CATALOG  
July 15, 2009

Simple and irresistible. Customize with available options: traditional or new yellow raisins; with or without walnuts; smooth or crunchy peanut butter. Chocolate chunk upgrade available. Recommended accessory: milk.

# BETTER TOGETHER

A hand is holding a large, golden-brown chocolate chip cookie just above a clear glass filled with white milk. The background is plain white.

As the namesake daughter of the izzy+ brand, izzy perfectly expresses what being human-centered is about. izzy's products are not only designed to be cool, affordable, sustainable and functional, they also foster collaboration and flexibility.

A four-year-old girl named Isabelle – the granddaughter of founder Chuck Saylor – was the inspiration for the new company in 2000. Now, the izzy line is at the heart of the entire family of brands.

The story of how Izzy the girl led to izzy the brand, which grew into the izzy+ family, is a great example of being Better Together – collaborating to allow each izzy+ brand to do what it does best, even better.

## AUDREY TABLES

- Clean, modern lines
- Geometric shapes in various sizes
- Scaled for conference areas or office suites
- Pair perfectly with Audrey Storage

## CLARA TABLES

- Human-centered designs encourage collaboration
- Clean yet unexpected shapes
- Ideal with Edison or Evan in open plan spaces
- A great match for Clara Storage

As a form, nothing is more simple and basic than a table—a horizontal surface with vertical supports. But the activities that happen around tables are wonderfully varied and complex. People gather, ideas are born, meals are shared, and conversations take on a life of their own. Just put some tables in place and see what happens. We'll help you figure out which izzy table is best for you.

## JACK TABLES

- Perfect for dynamic, ever-changing settings
- Mobile, multi-purpose
- Super easy to fold, nest and store
- Choose from finishes, sizes and options

## RYLEE TABLES

- Widest variety of shapes and sizes
- Many finish options and leg styles
- Exceptional durability
- Ideal for education, cafes, offices and conference rooms

**LOVE THE EARTH. PLANT FLOWERS

simplest way to bring your garden to the office.

# AUDREY TABLES

When there are people to gather and work to be done, tables make an ideal centerpiece. Create the heart of an office suite. Set up a cozy conference area. Pull a couple of tables together for projects that demand being spread out. Audrey tables give you great shapes, sizes and finishes, for whatever combination you choose.

- Five great table top shapes
- Three edge profile options coordinate with other izzy collections
- Soft or solid polyurethane edges give you comfort options
- Comfortable 29" worksurface height
- Modesty option on rectangular and square tables
- Choose your look from 16 matte laminates and 4 veneer finishes
- Power and grommet options
- Wood fiber in core and veneer contains 100% post industrial recycled content
- PVC-free edgeband
- Designed for minimal impact on indoor air quality
- Meets or exceeds ANSI/BIFMA standards for safety and durability
- Ships KD with pre-drilled tops for quick assembly

Because we know work environments change, we have made it easy for you to change your Clara table leg style to meet new requirements. Replace your fixed height legs with pin-set adjustable legs for a variety of height options or convert a 28" height table surface to a lounge table. Whatever your needs, Clara can accommodate. Though designed and intended for use with Clara worksurfaces, leg kits can also be purchased for use in other applications. When used on non-izzy worksurfaces, be sure to order one mounting plate per leg. izzy is not responsible for misuse of this product. For questions, please contact izzy Customer Support.

The true ingenuity of Clara is in the details. They undoubtedly add flair, but ultimately they help you work smarter. Boxes and trays help you capture vertical space and organize tasks. Free-standing or table-mounted privacy screens diffuse sunlight and reduce distractions (but are easily moved when some distraction or collaboration is in order). Whatever you choose, the accessories are like frosting on the cupcake.

- Rails, accessory trays and boxes work together with Clara tables to capture vertical space and organize tasks
- Rails are steel construction in izzySilver
- 26" and 39" rails designed to work with imbedded sockets in Clara tables
- Small and large trays can be attached to rail horizontally or at a 60° vertical angle for display
- Trays and boxes constructed of ABS plastic in Steam color
- Full and half display markerboards designed to hang on personal storage or wall-mount towelbar
- Privacy screens can be freestanding, storage- or table-mounted
- Privacy screen textile is double-sided and standard with Teflon® coating to repel dirt and oil
- Textile attaches to frame around entire perimeter with Velcro®
- Ships KD, estimated assembly time for one person is less than 5 minutes
- 5-year limited warranty

### SINGLE-CIRCUIT POWER

How do you know when you need single-circuit power?

- Have simple power/data needs
- Only need one circuit for power
- Don't need an electrician to install building infeeds
- Want to plug and play, reconfigure easily by yourself anytime you want
- Don't have long runs of workstations, just a few peeps to power up (1 to 4 persons)
- Have standard duplex receptacles throughout your space, in close proximity to the workstations (located on walls or in the floor)
- Plug cords right into the building outlets themselves or use izzy's Port or Powerblock and Post

See page 36 for example of a single-circuit application.

#### Port

Clamps onto the edge of a Clara worksurface, bringing power and data to the worksurface height. Has a single cord that drops off the back of the worksurface and plugs into the wall or floor outlet below. Comes standard with two power outlets, two communication ports.

*Note: Use NYC Port if you're located in New York or Chicago.*

#### Powerblock + Post

Power strip with 6 outlets and 2 communication ports slide onto the freestanding post, and come with a cable bag for wire management. Cords from the powerblocks chase down the post and plug into a standard duplex receptacle in the floor or wall. Cord length is 6'. Specify up to four powerblocks per post.

## MULTI-CIRCUIT POWER

How do you know when you need multi-circuit power?

- Need to power up long runs of workstations (up to 8 persons)
- Have an open plan environment where single duplex receptacles won't be enough to service an entire room full of people
- If you want to load up on heaters, curling irons, and double monitors
- Have an electrician wiring your building with infeeds
- Need more than one circuit for power. Our system is an 8-wire, 4-circuit system, approved for 16 amps, for a total of 64 amps per infeed

See page 36 for examples of multi-circuit applications

### 1 SPECIFY THE INFEED

Determine the source of the building power – floor, wall, or ceiling. (hint: ask the electrician) One infeed will service up to 8 users.

The infeed brings power in from the building source to a Clara table by plugging directly into a surfbag or surfboard.

#### Infeed types:

##### Infeed

Brings power in from floor, wall, columns.

##### NYC infeed

Approved infeed for New York City to bring power in from the floor or wall

##### Ceiling infeed

Brings power in from the ceiling. Needs to be used with a ceiling feed channel.

izzy does not provide ceiling feed channels, but recommend the following options:

1. Hubbell Aluminum Service Pole
  - Three different standard heights depending on ceiling height.
  - Part numbers: pp10A, pp12A, pp15A
  - recommended finish: grey
  - extruded aluminum; .05" thick
  - UL listed
  - [www.hubbell-wiring.com/](http://www.hubbell-wiring.com/) 203. 882.4800
2. Wiremold- Vista
  - Accommodates ceiling heights between 10' and 15'
  - Patent number: VPSA 32345
  - Light grey finish
  - UL Listed
  - Call 800-621-0049

### 2 ADD SURFBAGS OR SURFBOARDS

Connects to the building infeed and starts the distribution of power. Mounts under the Clara tables into pre-drilled holes. If power is traveling to multiple workstations, the surfbag/board MUST gang the tables together.

*Note: According to UL standards, each worksurface must be fastened (via Surfboard/bag) to another worksurface, back-to-back, or side-to-side for power to route. Otherwise, each pack of workstations requires an infeed, even if there are less than 8 people per pack.*

#### Surfbag

Comes standard with a surfboard that contains two duplex receptacles and carries power from table to table. Ends of the surfboard connect to various sized whips. Two whips can plug into each side of the surfbag to carry power to multiple tables, in multiple directions. Users access power from duplex receptacles under Velcro® secured opening of the PCM bag.

#### Surfboard

For a lower cost solution to the surfbag, you can order just the surfboard portion of the product. It comes without the bag and receptacles. All the utility is still there, giving a place to plug in whips to keep the power moving throughout the space. You can always add a PCM bag, receptacles, and cable keepers to retrofit for additional privacy, cable management, or power requirements.

### 3 ADD WHIPS

Measure the distance between the surfbags/surfboards to determine what size whip is needed to connect them together

#### Whips

Conduit to carry power from table to table. Standard in silver. Various sizes available.

*To provide Chicago power, please specify Clara or Edison product non-powered. Your izzy dealer in Chicago will source all approved electrical components for the installation.*

Table: Custom; Seating: HÅG H09 Excellence: Elmo Soft Black; Workplace Serenity: Not as hard to come by as you might think.

# AUDREY STORAGE

Audrey Storage: Close It in Maple veneer, perfect for anything you want up off the floor, away from all horizontal surfaces, and out of sight.

Classic and unpredictable, Audrey Storage is modular casework in a freestanding mode. The aluminum base provides structure and flexibility for easy reconfiguration whenever life and work present a need for change. Fill the base with cabinets in the heights, widths, functions and finishes you want, for a truly signature design that's ready for now and whatever's next.

- Six base sizes to fill with cabinets in four widths, four heights, and 18" or 24" depths in whatever configuration works best for you
- Broad array of standard laminates in matte and polished finishes for cabinet cases and fronts
- Four veneer finishes for cabinet fronts, featuring a Modernist horizontal grain
- Mix and match finishes on a single cabinet or from one to the next in a single storage assembly for style and fun
- Case color carries through to storage interiors, including shelves
- Finished backs allow for space delineation use in open plan
- Installs and reconfigures without tools or fasteners
- Full-extension drawers for easy access to treasures inside
- Lock options
- Integrated cable management inside cabinets
- Power and grommet options available in cabinet tops
- Adjustable glides keep things on the level even when the floors are not
- High recycled content
- PVC-free edgeband
- Designed for minimal impact on indoor air quality
- Meets or exceeds ANSI/BIFMA standards for safety and durability
- Cabinets ship fully assembled ready to mount onto a base
- Limited lifetime warranty

# CLARA CUSTOMIZED PERSONAL STORAGE

If your storage needs are anything but standard, then Clara's custom option is for you. It's basic 1 x 1 cartridge design allows you to build the configuration you want, whether it's mostly shelves or drawers, accessible from one side or two (which serves as great space delineation in an open environment). Select from seven different orientations and seven cartridge options. If it looks intimidating, trust us—it's easy and fun. We'll walk you through it.

Mine

- Case constructed of powdercoated MDF and extruded aluminum; steel sides
- Case standard in izzySilver; drawers, files and sides in specified color
- Veneer is reconstituted maple colors and drawer/file pulls coordinate with other Clara collection products
- Steel or tackable textile back panel
- Side panel provides hidden cable management
- Pulls are ADA compatible
- When locking file is specified, all cartridges are keyed alike
- Socket interfaces allow for addition of cart handles, roof rack storage, transaction counters and privacy extensions
- Locking casters or glides
- Designed for minimal impact on indoor air quality
- Meets or exceeds ANSI/BIFMA standards

## 1 SIZE

Pick the size (model) unit you need. Using this grid, determine the height and width of your unit. The base price for the case is shown next to each unit. The numbers shown in the openings will be used later when you create your Model Number.

### 1 WIDE

### 2 WIDE

### 3 WIDE

## 2 ORIENTATION

Pick your orientation. This determines which direction your cartridges face. They can all face the same direction or in two different directions. This is referred to as a 2-sided unit with two fronts (front 1 and front 2). Only rule here is that each cartridge in a vertical column has to face the same direction. For each cartridge selected, the opposite side defaults to tackable textile panel or you can choose the steel panel option. Just one more note – only one textile choice per orientation direction. Here are your orientation choices:

Clara Archival Storage: 2-High Laterals in Sand Neutral; Geometric art: Not-so-neutral.

A little bit of privacy, a little bit of exposure. A touch of sunlight, but not too much. A hideout that doesn't shut people out. Most of us need to strike a balance in our mood, our style, and our environment. The right workspace definition gives you plenty of options, so you can do just that. Here are our options, in a nutshell.

## EDISON

- Privacy with integrated vertical storage
- Manage multi-circuit power & communications
- Structure is sturdy and easy to adapt
- Pairs with Clara for great open workspace plans

## EVAN

- Smaller-scaled lightweight dividers
- Simple and aesthetically clean
- Multiple applications, freestanding or mobile
- Lots of color and material options

## GATHER ROUND

Edison Post and Beam Collection: Charcoal and izzySilver; large transaction shelf; Jack folding tables; Calvin lunchbox; Hannah chairs; Yellow furniture: like sunshine

Define a workspace without denying flexibility, natural light, and human interaction. Edison's post and beam collection is always attractive—even when it comes to specifying and installing it all. That's izzyeasy at it's best.

#### Beams:

- Lower beam channel composed of 20 gauge powdercoated steel
- Top channel designed to accept mounting bracket
- Beam interior comes standard with wire cages to manage cabling
- Top half hinges up for access to beam interior
- Specify beams non-powered or powered, 2-circuit or 4-circuit
- Beam can be mounted against any standard post
- Ships unassembled in two parts, lower and upper half of beam
- Hardware included
- Designed to allow retrofit of multi-circuit power
- Flat beam does not come with accessory slat wall
- Slat beam designed to accept paper management accessories, Edison power port and lighting
- Flat beam in Charcoal or izzySilver
- Slat wall is always izzySilver
- Designed for minimal impact on indoor air quality
- 10-year warranty

#### Post:

- 4x4 post allows 2-, 3- or 4-way connections, freestanding or wall-mounted
- 2x4 post allows 2-way connections in a straight linear run or at the end of a run, freestanding or wall-mounted
- 120° post allows for 3-way connection
- End and top caps included with post; easy snap in, no tools or hardware required
- Posts standard with 3" of leveling
- Posts constructed of 1/8" powdercoated steel
- Post base has pre-scored punch-outs to accept support foot
- Each post includes one support foot
- Designed for minimal impact on indoor air quality
- 10-year warranty

#### Privacy:

- Designed to mount directly to the Edison beam; standard with two mounting brackets and hardware
- Can be mounted off-module along the Edison beam
- Frame consists of powdercoated aluminum
- Charcoal or izzySilver finish
- Core options include frosted acrylic, printed glass or fabric for a tackable surface
- Modesty panel designed to mount below the Edison beam
- 5-year limited warranty

#### Storage:

- Storage designed to mount to top of Edison beam and comes standard with mounting brackets and hardware
- Can be mounted off-module along the Edison beam
- Mounted transaction shelf is approximately 35" for standing height
- Collaboration boxes come standard with two removable shelves
- Collaboration boxes constructed of powdercoated MDF
- Collaboration boxes standard in Snow White; transaction shelves in Snow Blue laminate
- 5-year warranty

#### Power:

- All power components are UL approved
- Power port in izzySilver
- Retro kits magically change a non-powered beam into powered beam, choose 2-circuit or 4-circuit
- 3-year warranty

## DEFINE YOUR CAMPSITE

It all begins with the people and their needs. Everything else flows from there – the space, workstyle, behavior, collaboration, technology, personality. That's the campsite.

## BEAMS

Do you want your system powered or not? Slats to accommodate accessories, or none? Congratulations, your decisions are now behind you. Everything else is set – Edison dimensions were designed to fit with all other izzy collections.

- Flat beams
- Slat beams - slats on both sides
- Mix beams - slat wall on one side only

## Universal Hinge Kit for Glides

Model Number	List Price
<b>HGE U</b>	<b>\$50</b>

- Specifying hinges is as easy as 1, 2, 3 ... just count the number of connection points. Each time your screens attach like the photograph below, specify one hinge kit
- Universal hinge provides 2-, 3-, and 4-way connections. Specify for each connection point
- Two hinges per kit
- Specify for screens on glides

## Universal Hinge Kit for Casters

Model Number	List Price
<b>HGE UM</b>	<b>\$75</b>

- Specify when using casters instead of glides
- Three hinges per kit
- Provides 2-, 3-, and 4-way connections. Specify for each connection point.
- This kit should also be specified when connecting with mobile markerboard

## Wall Mount Hinge Kit

Model Number	List Price
<b>HGE W-42</b> wall-mounted hinge kit – 42" high screen	<b>\$102</b>
<b>HGE W-54</b> wall-mounted hinge kit – 54" high screen	<b>\$107</b>
<b>HGE W-62</b> wall-mounted hinge kit – 62" high screen	<b>\$109</b>

When your screen attaches to the wall, select the part number that corresponds to the height of your screen. Please indicate the type of wall you are mounting to when ordering, for example: Sheetrock, Aluminum Mullion, Wood Mullion.

Evan Mobile Markerboard: Tackable surfaces, plenty of room for X-treme doodling; Tables: Rylee; Seating: HÅG Conventio; Izze Sodas: No relation to izzy, but refreshing nonetheless.

# HOLLIE

Comfortable and cool from the beginning of the meeting to the end. Meetings become a more appealing pastime when collaborators are sitting comfortably in this conference chair. Our executive high back models bring together good design and a great sit. The ballistic nylon outerback shell and belt paired with a fabric seat and back create a cool looking two-tone design. Hollie models are standard with ballistic nylon. Also available in a belt/fabric and all fabric version.

Designer: Chuck Saylor

# STOOL OPTIONS

Most izzy task chairs can be easily transformed into a stool.  
 Select the stool option on your original chair order or purchase a kit after the fact. Either way, it will take your sitting experience to new heights.

Stool kits are designed, tested and intended for installation only on those izzy Seating models specified in this price list. Improper specification and installation of stool kits and extension tubes will affect stability and could result in injury to the occupant.

Bailey: Vox Snap upholstery,  
1947 Stool Option

izzy accommodates your fast-paced lifestyle with a Quick Ship program that has your favorite seating on its way to you in just five days.

And while fast is enticing on its own, we also deliver a sizable helping of options. Some izzy seating models are available on izzyquik, and within each family you can specify custom options to make your chair line up with your needs.

To top it all off, over 100 upholstery options, including vinyl and environmentally friendly fabrics, make what you can get fast, incredibly cool as well.

izzyquik offers a great selection of products and textiles in only five days! Customize with any izzytextile in our Base Grade or Grade A collection, including fabric, vinyl and environmentally friendly materials.

izzyquik maximum quantity per order is 25 chairs. Be sure your order is clearly marked for izzyquik expediting. Orders not indicated as izzyquik will be scheduled for regular lead-time. Cal TB133 product is not quick ship.

Can be specified for the following seating products:

- Bailey
- Hannah
- Hollie
- Ian

# COLORS and MATERIALS

When it comes to innovation, we're not content to focus only on human-centered comfort and great-looking design. Innovative and sustainable materials and forward-looking colors are an important part of the package. Not only do the right colors and materials step up the look of your space, they make it more durable, too.

# TABLES

## AUDREY TABLES

Spec for:  
Worksurface – Matte Laminate

Remember when office furniture was all a shade of brown or gray (or something indescribably in between)? When you order tables and storage from izzy, there's much more fun to be had. Choose a laminate color and add a contrasting soft or solid edge for an "un-office" attitude. Or create a more yin-yang approach by applying a classic wood veneer to izzy's fun shapes. Whatever you choose, it's all designed to work together through consistent colors and common-thread details like izzySilver legs and pulls. Tackable textiles and a variety of privacy screens and cores finish off your look and functionality.

# Momentum Textiles Selector

Ever wish you could see what a chair will look like in a particular upholstery color or pattern before you buy it? Well, now you can. We've teamed up with Momentum Textiles to offer our customers a new online mapping tool that lets you apply any approved Momentum Textile to the seating product of your choice. It's design-driven, customer focused, and izzyeasy at its best. Here's how it works.

From the izzydesign.com website, choose the Color & Materials tab in the navigation bar on the right.

Click on the Momentum Textile Selector link. You will be linked to the database of approved Momentum Textiles available on izzy seating products.

Simply complete the query on the screen. It's easy and intuitive and helps you narrow down your options based on grade, material type and style, color and durability. It even tells you how much inventory is in stock!

Upon deciding on the preferred Momentum pattern/color, click on the link "View on Chair". Your selected izzy seating product will be displayed in your chosen Momentum Textile upholstery. All material specifications are shown here as well. You can even save the picture or e-mail to a friend.

Now that's what great collaborations are all about.

# Terms and Conditions of Sale

---

## Terms

izzy's standard purchase terms are Net 30 days from the date of the invoice with approved credit. Other terms and conditions that apply are cited in izzy's Standard Terms and Conditions of Sale. Items are invoiced at shipment. In the case of multiple shipments, items may be invoiced separately. All transactions are in U.S. dollars. All products may ship with standard freight prepaid by izzydesign within the 48 contiguous United States.

## Sales and use taxes

Each purchaser is responsible for collecting and remitting any and all applicable sales and use taxes.

## Order procedure

All orders must be in writing. Send purchase orders to:

izzy  
11451 Harter Drive  
Middlebury, IN 46540  
or  
Fax to 800.831.9821

You can also e-mail to  
[customersupport@izzydesign.com](mailto:customersupport@izzydesign.com)

Please specify all required options when ordering. This will help to reduce any misunderstanding and assure your order is entered in a timely manner. When you receive an order acknowledgment from izzy, please check it carefully against your original order to be sure all items have been properly acknowledged. Please refer to our acknowledgment number when corresponding about a specific order so that we can give you accurate information on your order. izzy is not liable for orders that cannot be accurately fulfilled due to incomplete or inaccurate information being supplied by you or someone acting on your behalf.

All orders and order changes made with izzy must be in writing and may be subject to a cancellation fee of up to 50%.

## Returned goods

Each izzy product is custom made to our customer's desired specifications and therefore is not returnable. Any exception must have prior written approval from izzy and will incur up to a 50% restocking fee. Call izzy Customer Support at 1.866.499.9968 to request a return authorization. Approved returned goods must be shipped freight prepaid by the customer to izzy. Collect shipments will be refused and any associated freight costs will be the responsibility of the customer. Upon approval by izzy, credit will be given for the original price of the product less any restocking fees (up to 50% of the original purchase price).

## Cancellations

Cancellations received 7 to 10 days prior to the scheduled ship date will be subject to a cancellation fee of up to 25%. Cancellations received less than 7 days prior to the scheduled ship date will be subject to a cancellation fee of up to 50%. Cancellations received after the order has been entered into the production schedule will be charged a 5% cancellation fee.

## Product enhancements

izzy reserves the right to implement minor design changes/modified parts to products through a running change without notice.

## Shipping instructions

Our July 15, 2009 pricebook is for delivered pricing under normal dealer terms and conditions, FOB origin. Freight is prepaid on orders of \$1,000 list or more and allowed for regular ground transportation to a single destination within the 48 contiguous states. On orders less than \$1,000 list, a freight charge of \$41 net will apply. Legal title of merchandise passes to the buyer upon acceptance by the carrier. Please indicate the "Ship To" destination address on your purchase order.

## Shipping product fully assembled

izzydesign can ship your seating order fully assembled when requested. Add \$65/list price per chair and indicate "Set-Up" on your purchase order.

## Palletized freight

izzydesign will ship your order on pallets at an upcharge per your request. Contact Customer Support for more information.

## Freight claims

All shipments are delivered to the transportation company in good condition, and our liability ceases thereafter. We will, however, give every possible assistance if shipments are received short or damaged if you follow the approved receiving method. If shipment is received short or damaged, the carrier should endorse freight bill or express receipt and the customer should immediately file a claim with the transportation company.

## All common carrier freight claims are the responsibility of the product recipient.

izzy will do everything possible to replace the damaged goods, but the new order will be handled under regular terms and conditions. The customer must obtain credit for the original damaged goods/shortages directly from the freight company.

When filing a claim with the transportation company, several things should be kept in mind:

Be timely (within 15 days – beyond this, it is extremely difficult to recover costs). Check all cartons on site/time of delivery and note any damage/shortage on freight bill or express receipt, and then have carrier and customer sign freight bill or express receipt. When noting damage on freight bill or express receipt, be as specific as possible (include model number on label, position of damage, and any other information that will help the freight company verify the claim). When possible, take pictures of the damaged freight.

Save the carton.

## Storage

All merchandise will ship upon completion of production. If customer is unable to accept shipment, izzy may transfer the merchandise to storage. All cost for storage and additional freight incurred will be the responsibility of the customer as well as the risk of loss or damage during storage. After 90 days, the order is deemed cancelled and regular terms and conditions of sale apply.

## Intended use and safety notice

izzy seating products are designed for safe use under intended circumstances. Option configurations for customers should be specified by dealers based on guidelines set forth by izzy, the intended use of the seating and the workplace environment for the seating. izzy seating products should not be used to stand on, as a cart for transporting items or for any purpose other than seating one occupant. Under no circumstances should any mechanical or structural modification be made to izzy seating products without written instruction from izzy. Any such modification could result in injury. Customer should check all mechanical parts every 3 to 6 months. If any part of a chair, stool or control is broken, damaged, loose or missing, the chair should not be used. Casters for carpet must be used on carpeted surfaces only. If used on hard surfaces, including chairmats, chair stability will be affected and may result in personal injury. Stool kits are designed, tested and intended for installation on those izzy seating models specified in this price list. Improper specification and installation of stool kits and extension tubes will affect stability and could result in injury to the occupant.

# Warranty

---

## Limited lifetime warranty

izzy warrants the products sold by izzy and its subsidiaries to be free from defects in material and workmanship for the warranty periods under normal use detailed below. This warranty covers products sold and delivered for use within United States, Canada, and Mexico. This warranty is extended only to the first end-user of new products purchased for their own use, and not for resale, from izzydesign, its subsidiaries or its authorized dealers.

Normal use as defined under this warranty is wear and tear that occurs during a 40-hour work week (8-hour day) when the product is used by a person weighing 250 pounds or less. When products are subject to use that exceeds the normal use stipulated by this warranty, they are warranted for a period of 2 years from the date of purchase, in lieu of foregoing warranties.

## Furniture warranty

(includes Audrey, Calvin, Clara, Edison, Evan, Jack, and Rylee product families)

**Lifetime:** Laminate worksurface and substructure; solid edge and edgeband, cabinets (including all hardware and bases)

**10 years:** Soft edge; non-adjustable legs; Clara archival storage; Calvin archival storage (except tambour doors); Edison post and beam; Hannah polypropylene seat and backs

**5 years:** Wood veneer worksurface; wood veneer file/drawer fronts; adjustable table mechanisms; adjustable table legs; Clara personal storage; Clara privacy screens; Evan privacy screens; tambour doors (Calvin); Edison privacy and storage; casters/glides and accessories

**3 years:** All electrical; upholstery; glass products

## Seating warranty

**Lifetime:** Structure and frame

**10 years:** Control mechanism; pneumatic lift; base; arms and arm pads; Maxwell Flexweave mesh

**5 years:** Casters/glides; foam cushions; exposed wood; Paige mesh back; Isis Technogel® seat

**3 years:** izzytextiles; Maxwell seat pads

## Seating extended use warranty

Extended use warranty upgrade is available on Ian. When product is specified with the extended use warranty upgrade (24H), the product is enhanced with heavy duty aluminum base, cylinder and casters. The warranty is defined as wear and tear that occurs during 24-hour use when the product is used by a person weighing 250 pounds or less. Warranted time periods are as stated above with the exception of the pneumatic cylinder, which is 5 years.

## Replacement parts

Three years from the date of purchase from izzy, any of its subsidiaries or any of its authorized dealers.

## Shipping warranty replacements/parts

Freight for all warranty shipments is prepaid and allowed for regular ground transportation to a single destination within the 48 contiguous states and Washington DC

## Non-standard products

Non-standard products or product configurations are subject to warranty limitations.

## Remedies

In the event of a defect in any product to which this warranty applies, then as the purchaser's sole remedy, izzy shall, at its sole option, repair such product, or replace with a comparable model of equal or higher value.

## Limitation of liability

THE REMEDIES STATED HEREIN ARE THE CUSTOMER'S SOLE AND EXCLUSIVE REMEDIES, AND IZZY SHALL NOT BE LIABLE FOR ANY COSTS (INCLUDING LABOR COSTS TO REPAIR THE PRODUCT, OR TRANSPORTATION COSTS INCURRED TO RETURN THE PRODUCT TO IZZY OR ITS AUTHORIZED DEALER), LIABILITIES, LOST PROFITS, LOSS OF GOODWILL, OR ANY OTHER GENERAL, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES INCURRED IN CONNECTION WITH THE PURCHASE OR USE OF THE PRODUCTS.

To obtain performance under this warranty, the defective product must be returned to izzydesign or one of its authorized dealers with the proof of original purchase. Prior written authorization must be obtained before shipping the product directly to izzydesign. izzy will provide the materials to repair the product free of charge, including transportation costs to the purchaser or dealer, when the product is returned to an authorized dealer for repairs.

The warranty is null and void if the product has been subject to abuse, misuse, negligence, accident, unauthorized modification, or if the customer fails to perform normal maintenance service on the product, which includes, but is not limited to, lubrication and cleaning, minor assembly and adjustment, and periodic operational checks. Normal wear and tear, natural variations occurring in wood, marble, and leather are not considered defects; izzydesign does not warrant the colorfastness or matching of the colors, grains, or textures of these natural materials or textiles. izzydesign does not provide any warranty for a purchaser's materials or other items incorporated or used in the products.

IZZY MAKES NO WARRANTY OF FITNESS FOR PARTICULAR PURPOSE OR MERCHANTABILITY AND NO OTHER WARRANTY, WHETHER EXPRESS OR ARISING BY OPERATION OF LAW, COURSE OF DEALING, USAGE OR TRADE, OR OTHERWISE IMPLIED, SHALL EXIST IN CONNECTION WITH IZZY FURNITURE PRODUCTS OR ANY SALE OF USE THEREOF.

# COM – Customers Own Material

Customer's own material (COM) will be upholstered at Grade A pricing. Customer's own leather (COL) is Grade A + \$38. All COM must be approved before it is accepted into production.

## Approval Process

Send a 12" x 12" swatch of the COM along with a completed copy of the COM instruction form. Indicate on the form which model the COM is to be applied to along with all other information requested on the form. Gracie requires enough yardage to upholster a complete chair (1.5 yds).

Send the form and test material to:

izzy

Attn: Customer Support/COM Testing  
11451 Harter Drive  
Middlebury, IN 46540

Once testing is complete, a Customer Support Representative will contact you with the results.

Send to izzy a 12" x 12" swatch for testing along with a copy of this form indicating how the COM is to be applied to the chair. We suggest you attach a 4" x 4" sample to this form to ensure your order is processed correctly.

## Shipping Approved COM

Send all approved COM freight prepaid to:

izzy

11451 Harter Drive  
Middlebury, IN 46540

Collect shipments of COM will not be accepted.

All receipts of COM must be marked with the customer's purchase order number or izzy's acknowledgement number. It's a good idea to attach a small piece of the COM to the purchase order when submitting the order. Excess COM will be disposed of after 30 days.

Make a copy of this form and send it completed to:

izzy

Attn: Customer Support/COM Testing  
11451 Harter Drive  
Middlebury, IN 46540

Apply the 4" x 4" swatch as it should be upholstered to the chair, noting a vertical or horizontal direction and a center stripe placement if applicable.

## COM Policy

While we inspect fabrics for mill imperfections, some are difficult to recognize. We will not be responsible for defects, color inaccuracies, dye lot variations or other flaws. We cannot be responsible for the receipt of defective fabrics as we consider all COM to be first quality goods. It is not our responsibility to police the receipt on a COM in order to meet delivery deadlines, and we assume our customers are aware of any undue delay in the shipment of their COM fabric to izzy. Under no circumstances will we assume responsibility for COM shortages, flaws, or other such problems.

COM is not covered under the izzydesign warranty. Acceptance of a COM does not mean that we, in any way, warrant the covering. In no instance shall izzy be held liable for tailoring quality or premature wear of a COM. izzy will not be held responsible in the event that over time the adhesion between the fabric and the foam fails.

# Cal TB133/177 Fire Codes

## Cal TB133

Cal 133 is a standard of furniture flammability required by the California Bureau of Home Furnishings and Thermal Insulation for furniture used in public buildings such as healthcare facilities, convalescent homes, public assembly areas of hotels and motels, hospitals, board and care homes, stadiums, licensed child care facilities, prisons and jails.

Cal 133 is a full-scale fire test for furniture manufactured for use in public buildings. The standards do not specify how to construct furniture, but only how they should perform when tested. To meet this fire code standard, a fire blocking liner is sandwiched between the foam and the fabric of the chair. This liner actually acts as a fire extinguisher by smothering the flame.

## Cal TB117

All izzy upholstered seating products meet California Technical Bulletin 117-75 (CAL TB117) which has been in effect since October of 1975. This is a standard by which upholstered furniture is tested to be approved as meeting a minimum fire standard.

### The following seating products meet the Cal TB133 standard when combined with an approved textile\*

#### Upcharge and Lead-time

The upcharge for Cal TB133 is dependent on the product selected. Upholstered back is required on many Cal TB133 products, refer to the product page under options for the appropriate upcharge. Clearly indicate the Cal option code when ordering.

Cal TB133 product requires additional lead-time and is not available on izzyquik. Contact Customer Support for more information regarding lead-times.

#### Existing Seating Compliance

To determine whether an izzy chair you currently have meets Cal TB133, check the bottom of the seat pan for the label shown below. If your chair does not have this tag, your chair does not meet Cal TB133.

#### Cal TB133 label

Note: This article is manufactured for use in public occupancies and meets the flammability requirements of California Bureau of Home Furnishings Technical Bulletin 133. Care should be exercised near open flame or with burning cigarettes.
