Baseline Document Change Announcement

Mid Point of Project - Sample Plans 2001

BDC05T-02

July 18, 2005

SUBJECT: Revisions to Sheet 3 of 13 of the narrative part and Sheet 1 of 39 (Key Map) of 2001 Sample Plans in English Units regarding identifying the mid-point of Project

Sheets 3 of 13 of the narrative part and 1 of 39 (Key Map) of 2001 Sample Plans have been revised to include the longitude and latitude of the mid-point of the project. This information will then be used to prepare Bid Analysis Management System (BAMS) and Decision Support System (DSS) reports.

Implementation Code R (ROUTINE)

Changes must be implemented in all applicable Department projects scheduled for Final Design Submission at least one month after the date of the BDC announcement. This will allow designers to make necessary plan, specifications, and estimate/proposal changes without requiring the need for an addenda or postponement of advertisement or receipt of bids.
