## Corporate Tax Filing Deadline Approaches

TRENTON –Division of Taxation Acting Director Maureen Adams today reminded New Jersey businesses that the deadline for filing their 2006 Corporation Business Tax returns is Monday, April 16.

“The New Jersey Administrative Code calls for the deadline to be extended when the normal filing date falls on a Saturday or Sunday,” Adams said. “That is the case this year so the deadline for 2006 CBT returns has been changed.”

The deadline for individuals to file their 2006 New Jersey income tax returns is Tuesday, April 17. That date matches the federal tax filing deadline for 2006 returns.
