

AMENDMENT #1
FURNITURE LIBRARY - EXCLUDING SHELVING
T-2440

1 DECEMBER 2006

1. This amendment provides authorized users all the information needed to determine a vendor, items covered by the contract and the correct contract pricing.
2. All contracted vendors are listed with contract numbers, address, contact names, email address, web site address, authorized servicing dealers if applicable, and items authorized to be procured using this contract.
3. Authorized users must use the contractor's designated web site (NJ State Contract).
4. The authorized price list being used for this contract is provided by vendor and brand in pdf format. Only the State can make changes to these price lists. This will allow authorized users to verify prices without submitting a request to the Purchase Bureau.
5. Users are to identify which products are to be purchased by using the contractor's web page as designated herein. Once a product or products is determined users are to verify correct pricing by using the associated price list. One final check is required to ensure the products desired are covered by the contract. This is done by using addendum #1 information..
6. Some contractors have identified servicing agents who are also listed below.

VENDOR	BRAND	SERVICING DEALER	PRICE LIST	CATALOG INFO	REMARKS
