Dear Customer,

Thank you for your interest in Landice. With over 40 years and 40,000 commercial treadmills in the field, Landice offers the L-Series LTD treadmills, designed for light commercial and vertical environments where usage is less than five hours a day.

**Limited Institutional Use Treadmills**  
120VAC, 15A, 60Hz

**Warranty: 5 year/5,000 hour parts and 1 year labor**

To receive this warranty the treadmill must be registered with Landice and placed in the application for which it has been intended. LTD series treadmills are intended for light commercial environments where usage is less than five hours per day. "Heavy use" and "pay-for-membership" facilities such as health clubs, gyms, and YMCAs are not eligible for this warranty program. All wear items will be pro-rated over a five-year period.
