Vendor Information and Bidding Opportunities

The Purchase Bureau maintains a bidders mailing list. You as a vendor may have basic information about your firm added to the bidders mailing list by visiting our website at <http://www.state.nj.us/treasury/purchase/bidmaillist.htm> and submitting a bidders mailing list application online. You may also download the application and instructions and submit the application by mail. Applications submitted online are processed more quickly than mailed applications.

A bidders mailing list application gives you the opportunity to identify yourself as a potential bidder for the types of goods and services that your firm provides. The Purchase Bureau attempts (but does not guarantee) to provide firms on the bidders mailing list with notice of bidding opportunities related to the goods and services identified in the application.

If you are already on the Purchase Bureau's bidders mailing list and you need to change your information, contact Bid List Management at (609) 984-5396.

Note: If you are an awarded State contractor and payments are not being directed to your proper remit-to address, you must send a letter on company letterhead to the Office of Management and Budget, Vendor Control Unit, PO Box 221, Trenton, NJ 08625 or fax that letter to 609-292-4882. The term of the contract shall be for a period of two (2) years. The anticipated "Contract Effective Date" is provided on the cover sheet of this RFP. If delays in the procurement process result in a change to the anticipated Contract Effective Date, the bidder agrees to accept a contract for the full term of the contract. The contract may be extended for all or part of two (2) one-year periods, by the mutual written consent of the contractor and the Director. Purchase orders may be placed against the contract up to and including the end of business on the last day of the contract, for delivery no more than 45 days after contract expiration.

5.5 CONTRACT TRANSITION

In the event that a new contract has not been awarded prior to the contract expiration date, as may be extended herein, it shall be incumbent upon the contractor to continue the contract under the same terms and conditions until a new contract can be completely operational. At no time shall this transition period extend more than ninety (90) days beyond the expiration date of the contract.

The Director may take such steps as are necessary to have the items returned by the Agency, regardless of the time between the date of delivery and discovery of the violation. In such event, the contractor shall reimburse the State the full purchase price.

The contract involves items which are necessary for the continuation of ongoing critical State services. Any delay in delivery of these items would disrupt State services and would force the State to immediately seek alternative sources of supply on an emergency basis. Timely delivery is critical to meeting the State's ongoing needs.

5.10 DISCLOSURE OF PRODUCT COMPOSITION - NOT APPLICABLE

5.11 REMEDIES FOR NON-PERFORMANCE

In the event that the contractor fails to comply with any material contract requirements, the Director may take steps to terminate the contract in accordance with the State administrative code. In this event, the Director may authorize the delivery of contract items by any available means, with the difference between the price paid and the defaulting contractor's price either being deducted from any monies due the defaulting contractor or being an obligation owed the State by the defaulting contractor.

The contractor must provide detailed justification documenting the necessity for the substitution or addition.

The contractor must provide detailed resumes of its proposed replacement staff or of the proposed subcontractor's management, supervisory and other key personnel that demonstrate knowledge, ability and experience relevant to that part of the work which the subcontractor is to undertake.

Contractors are encouraged to submit the required information in electronic spreadsheet format. The Purchase Bureau uses Microsoft Excel.

Failure to submit these mandated reports will be a factor in future award decisions.

5.18 REQUIREMENTS OF EXECUTIVE ORDER 134

In order to safeguard the integrity of State government procurement by imposing restrictions to insulate the award of State contracts from political contributions that pose the risk of improper influence, purchase of access, or the appearance thereof, Executive Order 134 was signed on September 22, 2004 ("EO 134"). Pursuant to the requirements of EO 134, the terms and conditions set forth in this section are material terms of any contract resulting from this RFP:

5.18.1 DEFINITIONS

For the purpose of this section, the following shall be defined as follows:

a) Contribution – means a contribution reportable as a recipient under "The New Jersey Campaign Contributions and Expenditures Reporting Act." P.L. 1973, c. 83 (C.19:44A-1 et seq.), and implementing regulations set forth at N.J.A.C. 19:25-7 and N.J.A.C. 19:25-10.1 et seq. Through December 31, 2004, contributions in excess of \$400 during a reporting period were deemed "reportable" under these laws. As of January 1, 2005, that threshold was reduced to contributions in excess of \$300.

b) Business Entity – means any natural or legal person, business corporation, professional services corporation, limited liability company, partnership, limited partnership, business trust, association or any other legal commercial entity organized under the laws of New Jersey or any other state or foreign jurisdiction. It also includes (i) all principals who own or control more than 10 percent of the profits or

assets of a business entity or 10 percent of the stock in the case of a business entity that is a corporation for profit, as appropriate; (ii) any subsidiaries directly or indirectly controlled by the business entity; (iii) any political organization organized under 26 U.S.C.A. 527 that is directly or indirectly controlled by the business entity, other than a candidate committee, election fund, or political party committee; and (iv) if a business entity is a natural person, that person's spouse or child, residing in the same household.

5.18.2 BREACH OF TERMS OF EXECUTIVE ORDER 134

It shall be a breach of the terms of the contract for the Business Entity to (i) make or solicit a contribution in violation of this Order, (ii) knowingly conceal or misrepresent a contribution given or received; (iii) make or solicit contributions through intermediaries for the purpose of concealing or misrepresenting the source of the contribution; (iv) make or solicit any contribution on the condition or with the agreement that it will be contributed to a campaign committee or any candidate or holder of the public office of Governor, or to any State or county party committee; (v) engage or employ a lobbyist or consultant with the intent or understanding that such lobbyist or consultant would make or solicit any contribution, which if made or solicited by the business entity itself, would subject that entity to the restrictions of EO 134; (vi) fund contributions made by third parties, including consultants, attorneys, family members, and employees; (vii) engage in any exchange of contributions to circumvent the intent of EO 134; or (viii) directly or indirectly through or by any other person or means, do any act which would subject that entity to the restrictions of EO 134.

5.18.3 CERTIFICATION AND DISCLOSURE REQUIREMENTS

a) The State shall not enter into a contract to procure from any Business Entity services or any material, supplies or equipment, or to acquire, sell or lease any land or building, where the value of the transaction exceeds \$17,500, if that Business Entity has solicited or made any contribution of money, or pledge of contribution, including in-kind contributions to a candidate committee and/or election fund of any candidate for or holder of the public office of Governor, or to any State or county political party committee during certain specified time periods

b) Prior to awarding any contract or agreement to any Business Entity, the Business Entity proposed as the intended awardee of the contract shall submit the Certification and Disclosure form, certifying that no contributions prohibited by Executive Order 134 have been made by the Business Entity and reporting all contributions the Business Entity made during the preceding four years to any political organization organized under 26 U.S.C.527 of the Internal Revenue Code that also meets the definition of a "continuing political committee" within the mean of N.J.S.A. 19:44A-3(n) and N.J.A.C. 19:25-1.7. The required form and instructions, available for review on the Purchase Bureau website at <http://www.state.nj.us/treasury/purchase/forms.htm#eo134> , shall be provided to the intended awardee for completion and submission to the Purchase Bureau with the Notice of Intent to Award. Upon receipt of a Notice of Intent to Award a Contract, the intended awardee shall submit to the Division, in care of the Purchase Bureau Buyer, the Certification and Disclosure(s) within five (5) business days of the State's request. Failure to submit the required forms will preclude award of a contract under this RFP, as well as future contract opportunities.

c) Further, the Contractor is required, on a continuing basis, to report any contributions it makes during the term of the contract, and any extension(s) thereof, at the time any such contribution is made. The required form and instructions, available for review on the Purchase Bureau website at <http://www.state.nj.us/treasury/purchase/forms.htm#eo134> , shall be provided to the intended awardee with the Notice of Intent to Award.

5.18.4 STATE TREASURER REVIEW

The State Treasurer or his designee shall review the Disclosures submitted pursuant to this section, as well as any other pertinent information concerning the contributions or reports thereof by the intended awardee, prior to award, or during the term of the contract, by the contractor. If the State Treasurer determines that any contribution or action by the contractor constitutes a breach of contract that poses a

conflict of interest in the awarding of the contract under this solicitation, the State Treasurer shall disqualify the Business Entity from award of such contract.

5.19 REQUIREMENTS OF EXECUTIVE ORDER 129

Under the Executive Order 129 issued on September 9, 2004 ("E.O. 129"), the State shall not award a contract to a bidder that submits a bid proposal to perform services, or have its subcontractor[s] perform services, outside the United States, unless one of the following conditions is met:

- a) The bidder or its subcontractor provide a unique service, and no comparable, domestically-provided service can adequately duplicate the unique features of the service provided by the bidder or and/or its subcontractor; or
- b) A significant and substantial economic cost factor exists such that a failure to use the bidder's and/or the subcontractor'[s] services would result in economic hardship to the State; or
- c) The Treasurer determines that a failure to use the bidder's and/or its subcontractor's services would be inconsistent with the public interest.

5.19.1 SOURCE DISCLOSURE REQUIREMENTS

Pursuant to E.O. 129, all bidders seeking a contract with the State of New Jersey must disclose:

- a) The location by country where services under the contract will be performed; and
- b) The location by country where any subcontracted services will be performed.

Accordingly, the bidder should submit with its bid proposal the Source Disclosure Certification form (Attachment 7), filled out with the sourcing information required for itself and any proposed subcontractor, identified in the Intent to Subcontract Form. If the information is not submitted with the bid proposal, it shall be submitted within five (5) business days of the State's request for the information.

FAILURE TO SUBMIT SOURCING INFORMATION WHEN REQUESTED BY THE STATE SHALL PRECLUDE AWARD OF A CONTRACT TO THE BIDDER.

5.19.2 BREACH OF CONTRACT OF EXECUTIVE ORDER 129

A SHIFT TO OUTSOURCED SERVICES DURING THE TERM OF THE CONTRACT SHALL BE DEEMED A BREACH OF THE CONTRACT

If, during the term of the contract, the contractor or subcontractor, who had on contract award declared that services would be performed in the United States, proceeds to shift the performance of the services outside of the United States, the contractor shall be deemed in breach of the contract, which contract shall be subject to termination for cause pursuant to Section 3.5b.1 of the Standard Terms and conditions, unless the Director shall have first determined in writing that extraordinary circumstances require a shift of services or that a failure to shift the services would result in economic hardship to the State.

6.0 PROPOSAL EVALUATION/CONTRACT AWARD

6.1 CONTRACT EVALUATION

For a product bid that has been determined to be in compliance with this RFP, the contract shall be awarded on the basis of the following criteria, not necessarily listed in the order of importance:

6.1.1 Price

6.1.2 Experience of the bidder

6.1.3 The bidder's past performance under similar contracts, including if applicable, the Division's vendor performance database.

6.2 ORAL PRESENTATION AND/OR CLARIFICATION OF BID PROPOSAL

After the submission of bid proposals, unless requested by the State, contact with the State is limited to status inquiries only and such inquiries are only to be directed to the buyer. Any further contact or information about the proposal to the buyer or any other State official connected with the solicitation will be considered an impermissible supplementation of the bidder's bid proposal.

A bidder may be required to give an oral presentation to the Evaluation Committee concerning its bid proposal. The Evaluation Committee may also require a bidder to submit written responses to questions regarding its bid proposal.

The purpose of such communication with a bidder, either through an oral presentation or a letter of clarification, is to provide an opportunity for the bidder to clarify or elaborate on its bid proposal. Original bid proposals submitted, however, cannot be supplemented, changed, or corrected in any way. No comments regarding other bid proposals are permitted. Bidders may not attend presentations made by their competitors.

It is within the Evaluation Committee's discretion whether to require a bidder to give an oral presentation or require a bidder to submit written responses to questions regarding its bid proposal. Action by the Evaluation Committee in this regard should not be construed to imply acceptance or rejection of a bid proposal. The Purchase Bureau buyer will be the sole point of contact regarding any request for an oral presentation or clarification.

6.3 CONTRACT AWARD

Contract awards shall be made with reasonable promptness by written notice to that responsible bidder, whose bid proposal, conforming to this RFP, is most advantageous to the State, price, and other factors considered. Any or all bid proposals may be rejected when the State Treasurer or the Director determines that it is in the public interest so to do.

Addendum # 1 - Electronic Questions & Answers

<p>Question #1</p>	<p>I noticed that your request for discount pricing is based on a "blanket" solicitation, in that specific publishers are not mentioned. Since XYZ deals with hundreds of publishers and studios from which materials are obtained, all with different pricing and availability depending on title requirements, how are bidders expected to offer a single "across the board" discount without knowing in advance more specific title or publisher requirements? Additionally, as XYZ deals with many other state agencies, orders are filled on an "as-needed" basis as they are received...many titles are in stock, but some may be back-ordered or pre-ordered if not yet published. How can bidders offer a specific delivery time under this consideration as well?</p> <p>Answer: Section 3.6 Contract Prices states, "The basis for the discount prices for all books shall be the publisher's list prices as listed in 'Books in Print' published by R.R. Bowker, Inc. The discount for subscriptions shall be Ulrich's Periodical Directory for Serial Publications." Also, Section 3.5 Shipping requires the first shipment (40%) of the order to be shipped within 30 days, (80%) of the total order within 60 days, and the final shipment within 90 days after receipt of purchase order or as specified by the Using Agency.</p>
<p>Question #2</p>	<p>Could you tell me the name of the books you are interested in. I presently do not sell books but there is a division in our organization who handles this.</p> <p>Answer: Section 4.4.4 Price Sheetting Instruction states, "Bidders shall offer a percent discount off net prices from "Books in Print" and/or "Ulrich's Periodical Directory for Serial Publications".</p>
<p>Question #3</p>	<p>The above RFP is solely printing or is design needed?</p> <p>Answer: Same as #2.</p>
<p>Question #4</p>	<p>What are you wanting publishers to bid? We have thousands of specific titles for the published textbook category, each with</p>

	<p>individual unit prices. I reviewed the list of contracts from the original procurement of Books, Published. The vendors appear to be wholesalers or jobbers, neither of which would describe (Name of Company). We are the sole publishers of our products. Would this RFP apply to us?</p> <p>Answer: Same as #1 and #2.</p>
Question #5	<p>After going through 45 pages of terms & conditions before getting to the actual books that you want, I find to my growing frustration that you do not reference a title, author, isbn#, or publisher. If you could supply this information we would be able to bid.</p> <p>Answer: Lines 46-53 include the lines for the class and description of books being bid. See answer to question # 1 and 6.3 Contract Award for bidding instructions.</p>
Question #6	<p>We're looking at doing Line Numbers 70-72 of this bid but we're not sure what they are? They're commodity code 715-50-054697, Class 21 Books, Published Microform.</p> <p>Answer: Books that are on microfilm, microfiche, etc.</p>
Question #7	<p>Are premiums allowed or must every item have a discount? Do we, the vendor, supply a specific list of magazine titles per Class[11,12]? How would we handle a request for a title that only began publishing after the bid was submitted?</p> <p>Answer: Same as #1 & #2.</p>
Question #8	<p>Do we return all 53 pages of the bid or just the pages that are requested?</p> <p>Answer: Section 4.0 Proposal Preparation and Submission includes detailed instructions regarding what is required to complete the RFP.</p>
Question #9	<p>Regarding the list of references, can I list my previous contract with the State of New Jersey as a reference?</p> <p>Answer: Section 4.4.2.3 states, "Supply the name(s) of present customers you are servicing for contracts of a similar size and scope to those required by this RFP". The references listed will be contacted as part of the evaluation for satisfactory customer service.</p>
Question #10	<p>In Class 11 & 12, must we submit a bid for all of the lines within the Bid Price Sheet?</p> <p>Answer: Section 4.4.4 Price Sheet Instruction states, "Bidders must bid the entire group in order to be eligible for an award in that group."</p>
Question #11	<p>Are you able to forward to me the list of Cooperative Purchasing Members (indicated on page 4 of the Request For Proposal)?</p> <p>Answer: The State is not able to provide this information. However, a list of local and state agencies can be found on the following website (http://www.nj.gov/Government.shtml)</p>
Question #12	<p>I need clarification regarding Class 11 & Class 12 titles. What magazines would be in each class? I subscribe to Ulrich's Periodical Directory & are updated every 3 months with a new CD.</p>

	<p>There is no indication as to whether a title is considered Trade or Non-Trade. How would the following titles be classified? Mailbox Bookbag, School Library Journal, Scientific American, Cobblestone, Science Magazine. A definition may be necessary so that proper lists can be prepared. Will this contract have multiple winners?</p> <p>Answer: A discount off Ulrich's Periodical Directory is the basis for serial publications. Section 6.3 Contract Award states, " Award shall be made to the lowest responsive bidder for the groups listed below". The RFP lists 21 groups eligible for award.</p>
<p>Question #13</p>	<p>I am requesting a sample title list or a more specific description of categories 10-12.</p> <p>Answer: Same as #1.</p>
