List in Metric and in U.S. Customary English Units**

**Reference: Refer to BDC02S-18, dated October 24, 2002, for related information**

The 2002 Standard Pay Item List in Metric Units and the 2002 Standard Pay Item List in U.S. Customary English Units are issued for use in preparing Plans, Specifications, and Engineer's Estimates using the English *2001 Standard Specifications for Road and Bridge Construction* and Metric *2001 Standard Specifications for Road and Bridge Construction*.

This BDC Announcement supersedes BDC01T-2, dated November 27, 2001, entitled Release of the 2001 Standard Pay Item List in English Units, and BDC01T-3, dated November 28, 2001, entitled Release of the Standard Pay Item List in Metric Units.

The English Standard Pay Items have been revised as follows:

### **Instructions to Designers**

Standard Specifications for the “New” Standard Pay Items have not been added to the Standard Input. Until they are added, designers will need to prepare these specifications or contact the Department subject matter experts (SME’s) when necessary.

Users of the Engineer’s Estimate program, Contractor Payment System Front End (CPSFE), should download the updated Standard Pay Item Database files from the New Jersey Department of Transportation Web Page:

<http://www.state.nj.us/transportation/cpm/ProgramSupportServices/CostEstimating/index.html>

### **Distribution and Announcement Access Information**

This announcement is being distributed electronically to our in-house staff and various public agencies based on a distribution list maintained by the Engineering Documents Unit. The hard copy distribution may be at least two weeks after the date of this announcement, so rely on the Internet for faster service. Please make additional copies as needed.

Internet access to this BDC Announcement along with its attachments can be viewed and/or downloaded from the New Jersey Department of Transportation Web Page:
