RFP for Underwriters
7.22.15**

Q: What is the proposed par amount for the new money transaction?

A: A final determination has not been made regarding the scope of the new money portion. At a minimum, we expect to issue \$70 million for the Statehouse exterior. However, the final number could be as much as \$200 million in new money if additional projects are approved between now and the time the bonds are issued.
