Baseline Document Change Announcement

List of Items

BDC07T-03

June 1, 2007

Subject: 2001 Revised List of Items (in English units), Annual Update

The current 2001 Standard Pay Items list has been updated and the heading has been changed to "2001 List of items". The 2001 List of Items (in English Units only) is released for use in preparing Plans, Specifications, and Engineer's Estimates using the English *2001 Standard Specifications for Road and Bridge Construction*.

This BDC Announcement supersedes BDC06T-08, dated November 17, 2006.

Instructions to Designers

For projects in metric units, please contact the Trns*port Group at trnsport.support@dot.state.nj.us.

Users of the Trns*port CES program shall use the Construction Cost Estimating Guidelines for the correct usage of this list. The List of Items will be updated as needed and made available on the New Jersey Department of Transportation web page, Doing Business, Trns*port, Cost Estimation at:

<http://www.state.nj.us/transportation/business/trnsport/estimation.shtm>

Implementation Code S (SPECIAL)

The List of (Master) Items in CES has already been updated.
