HÅG

CATALOG
July 15, 2009

A perfect base for endless possibility and variation. Add a stain of foam, or a lump of sugar. Go all out and spec it topped with whipping cream. And don't forget to pair it with accessories, like biscotti or dark chocolate.

BETTER TOGETHER

Protecting the earth for future generations is a founding principle of izzy+. So we're proud that HÅG, our Norwegian seating expert, is a global leader in environmental sustainability. Among the first to offer products in the U.S. with Environmental Product Declarations (EPDs), HÅG continues to do more with less, combining recycled and recyclable materials with sustainable manufacturing practices.

Another reason we love collaborating with HÅG? Their products offer the movement and variation people need to work in comfort all day, whether at the office or in an education or training setting. The Scandinavian design cool factor means comfort looks fabulous, too.

We're thrilled to join HÅG in their farsighted pursuits, and to ultimately be Better Together.

RIDE THROUGH YOUR WORKDAY

HÅG Capisco: with headrest, Momentum Hue Fern; Clara table: V02 Walnut veneer; Gumby's horse Pokey: not much momentum

HÅG SEATING

Comfort isn't just about how your chair lets you sit—it's also about how your chair lets you move. Sitting without sitting still is at the heart of HÅG's award-winning ergonomic seating. You'd almost think they invented human-centered design.

HÅG CAPISCO® – THE SADDLE CHAIR™

Variation is key to ergonomics, and at the heart of HÅG Capisco. Start at a low-seated position with this saddle-inspired chair, then adjust it to a half-standing height to refresh a body weary of sitting. HÅG Capisco is perfect for height-adjustable worksurfaces like Rylee tables.

HÅG WING

We couldn't sit still when we were kids and we shouldn't sit still as adults. It's better for our bodies to keep moving. But when conferences and meetings fill our schedules, sitting can be difficult to avoid. Luckily, HÅG Wing is designed to help you move more regularly and naturally in your seat. It is also designed for heavy use, so it couldn't be better suited for all those "sit still" places – schools, universities, libraries, cafes, meeting rooms, hotels, and conference halls.

izzyquik

izzy accommodates your fast-paced lifestyle with a Quick Ship program that has your favorite seating on its way to you in just five days.

And while fast is enticing on its own, we also deliver a sizable helping of options. Some HÅG models are available on izzyquik, and within each family you can specify custom options to make your chair line up with your needs.

To top it all off, over 100 upholstery options, including vinyl and environmentally friendly fabrics, make what you can get fast, incredibly cool as well.

izzyquik offers a great selection of products and textiles in only five days! Customize with any izzytextile in our Base Grade or Grade A collection, including fabric, vinyl and environmentally friendly materials.

izzyquik maximum quantity per order is 25 chairs. Be sure your order is clearly marked for izzyquik expediting. Orders not indicated as izzyquik will be scheduled for regular lead-time. Cal TB133 product is not quick ship.

Can be specified for the following seating products:

- HÅG Capisco
- HÅG H05
- HÅG H05 Communication
- HÅG Wing

Momentum Textiles Selector

Ever wish you could see what a chair will look like in a particular upholstery color or pattern before you buy it? Well, now you can. We've teamed up with Momentum Textiles to offer our customers a new online mapping tool that lets you apply any approved Momentum Textile to the seating product of your choice. It's design-driven, customer focused, and izzyeasy at its best. Here's how it works.

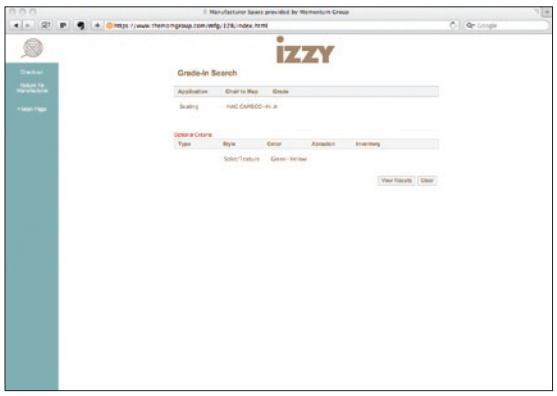
From the izzydesign.com website, choose the Color & Materials tab in the navigation bar on the right.

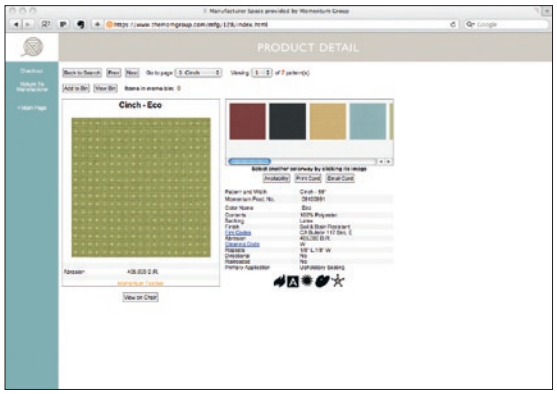
Click on the Momentum Textile Selector link. You will be linked to the database of approved Momentum Textiles available on HÅG Seating products.

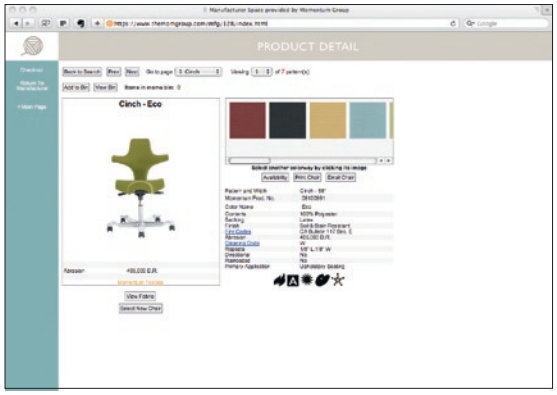
Simply complete the query on the screen. It's easy and intuitive and helps you narrow down your options based on grade, material type and style, color and durability. It even tells you how much inventory is in stock!

Upon deciding on the preferred Momentum pattern/color, click on the link "View on Chair". Your selected HÅG Seating product will be displayed in your chosen Momentum Textile upholstery. All material specifications are shown here as well. You can even save the picture or e-mail to a friend.

Now that's what great collaborations are all about.







Terms and Conditions of Sale

Terms
izzy's standard purchase terms are Net 30 days from the date of the invoice with approved credit. Other terms and conditions that apply are cited in izzy's Standard Terms and Conditions of Sale. Items are invoiced at shipment. In the case of multiple shipments, items may be invoiced separately. All transactions are in U.S. dollars. All products may ship with standard freight prepaid by izzy within the 48 contiguous United States.

Sales and use taxes
Each purchaser is responsible for collecting and remitting any and all applicable sales and use taxes.

Order procedure
All orders must be in writing. Send purchase orders to:

izzy
11451 Harter Drive
Middlebury, IN 46540

Fax to 800.831.9821

You can also e-mail to customersupport@izzydesign.com

Please specify all required options when ordering. This will help to reduce any misunderstanding and assure your order is entered in a timely manner. When you receive an order acknowledgment from izzy, please check it carefully against your original order to be sure all items have been properly acknowledged. Please refer to our acknowledgment number when corresponding about a specific order so that we can give you accurate information on your order. izzy is not liable for orders that cannot be accurately fulfilled due to incomplete or inaccurate information being supplied by you or someone acting on your behalf.

All orders and order changes made with izzy must be in writing and may be subject to a cancellation fee of up to 50%.

Returned goods
Each izzy product is custom made to our customer's desired specifications and therefore is not returnable. Any exception must have prior written approval from izzy and will incur up to a 50% restocking fee. Call izzy Customer Support at 1.866.499.9968 to request a return authorization. Approved returned goods must be shipped freight prepaid by the customer to izzy. Collect shipments will be refused and any associated freight costs will be the responsibility of the customer. Upon approval by izzy, credit will be given for the original price of the product less any restocking fees (up to 50% of the original purchase price).

Cancellations
Cancellations received 7 to 10 days prior to the scheduled ship date will be subject to a cancellation fee of up to 25%. Cancellations received less than 7 days prior to the scheduled ship date will be subject to a cancellation fee of up to 50%. Cancellations received after the order has been entered into the production schedule will be charged a 5% cancellation fee.

Product enhancements
izzy reserves the right to implement minor design changes/modified parts to products through a running change without notice.

Shipping instructions
Our July 15, 2009 pricebook is for delivered pricing under normal dealer terms and conditions, FOB origin. Freight is prepaid on orders of $1,000 list or more for regular ground transportation to a single destination within the 48 contiguous states. On orders less than $1,000 list, a freight charge of $41 net will apply. Legal title of merchandise passes to the buyer upon acceptance by the carrier. Please indicate the "Ship To" destination address on your purchase order.

Shipping product fully assembled
izzy can ship your seating order fully assembled when requested. Add $65/list price per chair and indicate "Set-Up" on your purchase order.

Palletized freight
izzy will ship your order on pallets at an upcharge per your request. Contact Customer Support for more information.

Freight claims
All shipments are delivered to the transportation company in good condition, and our liability ceases thereafter. We will, however, give every possible assistance if shipments are received short or damaged if you follow the approved receiving method. If shipment is received short or damaged, the carrier should endorse freight bill or express receipt and the customer should immediately file a claim with the transportation company.

All common carrier freight claims are the responsibility of the product recipient.
izzy will do everything possible to replace the damaged goods, but the new order will be handled under regular terms and conditions. The customer must obtain credit for the original damaged goods/shortages directly from the freight company.

When filing a claim with the transportation company, several things should be kept in mind:

Be timely (within 15 days – beyond this, it is extremely difficult to recover costs).
Check all cartons on site/time of delivery and note any damage/shortage on freight bill or express receipt, and then have carrier and customer sign freight bill or express receipt. When noting damage on freight bill or express receipt, be as specific as possible (include model number on label, position of damage, and any other information that will help the freight company verify the claim). When possible, take a picture of the damaged freight.

Save the carton.

Storage
All merchandise will ship upon completion of production. If customer is unable to accept shipment, izzy may transfer the merchandise to storage. All cost for storage and additional freight incurred will be the responsibility of the customer as well as the risk of loss or damage during storage. After 90 days, the order is deemed cancelled and regular terms and conditions of sale apply.

Intended use and safety notice
izzy seating products are designed for safe use under intended circumstances. Option configurations for customers should be specified by dealers based on guidelines set forth by izzy, the intended use of the seating and the workplace environment for the seating. izzy seating products should not be used to stand on, as a cart for transporting items or for any purpose other than seating one occupant. Under no circumstances should any mechanical or structural modification be made to izzy seating products without written instruction from izzy. Any such modification could result in injury. Customer should check all mechanical parts every 3 to 6 months. If any part of a chair, stool or control is broken, damaged, loose or missing, the chair should not be used. Casters for carpet must be used on carpeted surfaces only. If used on hard surfaces, including chairmats, chair stability will be affected and may result in personal injury. Stool kits are designed, tested and intended for installation on those izzy seating models specified in this price list. Improper specification and installation of stool kits and extension tubes will affect stability and could result in injury to the occupant.

Warranty

Limited lifetime warranty

izzy warrants the products sold by izzy and its subsidiaries to be free from defects in material and workmanship for the warranty periods detailed below, under normal use. This warranty covers products sold and delivered for use within the United States, Canada, and Mexico. This warranty is extended only to the first end-user of new products purchased for their own use, and not for resale, from izzy, its subsidiaries or its authorized dealers.

Normal use as defined under this warranty is wear and tear that occurs during a 40-hour work week (8-hour day) when the product is used by a person weighing 250 pounds or less. When products are subject to use that exceeds the normal use stipulated by this warranty, they are warranted for a period of 2 years from the date of purchase, in lieu of foregoing warranties.

Lifetime: Pneumatic lift

10 years: Structure and frame; control mechanism; base; arms and arm pads; HÅG H09 Inspiration mesh; and HÅG FutuKnit

Seating extended use warranty

The warranty is defined as wear and tear that occurs during 24-hour use when the product is used by a person weighing 250 pounds. Warranted time periods are as stated above. Extended use warranty is standard on HÅG H04 and HÅG H05.

Replacement parts

Three years from the date of purchase from izzy, any of its subsidiaries or any of its authorized dealers.

Shipping warranty replacements/parts

Freight for all warranty shipments is prepaid and allowed for regular ground transportation to a single destination within the 48 contiguous states and Washington DC

Non-standard products

Non-standard products or product configurations are subject to warranty limitations.

Remedies

In the event of a defect in any product to which this warranty applies, then as the purchaser's sole remedy, izzy shall, at its sole option, repair such product, or replace with a comparable model of equal or higher value.

Limitation of liability

THE REMEDIES STATED HEREIN ARE THE CUSTOMER'S SOLE AND EXCLUSIVE REMEDIES, AND IZZY SHALL NOT BE LIABLE FOR ANY COSTS (INCLUDING LABOR COSTS TO REPAIR THE PRODUCT, OR TRANSPORTATION COSTS INCURRED TO RETURN THE PRODUCT TO IZZY OR ITS AUTHORIZED DEALER), LIABILITIES, LOST PROFITS, LOSS OF GOODWILL, OR ANY OTHER GENERAL, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES INCURRED IN CONNECTION WITH THE PURCHASE OR USE OF THE PRODUCTS.

To obtain performance under this warranty, the defective product must be returned to izzy or one of its authorized dealers with the proof of original purchase. Prior written authorization must be obtained before shipping the product directly to izzy. izzy will provide the materials to repair the product free of charge, including transportation costs to the purchaser or dealer, when the product is returned to an authorized dealer for repairs.

The warranty is null and void if the product has been subject to abuse, misuse, negligence, accident, unauthorized modification, or if the customer fails to perform normal maintenance service on the product, which includes, but is not limited to, lubrication and cleaning, minor assembly and adjustment, and periodic operational checks. Normal wear and tear, natural variations occurring in wood, marble, and leather are not considered defects; izzy does not warrant the colorfastness or matching of the colors, grains, or textures of these natural materials or textiles. izzy does not provide any warranty for a purchaser's materials or other items incorporated or used in the products.

IZZY MAKES NO WARRANTY OF FITNESS FOR PARTICULAR PURPOSE OR MERCHANTABILITY AND NO OTHER WARRANTY, WHETHER EXPRESS OR ARISING BY OPERATION OF LAW, COURSE OF DEALING, USAGE OR TRADE, OR OTHERWISE IMPLIED, SHALL EXIST IN CONNECTION WITH IZZY FURNITURE PRODUCTS OR ANY SALE OF USE THEREOF.

COM – Customers Own Material

Customer's own material (COM) will be upholstered at Grade A pricing. Customer's own leather (COL) is Grade A pricing + $38. All COM must be approved before it is accepted into production.

Approval Process

Send a 12 x 12 swatch of the COM along with a completed copy of the COM instruction form. Indicate on the form which model the COM is to be applied to along with all other information requested on the form.

Send the form and sample piece to:

izzy
Attn: Customer Support/COM Testing
11451 Harter Drive
Middlebury, IN 46540

Once testing is complete, a Customer Support Representative will contact you with the results.

Shipping COM

Send all approved COM freight prepaid to:

izzy
11451 Harter Drive
Middlebury, IN 46540

Collect shipments of COM will not be accepted.

All receipts of COM must be marked with the customer's purchase order number or izzy's acknowledgement number. It's a good idea to attach a small piece of the COM to the purchase order when submitting the order. Excess COM will be disposed of after 30 days.

COM Policy

While we inspect fabrics for mill imperfections, some are difficult to recognize. We will not be responsible for defects, color inaccuracies, dye lot variations or other flaws. We cannot be responsible for the receipt of defective fabrics as we consider all COM to be first quality goods. It is not our responsibility to police the receipt on a COM in order to meet delivery deadlines, and we assume our customers are aware of any undue delay in the shipment of their COM fabric to izzy. Under no circumstances will we assume responsibility for COM shortages, flaws, or other such problems.

COM is not covered under the izzy warranty. Acceptance of a COM does not mean that we, in any way, warrant the covering. In no instance shall izzy be held liable for tailoring quality or premature wear of a COM. izzy will not be held responsible in the event that over time the adhesion between the fabric and the foam fails.

Send to izzy a 12" x 12" swatch for testing along with a copy of this form indicating how the COM is to be applied to the chair. We suggest you attach a 4" x 4" sample to this form to ensure your order is processed correctly.

Customer's Name	Customer's PO number
Model Number	Quantity
COM Supplier's Name	COM Name/Number
COM Color/Number	Total Yards Shipped

Make a copy of this form and send it completed to:

izzy
Attn: Customer Support/COM Testing
11451 Harter Drive
Middlebury, IN 46540

Apply the 4" x 4" swatch as it should be upholstered to the chair, noting a vertical or horizontal direction and a center stripe placement if applicable.

Cal TB133/177 Fire Codes

Cal TB133

Cal TB133 is a standard of furniture flammability required by the California Bureau of Home Furnishings and Thermal Insulation for furniture used in public buildings such as healthcare facilities, convalescent homes, public assembly areas of hotels and motels, hospitals, board and care homes, stadiums, licensed child care facilities, prisons and jails.

Cal TB133 is a full-scale fire test for furniture. The standards do not specify how to construct furniture, but only how they should perform when tested. To meet this fire code standard, a fire blocking liner is sandwiched between the foam and the fabric of the chair. This liner actually acts as a fire extinguisher by smothering the flame.

Cal TB117

All izzy upholstered seating products meet California Technical Bulletin 117-75 (CAL TB117) which has been in effect since October of 1975. This is a standard by which upholstered furniture is tested to be approved as meeting a minimum fire standard.

The following seating products meet the Cal TB133 standard when combined with an approved textile*

* Cal TB133 approved izzytextiles are Origin, Perk, Cashmere, Hue, and Max.

Upcharge and Lead-time
The upcharge for Cal TB133 is dependent on the product selected. Upholstered back is required on many Cal TB133 products, refer to the product page under options for the appropriate upcharge. Clearly indicate the Cal option code when ordering.

Cal TB133 product requires additional lead-time and is not available on izzyquik. Contact Customer Support for more information regarding lead-times.

Existing Seating Compliance
To determine whether an izzy chair you currently have meets Cal TB133, check the bottom of the seat pan for the label shown below. If your chair does not have this tag, your chair does not meet Cal TB133.

Cal TB133 label

Note: This article is manufactured for use in public occupancies and meets the flammability requirements of California Bureau of Home Furnishings Technical Bulletin 133. Care should be exercised near open flame or with burning cigarettes.

ESD/Clean Room

Electrostatic Dissipating (ESD)

izzydesign produces electrostatic dissipating (ESD) seating products in conductive fabric and vinyl upholstery materials. All electrostatic discharge seating products have been tested by an independent laboratory and are 100% tested at time of shipment. Tests are conducted according to ESD Association test standard ESD STM 12.1-1997, Point to ground resistance test procedure.

Clean Room

izzydesign produces clean room seating products (CRM) with a minimal particulate contribution in accordance with ISO 14644 Class 5 clean rooms. Tests have been conducted in a test chamber where air is filtered through 99.999% effective 0.3 micron filters. Test chair is measured at 8 locations with Climet Airbourne Electro-Optical particle analyzers both upstream and downstream while chair is subjected to simulated use by depressing the cushions. Each sample location is measured for 30 minutes elapsed time.
