**Instructions for Completing
Certification of Compliance with Federal and State Law
Respecting the Reporting of Compensation for Certain Employees**

P.L. 2007, c. 53 (N.J.S.A. 18A:17-14.4), which was signed into law by Governor Corzine on March 15, 2007, requires that a school business administrator, or any other person designated by the board of education, shall certify to the Department of the Treasury that all documentation prepared for income tax related purposes, in regard to superintendents of schools, assistant superintendents of schools, and school business administrators, complies fully with the requirements of Federal and State laws and regulations regarding the types of compensation which are required to be reported.

This form is being provided for that purpose and should be completed on your district's stationery.

The first line requires the preparer (the District Business Administrator, or authorized designee) to clearly identify him or herself. It is strongly suggested that the form is co-signed to certify that the Business Administrator's tax information has been properly submitted. Include, in sections A – C, all district superintendents, assistant superintendents and school business administrators employed by the district during the calendar year for which the certification is being submitted. Insert additional lines such as B-1, B-2, B-3 if necessary. Attach additional sheets if necessary.

These forms must be signed and copies maintained on file in the district business administrator's office.

Please mail the forms on or before March 15th of the year following the certification year to:
