Do you want action? Entertainment? Adventure? History? New Jersey has great destinations, attractions and the best events for all ages and interests year round.

Imagine 127 miles of white, sandy beaches on the Atlantic coastline, breathtaking mountains and diverse geography rich with lakes, rivers, hills and farms. Experience a pontoon boat tour with exuberant wildlife, a recovering ecosystem and spectacular sunsets. Come face-to-face with wildlife, feel the fluttering in your stomach as you zoom down a water ride, and catch the spirit of America's favorite pastime at one of our baseball parks.

In New Jersey shopping isn't just a passion, it's a way of life from the largest in-door outlet mall to quaint Norman Rockwell-style towns where antiques prevail along country roads and pleasant ocean side communities. The Garden State lives up to its name with an array of breathtaking gardens, arboretums, wineries, and roadside stands packed with the best tomatoes, blueberries, and peaches.

New Jersey's historic battlefields, homes, churches, museums, cities, and villages promise to rekindle your relationship with our nation's history. New Jersey has continued to play an important part in our nation's past since the American Revolution, including the millions of Americans who have their roots at Ellis Island.
