- The amount hereinabove appropriated for the County Prosecutor Funding Initiative Pilot Program shall be distributed as follows: Camden County, \$895,000; Essex County, \$1,811,000; Hudson County, \$802,500; and Mercer County, \$491,500.
- Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove 9 appropriated for Transitional Aid to Localities shall be allocated to provide short-term financial assistance where needed to help a municipality which is in serious fiscal distress 11 to meet immediate budgetary needs and regain financial stability. A municipality shall be deemed to be eligible for transitional aid if the municipality is identified by the Director of 13 the Division of Local Government Services (Director) as experiencing serious fiscal distress where the Director determines that, despite local officials having implemented substantive 15 cost reduction strategies, there continues to exist conditions of serious fiscal distress, which may include but not be limited to, substantial structural or accumulated deficits, ongoing 17 reliance on non-recurring revenues, limited ability to raise supplemental non-property tax revenues, extraordinary demands for public safety appropriations, and other factors 19 indicating a constrained ability to raise sufficient revenues to meet budgetary requirements that substantially jeopardizes the fiscal integrity of the municipality. Municipalities seeking 21 transitional aid shall file an application on a form prescribed by the Director which application, among other things, shall set forth the minimum criteria which must be met in 23 order for an application to be considered by the Director for a determination of eligibility. The Director shall determine whether a municipality which files an application meeting such 25 minimum criteria is in serious fiscal distress, and, if so, what amount of transitional aid should be provided to address the municipality's serious fiscal distress. The transitional aid
- shall be provided to the municipality subject to the provisions of subsection a. of section 1 27 of P.L.2011, c.144 (C.52:27D-118.42a); provided however, that an amount of Transitional 29 Aid to Localities as determined by the Director of the Division of Local Government Services for a municipality may be deemed to constitute Consolidated Municipal Property 31 Tax Relief Aid in an amount not in excess of the amount of Transitional Aid to Localities such municipality received in fiscal year 2012 and shall not reduce the amount of 33 Consolidated Municipal Property Tax Relief Aid such municipality shall receive for fiscal year 2013. Provided however, if the Director of the Division of Local Government Services 35 deems an amount of Transitional Aid to Localities for a municipality as constituting Consolidated Municipal Property Tax Relief Aid pursuant to this provision that municipality 37 is not relieved from compliance with the requirements for transitional aid.
- The amount hereinabove appropriated for Transitional Aid to Localities is subject to the 39 following condition: notwithstanding the provisions of R.S.43:21-14 or any other law or regulation to the contrary, the Commissioner of Labor and Workforce Development, in consultation with the Commissioner of Community Affairs, is authorized to enter into 41 individualized payment plan agreements with municipalities that receive Transitional Aid 43 for the reimbursement of unemployment benefits paid to former employees of such municipal government units, at reasonable interest rates based on current market conditions, 45 and on such other terms and conditions as may be determined to be appropriate by the Commissioner of Labor and Workforce Development. Any municipality that enters into an 47 individualized payment plan agreement pursuant to this section shall be required to expend all funds budgeted for this activity remaining as of the last day of its budget year for the 49 repayment of outstanding obligations under the plan.
 - Notwithstanding the provisions of any law or regulation to the contrary, any qualifying

- municipality, as defined in section 1 of P.L.1978, c.14 (C.52:27D-178) for the previous fiscal year, shall continue to be a qualifying municipality thereunder during the current fiscal year.

The amount hereinabove appropriated for Consolidated Municipal Property Tax Relief Aid shall be distributed on the following schedule: on or before August 1, 45% of the total amount due; September 1, 30% of the total amount due; October 1, 15% of the total amount due; November 1, 5% of the total amount due; December 1 for municipalities operating under a calendar fiscal year, 5% of the total amount due; and June 1 for municipalities operating under the State fiscal year, 5% of the total amount due.

- Notwithstanding the provisions of any law or regulation to the contrary, from the amounts received from the appropriation to the Consolidated Municipal Property Tax Relief Aid program and received from amounts transferred from Consolidated Municipal Property Tax Relief Aid to the Energy Tax Receipts Property Tax Relief Fund account, each municipality shall be required to distribute to each fire district within its boundaries the amount received by the fire district from the Supplementary Aid for Fire Services program pursuant to the provisions of the fiscal year 1995 annual appropriations act, P.L.1994, c.67, less an amount proportional to reductions in the combined total amount received by the municipality from Consolidated Municipal Property Tax Relief Aid and from the Energy Tax Receipts Property Tax Relief Fund since fiscal year 2008.
- Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove 23 appropriated for Consolidated Municipal Property Tax Relief Aid shall be distributed in the same amounts, and to the same municipalities which received funding pursuant to the 25 previous fiscal year's annual appropriations act, provided further, however, that from the amount hereinabove appropriated there is transferred to the Energy Tax Receipts Property 27 Tax Relief Fund account such sums as were determined for fiscal year 2003, fiscal year 2006, fiscal year 2007, fiscal year 2008, fiscal year 2009, fiscal year 2010, fiscal year 2012, 29 and fiscal year 2013 pursuant to subsection e. of section 2 of P.L.1997, c.167 (C.52:27D-439) as amended by P.L.1999, c.168; and except that, the amount of 31 Consolidated Municipal Property Tax Relief Aid received by a municipality shall be increased by such amounts of Transitional Aid to Localities deemed to constitute 33 Consolidated Municipal Property Tax Relief Aid by the Director of the Division of Local Government Services in the previous fiscal year.
- Notwithstanding the provisions of any law or regulation to the contrary, the Director of the Division of Local Government Services shall take such actions as may be necessary to ensure that proportional amounts of the Consolidated Municipal Property Tax Relief Aid and the amounts transferred from Consolidated Municipal Property Tax Relief Aid to the Energy Tax Receipts Property Tax Relief Fund account, appropriated to offset losses from business personal property tax that would have otherwise been used for the support of public schools, will be used to reduce the school property tax levy for those affected school districts with the remaining State Aid used as municipal property tax relief. The chief financial officer of the municipality shall pay to the school districts such amounts as may be due by December 31.
- Notwithstanding the provisions of any law or regulation to the contrary, the release of the final 5% or \$500, whichever is greater, of the total annual amount due for the current fiscal year
 from Consolidated Municipal Property Tax Relief Aid to municipalities is subject to the following condition: the municipality shall submit to the Director of the Division of Local Government Services a report describing the municipality's compliance with the "Best Practices Inventory" established by the Director of the Division of Local Government

1 Services and shall receive at least a minimum score on such inventory as determined by the Director of the Division of Local Government Services; provided, however, that the Director may take into account the particular circumstances of a municipality in computing such 3 score. In preparing the Best Practices Inventory, the Director shall identify best municipal practices in the areas of general administration, fiscal management, and operational 5 activities, as well as the particular circumstances of a municipality, in determining the 7 minimum score acceptable for the release of the final 5% or \$500, whichever is greater, of the total annual amount due for the current fiscal year, but in no event shall amounts be 9 withheld with respect to municipal practices occurring prior to the issuance of the Best Practices Inventory unless related to a municipal practice identified in the Best Practices 11 Inventory established in the previous fiscal year. The Director of the Division of Local Government Services may permit any municipality that 13 received Regional Efficiency Aid Program funds pursuant to the annual appropriations act for fiscal year 2010, P.L.2009, c.68, to use a portion of Consolidated Municipal Property 15 Tax Relief Aid to provide Regional Efficiency Aid Program benefits pursuant to P.L. 1999, c.61 (C.54:4-8.76 et seq.). 17 Notwithstanding the provisions of any law or regulation to the contrary, payments to municipalities in lieu of taxes for lands acquired by the State and non-profit organizations for recreation and conservation purposes shall be provided only to municipalities whose 19 payments received in fiscal year 2010 exceeded \$5,000 and shall be provided at two-thirds 21 of the payment amount provided in fiscal year 2010. Notwithstanding the provisions of subsection d. of section 29 of P.L.1999, c.152 (C.13:8C-29) 23 or subsection d. of section 30 of P.L.1999, c.152 (C.13:8C-30), or any law or regulation to the contrary, all payments to municipalities in lieu of taxes for lands acquired by the State 25 and non-profit organizations for recreation and conservation purposes shall be retained by the municipality and not apportioned in the same manner as the general tax rate of the 27 municipality. In addition to the amounts hereinabove appropriated for the Department of Community Affairs, 29 in the case of municipalities that consolidate pursuant to any law, including but not limited to P.L.2007, c.63 (C.40A:65-25 et seq.) or a municipality that is wholly annexed by another 31 municipality pursuant to N.J.S.40A:7-1 et seq., there is appropriated such additional sums for non-recurring costs that the Director of the Division of Local Government Services 33 determines necessary to implement such consolidation or annexation, subject to the approval of the Director of the Division of Budget and Accounting. 35 Notwithstanding the provisions of any law or regulation to the contrary, whenever funds are appropriated as State Aid and payable to any municipality, which municipality requests and 37 receives the approval of the Local Finance Board, such funds may be pledged as a guarantee for payment of principal and interest on any bond anticipation notes issued pursuant to 39 section 11 of P.L.2003, c.15 (C.40A:2-8.1) and any tax anticipation notes issued pursuant to N.J.S.40A:4-64 by such municipality. Such funds, if so pledged, shall be made available 41 by the State Treasurer upon receipt of a written notification by the Director of the Division of Local Government Services that the municipality does not have sufficient funds available 43 for prompt payment of principal and interest on such notes, and shall be paid by the State Treasurer directly to the holders of such notes at such time and in such amounts as specified 45 by the Director, notwithstanding that payment of such funds does not coincide with any date for payment otherwise fixed by law. 47 The State Treasurer, in consultation with the Commissioner of Community Affairs, is empowered to direct the Director of the Division of Budget and Accounting to transfer 49 appropriations from any State department to any other State department as may be necessary to provide a loan for a term not to exceed 30 days to a municipality faced with a fiscal crisis,

Name brand manufacturers must provide for the payment of rebates to the State on the same basis as provided for in subsections (a) through (c) of section 1927 of the federal Social Security Act, 42 U.S.C. s.1396r-8.
- 21 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to 23 P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program, pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended unless participating 25 pharmaceutical manufacturing companies execute contracts with the Department of Human Services, providing for the payment of rebates to the State. The mail-order program may waive, discount, or rebate the beneficiary copayment and mail-order pharmacy providers may 47 dispense up to a 90-day supply on prescription refills with the voluntary participation of the beneficiary, subject to the approval of the Commissioner of Human Services and the Director 49 of the Division of Budget and Accounting.
 - Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove

1	appropriated for the Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance
_	to the Aged and Disabled (PAAD) programs are conditioned upon the Department of Human
3	Services coordinating the benefits of the PAAD programs with the prescription drug benefits of the federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003"
5	as the primary payer due to the current federal prohibition against State automatic enrollment
	of PAAD recipients in the federal program. The PAAD program benefit and reimbursement
7	shall only be available to cover the beneficiary cost share to in-network pharmacies and for
	deductible and coverage gap costs (as determined by the Commissioner of Human Services)
9	associated with enrollment in Medicare Part D for beneficiaries of the PAAD and Senior
	Gold Prescription Discount programs, and for Medicare Part D premium costs for PAAD
11	beneficiaries.
	Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
13	in the Pharmaceutical Assistance to the Aged or Pharmaceutical Assistance to the Aged and
	Disabled (PAAD) program and Senior Gold Prescription Discount Program accounts shall
15	be available as payment as a PAAD program or Senior Gold Prescription Discount Program
	benefit to any pharmacy that is not enrolled as a participating pharmacy in a pharmacy
17	network under Medicare Part D.
	Consistent with the requirements of the federal "Medicare Prescription Drug, Improvement, and
19	Modernization Act of 2003" and the current federal prohibition against State automatic
	enrollment of Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance to the
21	Aged and Disabled (PAAD) program and Senior Gold Prescription Discount Program
	recipients, no funds hereinabove appropriated to the PAAD program or Senior Gold
23	Prescription Discount Program accounts shall be expended for any individual unless the
	individual enrolled in the PAAD program or Senior Gold Prescription Discount Program
25	provides all data necessary to enroll the individual in Medicare Part D, including data
	required for the subsidy assistance, as outlined by the Centers for Medicare and Medicaid
27	Services.
	Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
29	appropriated for the Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance
	to the Aged and Disabled programs, and Senior Gold Prescription Discount Program shall
31	be conditioned upon the following provision: no funds shall be appropriated for the refilling
	of a prescription drug until such time as the original prescription is 85% finished.
33	Notwithstanding the provisions of any law or regulation to the contrary, in order to maximize
	drug coverage under Medicare Part D, the appropriation for the Senior Gold Prescription
35	Discount Program is conditioned on the Senior Gold Prescription Discount Program being
	designated the authorized representative for the purpose of coordinating benefits with the
37	Medicare drug program, including appeals of coverage determinations. The Senior Gold
	Prescription Discount Program is authorized to represent program beneficiaries in the pursuit
39	of such coverage. Senior Gold Prescription Discount Program representation shall include,
	but not to be limited to, the following actions: pursuit of appeals, grievances, and coverage
41	determinations.
	Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove
43	appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
	or the Senior Gold Prescription Discount Program shall be expended to cover medications
45	not on the formulary of a PAAD program or Senior Gold Prescription Discount Program
	beneficiary's Medicare Part D plan. This exclusion shall not apply to those drugs covered
47	by the PAAD program and Senior Gold Prescription Discount Program which are specifically
	excluded by the federal "Medicare Prescription Drug, Improvement, and Modernization Act
49	of 2003" (MMA). In addition, this exclusion shall not impact the beneficiary's rights,
	guaranteed by the MMA, to appeal the medical necessity of coverage for drugs not on the

1	formulary of a Medicare Part D plan.
3	Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
5	or the Senior Gold Prescription Discount Program shall be expended for diabetic testing materials and supplies which are covered under the federal Medicare Part B program, or for
7	vitamins, cough/cold medications, drugs used for the treatment of erectile dysfunction, or cosmetic drugs, including but not limited to: drugs used for baldness, weight loss, and skin
7	conditions.
9	From the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged -
11	Claims and Senior Gold Prescription Discount Program, an amount not to exceed \$3,850,000 may be transferred to various accounts as required, including Direct State Services accounts,
13	subject to the approval of the Director of the Division of Budget and Accounting. Notwithstanding the provisions of any law or regulation to the contrary, all financial recoveries
15	obtained through the efforts of any entity authorized to undertake the prevention and
15	detection of Medicaid fraud, waste, and abuse, are appropriated to Medical Services for the Aged in the Division of Aging Services.
17	In order to permit flexibility in implementing ElderCare Initiatives appropriated hereinabove as part of Community Based Senior Programs, and the Global Budget for Long Term Care
19	within the Medical Services for the Aged program classification, amounts may be transferred between Direct State Services and Grants-In-Aid accounts, subject to the approval of the
21	Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.
23	In order to permit flexibility in implementing the ElderCare Advisory Commission Initiatives, appropriated hereinabove as part of Community Based Senior Programs within the Programs
25	for the Aged program classification, amounts may be transferred between Direct State Services and Grants-In-Aid accounts, subject to the approval of the Director of the Division
27	of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and
	Finance Officer on the effective date of the approved transfer.
29	Notwithstanding the provisions of section 2 of P.L.1988, c.114 (C.26:2M-10) or any other law or regulation to the contrary, the amount appropriated for Community Based Senior Programs
31	is subject to the following condition: private for-profit agencies shall be eligible grantees for funding from the Community Based Senior Programs account for Alzheimer's Disease
33	activities.
	Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove
35	appropriated for Payments for Medical Assistance Recipients - Nursing Homes and Global Budget for Long Term Care are subject to the following condition: nursing facilities shall not
37	receive payments for bed hold or therapeutic leave days for Medicaid beneficiaries; provided that nursing facilities shall continue to reserve beds for Medicaid beneficiaries who are
39	hospitalized or on therapeutic leave as required by N.J.A.C.8:85-1.14. Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
41	appropriated for Payments for Medical Assistance Recipients - Nursing Homes and Global Budget for Long Term Care is subject to the following condition: if nursing facility
43	reimbursement is shifted to managed long term care during fiscal year 2013 under the Medicaid Comprehensive Waiver, the managed care organizations for the State shall
45	maintain the reimbursement rates last calculated pursuant to N.J.A.C.8:85, effective in fiscal
	year 2013, through the end of fiscal year 2013.
47	
	In addition to the amounts hereinabove appropriated for Pharmaceutical Assistance to the Aged
49	and Disabled and Hearing Aid Assistance for the Aged and Disabled (CRF), there are appropriated from the Casino Revenue Fund and available federal matching funds such

	108
1	additional sums as may be required for the payment of claims, credits, and rebates, subject to the approval of the Director of the Division of Budget and Accounting.
3	All funds recovered under P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.), during the current fiscal year are appropriated for payments to providers in the same
5	program class from which the recovery originated.
7	In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred to and from the various
9	items of appropriation within the Medical Services for the Aged program classification, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date
11	of the approved transfer.
13	For the purposes of account balance maintenance, all object accounts in the Medical Services for the Aged program classification shall be considered as one object. This will allow timely payment of claims to providers of medical services, but ensure that no overspending will
15	occur in the program classification. Notwithstanding the provisions of P.L.1988, c.92 (C.30:4E-5 et seq.) to the contrary, funds
17	appropriated for the Home Care Expansion Program (HCEP) shall be paid only for individuals enrolled in the program as of June 30, 1996 who are not eligible for the Global
19	Budget for Long Term Care or alternative programs, and only for so long as those individuals require services covered by the HCEP.
21	Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of receipts generated or savings realized in Casino Revenue Fund, Medical Services for the
23	Aged, or Pharmaceutical Assistance to the Aged and Disabled Grants-In-Aid accounts from initiatives included in the current fiscal year's annual appropriations act may be transferred
25	to administration accounts to fund costs incurred in realizing these additional receipts or savings, subject to the approval of the Director of the Division of Budget and Accounting.
27	The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the Aged and Disabled program, P.L.1975, c.194 (C.30:4D-20 et seq.), are available for the
29	payment of obligations applicable to prior fiscal years. Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD)
31	program, P.L.1975, c.194 (C.30:4D-20 et seq.), shall be the last resource benefits, notwithstanding any provision contained in contracts, wills, agreements, or other instruments.
33	Any provision in a contract of insurance, will, trust agreement, or other instrument which reduces or excludes coverage or payment to an individual because of that individual's
35	eligibility for or receipt of PAAD benefits shall be void, and no PAAD payments shall be made as a result of any such provision.
37	Of the amount hereinabove appropriated in the Pharmaceutical Assistance to the Aged and Disabled - Claims program, notwithstanding the provisions of section 3 of P.L.1975, c.194
39	(C.30:4D-22) to the contrary, the copayment in the Pharmaceutical Assistance to the Aged and Disabled program shall be \$5 for generic drugs and \$7 for brand name drugs.
41	Notwithstanding the provisions of any law or regulation to the contrary, no State funds are appropriated for the Drug Utilization Review Council in the Department of Human Services,
43	and therefore, the functions of the Council shall cease. Notwithstanding the provisions of any law or regulation to the contrary, subject to the approval
45	of a plan by the Commissioner of Human Services, no funds appropriated for the

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), shall be expended unless participating pharmaceutical manufacturing companies execute contracts with the Department of Human Services, providing for the payment of rebates to the State. Furthermore, rebates from pharmaceutical manufacturing companies for prescriptions purchased by the PAAD program shall continue during the current fiscal year, provided that the manufacturers' rebates for PAAD claims paid as secondary to Medicare Part D shall apply only to the amount paid by the State under the PAAD program. All revenues from such rebates during the current fiscal year are appropriated for the PAAD program.

Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for 13 the Pharmaceutical Assistance to the Aged and Disabled program are conditioned upon the Department of Human Services coordinating benefits with any voluntary prescription drug 15 mail-order or specialty pharmacy in a Medicare Part D provider network or private third party liability plan network for beneficiaries enrolled in a Medicare Part D program or 17 beneficiaries with primary prescription coverage that requires use of mail order. The mail-order program may waive, discount, or rebate the beneficiary copayment and mail-order pharmacy providers may dispense up to a 90-day supply on prescription refills with the 19 voluntary participation of the beneficiary, subject to the approval of the Commissioner of 21 Human Services and the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated in the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and the Senior Gold Prescription Discount Program accounts shall be available as payment as a PAAD program or Senior Gold Prescription Discount Program benefit to any pharmacy that is not enrolled as a participating pharmacy in a pharmacy network under Medicare Part D.

Consistent with the requirements of the federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003" and the current federal prohibition against State automatic enrollment of Pharmaceutical Assistance to the Aged and Disabled (PAAD) program recipients, no funds hereinabove appropriated from the PAAD account shall be expended for 43 any individual enrolled in the PAAD program unless the individual provides all data that may be necessary to enroll the individual in Medicare Part D, including data required for the 45 subsidy assistance, as outlined by the Centers for Medicare and Medicaid Services.

- ¹ The Commissioner of Human Services shall submit a State Plan Amendment to the federal 29 Centers for Medicare & Medicaid Services (CMS) to establish a supplemental payment program for Medicaid-covered health care services provided by physicians employed as 31 teaching faculty by the Cooper Medical School of Rowan University, the Robert Wood Johnson Medical School, the New Jersey Medical School, and the School of Osteopathic 33 Medicine at the University of Medicine and Dentistry of New Jersey. The State Plan Amendment shall specify that the State appropriations for the designated medical schools 35 will be treated as the State's matching contribution to the program to qualify for matching federal funds. The State Plan Amendment shall not commit the State to any financial 37 obligations above the State appropriations to each medical school. The Commissioner of Human Services is authorized to treat existing State appropriations for each medical school, 39 as identified by each medical school, as the State's contribution to the program. This supplemental physician payment program will be implemented in a manner consistent with federal CMS regulations, with the expressed purpose of strengthening New Jersey's health 41 care safety net and New Jersey's Medicaid physician provider network. The Commissioner of Human Services shall proceed only upon a determination that approval of a State Plan 43 Amendment would be budget neutral to the State. \mathbf{I}^1

33	period of one year for each year of contract funding provided on their behalf. Such service
	requirement must commence within one year of completion of the recipient's veterinary
35	education, including American Veterinary Medical Association-approved internships or
	residencies. If such service requirement is not met, in part or in full, after documented best
37	efforts to find a position, said recipient must refund to the Higher Education Student Assistance
	Authority that portion of the amounts expended for the recipient's contract seat that is not
39	offset by practicing in New Jersey.
	The amount hereinabove appropriated for the Veterinary Medicine Education Program shall not
41	be expended for any student not attending a school of veterinary medicine prior to July 1, 2010
	in a reserved space for New Jersey residents through contractual agreements between the
43	Higher Education Student Assistance Authority and participating out-of-State schools of
	veterinary medicine.
45	Notwithstanding the provisions of any law or regulation to the contrary, the Higher Education
	Student Assistance Authority shall provide to students enrolled in public institutions of higher
47	education who are eligible for maximum awards under the Tuition Aid Grant program an award
	amount which shall not exceed the in-State undergraduate 2010-2011 tuition rate for the
49	institution with comparable awards provided to students eligible for maximum awards enrolled
5 1	at nonpublic institutions. All other award amounts provided under the Tuition Aid Grant
51	program shall not exceed the in-State undergraduate tuitions in effect at institutions in academic

- year 2008-2009. The unexpended balances reappropriated to the Tuition Aid Grant account shall be available to fund increases in the number of applicants qualifying for full-time Tuition
 Aid Grant awards, to fund increases in award amounts, and to fund shifts in the distribution of awards that result in an increase in program costs.
- In addition to the amount hereinabove appropriated for Tuition Aid Grants, there are appropriated such sums as are required to cover the costs of increases in the number of applicants qualifying
 for full-time Tuition Aid Grant awards or to fund shifts in the distribution of awards that result in an increase in total program costs, subject to the approval of the Director of the Division of
 Budget and Accounting.
- The amount hereinabove appropriated for Part-Time Tuition Aid Grants for County Colleges 11 shall be used to provide funds for tuition aid grants for eligible, qualified part-time students enrolled at the county colleges established pursuant to N.J.S.18A:64A-1 et seq. The tuition aid grants shall be used to pay the tuition at a county college established pursuant to 13 N.J.S.18A:64A-1 et seq. Within the limits of available appropriations as determined by the 15 Higher Education Student Assistance Authority, part-time grant awards shall be pro-rated against the full-time grant award for the applicable institutional sector established pursuant to 17 N.J.S.18A:71B-21 as follows: an eligible student enrolled with six to eight credits shall receive one-half of the value of a full-time award and an eligible student enrolled with nine to eleven credits shall receive three-quarters of a full-time award. Students shall apply first for all other 19 forms of federal student assistance grants and scholarships; student eligibility for the Tuition 21 Aid Grant program for part-time enrollment at a community college shall in other respects be determined by the authority in accordance with the criteria established pursuant to 23 N.J.S.18A:71B-20, other than the criterion for full-time enrollment.

- The unexpended balances at the end of the preceding fiscal year of federal funds are appropriated for the same purposes. The Director of the Division of Budget and Accounting shall inform the Legislative Budget and Finance Officer by November 1, 2012 of any unexpended balances which are continued.
- Out of the appropriations herein, the Director of the Division of Budget and Accounting is empowered to approve payments to liquidate any unrecorded liabilities for materials delivered or services rendered in prior fiscal years, upon the written recommendations of any department head or the department head's designated representative. The Director of the Division of Budget and Accounting shall reject any recommendations for payment which the Director deems improper.
 - The sum herein appropriated to the Department of Transportation for the Hudson-Bergen Light Rail Transit System is hereby appropriated, to the extent necessary, to pay the principal of and interest on the grant anticipation notes issued by the New Jersey Transit Corporation.

A copy of such resolution shall
- be filed with the chief financial officer of the local government unit, the State administrative agency and the Division of Local Government Services in the Department of Community Affairs. To permit flexibility in the handling of appropriations, any department or agency that receives an appropriation by law, may, subject to the provisions of this section, or unless otherwise provided in this act, apply to the Director of the Division of Budget and Accounting for permission to transfer funds from one item of appropriation to a different item of appropriation. For the purposes of this section, "item of appropriation" means the spending authority identified by an organization code, appropriation source, and program code, unique to the item. If the director consents to the transfer, the amount transferred shall be credited by the director to the designated item of appropriation and notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer. However, the director, after consenting thereto, shall submit the following transfer requests to the Legislative Budget and Finance Officer for legislative approval or disapproval unless otherwise provided in this act:

(3) Requests for the transfer of State and other nonfederal funds, in amounts greater than \$50,000, to or from any Special Purpose or Grant account in which the identifying organization code, appropriation source, and program code, remain the same, provided that the transfer would effect a change in the legislative intent of the appropriations;

(4) Requests for the transfer of State funds, in amounts greater than \$50,000, between items of appropriation in different departments or between items of appropriation in different appropriation classifications herein entitled as Direct State Services, Grants-In-Aid, State Aid, Capital Construction and Debt Service;

(5) Requests for the transfer of federal funds, in amounts greater than \$300,000, from one item of appropriation to another item of appropriation, if the amount of the transfer to an item in combination with the amount of the appropriation to that item would result in an amount in excess of the appropriation authority for that item, as defined by the program class;

(6) Requests for such other transfers as are appropriate in order to ensure compliance with the legislative intent of this act.

b. The Joint Budget Oversight Committee or its successor may review all transfer requests submitted for legislative approval and may direct the Legislative Budget and Finance Officer to approve or disapprove any such transfer request. Transfers submitted for legislative approval pursuant to paragraph (4) of subsection a. of this section shall be made only if approved by the Legislative Budget and Finance Officer at the direction of the committee.

c. The Legislative Budget and Finance Officer shall approve or disapprove requests for the transfer of funds submitted for legislative approval within 10 working days of the physical receipt 53 thereof and shall return them to the director. If any provision of this act or any supplement thereto

260
