A MESSAGE TO THE TAXPAYER

The 2008 New Jersey Corporation Business Tax Form for Banking and Financial Corporations, Form BFC-1, and instructions are included in this packet. As indicated on the top of page 1 of the tax form, this packet should be used only for accounting periods ending on or after July 31, 2008 through June 30, 2009. Please note that Federal S Corporations that have not elected NJ S Corporation status must complete Schedule A in full. It is no longer acceptable to submit federal form 1120S in lieu of completing lines 1 through 27.

The following changes are new for the 2008 tax year:

- A new tax credit, the Urban Transit Hub Tax Credit, is included on Schedule A-3, Summary of Tax Credits. General information regarding this tax credit can be found in the instructions.
- A new schedule, Schedule T - Acknowledgement of Responsibility, has been added to the tax return. This schedule reports the individuals responsible for the filing and payment of trust fund taxes in New Jersey. See the instructions for Schedule T for additional information.

The Annual Report filing requirements have changed for Financial Businesses. Effective with tax year 2005, the paper form was eliminated and the Annual Report must be **filed and paid** electronically. Visit the Division of Revenue's website at <http://www.state.nj.us/njbgs> for filing and payment options. Banking Corporations, defined in NJSA 54:10A-36, that file the BFC-1 return are not required to file the Annual Report since they are regulated by the Department of Banking and Insurance.

The Division continues to gather information from the Corporation Business Tax Returns in order to provide statistics to the Study Commission created by the Business Tax Reform Act, P.L. 2002, Chapter 40. All taxpayers are requested to complete the schedules on the state forms rather than attaching separate schedules.

If you need additional information or assistance in completing this return, please call the Special Audit Section at (609) 292-5300 for Banking Corporations or (609) 292-8724 for Financial Corporations or write to the Division of Taxation, Special Audit Section, PO Box 271, Trenton, NJ 08695-0271.

BANKING CORPORATIONS MUST REPORT ON A CALENDAR YEAR BASIS - N.J.S.A. 54:10A-34.

Unless otherwise indicated, calendar or fiscal accounting or base year shall mean the same calendar, fiscal, or other accounting period upon which the taxpayer is required to report to the United States Treasury Department for Federal Income Tax purposes. All fiscal or accounting periods must end on the last day of the month, unless specific written authority is granted to taxpayer by the Federal Internal Revenue Service to use any other period-ending date. For taxpayers using a 52-53 week accounting year for Federal Income Tax purposes, see N.J.A.C. 18:7-2.3.

(b) NEW CORPORATIONS:

- (1) Every New Jersey Banking or Financial Corporation acquires a taxable status under the New Jersey Corporation Business Tax Act beginning on the date of its incorporation, regardless of whether it had assets or conducted any business activities. A tax return must be filed for each fiscal period, or part thereof beginning on

the date of incorporation in New Jersey and no return may cover a period exceeding twelve (12) months, even by a day. The appropriate due dates will be found in the schedule of due dates shown in paragraph (a) above.

A newly chartered banking corporation or a newly authorized foreign financial corporation which did not commence doing business in New Jersey during the period covered by its first return, must file form CBT-100 as a regular corporation. All others must file returns on Form BFC-1.

- (2) Every corporation that elects to be a New Jersey S Corporation must file a "New Jersey S Corporation or New Jersey QSSS Election" (Form CBT-2553) within one calendar month subsequent to the Federal S Corporation filing requirement.

- (3) Every corporation which incorporates, qualifies or otherwise acquires a taxable status in New Jersey and which has adopted a fiscal year other than December 31, shall advise the Division of Taxation promptly of the date of such accounting period. If no such advice is received on or before April 15, 2009 the taxpayer will be deemed "delinquent" if no return is filed on or before April 15, 2009.

4. (a) PAYMENT OF TAX: Make remittance payable to "State of New Jersey - BFC" and forward with return to Division of Taxation - BFC, Revenue Processing Center, PO Box 247, Trenton, NJ 08646-0247. MAKE OUT A SEPARATE REMITTANCE FOR EACH RETURN. Do not remit the tax for two or more returns in one check.

- (b) All corporations are required to make installment payments of estimated tax. Generally, these payments are remitted with the form BFC-150. Refer to instruction 48 for further information.

5. ELECTRONIC FUNDS TRANSFERS: The Division of Revenue has established procedures to allow the remittance of tax payments through Electronic Funds Transfer (EFT). Taxpayers with a prior year's liability of \$10,000 or more in any one tax are required to remit all tax payments using EFT. If you have any questions concerning the EFT program, call (609) 984-9830 or write to N.J. Division of Revenue, EFT Section, PO Box 191, Trenton, NJ 08646-0191.

6. PERSONAL LIABILITY OF OFFICERS AND DIRECTORS: Any officer or director of any corporation who shall distribute or cause to be distributed any assets in dissolution or liquidation to the stockholders without having first paid all corporation franchise taxes, fees, penalties and interest imposed upon said corporation, in accordance with N.J.S.A. 14A:6-12, N.J.S.A. 54:50-18 and other applicable provisions of law, shall be personally liable for said unpaid taxes, fees, penalties and interest. Compliance with N.J.S.A. 54:50-13 is also required in the case of certain mergers, consolidations and dissolutions.

7. EXTENSION OF TIME TO FILE RETURN/INSTRUCTIONS FOR FORM BFC-200-T:

(a) **AUTOMATIC EXTENSION:** Where a tentative return, Form BFC-200-T, and tax payment are timely and properly filed, it is the policy of the Division of Taxation to grant an extension of no more than five (5) months for filing the BFC-1.

The return must include the computation of tax liabilities on lines 1 and 2, and, if applicable, the Key Corporation AMA and Throw Out payments on line 3 and line 4 and the Tentative Professional Fees on lines 5 and 6. The amounts reported on lines 1, 3 and 4 must include the 4% surtax. Submit the completed BFC-200-T with payment of the total amount due as reflected on line 9. The tentative return must be postmarked on or before the original due date of the tax return.

(b) Request for extension of time for filing a return must be signed by an officer of the corporation, an accountant authorized to prepare this return, or any duly authorized agent of the taxpayer. Tax preparers who fail to sign the return and provide their assigned tax identification number shall be liable for a \$25 penalty for each failure. If the tax preparer is not self-employed, the name of the tax preparer's employer and the employer's tax identification number should also be provided.

(c) Where a request for extension is duly made, it will be granted by the Division. Approved extensions will not be confirmed in writing.

(d) **MINIMUM TAX:** see instruction 11(b).

(e) **INSTALLMENT PAYMENT:** Any taxpayer with a tax liability of \$500 on line 1, may make a payment of 50% of line 1 in lieu of making the installment payments otherwise required. Taxpayers that report a tax liability greater than \$500 on line 1 should not make an entry on line 2 and are required to make installment payments as indicated in instruction 48. Any taxpayer with Professional Corporation Fee liabilities at line 5 must pay an installment payment of 50% of line 5.

(f) PENALTIES AND INTEREST

(1) **Interest -** The annual interest rate is 3% above the average predominant prime rate. Interest is imposed each month or fraction thereof on the unpaid balance of tax from the original due date to the date of payment. At the end of each calendar year, any tax, penalties and interest remaining due will become part of the balance on which interest will be charged. The interest rates assessed by the Division of Taxation are published in the quarterly issues of the *New Jersey State Tax News*. See "Tax Forms and Information" on page 14 for information on obtaining copies of the newsletter.

NOTE: The average predominant prime rate is the rate as determined by the Board of Governors of the Federal Reserve System, quoted by commercial banks to large businesses on December 1st of the calendar year immediately preceding the calendar year in which payment was due or as redetermined by the Director in accordance with N.J.S.A. 54:48-2.

(2) **Insufficiency Penalty -** If the amount paid with the Tentative Return, Form BFC-200-T, is less than 90% of the tax liability computed on Form BFC-1, or in the case of a taxpayer whose preceding return covered a full 12 month period, is less than the amount of the tax com-

puted at the rates applicable to the current accounting year but on the basis of the facts shown and the law applicable to the preceding accounting year, the taxpayer may be liable for a penalty of 5% per month or fraction thereof not to exceed 25% of the amount of underpayment from the original due date to the date of actual payment.

8. (a) **CONSOLIDATED RETURNS NOT PERMITTED:** A corporation which is included in a consolidated Federal Income Tax Return must complete **all schedules** on its own separate basis, and attach to its return, a copy of the Affiliations Schedule, Form 851, which it filed with U.S. Form 1120 for Federal Income Tax purposes.

(b) **FEDERAL S CORPORATIONS:** Federal S Corporations which have not elected to be New Jersey S Corporations must complete this return as though no election had been made under Section 1362 of the Internal Revenue Code. A copy of Form 1120S as filed must be submitted. New Jersey S Corporations must file the New Jersey S Corporation Business Tax Return, CBT-100S.

9. **ACCOUNTING METHOD:** The return must be completed using the same basis, cash, accrual or other basis that was employed in the taxpayer's Federal Income Tax Return.

10. **RIDERS:** Where space is insufficient, attach rider in form of original typewritten sheets. Write only on one side of sheet.

11. TAX RATES:

(a) For taxpayers with Entire Net Income (Page 1, line 1 and line 4b) greater than \$100,000, the tax rate is 9% (.09) on adjusted entire net income or such portion thereof as may be allocable to New Jersey.

For taxpayers with Entire Net Income (Page 1, line 1 and line 4b) greater than \$50,000 and less than or equal to \$100,000, the tax rate is 7.5% (.075) on adjusted entire net income or such portion thereof as may be allocable to New Jersey. Tax periods of less than 12 months qualify for the 7.5% rate if the prorated entire net income does not exceed \$8,333 per month.

For taxpayers with Entire Net Income (Page 1, line 1 and line 4b) of \$50,000 or less, the tax rate is 6.5% (.065) on adjusted net income or such portion thereof as may be allocable to New Jersey. Tax periods of less than 12 months qualify for the 6.5% rate if the prorated entire net income does not exceed \$4,166 per month.

(b) **MINIMUM TAX:** The minimum tax is assessed based on the New Jersey Gross Receipts as follows:

New Jersey Gross Receipts	Minimum Tax
Less than \$100,000	\$500
\$100,000 or more but less than \$250,000	\$750
\$250,000 or more but less than \$500,000	\$1,000
\$500,000 or more but less than \$1,000,000	\$1,500
\$1,000,000 or more	\$2,000

provided however that for a taxpayer that is a member of an affiliated or controlled group (as per sections 1504 or 1563 of the Internal Revenue Code of 1986) which has a total payroll of \$5,000,000 or more for the return period, the minimum tax shall be \$2,000. Tax periods of less than 12 months are subject to the higher minimum tax if the prorated total payroll exceeds \$416,667 per month. Total payroll refers to the total payroll of the affiliated group rather

than total New Jersey payroll of a single corporation. Taxpayers that are members of an affiliated or controlled group must submit a schedule of payroll per member and a copy of the taxpayer's federal affiliations schedule, Form 851, with the return. Refer to Schedule A-GR for the determination of New Jersey gross receipts.

The minimum tax cannot be prorated. Zero (0) returns are not permitted

(e) A surtax of 4% (.04) is due on the amount of tax reported on page 1, line 18.

12. WHO MAY BE SUBJECT TO TAX: Any domestic or foreign corporation, joint-stock company or association and any business conducted by a trustee or trustees wherein interest or ownership is evidenced by a certificate of interest or ownership or similar written instrument is subject to tax. 13. CORPORATIONS REQUIRED TO FILE THIS RETURN: Every corporation existing under the laws of the State of New Jersey, and every foreign corporation which (1) holds a general Certificate of Authority to do business in this State issued by the Secretary of State; or (2) holds a certificate, license or other authorization issued by any other State department or agency, authorizing the company to engage in corporate activity within this State; or (3) derives income in this State; or (4) employs or owns capital within this State; or (5) employs or owns property in this State; or (6) maintains an office in this State, who, in addition, qualifies as one of the following: (a) a banking corporation defined at N.J.S.A. 54:10A-36, or (b) a financial corporation defined at N.J.A.C. 18:7-1.16. Taxpayer must complete Schedule A-6 and submit it attached to the BFC-1. See instruction 22. A foreign corporation that is a partner of a New Jersey partnership is deemed doing business in the state and should file a return.

14. SIGNATURE: Each return must be signed by an officer of the corporation authorized to act to the effect that the statements contained therein are true. The fact that an individual's name is signed on the return shall be prima facie evidence that such individual is authorized to sign the return on behalf of the corporation. Tax preparers who fail to sign the return or provide their assigned tax identification number shall be liable for a \$25.00 penalty for each such failure. If the tax preparer is not self-employed, the name of the tax preparer's employer and the employer's tax identification number should also be provided. In the case of a corporation in liquidation or in the hands of a receiver or trustee, certification shall be made by the person responsible for the conduct of the affairs of such corporation.

Refer to instruction 52.

FEDERAL/STATE TAX AGREEMENT: The New Jersey Division of Taxation and the Internal Revenue Service have entered into a Federal/State agreement for the mutual exchange of tax information to verify the accuracy and consistency of information reported on Federal and New Jersey tax returns.

16. SCHEDULE A - COMPUTATION OF ENTIRE NET INCOME: Every taxpayer must complete this schedule on the form provided. Federal S Corporations must also submit a copy of the corresponding Federal Income Tax return. For New Jersey tax purposes, each such corporation will be taxed on the basis of its entire net income in the same manner and to the same extent as if no Federal income tax election were permissible or had been made. Refer to instruction 8.

(a) (1) **GENERAL:** Where the corporation has filed a Federal Income Tax Return on its own separate basis, the figures shown at lines 1 to 28 must be the same as lines 1 to 28 on page 1, U.S. Federal Income tax Return, Form 1120.

(2) Where the corporation has not filed a separate Federal Income Tax Return, or where the figures shown at lines 1 to 28 are not the same as lines 1 to 28 respectively, on page 1, U.S. Federal Income Tax Return, taxpayer must explain and reconcile on rider.

(3) **CONSOLIDATED RETURNS ARE NOT PERMITTED:** A corporation which is included in a consolidated Federal Income Tax Return must complete lines 1 to 39 on its own separate basis without consolidation with any other corporation.

(b) **Lines 8 and 9:** Add rider or schedules showing same information shown on Federal Form 1120, schedule D, and/or Form 4797. Gains and losses resulting from the disposition of property where a section 179 expense deduction was passed through to S Corp shareholders are not reported on Federal Form 4797, and should be reported on Schedule A, Line 10. If a sale of shares of stock or partnership interest resulted in a taxable transfer of a controlling interest in certain commercial real property under N.J.S.A. 54:15C-1, please so indicate on a rider.

(c) **Line 28:** This line must agree with line 28, page 1 of the taxpayer's unconsolidated Federal Form 1120 or 1120-A whichever is applicable.

(d) **Line 29:** Include any interest income that was not taxable for Federal Income Tax purposes, and was not included in total income reported on line 28, Schedule A.

Attach separate riders explaining fully such items.

Line 33(c): Enter the net effect of the elimination of non-operational activity or non-unitary partnership income and expenses from Schedule O, Part I, line 36.

- (i) **Line 35:** A net operating loss for a taxable year may be carried forward as a net operating loss deduction to a succeeding year. A net operating loss is the excess of allowable deductions over gross income used in computing entire net income. Neither a net operating loss deduction nor the dividend exclusion is an allowable deduction in computing a net operating loss. The statute authorizes a carryover of the deduction for seven tax periods. Schedule A-1 has been replaced by Form 500. Net operating losses must be detailed on Form 500, which is available separately. To obtain this form, refer to the index on page 14.
- (j) **Line 37:** Dividends from all sources must be included in Schedule A. However, an exclusion from entire net income for certain dividend income may be taken as indicated in Schedule R. Taxpayer may not include money market fund income or REIT dividends as part of the dividend exclusion. The amount of the dividend exclusion allowed to be taken as a deduction is limited to the amount of income reported on line 36 of Schedule A for that tax year.
- (k) **Line 38: INTERNATIONAL BANKING FACILITY-ELIGIBLE NET INCOME MAY BE EXCLUDED FROM ENTIRE NET INCOME:** Effective January 5, 1984, a banking corporation which is operating as an International Banking Facility may exclude the eligible net income of the I.B.F. from its entire net income. Rules detailing the specific treatment have been published.
- (l) **RIGHT OF DIRECTOR TO CORRECT DISTORTIONS OF NET INCOME:** The Director is authorized to adjust and redetermine items of gross receipts and expenses as may be necessary to make a fair and reasonable determination of tax payable under the Corporation Business Tax Act. For details regarding the conditions under which this authority may be exercised, refer to regulation N.J.A.C. 18:7-5.10.

17. SCHEDULE A-1 - NET OPERATING LOSS DEDUCTION AND CARRYOVER: Schedule A-1 has been replaced by

Form 500. Net operating losses must be detailed on Form 500, which is available separately. To obtain this form and related information, refer to the index on page 14.

- 18. SCHEDULE A-2 - COST OF GOODS SOLD:** The amounts reported on this schedule must be the same as the amounts reported on the taxpayer's Federal income tax return. When calculating the AMA, corporations must calculate the Cost of Goods Sold per the AMA instructions.
- 19. SCHEDULE A-3 - SUMMARY OF TAX CREDITS:** This schedule must be completed if one or more tax credits are claimed for the current tax period. The total on line 19 must equal the amount reported on page 1, line 12. Refer to instruction 47.
- 20. SCHEDULE A-4 - SUMMARY SCHEDULE: Every corporation must complete this schedule.** Report the information on lines 1 through 13 from the return schedules indicated. All lines must be completed.
- 21. SCHEDULE A-5 - FEDERAL IRS SECTION 199 ADJUSTMENT:** Effective for privilege periods beginning after December 31, 2004, a limited IRS Section 199 deduction may be allowed for New Jersey CBT purposes on a separate entity basis. The Section 199 deduction which is allowable for New Jersey CBT purposes and entered on line 2, is computed on Form 501 which is available separately. To obtain this form, refer to the index on page 14.
- 22. SCHEDULE A-6 - GROSS INCOME TEST FOR FINANCIAL BUSINESSES:** Financial businesses must derive 75% of their gross income from the financial activities enumerated at N.J.A.C. 18:7-1.16(a)1 through (a)7. Qualifying corporations must complete Schedule A-6 and file it along with the tax return form BFC-1. Taxpayers who do not meet the 75% gross income test must file the Corporation Business Tax Return, form CBT-100. If further information is required regarding this schedule, direct inquiries to: Special Audit Section, Division of Taxation, PO Box 271, Trenton, NJ 08695-0271, Telephone: (609) 943-4422. Questions regarding banking facilities can be directed to 609-292-5300.
- 23. SCHEDULE A-GR - COMPUTATION OF NEW JERSEY GROSS RECEIPTS AND MINIMUM TAX:** If the greater of the amounts reported on page 1, lines 13 or 14 is less than \$2,000, complete this schedule. Enter the greater of the computed tax liability or the amount on Schedule A-GR, line 7, on page 1, line 15. If the taxpayer is part of an affiliated group whose total payroll is \$5,000,000 or more, the minimum tax is \$2,000 regardless of the amount of the taxpayer's NJ gross receipts, and Schedule A-GR need not be completed.
- 24. SCHEDULE AM - ALTERNATIVE MINIMUM ASSESSMENT FOR BFC CORPORATIONS:** For privilege periods beginning on or after January 1, 2002, all New Jersey taxpayers are required to pay a New Jersey Corporate Tax computed pursuant to Section 5 of P.L. 1945, (C.54:10A-5), or the elected Alternative Minimum Tax, whichever is greater. For returns with privilege periods beginning after June 30, 2006, there is no AMA, except for taxpayers claiming P.L.86-272 immunity. There are two methods of determining the Alternative Minimum assessment: (a) based upon New Jersey Gross Receipts, and (b) based upon New Jersey Gross Profits.

PART I - computes New Jersey gross receipts, which equals the total of (1) sales of tangible personal property where shipment is made to points within this state, appropriation to the orders where shipment is made to points within this state, (2) services performed within the state, (3) rentals from properties

situated, (4) royalties from the use of patents or copyrights, within the state, and (5) all other business receipts earned within the state. Investment income received by a taxpayer through ownership in a foreign or domestic entity is considered gross receipts for purposes of computing the taxpayer's alternative minimum assessment.

PART II - New Jersey gross receipts from Part I are used in Part II to compute New Jersey gross profits. This is calculated by subtracting New Jersey cost of goods sold from New Jersey gross receipts. New Jersey cost of goods sold is computed by multiplying the total cost of goods sold (from Schedule A-2, line 8) by, at the taxpayer's election, the New Jersey allocation factor (from Schedule J, Part III, line 5) or the receipts fraction (from Schedule J, Part III, Line 2(j)).

NJ Gross Receipts (from Schedule AM, Part I, line 6)
- NJ Cost of Goods Sold (from Schedule AM, Part II, line 4)
= New Jersey Gross Profits

PART III - reports the New Jersey Gross Receipts and the New Jersey Costs of Goods Sold historically for the current year and the past 3 years.

NOTE: For taxpayers who were not required to file New Jersey CBT returns for any or all of the three prior privilege periods, enter N/A on the appropriate line(s).

PART IV - Computing the Alternative Minimum Assessment based on Gross Profits: Enter amount of New Jersey Gross Profits (from Part II, line 5) on Schedule AM, Part IV, line 1. If New Jersey Gross Profits are:

- (a) less than or equal to \$1,000,000, the Alternative Minimum Assessment based on Gross Profits will be zero;
- (b) greater than \$1,000,000, but not over \$10,000,000, the Alternative Minimum Assessment will be .0025 times the gross profits in excess of \$1,000,000, multiplied by the AM exclusion rate of 1.11111;
- (c) greater than \$10,000,000, but not over \$15,000,000, the Alternative Minimum Assessment will be the gross profits multiplied by .0035;
- (d) greater than \$15,000,000, but not over \$25,000,000, the Alternative Minimum Assessment will be the gross profits multiplied by .006;
- (e) greater than \$25,000,000, but not over \$37,500,000, the Alternative Minimum Assessment will be the gross profits multiplied by .007;
- (f) greater than \$37,500,000, the Alternative Minimum Assessment will be the gross profits multiplied by .008.

PART V - Computing the Alternative Minimum Assessment based on Gross Receipts: New Jersey gross receipts are used in Schedule AM, Part V to determine the amount of tax due under the gross receipts method. This method takes New Jersey gross receipts and multiplies them by a certain percentage based on the receipt amount.

Enter amount of New Jersey Gross Receipts (from Part I, line 5) on Schedule AM, Part V, line 1. If New Jersey gross receipts are:

- (a) less than or equal to \$2,000,000, the Alternative Minimum Assessment based on Gross Receipts will be zero;
- (b) greater than \$2,000,000, but not over \$20,000,000, the Alternative Minimum Assessment will be .00125 times the gross receipts in excess of \$2,000,000, multiplied by the AMA exclusion rate of 1.11111;
- (c) greater than \$20,000,000, but not over \$30,000,000, the Alternative Minimum Assessment will be the gross receipts

multiplied by .00175;

- (d) greater than \$30,000,000, but not over \$50,000,000, the Alternative Minimum Assessment will be the gross receipts multiplied by .003;
- (e) greater than \$50,000,000, but not over \$75,000,000, the Alternative Minimum Assessment will be the gross receipts multiplied by .0035;
- (f) greater than \$75,000,000, the Alternative Minimum Assessment will be the gross receipts multiplied by .004.

PART VI - For the first privilege period, the taxpayer has the option to select the computation method of the Alternative Minimum Assessment, either based on Gross Profits or Gross Receipts. However, once selected, the method must be employed for that privilege period, and for the next succeeding four privilege periods.

The maximum Alternative Minimum Assessment for an individual corporation for a privilege period will be \$5,000,000. Taxpayer will enter the lesser of the elected alternative minimum assessment (from Schedule AM, Part VI, line 4), or \$5,000,000, on Schedule AM, Part V, line 5. Taxpayer will enter amount from Schedule AM, Part IV, line 5, on Page 1 of BFC-1, line 14.

The amount of tax due for the privilege period will be the greater of the elected Alternative Minimum Assessment, or the traditional Corporate tax (computed pursuant to Section 5 of P.L. 1945, (C.54:10A-5)).

PART VII - Enter the name of the appointed Key Corporation of the affiliated group on line 1 if the group is claiming the AMA threshold limit of \$20,000,000. Enter the Federal Identification Number (FID) of the appointed Key Corporation on line 2.

25. SCHEDULE B - BALANCE SHEET: Every taxpayer must complete this schedule. The amounts reported must be the same as the year end figures shown on the taxpayer's books. A taxpayer that is included in a consolidated Federal income tax return must complete this schedule on its own separate basis.

26. SCHEDULE C - RECONCILIATION OF INCOME PER BOOKS WITH INCOME PER RETURN AND SCHEDULE C-1-ANALYSIS OF UNAPPROPRIATED RETAINED EARNINGS PER BOOKS:

- (a) Every corporation must complete these schedules or submit legible copies of Schedules M-1 and M-2 from their unconsolidated Federal Form 1120. For requirements relating to reproduction of Federal tax schedules, see instruction 32.
- (b) Line 8 of Schedule M-2 must correspond with the unappropriated retained earnings reported for the end of the tax year on Schedule B.
- (c) If taxpayer files Federal Schedule M-3, New Jersey Schedule C must still be filed, and a copy of Federal Schedule M-3 must be attached to taxpayer's New Jersey BFC-1 return. If taxpayer is part of a consolidated filing, then the Federal Schedule M-3 must be on a separate entity basis.

27. SCHEDULE E - GENERAL INFORMATION: All taxpayers must answer all questions on this schedule. In addition, riders must be submitted where necessary in answering the questions.

28. SCHEDULE F - CORPORATE OFFICERS - GENERAL INFORMATION AND COMPENSATION: All applicable information should be provided for each corporate officer regard-

less of whether or not compensation was received.

29. SCHEDULE G - PART I - INTEREST: Interest paid, accrued, or incurred to related members which was deducted in computing taxable net income on line 28 of Schedule A must be reported on Schedule G, Part I. Enter the total of such interest expense on line 30 of Schedule A. Do not include interest expenses and costs that were deducted directly or indirectly for, related to, or in connection with the direct or indirect acquisition, maintenance, management, ownership, sale, exchange, or disposition of intangible property in Part I. These expenses and costs are, however, required to be included in Part II.

SCHEDULE G - PART II - INTEREST EXPENSES AND COSTS AND INTANGIBLE EXPENSES AND COSTS:

Interest expenses and costs and intangible expenses and costs directly or indirectly paid, accrued, or incurred to, or in connection directly or indirectly with one or more direct or indirect transactions with one or more related members which were deducted in computing taxable net income on line 28 of Schedule A must be reported on Schedule G, Part II. Enter the total of such intangible expenses and costs on line 33(d) of Schedule A.

Exceptions: If the taxpayer is claiming an exception to the disallowance of the expense reported in Part I or Part II, then the taxpayer must complete and attach Schedule G-2. This schedule may be obtained from Taxpayer Forms Services, which can be contacted by following the instructions on page 14.

30. SCHEDULE H - TAXES: Itemize all taxes which were in any way deducted in arriving at taxable net income, whether reflected at line 2 (Cost of goods sold and/or operations), line 17 (Taxes), line 26 (Other deductions) or anywhere else on Schedule A. Also refer to instruction 16(f).

31. SCHEDULE I - CERTIFICATION OF INACTIVITY: In lieu of completing the entire tax return, an inactive corporation may complete this schedule along with Schedule A-4 and attach it to a completed page 1 of the tax return. Payment for the related minimum tax, the surtax and the installment payment (if applicable) must be submitted with page 1 of the BFC-1. An inactive corporation is a corporation that, during the entire period covered by the tax return, did not conduct any business, did not have any income, receipts or expenses, and did not own any assets.

32. OPTIONAL COPIES OF SCHEDULES C AND C-1: Any taxpayer that files an unconsolidated Federal Form 1120 with the Internal Revenue Service may submit copies of Schedules M-1 and M-2 of that return in lieu of completing Schedules C and C-1 of the BFC-1. Such copies or reproductions must be facsimiles of the complete schedules, they must be of good legibility and on paper of substantially the same weight and texture, and of a quality at least as good as that used in the official form, BFC-1. They must also be of the same size as that of the official schedules, both as to the overall dimensions of the paper and the image reproduced thereon.

Separate pages must be fastened together in proper order and must be attached to the return form. The taxpayer's full name and identifying number must be typed or printed on each reproduced page or copy.

33. SCHEDULE J PART I - GENERAL INSTRUCTIONS REGARDING ALLOCATION OF ADJUSTED ENTIRE NET INCOME:

(a) **WHO IS PERMITTED TO ALLOCATE:** No domestic or foreign corporation is permitted to allocate less than 100% of its adjusted entire net income to New Jersey, unless, during the period covered by the return, it **actually maintained a regular place of business outside of New**

Jersey other than a statutory office.

- (b) **DEFINITION OF REGULAR PLACE OF BUSINESS:** A “regular place of business” is any bona fide office (other than a statutory office), factory, warehouse, or other space of the taxpayer which is regularly **MAINTAINED, OCCUPIED** and **USED** by the taxpayer in carrying on its business and in which one or more regular employees are in attendance. To maintain a place of business, the taxpayer must either own or rent the premises. That cost must be borne directly by the taxpayer and not by some related entity or person.
- (c) **ALLOCATION PERCENTAGES:** In computing the allocation factor in Schedule J, division must be carried to six decimal places, e.g., .123456.
- (d) **ELECTION TO ALLOCATE:** If the taxpayer is entitled to allocate, the election should be made with the filing of the BFC-1 return regardless of the amount of income reported on line 39 of Schedule A. Schedule J must be completed to validate the election.
- (e) Only the receipts, property and payroll expenses attributable to operational activity are to be used in computing the allocation factor denominators.

34. SCHEDULE J PART II - AVERAGE VALUES: Average value is generally computed on a quarterly basis where the taxpayer’s accounting practice permits such computation. At the option of the taxpayer or the State, a more frequent basis (monthly, weekly or daily) may be used. Where the taxpayer’s accounting practice does not permit computation of average value on a quarterly or more frequent basis, semi-annual or annual frequency may be used only where no distortion of average value results. If any basis other than quarterly is used, state the basis and reasons for use thereof on a rider.

The average values of real and tangible personal property owned which are used in determining the property fraction of the allocation factor are based on book value. The numerator and denominator must take into account accumulated depreciation deferred for net income purposes where the taxpayer accounts for its property on its books on a Federal income tax basis. Rented or leased property is valued at eight times its annual rent, including any amounts (such as taxes) paid or accrued in addition to or in lieu of rent during the period covered by the return. All other property which is used by the taxpayer but is neither owned, rented or leased, should be valued at book value, however, if no such book value exists, the market value of the property should be used.

35. SCHEDULE J PART III - COMPUTATION OF ALLOCATION FACTOR: This schedule may be omitted if the taxpayer does not maintain a regular place of business outside this State other than a statutory office, in which case the tax law requires the allocation factor to be 100%.

- (a) However, if the allocation factor is 100% but the taxpayer in fact pays tax to another state based on or measured by income which is included on Schedule A of this return, it may compute a reduction in its N.J. Corporation Business Tax under certain conditions. Refer to N.J.A.C. 18:7-8.3 for eligibility and the method of computing such reduction. A copy of this regulation can be obtained from Taxpayer Forms Services or NJ TaxFax. See index on page 14.
- (b) **Line 1 - PROPERTY FRACTION:** For general information regarding method of valuation in arriving at average values, see instruction 34. Tangible personal property is within New Jersey if and so long as it is physically situated or located here. Property of the taxpayer held in New Jersey

by an agent, consignee or factor is (and property held outside New Jersey by an agent, consignee or factor is not) situated or located within New Jersey. Property, while in transit from a point outside New Jersey to a point in New Jersey or vice versa does not have a fixed situs either within or outside the State and, therefore, will not be deemed to be “situated” or “located” either within or outside New Jersey and accordingly the average value of such property should be omitted from both the numerator and the denominator of the property fraction. Ships, aircraft, satellites used in the communications industry, and other mobile or movable property are subject to the specific rules defined in N.J.A.C. 18:7-8.4.

- (c) **Line 2(a) - RECEIPTS FRACTION:** Receipts from sales of tangible personal property are allocated to New Jersey where the goods are shipped to points within New Jersey. Receipts from the sale of goods are allocable to New Jersey if shipped to a New Jersey or a non-New Jersey customer where possession is transferred in New Jersey. Receipts from the sale of goods shipped to a taxpayer from outside of New Jersey to a New Jersey customer by a common carrier are allocable to New Jersey. Receipts from the sale of goods shipped from outside of New Jersey to a New Jersey location where the goods are picked up by a common carrier and transported to a customer outside of New Jersey are not allocable to New Jersey.

Receipts from the following are allocable to New Jersey; services performed in New Jersey; rentals from property situated in New Jersey; royalties from the use in New Jersey of patents or copyrights; all other business receipts earned in New Jersey.

- (d) **Lines 2(e) and 2(g)**

(1) **RECEIPTS FROM SALES OF CAPITAL ASSETS:** Receipts from sales of capital assets (property not held by the taxpayer for sale to customers in the regular course of business), either within or outside New Jersey, should be included in the numerator and the denominator based upon the net gain recognized and not upon gross selling prices. Where the taxpayer’s business is the buying and selling of real estate or the buying and selling of securities for trading purposes, gross receipts from the sale of such assets should be included in the numerator and the denominator of the receipts fraction.

(2) **DIVIDEND INCOME:** The amount of dividends excluded from entire net income at line 37, Schedule A, must not be included in the numerator or denominator of the receipts fraction.

(3) **INTERNATIONAL BANKING FACILITY INCOME:** The amount of International Banking Facility income excluded from adjusted entire net income at Item 38, Schedule A, should be included in the numerator or denominator of the receipts fraction.

- (e) Receipts, including IBF receipts, that have not been included in the numerator of apportionment factor of another taxing jurisdiction’s tax return based on income or measured by profits, business presence or business activity, either on its own separate entity base or as part of a consolidated return, shall be excluded from the denominator. Receipts that are “throwback sales” in another jurisdiction also shall be excluded from the denominator.
- (f) **Lines 2(j) and 2(k)** - The percentage of receipts in New Jersey should be entered on both lines 2(j) and 2(k) to

effect a double-weighted receipts fraction in the computation of the allocation factor.

(g) **Line 3 - PAYROLL FRACTION:** In general, a taxpayer reporting to the Division of Employment Security in the New Jersey Department of Labor will allocate to New Jersey all wages, salaries and other personal service compensation, etc., reportable to that Division, including the portions thereof, in individual cases, in excess of taxable wages. All executive salaries are includible in both the numerator and denominator. See N.J.S.A. 54:10A-7 for the definition of wages, salaries and other personal services compensation allocable to New Jersey.

(h) **ALLOCATION FACTOR - GENERAL:** The allocation factor is computed by adding together the percentages shown at lines 1(c), 2(h), 2(i) and 3(c) of Schedule J, Part III for the period covered by the return, and dividing the total of the percentages by four (4). However, if the property or payroll fraction is missing, the remaining percentages are added and the sum is divided by three. If the receipts fraction is missing, the other two percentages are added and the sum is divided by two. If two of the fractions are missing, the remaining percentage may be used as the allocation factor. A fraction is not missing merely because its numerator is zero, but is missing if its denominator is zero.

If there is a declaration of nonoperational income, expenses, or assets from Schedule O, those items attributable to the non-operational activity should be excluded from the denominator of all three fractions of the allocation factor.

36. SCHEDULE J PART IV: Provide the name of the jurisdiction for which the receipts have not been included in a tax return apportionment numerator and the total amount of those receipts.

37. SCHEDULE J PARTS V and VI: Only corporations claiming the affiliated group throw out limitation must complete Schedule J, Parts V and VI. Part V must be completed to identify the Key Corporation of the affiliated group who will be reporting and remitting the increase tax effect limitation (\$5,000,000). Part VI is a schedule for the computation of the Throw Out Tax to be completed if the taxpayer is a member of an affiliated or controlled group whose aggregate combined change in tax liability exceeds \$5,000,000 due to the throw out of receipts.

Taxpayers claiming the throw out limitation must use the allocation factor reported on Schedule J, Part VI, line 17, to compute their individual tax liability. Enter this number on page 1, line 2 of the BFC-1 Return. Taxpayers NOT claiming the throw out limitation must use the allocation factor reported on Schedule J, Part III, line 5. Enter this number on page 1, line 2 of the BFC-1 Return.

38. SCHEDULE L - ALLOCATION OF NEW JERSEY CORPORATION BUSINESS TAX FOR BANKING AND FINANCIAL CORPORATIONS AMONG NEW JERSEY MUNICIPALITIES:

(a) Column I - Taxpayer must list all offices maintained in this State, by first indicating the exact taxing district (municipality) and secondly the county. NOTE: The mailing address of an office is not necessarily the taxing district.

(b) Column II - (1) In the case of banking corporations, the deposit balances are to be used; (2) and in the case of financial corporations, the receipts allocable to such location are to be used.

(c) Column III - The percentage indicated is based on the individual deposit balances for banking corporations or

receipts for financial corporations divided by total deposit balances in New Jersey, or total receipts in New Jersey, respectively.

(d) Totals required at bottom of Columns II and III are the sum of the individual taxing district amounts and percentages. Total percentage reported at Column III must equal 100%. Also, each individual computation should be carried to six decimal places.

(e) Insert name and Federal I.D. number at top of page.

39. SCHEDULE N - NEXUS - IMMUNE ACTIVITY DECLARATION: Foreign corporations that claim their income is immune from taxation pursuant to Public Law 86-272, 15 U.S.C. §381 et seq., must complete Schedule N and file it with the BFC-1. This schedule may be obtained from Taxpayer Forms Services, which can be contacted by following the instructions on page 14.

40. SCHEDULE O - NONOPERATIONAL ACTIVITY: Corporations that claim to have nonoperational activity, non-operational assets or non-unitary partnership investments must complete Schedule O and file it with the BFC-1. 42. SCHEDULE P-1 - PARTNERSHIP INVESTMENT ANALYSIS: Itemize the investment in each partnership, limited liability company and any other entity which is treated for Federal tax purposes as a partnership. List the name, the Federal Identification Number, and the date and state where organized for each partnership. Also, check the type of ownership (general or limited), the tax accounting method used to reflect your share of partnership activity on this return (flow through method or separate accounting) and whether or not the partnership has nexus in New Jersey. Itemize in Column 7 the amount of tax payments made on behalf of the taxpayer by partnership entities. Carry the total amount of taxes paid on behalf of taxpayer to page 1, line 23(a). Attach a copy of schedule NJ-K-1 from form NJ-1065 if the partnership is filing in New Jersey. Any one member limited liability company should be included on this schedule. Corporations who claim that their partnership investments are non-unitary and therefore are utilizing the Separate Tax Accounting Method must complete Schedule O to report this activity and compute the appropriate amount of tax.

43. SCHEDULE PC - PER CAPITA LICENSED PROFESSIONAL FEE:

(a) Professional Corporations (PC) formed under NJSA 14A:17-1 et. seq. or any similar laws of a possession or territory of the US, a state, or political subdivision thereof, are liable for a fee on Licensed Professionals.

The number of professionals should be calculated using a quarterly average. The fee for each resident and non-resident professional with physical nexus with New Jersey is \$150. The fee for each non-resident professional without physical nexus with New Jersey is \$150 multiplied by the allocation factor of the corporation. The fee is limited to \$250,000 per year.
- (d) In the event of a period shorter than a year, the fee and limit may be prorated by months. A fraction of a month is deemed to be a month.
- (e) Line 2 - Installment Payment: A fifty percent (50%) prepayment towards the subsequent year's fee is required with the current year's return.
- (f) Line 6 - Credit: Amount to be credited towards next year's fee. **This fee is not eligible for refund.**

44. SCHEDULE R - DIVIDEND EXCLUSION: Taxpayers may exclude from entire net income 100% of dividends from qualified subsidiaries, if such dividends were included in the taxpayer's gross income on Schedule A. A qualified subsidiary is defined as ownership by the taxpayer of at least 80% of the total combined voting power of all classes of stock entitled to vote and at least 80% of the total number of shares of all other classes of stock, except non-voting stock which is limited and preferred as to dividends. With respect to other dividends, the exclusion shall be limited to 50% of such dividends included in the taxpayer's gross income on Schedule A, provided the taxpayer owns at least 50% of voting stock and 50% of the total number of shares of all other classes of stock. Taxpayers shall not include money market fund income or REIT dividends as part of the dividend exclusion. Refer to instruction 16(j).

45. SCHEDULE S - DEPRECIATION AND SAFE HARBOR LEASING: All taxpayers except for gas, electric and gas and electric utilities (who must complete Schedule S, Part III), must complete this schedule and must submit a copy of a completed Federal Depreciation Schedule, Form 4562 even if it is not required for Federal purposes. SCHEDULE S - PART I

Line 11 Additions:

- (a) Add any depreciation or cost recovery (ACRS and MACRS) which was deducted in arriving at federal taxable income on recovery property placed in service on or after January 1, 1981 and prior to taxpayers' accounting periods beginning on and after July 7, 1993.
- (b) Add any 30% or 50% bonus depreciation amounts and federal depreciation calculations which were deducted in arriving at Federal taxable income on recovery property placed in service during accounting periods beginning on and after January 1, 2002, for which federal 30% or 50% bonus depreciation was taken. Include the initial 30% or 50% bonus amount and the regular depreciation on the adjusted basis.
- (c) Add distributive share of ACRS and MACRS from a part-

nership.

- (d) Add any interest, amortization or transactional costs, rent, or any other deduction which was claimed in arriving at Federal taxable income as a result of a "safe harbor leasing" election made under Section 168(f)(8) of the Federal Internal Revenue Code; provided, however, any such amount with respect to a qualified mass commuting vehicle pursuant to the Federal Internal Revenue Code Section 168(f)(8)(D)(v) need not be added back to net income.
- (e) The \$100,000 bonus section 179 deduction is partially disallowed. Section 179 deduction is limited to a maximum of \$25,000 which was the maximum allowance for tax years after 2002 per the Internal Revenue Code before the bonus deduction was enacted. For fiscal year filers whose taxable year begins in 2003 and ends in 2004, the maximum allowable Section 179 Expense is \$100,000 for assets placed in service during 2003. For assets placed in service during 2004, the maximum allowable Section 179 expense is \$25,000. The combined maximum allowable expense for the entire taxable year is \$100,000. Enter on line 11(e) the difference between the federal expense and the expense allowable for New Jersey purposes.

Line 12 Deductions:

- (a) Deduct depreciation on property placed in service after 1980 and prior to taxpayers' fiscal or calendar accounting periods beginning on and after July 7, 1993, on which ACRS and MACRS has been disallowed under 10(a) of this instruction using any method, life and salvage value which would have been allowable under the Federal Internal Revenue Code at December 31, 1980, but using the Federal basis for depreciation on the date the property was placed in service.
- (b) Deduct recomputed depreciation for assets placed in service during accounting periods beginning on and after January 1, 2002, and for which federal 30% or 50% bonus depreciation was taken under 11(b) of this instruction using the same method and life which would have been allowable for Federal purposes, but using the Federal basis for depreciation on the date the property was placed in service and not as provided after taking the 30% or 50% first-year depreciation allowance. Refer to Schedule S, Part II (B).
- (c) Deduct recomputed depreciation attributable to distributive share of recovery property from a partnership.
- (d) Deduct any item of income included in arriving at Federal taxable income solely as a result of a "safe harbor leasing" election made under Section 168(f)(8) of the Federal Internal Revenue Code provided, however, that any such income which relates to a qualified mass commuting vehicle pursuant to Federal Internal Revenue Code Section 168(f)(8)(D)(v) cannot be deducted from net income.
- (e) Where the user/lessee of qualified lease property which is precluded from claiming a deduction for rent under 10(c) of this instruction would have been entitled to cost recovery on property which is subject to such "safe harbor lease" election in the absence of that election, it may claim depreciation on the property in accordance with 12(a) of this instruction.
- (f) Gain or loss on property sold or exchanged is the amount properly to be recognized in the determination of Federal

taxable income. However, on the physical disposal of recovery property, whether or not a gain or loss is properly to be recognized under the Federal Internal Revenue Code, there shall be allowed as a deduction any excess, or there must be restored as an item of income, any deficiency of depreciation disallowed at line 11(a) and (b) over related depreciation claimed on that property at line 12(a) and (b). A statutory merger or consolidation shall not constitute a disposal of recovery property.

NOTE: Uncoupling of ACRS and MACRS is not required for property placed into service during accounting periods beginning on or after July 7, 1993.

SCHEDULE S - PART II (B)

All taxpayers must complete this schedule in order to compute their New Jersey depreciation allowable for assets placed in service during accounting periods beginning on and after January 1, 2002, and for which federal 30% or 50% bonus depreciation was taken and/or for which excess section 179 depreciation was disallowed and added back per Schedule S, Part I, line 11(e). The form as is can be used for all applicable assets. Identifications should be reported in Column A (30% bonus, 50% bonus, excess section 179). The basis is to be determined at the date property is placed in service and not as provided after taking the 30% or 50% first-year depreciation allowance.

The computations for the two following tax years are based on the average increase in New Jersey residents employed in New Jersey subject to a limitation based on the cost of the investment made in the first year.

The manufacturing equipment portion is limited to 2% (or 4%, if applicable) of the investment credit base of qualified equipment placed in service in the tax year, up to a maximum allowed credit for the tax year of \$1,000,000. The employment investment portion is valid for each of the two tax years next succeeding the tax year for which the manufacturing equipment credit is allowed, but is limited to 3% of the investment credit base, not to exceed a maximum allowable amount for each of the two tax years of \$1,000 multiplied by the increase in the average number of qualified employees.
