Division of Taxation

Presents

HOW IDENTITY THEFT IMPACTS TAX RETURN PROCESSING

CONFERENCE CALL

The Division of Taxation is hosting a conference call for Tax Practitioners to explain how we've changed processing procedures to identify and stop fraudulent tax returns.

This call will be conducted by a panel of Division representatives involved with resolving account issues, identity theft and refund processing.

We're no longer accepting registration because we've reached capacity. Please look for future teleconferences coming soon.

Wednesday, June 17, 2015
