## **NOTICE TO BIDDERS**

### **SET-ASIDE CONTRACTS**

**N.J.S.A 52:32-17, N.J.A.C. 17:13, 12A:10**

Pursuant to the provisions of the New Jersey statute and administrative code cited above, this contract, or a portion thereof, has been designated as a set-aside contract for Small Business. As such, as indicated on page one of this document, eligibility to bid is limited to bidders (or subcontractors, as applicable) that meet statutory and regulatory requirements and have had their eligibility determined by the New Jersey Commerce, Economic Growth and Tourism Commission (Commerce). The definitions of each Small Business set-aside category can be found at N.J.A.C. 17:13-1.2 or N.J.A.C. 12A:10-1.2.

"Small Business" means a business that has its principal place of business in the state of New Jersey, is independently owned and operated, and has no more than 100 full-time employees.

The new program places Small Business into the following categories: (I) those with gross revenues up to \$500,000; (II) those with gross revenues of up to \$5 million; and (III) those with gross revenues that do not exceed \$12 million. While companies registered as having revenues below \$500,000 can bid on any contract, those earning more than the \$500,000 and \$5 million amounts will not be permitted to bid on contracts designated for revenue classifications below their respective levels.

Each business interested in bidding for this contract should provide, as part of its response to this solicitation, proof of its current registration as a qualifying Small Business with New Jersey Commerce, Economic Growth and Tourism Commission. Any business that seeks to register as a Small Business is required to submit a fee along with its application to Commerce.

All necessary forms and any additional information concerning registration may be obtained by contacting Commerce's office of Small Business services, by telephone at the number below, or by mail, or in person between the hours of 9:00 am and 5:00 pm at the address below:

## **1.0 INFORMATION FOR BIDDERS**

### **1.1 PURPOSE AND INTENT**

This Request for Proposal (RFP) is issued by the Purchase Bureau, Division of Purchase and Property, Department of the Treasury on behalf of the Department of Law and Public Safety, Division of Criminal Justice, Police Training Commission (PTC). The purpose of this RFP is to solicit bid proposals to engage a contractor to perform a study regarding the development of pre-entry standards for schools, approved and authorized by PTC, to provide police training courses pursuant to P.L.1961, c.56 (C.52:17B-66 et seq.).

The intent of this RFP is to award a contract to that responsible bidder whose bid proposal, conforming to this RFP is most advantageous to the State, price and other factors considered. However, the State reserves the right to separately procure individual requirements that are the subject of the contract during the contract term, when deemed by the Director to be in the State's best interest.

The NJ Standard Terms & Conditions version 05 09 06 will apply to all contracts or purchase agreements made with the State of New Jersey. These terms are in addition to the terms and conditions set forth in this RFP and should be read in conjunction with them unless the RFP specifically indicates otherwise.

### **1.2 BACKGROUND**

PTC was created by the Police Training Act N.J.S.A. 52:17B-66 et seq. for the purpose of implementing and administering basic training courses for individuals seeking permanent appointment in a variety of law enforcement and corrections civil service job titles. Within New Jersey, 24 police academies train 27 different categories of law enforcement and corrections recruits in 11 different basic courses.

There are currently minimal requirements for admission to basic training courses. Eight of the basic courses contain a mandatory physical training component, where the threshold for passing is "participation." For aerobic exercises, participation has been defined as exercise at the trainee's target heart rate for 20 minutes. For anaerobic exercises, participation is determined by a certified physical conditioning instructor.

PTC has been directed by recently enacted legislation, P.L.2004, c.161 (S526 SCS), to develop admission requirements for basic training courses. The requirements include, but are not limited to, pre-entry physical fitness standards for law enforcement officers predicated upon a job task analysis. PTC has expanded the requirements to include the development of pre-entry, psychological standards.

#### 1.4 ADDITIONAL INFORMATION

##### 1.4.1 ADDENDA: REVISIONS TO THIS RFP

In the event that it becomes necessary to clarify or revise this RFP, such clarification or revision will be by addendum. Any addendum to this RFP will become part of this RFP and part of any contract awarded as a result of this RFP.

ALL RFP ADDENDA WILL BE ISSUED ON THE DIVISION OF PURCHASE AND PROPERTY WEB SITE. TO ACCESS ADDENDA, SELECT THE BID NUMBER ON THE BIDDING OPPORTUNITIES WEB PAGE AT THE FOLLOWING ADDRESS:

<http://www.state.nj.us/treasury/purchase/bid/summary/bid.shtml>.

There are no designated dates for release of addenda. Therefore interested bidders should check the Purchase Bureau "Bidding Opportunities" website on a daily basis from time of RFP issuance through bid opening.

It is the sole responsibility of the bidder to be knowledgeable of all addenda related to this procurement.

##### 1.4.2 BIDDER RESPONSIBILITY

The bidder assumes sole responsibility for the complete effort required in submitting a bid proposal in response to this RFP. No special consideration will be given after bid proposals are opened because of a bidder's failure to be knowledgeable as to all of the requirements of this RFP.

##### 1.4.3 COST LIABILITY

The State assumes no responsibility and bears no liability for costs incurred by a bidder in the preparation and submittal of a bid proposal in response to this RFP.

##### 1.4.4 CONTENTS OF BID PROPOSAL

Subsequent to bid opening, all information submitted by bidders in response to the bid solicitation is considered public information, except as may be exempted from public disclosure by the Open Public Records Act, N.J.S.A. 47:1A-1 et seq., and the common law. Because the State proposes to negotiate and/or pursue a Best and Final Offer, bid proposals will not be made public until the Letter of Intent to Award is issued.

A bidder may designate specific information as not subject to disclosure when the bidder has a good faith legal/factual basis for such assertion. The State reserves the right to make the determination and will advise the bidder accordingly. The location in the bid proposal of any such designation should be clearly stated in a cover letter. **The State will not honor any attempt by a bidder either to designate its entire bid proposal as proprietary and/or to claim copyright protection for its entire proposal.**

By signing the cover sheet of this RFP, the bidder waives any claims of copyright protection set forth within the manufacturer's price list and/or catalogs. The price lists and/or catalogs must be accessible to State using agencies and cooperative purchasing partners and thus have to be made public to allow all eligible purchasing entities access to the pricing information.

All bid proposals, with the exception of information determined by the State or the Court to be proprietary, are available for public inspection after the Letter of Intent to Award is issued. At such time, interested parties can make an appointment with the Purchase Bureau to inspect bid proposals received in response to this RFP.

#### **1.4.5 BID OPENING**

On the date and time bid proposals are due under the RFP, only the names of the bidders submitting bid proposals will be publicly announced. The contents of the bid proposals shall remain confidential until the Notice of Intent to Award is issued by the Director.

#### **1.4.6 PRICE ALTERATION**

Bid prices must be typed or written in ink. Any price change (including "white-outs") must be initialed. Failure to initial price changes shall preclude a contract award from being made to the bidder.

#### **1.4.7 BID ERRORS**

In accordance with N.J.A.C. 17:12-1.22, "Bid Errors," a bidder may withdraw its bid as follows:

A bidder may request that its bid be withdrawn prior to bid opening. Such request must be made, in writing, to the Supervisor of the Business Unit. If the request is granted, the bidder may submit a revised bid as long as the bid is received prior to the announced date and time for bid opening and at the place specified.

If, after bid opening but before contract award, a bidder discovers an error in its proposal, the bidder may make written request to the Supervisor of the Business Unit for authorization to withdraw its proposal from consideration for award. Evidence of the bidder's good faith in making this request shall be used in making the determination. The factors that will be considered are that the mistake is so significant that to enforce the contract resulting from the proposal would be unconscionable; that the mistake relates to a material feature of the contract; that the mistake occurred notwithstanding the bidder's exercise of reasonable care; and that the State will not be significantly prejudiced by granting the withdrawal of the proposal. Note: a PB-36 complaint form may be filed and forwarded to the Division's Contract Compliance and Administration Unit (CCAU) for handling. A record of the complaint will also be maintained in the Division's vendor performance file for evaluation of future bids submitted.

All bid withdrawal requests must include the bid identification number and the final bid opening date and sent to the following address:

Department of the Treasury

Purchase Bureau, PO Box 230  
33 West State Street – 9<sup>th</sup> Floor  
Trenton, New Jersey 08625-0230  
Attention: Supervisor, Business Unit

If during a bid evaluation process, an obvious pricing error made by a potential contract awardee is found, the Director shall issue written notice to the bidder. The bidder will have five days after receipt of the notice to confirm its pricing. If the vendor fails to respond, its bid shall be considered withdrawn, and no further consideration shall be given it.

If it is discovered that there is an arithmetic disparity between the unit price and the total extended price, the unit price shall prevail. If there is any other ambiguity in the pricing other than a disparity between the unit price and extended price and the bidder's intention is not readily discernible from other parts of the bid proposal, the Director may seek clarification from the bidder to ascertain the true intent of the bid.

#### 1.4.8 JOINT VENTURE

If a joint venture is submitting a bid proposal, the agreement between the parties relating to such joint venture should be submitted with the joint venture's bid proposal. Authorized signatories from each party comprising the joint venture must sign the bid proposal. A separate Ownership Disclosure Form, Disclosure of Investigations and Actions Involving Bidder, Affirmative Action Employee Information Report, MacBride Principles Certification, and Business Registration or Interim Registration must be supplied for each party to a joint venture.

## **6.0 PROPOSAL EVALUATION**

### **6.1 PROPOSAL EVALUATION COMMITTEE**

Bid proposals may be evaluated by an Evaluation Committee composed of members of affected departments and agencies together with representative(s) from the Purchase Bureau. Representatives from other governmental agencies may also serve on the Evaluation Committee. On occasion, the Evaluation Committee may choose to make use of the expertise of outside consultant in an advisory role.

### **6.2 ORAL PRESENTATION AND/OR CLARIFICATION OF BID PROPOSAL**

After the submission of bid proposals, unless requested by the State as noted below, vendor contact with the State is still not permitted.

A bidder may be required to give an oral presentation to the Evaluation Committee concerning its bid proposal. The Evaluation Committee may also require a bidder to submit written responses to questions regarding its bid proposal.

The purpose of such communication with a bidder, either through an oral presentation or a letter of clarification, is to provide an opportunity for the bidder to clarify or elaborate on its bid proposal. Original bid proposals submitted, however, cannot be supplemented, changed, or corrected in any way. No comments regarding other bid proposals are permitted. Bidders may not attend presentations made by their competitors.

It is within the Evaluation Committee's discretion whether to require a bidder to give an oral presentation or require a bidder to submit written responses to questions regarding its bid proposal. Action by the Evaluation Committee in this regard should not be construed to imply acceptance or rejection of a bid proposal.

The Purchase Bureau buyer will be the sole point of contact regarding any request for an oral presentation or clarification.

### **6.3 EVALUATION CRITERIA**

The following evaluation criteria categories, not necessarily listed in order of significance, will be used to evaluate bid proposals received in response to this RFP. The evaluation criteria categories may be used to develop more detailed evaluation criteria to be used in the evaluation process:

#### **6.3.1 TECHNICAL EVALUATION CRITERIA**

- A) The bidder's general approach and plans in meeting the requirements of this RFP.
- B) The bidder's detailed approach and plans to perform the services required by the Scope of Work of this RFP.
- C) The bidder's documented experience in successfully completing contracts of a similar size and scope to the work required by this RFP.
- D) The qualifications and experience of the bidder's management, supervisory or other key personnel assigned to the contract, with emphasis on documented experience in successfully completing work on contracts of similar size and scope to the work required by this RFP.

- E) The overall ability of the bidder to mobilize, undertake and successfully complete the contract. This judgment will include, but not be limited to, the following factors: the number and qualifications of management, supervisory and other staff proposed by the bidder to complete the contract, the availability and commitment to the contract of the bidder's management, supervisory and other staff proposed and the bidder's contract management plan, including the bidder's contract organizational chart.

### 6.3.2 BIDDER'S PRICE SCHEDULE

For evaluation purposes, bidders will be ranked according to the total bid price located on the Price Sheet located at the end of this RFP.

### 6.3.3 BID DISCREPANCIES

In evaluating bids, discrepancies between words and figures will be resolved in favor of words. Discrepancies between unit prices and totals of unit prices will be resolved in favor of unit prices. Discrepancies in the multiplication of units of work and unit prices will be resolved in favor of the unit prices. Discrepancies between the indicated total of multiplied unit prices and units of work and the actual total will be resolved in favor of the actual total. Discrepancies between the indicated sum of any column of figures and the correct sum thereof will be resolved in favor of the corrected sum of the column of figures.

### 6.3.4 EVALUATION OF THE BID PROPOSALS

The Evaluation Committee will complete its evaluation and recommend to the Director for award the responsible bidder(s) whose bid proposal, conforming to this RFP, is most advantageous to the State, price and other factors considered. The Evaluation Committee considers and assesses price, technical criteria, and other factors during the evaluation process.

### 6.4 NEGOTIATION AND BEST AND FINAL OFFER (BAFO)

Following the opening of bid proposals, the State shall, pursuant to N.J.S.A. 52:34-12(f), negotiate one or more of the following contractual issues: the technical services offered, the terms and conditions and/or the price of a proposed contract award with any bidder, and/or solicit a Best and Final Offer (BAFO) from one or more bidders.

Initially, the Evaluation Committee will conduct a review of all the bids and select bidders to contact to negotiate and/or conduct a BAFO based on its evaluation and determination of the bid proposals that best satisfy the evaluation criteria and RFP requirements, and that are most advantageous to the State, price and other factors considered. The Committee may not contact all bidders to negotiate and/or to submit a BAFO.

In response to the State's request to negotiate, bidders must continue to satisfy all mandatory RFP requirements but may improve upon their original technical proposal in any revised technical proposal. However, any revised technical proposal that does not continue to satisfy all mandatory requirements will be rejected as non-responsive and the original technical proposal will be used for any further evaluation purposes in accordance with the following procedure.

In response to the State's request for a BAFO, bidders may submit a revised price proposal that is equal to or lower in price than their original submission, but must continue to satisfy all mandatory requirements. Any revised price proposal that is higher in price than the original will be rejected as non-responsive and the original bid will be used for any further evaluation purposes.

After receipt of the results of the negotiation and/or the BAFO(s), the Evaluation Committee will complete its evaluation and recommend to the Director for award that responsible bidder(s) whose bid proposal, conforming to this RFP, is most advantageous to the State, price and other factors considered.

All contacts, records of initial evaluations, any correspondence with bidders related to any request for negotiation or BAFO, any revised technical and/or price proposals, the Evaluation Committee Report and the Award Recommendation, will remain confidential until a Notice of Intent to Award a contract is issued.

## **7.0 CONTRACT AWARD**

### **7.1 DOCUMENTS REQUIRED BEFORE CONTRACT AWARD**

#### **7.1.1 REQUIREMENTS OF N.J.S.A. 19:44A-20.13-25 (FORMERLY EXECUTIVE ORDER 134)**

In order to safeguard the integrity of State government procurement by imposing restrictions to insulate the negotiation and award of State contracts from political contributions that pose the risk of improper influence, purchase of access, or the appearance thereof, the Legislature enacted N.J.S.A. 19:44A-20.13 – 25 on March 22, 2005 (the "Legislation"), retroactive to October 15, 2004, superseding the terms of Executive Order 134. Pursuant to the requirements of the Legislation, the terms and conditions set forth in this section are material terms of any contract resulting from this RFP:

##### **7.1.1.1 DEFINITIONS**

For the purpose of this section, the following shall be defined as follows:

a) Contribution – means a contribution reportable as a recipient under "The New Jersey Campaign Contributions and Expenditures Reporting Act." P.L. 1973, c. 83 (C.19:44A-1 et seq.), and implementing regulations set forth at N.J.A.C. 19:25-7 and N.J.A.C. 19:25-10.1 et seq. Through December 31, 2004, contributions in excess of \$400 during a reporting period were deemed "reportable" under these laws. As of January 1, 2005, that threshold was reduced to contributions in excess of \$300.

b) Business Entity – means any natural or legal person, business corporation, professional services corporation, Limited Liability Company, partnership, limited partnership, business trust, association or any other legal commercial entity organized under the laws of New Jersey or any other state or foreign jurisdiction. The definition of a business entity includes (i) all principals who own or control more than 10 percent of the profits or assets of a business entity or 10 percent of the stock in the case of a business entity that is a corporation for profit, as appropriate; (ii) any subsidiaries directly or indirectly controlled by the business entity; (iii) any political organization organized under section 527 of the Internal Revenue Code that is directly or indirectly controlled by the business entity, other than a candidate committee, election fund, or political party committee; and (iv) if a business entity is a natural person, that person's spouse or child, residing in the same household.

##### **7.1.1.2 BREACH OF TERMS OF THE LEGISLATION**

It shall be a breach of the terms of the contract for the Business Entity to (i) make or solicit a contribution in violation of the Legislation, (ii) knowingly conceal or misrepresent a contribution given or received; (iii) make or solicit contributions through intermediaries for the purpose of concealing or misrepresenting the source of the contribution; (iv) make or solicit any contribution on the condition or with the agreement that it will be contributed to a campaign committee or any candidate or holder of the public office of Governor, or to any State or county party committee; (v) engage or employ a lobbyist or consultant with the intent or understanding that such lobbyist or consultant would make or solicit any contribution, which if made or solicited by the business entity itself, would subject that entity to the restrictions of the Legislation; (vi) fund contributions made by third parties, including consultants, attorneys, family members, and employees; (vii) engage in any exchange of contributions to circumvent the intent of the Legislation; or (viii) directly or indirectly through or by any other person or means, do any act which would subject that entity to the restrictions of the Legislation.

### 7.1.1.3 CERTIFICATION AND DISCLOSURE REQUIREMENTS

a) The State shall not enter into a contract to procure from any Business Entity services or any material, supplies or equipment, or to acquire, sell or lease any land or building, where the value of the transaction exceeds \$17,500, if that Business Entity has solicited or made any contribution of money, or pledge of contribution, including in-kind contributions to a candidate committee and/or election fund of any candidate for or holder of the public office of Governor, or to any State or county political party committee during certain specified time periods

b) Prior to awarding any contract or agreement to any Business Entity, the Business Entity proposed as the intended awardee of the contract shall submit the Certification and Disclosure form, certifying that no contributions prohibited by the Legislation have been made by the Business Entity and reporting all contributions the Business Entity made during the preceding four years to any political organization organized under 26 U.S.C.527 of the Internal Revenue Code that also meets the definition of a “continuing political committee” within the mean of N.J.S.A. 19:44A-3(n) and N.J.A.C. 19:25-1.7. The required form and instructions, available for review on the Purchase Bureau website at <http://www.state.nj.us/treasury/purchase/forms.htm#eo134>, shall be provided to the intended awardee for completion and submission to the Purchase Bureau with the Notice of Intent to Award. Upon receipt of a Notice of Intent to Award a Contract, the intended awardee shall submit to the Division, in care of the Purchase Bureau Buyer, the Certification and Disclosure(s) within five (5) business days of the State’s request. Failure to submit the required forms will preclude award of a contract under this RFP, as well as future contract opportunities.

c) Further, the Contractor is required, on a continuing basis, to report any contributions it makes during the term of the contract, and any extension(s) thereof, at the time any such contribution is made. The required form and instructions, available for review on the Purchase Bureau website at <http://www.state.nj.us/treasury/purchase/forms.htm#eo134>, shall be provided to the intended awardee with the Notice of Intent to Award.

### 7.1.1.4 STATE TREASURER REVIEW

The State Treasurer or his designee shall review the Disclosures submitted pursuant to this section, as well as any other pertinent information concerning the contributions or reports thereof by the intended awardee, prior to award, or during the term of the contract, by the contractor. If the State Treasurer determines that any contribution or action by the contractor constitutes a breach of contract that poses a conflict of interest in the awarding of the contract under this solicitation, the State Treasurer shall disqualify the Business Entity from award of such contract.

### 7.1.1.5 ADDITIONAL DISCLOSURE REQUIREMENT OF P.L. 2005, C. 271

Contractor is advised of its responsibility to file an annual disclosure statement on political contributions with the New Jersey Election Law Enforcement Commission (ELEC), pursuant to P.L. 2005, c. 271, section 3 if the contractor receives contracts in excess of \$50,000 from a public entity in a calendar year. It is the contractor’s responsibility to determine if filing is necessary. Failure to so file can result in the imposition of financial penalties by ELEC. Additional information about this requirement is available from ELEC at 888-313-3532 or at [www.elec.state.nj.us](http://www.elec.state.nj.us).

## 7.1.2 SOURCE DISCLOSURE REQUIREMENTS

### 7.1.2.1 REQUIREMENTS OF N.J.S.A. 52:34-13.2

Under the referenced statute, effective August 3, 2005, all contracts primarily for services awarded by the Director shall be performed within the United States, except when the Director certifies in writing a finding that a required service cannot be provided by a contractor or subcontractor within the United States and the certification is approved by the State Treasurer.

### 7.1.2.2 SOURCE DISCLOSURE REQUIREMENTS

Pursuant to the statutory requirements, the intended awardee of a contract primarily for services with the State of New Jersey must disclose the location by country where services under the contract, including subcontracted services, will be performed. The Source Disclosure Certification form is located on the Advertised Solicitation, Current Bid Opportunities webpage <http://www.state.nj.us/treasury/purchase/bid/summary/08x39666.shtml>.

FAILURE TO SUBMIT SOURCING INFORMATION WHEN REQUESTED BY THE STATE SHALL PRECLUDE AWARD OF A CONTRACT TO THE BIDDER.

If any of the services cannot be performed within the United States, the bidder shall state with specificity the reasons why the services cannot be so performed. The Director shall determine whether sufficient justification has been provided by the bidder to form the basis of his certification that the services cannot be performed in the United States and whether to seek the approval of the Treasurer.

### 7.1.2.3 BREACH OF CONTRACT OF EXECUTIVE ORDER 129

A SHIFT TO PROVISION OF SERVICES OUTSIDE THE UNITED STATES DURING THE TERM OF THE CONTRACT SHALL BE DEEMED A BREACH OF CONTRACT.

If, during the term of the contract, the contractor or subcontractor, who had on contract award declared that services would be performed in the United States, proceeds to shift the performance of any of the services outside the United States, the contractor shall be deemed to be in breach of its contract, which contract shall be subject to termination for cause pursuant to Section 3.5b.1 of the Standard Terms and Conditions version 05 09 06 of the RFP, unless previously approved by the Director and the Treasurer.

## 7.2 FINAL CONTRACT AWARD

Contract award shall be made with reasonable promptness by written notice to that responsible bidder, whose bid proposal, conforming to this RFP, is most advantageous to the State, price, and other factors considered. Any or all bid proposals may be rejected when the State Treasurer or the Director determines that it is in the public interest to do so.

## 7.3 INSURANCE CERTIFICATES

The contractor shall provide the State with current certificates of insurance for all coverages required by the terms of this contract, naming the State as an Additional Insured.

## 7.4 PERFORMANCE BOND

Not applicable to this procurement.

## **8.0 CONTRACT ADMINISTRATION**

### **8.1 CONTRACT MANAGER**

The State Contract Manager is the State employee responsible for the overall management and administration of the contract.

The State Contract Manager for this project will be identified at the time of execution of contract. At that time, the contractor will be provided with the State Contract Manager's name, department, division, agency, address, telephone number, fax phone number, and email address.

#### **8.1.1 STATE CONTRACT MANAGER RESPONSIBILITIES**

For an agency contract where only one State office uses the contract, the State Contract Manager will be responsible for engaging the contractor, assuring that Purchase Orders are issued to the contractor, directing the contractor to perform the work of the contract, approving the deliverables and approving payment vouchers. The State Contract Manager is the person that the contractor will contact **after the contract is executed** for answers to any questions and concerns about any aspect of the contract. The State Contract Manager is responsible for coordinating the use and resolving minor disputes between the contractor and any component part of the State Contract Manager's Department.

If the contract has multiple users, then the State Contract Manager shall be the central coordinator of the use of the contract for all Using Agencies, while other State employees engage and pay the contractor. All persons and agencies that use the contract must notify and coordinate the use of the contract with the State Contract Manager.

#### **8.1.2 COORDINATION WITH THE STATE CONTRACT MANAGER**

Any contract user that is unable to resolve disputes with a contractor shall refer those disputes to the State Contract Manager for resolution.
