

INSTRUCTIONS FOR FORM PART-200-T

Extension to File

Where a tentative return and tax payment are timely and properly filed, the Division of Taxation will grant an automatic extension of five (5) months for the filing of Form PART-100. There is no extension of time to pay the fee and/or tax due. To be eligible for an extension you must have paid, by the original due date of your return, either through a tiered partnership payment, installment payment, estimated payments, or a payment made with this form, at least 80% of the fee and/or tax reported on New Jersey Form PART-100 when filed. If the 80% requirement is not met, the extension will be retroactively denied and penalty and interest charges will be imposed from the original due date of the return. Form 200-T must be postmarked on or before the original due date of the NJ-1065. The maximum amount of time an extension can be granted for is five (5) months. Extensions longer than five (5) months will not be granted. If you file Form PART-200-T, you must also file Form PART-100 "Partnership Return Voucher" when you file Form NJ-1065.
