Disability Retirement Benefits

State Police Retirement System

ORDINARY DISABILITY

The processing of Ordinary Disability retirement benefits normally takes 3 to 5 months. To qualify for Ordinary Disability retirement benefits you must:

- have an active pension account (active membership ceases after discontinuance of pension contributions for more than two consecutive years¹ or withdrawal of member contributions from the retirement system);
- be under age 55 and have 4 or more years of New Jersey service credit in the pension system **(the purchase of out-of-state, military, and U.S. government civilian service cannot be used to attain the 4 years)**;
- be considered totally and permanently disabled (you must prove that you are physically or mentally incapacitated from performing your normal or assigned job duties with no possibility for significant improvement); and
- provide any and all accident reports, witness reports, and corroborating evidence on file for any and all accidents for which you are filing.

If the medical documentation supplied by you is not sufficient to support your claim of disability, you may be examined at no cost to you, by physicians selected by the retirement system. The examination will be scheduled by the Division of Pensions and Benefits.

If you qualify for an Ordinary Disability retirement, the annual benefit is equal to 40 percent of your Final Compensation or 1.5 percent of your Final Compensation for each year of service credit, whichever is higher.

“Final Compensation” means the salary upon which pension contributions were based in the last 12 months of creditable service preceding the member’s retirement. It includes the value of the maintenance allowance for this same period.

The retirement benefit is not reduced by any Social Security or private insurance benefits that may be payable. However, any Workers' Compensation award you receive may be reduced. See your employer for details.

Ordinary Disability retirement benefits are subject to federal tax to the same extent as other pensions; your benefits are not subject to New Jersey State income tax until you reach age 65.

INVOLUNTARY ORDINARY DISABILITY RETIREMENT

Your employer has the right to apply for an involuntary disability retirement on your behalf.

A SPRS member with at least four years of service, but less than 20 years, who meets the qualifications for Ordinary Disability shown above and who is required to retire upon application by the employer, will receive an Ordinary Disability retirement allowance of 40 percent of Final Compensation, or 1.5 percent of Final Compensation for each year of service, whichever is higher.

A member with 20 or more years of service will receive an allowance equal to 50 percent of Final Compensation plus an additional 3 percent of Final Compensation for every year of service over 20 up to a maximum of 25 years.

You cannot change the date of retirement under an Involuntary Disability Retirement.

ACCIDENTAL DISABILITY

The processing of Accidental Disability retirement benefits normally takes 6 to 8 months. To qualify for Accidental Disability retirement benefits you must:

- have an active pension account (active membership ceases after discontinuance of pension contributions for more than two consecutive years¹);

¹ Special rules apply for former members who discontinued service after two years and terminated employment because of a disability. Contact the Division of Pensions and Benefits for more information.

A PUBLICATION OF THE NEW JERSEY DIVISION OF PENSIONS AND BENEFITS

- be considered permanently and totally disabled (you must prove that you are physically or mentally incapacitated from performing your normal or assigned job duties or any other position with no possibility for significant improvement) as a “direct result of a traumatic event” (see definition below), that happened during and as a direct result of carrying out your regular or assigned job duties;
- be an active member of the SPRS on the date of the “traumatic event”;
- file an application within five years of the date of the “traumatic event”;
- be examined by physicians selected by the retirement system at no cost to you; and
- provide any and all accident reports, witness reports, and corroborating evidence on file for any and all accidents for which you are filing.

‘**Direct Result of a Traumatic Event**’ has been defined by the courts as an occurrence that is:

- identifiable as to time and place;
- undesigned and unexpected;
- caused by a circumstance external to the member (not the result of preexisting disease that is aggravated or accelerated by the work);
- occurred during and as a result of the member’s regular or assigned duties;
- was not the result of the member’s willful negligence; and
- results in the member’s permanent and total incapacitation from performing his or her usual or any other duty.

When there is an issue of mental incapacity, the member must also establish that:

- the disability results from direct personal experience of a terrifying or horror-inducing event that involves actual or threatened death or serious injury, or a similarly serious threat to the physical integrity of the member or another person; and
- the event that forms the basis for an accidental disability pension cannot be inconsequential and must be objectively capable of causing a

reasonable person in similar circumstances to suffer a disabling mental injury.

If you qualify for an Accidental Disability retirement benefit, you will receive 2/3 of your annual compensation.

If you are receiving periodic Workers’ Compensation benefits, your Accidental Disability retirement benefits will be reduced dollar for dollar by the periodic benefits paid after your retirement date.

The retirement benefit is not reduced by any Social Security or private insurance benefits that may be payable.

The Division of Pensions and Benefits reports your Accidental Disability retirement benefit as exempt from federal income tax; your benefits are not subject to New Jersey State income tax until you reach age 65.

If you apply for Accidental Disability retirement and are found by the Board of Trustees to be permanently and totally disabled, but not because of a traumatic event or the event was not the primary cause of your disability, you will be retired on an Ordinary Disability if you have 4 years of New Jersey service in the retirement system. You may be offered a Service or Early Retirement depending on your age and service credit at the time the application is received.

APPLYING FOR DISABILITY RETIREMENT BENEFITS

The *Application for Disability Retirement* can be submitted online using the **Member Benefits Online System** (MBOS). Before you can begin using the system, you must be registered with MBOS. Registration is free. To begin the MBOS registration process go to our Web site at:

www.state.nj.us/treasury/pensions/mbosregister.htm

You can also obtain an application for Disability Retirement::

- by writing to the Division of Pensions and Benefits, PO Box 295, Trenton, NJ 08625-0295;
- by contacting the Office of Client Services by telephone at (609) 292-7524; or

A PUBLICATION OF THE NEW JERSEY DIVISION OF PENSIONS AND BENEFITS

- by e-mail request to:
pensions.nj@treas.state.nj.us

The *Application for Disability Retirement* includes forms for your physicians to complete and a release for any hospital records related to your disability. Applicants for disability retirement must submit all supporting hospital and physician records using the forms provided with the application. Two forms of medical documentation are required; i.e. a statement from two treating physicians or one statement and records from a hospital stay related to the disability. Applications and supporting documents should be submitted to:

**Division of Pensions and Benefits
Disability Review Unit
PO Box 297
Trenton, NJ 08625-0297**

All medical information is kept confidential and used only by the Board of Trustees in reviewing the claim.

You must pay for the cost of any medical documentation that may be required to prove your claim. For example, if you had a hospital stay due to your disability and the hospital charges for the duplication of medical records from your stay, you would be responsible for any cost involved. The more complete the application, the faster it can be processed.

In order to be eligible to receive either Ordinary or Accidental Disability retirement benefits, you must terminate all retirement system covered employment prior to your retirement date.

Your employer has the right to apply for an involuntary disability retirement on your behalf.

The approval of Workers' Compensation or Social Security disability benefits has no bearing on your application for disability retirement from the retirement system.

If you retire with an outstanding loan balance, your monthly loan repayment schedule will continue into retirement until the loan balance plus interest has been repaid.

Once the Board approves a member for a disability retirement allowance, the member's retirement application cannot be withdrawn, cancelled, or amended to a later retirement date than the date specified in the approved retirement application.

PAYMENT OF PENSION TO A SURVIVING FAMILY MEMBER

Upon the death of a retired member, the spouse, civil union partner, eligible domestic partner, and/or child(ren) of the member may be entitled to a monthly pension. The terms used in the explanations of benefits that follow are explained here.

"Spouse" means a person of the opposite sex to whom you are legally married. A photocopy of the *Marriage Certificate* is required for verification.

"Civil Union Partner" means a person of the same sex with whom you have entered into a civil union. A photocopy of the *New Jersey Civil Union Certificate* or a valid certification from another jurisdiction that recognizes same-sex civil unions is required for verification. (see Fact Sheet #75, *Civil Unions*, for details).

"Domestic Partner" is a same-sex domestic partner, as defined under Chapter 246, P.L. 02003, the Domestic Partnership Act, of any State employee, retiree, or an eligible employee or retiree of a local public entity if the local governing body adopts a resolution to provide Chapter 246 benefits. A photocopy of the *New Jersey Certificate of Domestic Partnership* dated prior to February 19, 2007 or a valid certification from another jurisdiction that recognizes same-sex domestic partners is required for verification. (see Fact Sheet #71, *Benefits Under the Domestic Partnership Act*, for details).

"Child" means your unmarried child:

- under the age of 18; or
- any age, who at the time of your death, is disabled because of mental or physical incapacity and is incapable of substantial gainful employment because of the impairment. This incapacity must last, or be expected to last, for a continuous period of not less than 12 months as determined by the PFRS Medical Review Board.

Retired Member Death Benefits

Upon your death as a retired member, your surviving spouse or partner is eligible to receive a pension benefit equal to 50 percent of your Final Compensation, plus 15 percent of your Final Compensation for one child or 25 percent of your Final Compensation for two or more children.

If there is no surviving spouse or partner, the following benefit is payable to the minor children:

- 50 percent of Final Compensation to three or more eligible children;
- 35 percent of Final Compensation to two eligible children; or
- 20 percent of Final Compensation to one eligible child.

OTHER INFORMATION

Group Life Insurance

Most members of the retirement system are covered by group life insurance.

If you retire on a disability retirement, the amount of your group life insurance will be equal to 3 1/2 times of your Final Compensation until age 55 when it will be reduced to 1/2 of Final Compensation.

If a retiree was enrolled as a member of the SPRS on or after July 1, 1971, life insurance is payable only if the member retired with 10 or more years of pension membership credit or retired on a disability retirement.

Conversion

When your group life insurance is reduced, you have 31 days to convert the amount of insurance reduced to private individual insurance coverage. Please see Fact Sheet #13, *Conversion of Group Life Insurance*, for more detailed information.

Employment after Retirement

Because the Board of Trustees has determined that you are disabled, you cannot accept any further SPRS covered employment. Please refer to Fact Sheet #57, *Employment After Retirement*, for additional information.

Health Benefits

Fact Sheet #11, *Enrolling in Health Benefits Coverage When You Retire*, provides information about continuing your State Health Benefits Program coverage in retirement.

Cost-of-Living Adjustments

The Pension Adjustment Program provides cost-of-living adjustments (COLA) to you and your eligible survivors if you are receiving a monthly retirement allowance from one of the state-administered retirement systems. The first adjustment is available in the 25th month after your retirement. Subsequent cost-of-living adjustments are computed annually and the adjustment is reflected in the February 1st check (which is payment for the month of January). If your spouse, partner, or other beneficiary is entitled to receive a monthly pension upon your death, the COLA will be applied to that benefit based upon your year of retirement. See Fact Sheet #18, *Cost-of-Living Adjustments*, for further information.
