CONSULTANT NEEDED

The New Jersey Maritime Pilot and Docking Pilot Commission is the state agency that licenses and regulates Maritime Pilots and Docking Pilots in the state of New Jersey. Docking Pilot apprentices after serving a two-year apprenticeship are required to submit to a licensing examination which includes four modules covering the following areas:

1. Laws and Regulations of the Commission and the United States Coast Guard;
2. Rules of the Road;
3. Local Knowledge and Piloting specific to the Port of New York/New Jersey; and
4. Practical Piloting (chart work with a situational essay).

We are seeking candidates to aid in the drafting of these examinations. The candidate would be contracted to create at least five different examinations and will be kept on retainer to update them as necessary. We are looking for persons who possess the following:

1. At least 10 years experience docking/undocking vessels within the port of New York/New Jersey;
2. Is familiar with the state's dual piloting system;
3. Cannot be affiliated with any of the Docking Pilot Associations;
4. Is familiar with the Laws and Regulations of the Commission and the United States Coast Guard; and
5. Can exhibit satisfactory evidence of having the ability to read, write and speak fluent English.

Interested candidates should submit their resume by September 18, 2015 to:
