- **CALENDAR OF DUE DATES**
- **FOUR STATEMENTS OF ESTIMATED TAX**

NOTE:

**WE DO NOT SEND REMINDER NOTICES FOR THE ESTIMATED TAX INSTALLMENT PAYMENTS.
PAYMENT MUST ACCOMPANY THE REMITTANCE STATEMENT WHEN DUE.**

INSTRUCTIONS**1. Who must file**

Corporations whose accounting periods begin in 2010 and whose prior year tax liability is greater than \$500 must make four 25% estimated tax payments in the 4th, 6th, 9th and 12th months of its accounting period towards the current year's tax, except for corporations with gross receipts of \$50,000,000 or more for the prior privilege period shall make installment payments as follows: 25% in the 4th month, 50% in the 6th month and 25% in the 12th month. A corporation whose prior year tax liability is \$500 can, in lieu of making these estimated tax payments, make a single estimated tax payment of 50% of the prior year's tax liability. This option must be made and the 50% payment must be remitted no later than the original due date of the prior year's tax return.

2. Purpose

These forms are provided for your convenience for remitting estimated tax payments on a current basis.

3. How to determine your estimated tax

Computation of the estimated tax should be made on the basis of a full accounting period. Taxpayers should determine their expected liabilities on the basis of circumstances existing at the time prescribed for filing. Use the Estimated Tax Worksheet for computing each installment due.

4. Estimated tax worksheet

A worksheet is provided to assist in computing the amounts of installment payments due for any taxpayer required to file a statement which has an accounting year beginning after December 31, 2009.

5. Overpayment credit from BFC-1

If the prior year's return is overpaid and the taxpayer elected to apply that overpayment as a credit to the current tax year, that credit may be applied to any installment. Enter the amount of the overpayment on line 2 of the Statement of Estimated Tax. However, if the taxpayer elected to have any portion or all of the overpayment on the prior year's return refunded, this amount may not be claimed as a credit.

6. All taxpayers should enter the appropriate tax year that the remittance should be credited to in the space provided on the front of the voucher. Fiscal year taxpayers must also enter the beginning and ending dates of their accounting period in the space provided.

7. Underpayment of estimated tax

Any taxpayer who is required to file a statement of estimated tax must file each estimate together with remittance covering the estimated tax due on the required due date. Failure to remit such estimated payment or making an underpayment of such tax or any installment thereof, will result in the imposition of interest at an annual rate of three percent (3%) above the average predominant prime rate for each month or fraction thereof that the underpayment exists. The average predominant prime rate to be used is the rate as determined by the Board of Governors of the Federal Reserve System, quoted by commercial banks to large businesses on December 1st of the calendar year immediately preceding the calendar year in which the payment was due or as redetermined by the Director in accordance with N.J.S.A. 54:48-2. The average predominant prime rates will be published periodically.

In general, a taxpayer will be considered as having underpaid if the total amount of the estimated tax payments for the taxable year are less than 90% of the total tax liability reported on the current year's tax return and less than 100% of the total tax liability reported on the prior year's tax return. The addition to the tax on any underpayment of any installment payment is computed on Form BFC-160 and must be paid with the return.

8. When to file

For all fiscal year taxpayers, the appropriate due dates applicable to each installment due can be found in the Calendar of Due Dates in this packet.

9. Where to file

A statement of estimated tax shall be filed with the State of New Jersey, Division of Taxation-BFC, Revenue Processing Center, PO Box 247, Trenton, NJ 08646-0247.

10. Electronic funds transfers

The Division of Revenue has established procedures to allow the remittance of tax payments through Electronic Funds Transfer (EFT). Taxpayers with a prior year's liability of \$10,000 or more in any one tax are required to remit all tax payments using EFT. If estimated tax payments are remitted using EFT, the BFC-150 vouchers should not be sent to the Division of Taxation. If you have any questions concerning the EFT program, call (609) 984-9830 or write to the Division of Revenue, EFT Section, PO Box 191, Trenton, NJ 08646-0191.
