

**New Jersey Department of Transportation
CORRECTIVE ACTION NOTICE**

QUALITY MANAGEMENT SERVICES

Manager: Brian Strizki

Telephone: (609) 530-6363

CAN No. CAN020

**Approved: Brian Strizki
Date: 5/21/1999**

Bureau(s) Affected: All CPM Units.
All prequalified Consultants

Description of Problem(s):

CAN014, which was issued on 01/12/1999 did not include the Initial and Final Design Submission Quality Assurance Checklists for ITS Engineering related activities. This checklist has since been developed and is now being provided for use by designers.

Corrective Action Plan:

Effective immediately, the ITS Initial and Final Design Submission Quality Assurance Checklists are to be included with the Quality Assurance Checklists as transmitted with Corrective Action Notice CAN014. Designers are directed to observe the same requirements as stated in CAN014.

Implementation: IMMEDIATELY
