## Executive Summary

This report provides statistical information to the public based on New Jersey Gross Income Tax returns filed for Tax Year 2017. The data are gathered from NJ-1040 forms as submitted to the Division of Taxation.

The body of the report is made up of 140 pages of detailed tables, providing amounts reported on the $\mathrm{NJ}-1040$ form aggregated by income group, resident/non-resident status, filing status, etc. The Guide that begins on page 5 provides a user-friendly explanation of the income tax. It shows the total amounts reported on key lines of the tax form and explains how they relate to each other.

Full-year residents are a major focus of the report because they account for $87.1 \%$ of tax returns, $87.5 \%$ of gross income, and $87.2 \%$ of tax liability. Key results for full-time residents are:

- Gross income - Taxpayers reported $\$ 381.0$ billion of gross income, a $5.1 \%$ increase over 2016. This growth rate is faster than the average annual rate over the previous four years (3.4\%). Gross income grew at a rate of $3.8 \%$ per year between 2013 and 2017.
- Employee compensation - The largest category of gross income by far, it accounts for $71.3 \%$ of total income. Filers reported $\$ 279.8$ billion of employee compensation, a 4.1\% increase from 2016. It is about 0.9 percentage points more than the prior four-year average annual growth rate of $3.2 \%$.
- Other income categories - The next seven largest categories of gross income, from largest to smallest, were gross retirement income (up $6.5 \%$ from 2016), partnership income (a 11.3\% increase from 2016), net capital gains ( $55.6 \%$ increase), net business profits ( $3.5 \%$ increase), $S$ corporation income ( $1.2 \%$ increase), dividends ( $13.5 \%$ increase), and a residual category, that includes interest, (2.9\%).
- Exemptions and deductions - The total value of exemptions was $\$ 11.4$ billion, and the total value of deductions was $\$ 12.7$ billion. (The property tax deduction is noted separately below.) Deductions grew at a slower rate than exemptions (3.9\% vs. 6.4\%). Exemptions decreased by $0.3 \%$ per year during the prior four years. Deductions rose $7.6 \%$ per year over the same period. The largest deduction was the unreimbursed medical expense deduction ( $\$ 11.1$ billion); it grew by $3.0 \%$ in 2017. The alternative business calculation adjustment, given full phase-in in 2017 increased by $14.0 \%$. Exemptions growth exceeded deductions growth because of the new veteran exemption that totaled $\$ 485.8$ million; excluding the new exemption implies a growth rate of $1.9 \%$.
- Taxable income - This category, pre-property tax deduction (see Table I.2a), grew by $5.4 \%$ to $\$ 359.3$ billion. The prior four years averaged $3.3 \%$ per year. New Jersey taxable income (post-property tax deduction) grew by $5.6 \%$ to $\$ 346.7$ billion. It averaged $3.3 \%$ per year in the prior four years. The tax base growth increased in 2017 primarily because of faster gross income growth (5.1\%) versus a $5.1 \%$ growth rate in all deductions and
exemptions. Since the gross income exceeds exemptions and deductions by a factor of 15.8 , income growth drove the observed pattern of change. The property tax deduction depends on whether a property taxpayer is better off taking the deduction or the credit, given a minimum benefit of $\$ 50$ (or $\$ 25$ filing separate). This deduction could be included in the prior section. However, it depends not only on expenditures, but is also a function of the differences in schedule tax that it could generate. Total property tax deductions increased $0.3 \%$ in 2017 to $\$ 12.6$ billion.
- Pre-credit liabilities - This category grew by $8.8 \%$ to $\$ 16.0$ billion during 2017. The prior four years' average growth was $4.2 \%$ per year. The rise in liabilities appears to be confirmed by the growth patterns discussed above.
- Tax credits - Nonrefundable tax credits are comprised of the credit for income tax paid to other jurisdictions and the sheltered workshop tax credit. These credits amounted to $\$ 3.7$ billion in 2017 and grew by $8.4 \%$ over 2016. The refundable credits (Earned Income and property taxes paid) increased $0.6 \%$ to $\$ 506.8$ million.
- Net charged tax, which increased $9.3 \%$ to $\$ 11.8$ billion, is a product of weak credit growth, faster income growth, with slower deduction growth.

In addition to full-year residents, the other three types of income tax filers are part-year residents, non-residents, and fiduciaries. Including all four categories, the total number of tax returns was 4.83 million (a $1.8 \%$ increase from 2016); the total amount of gross income reported was $\$ 435.4$ billion (a $5.7 \%$ increase); and the net tax liabilities increased from $\$ 12.5$ billion to $\$ 13.6$ billion (an $8.8 \%$ increase). Net liabilities rose in conjunction with income and was not offset by rising exemptions and deductions.

## Guide to the Statistics of Income Report

This Guide has five parts: (1) Overview, (2) Gross Income and Its Components, (3) Exemptions and Deductions, (4) Credits and Net Charged Tax, and (5) Filing Types.

## Overview

Figures 1 and 2 provide a visual overview of New Jersey's Gross Income Tax, focusing on full-year resident returns. Circles represent dollar amounts of different sizes (the larger the circle, the bigger the amount), color-coded by category. Figure 1 covers data from the first two pages of the NJ-1040 tax form, and Figure 2 covers data from the third page.

In Figure 1, gross income and its components are displayed in purple. Exemptions, deductions, and exclusions are in blue. Taxable income is in red, and tax before credits is in green.

The total New Jersey gross income (line 28 of the NJ-1040 tax return form) was $\$ 381.0$ billion. It is represented by a large purple circle.

The smaller surrounding purple circles break this total into its constituent components (lines 14-25 on the tax form). The largest component by far is employee compensation (line 14), which comes to $\$ 279.8$ billion, or about $71.3 \%$ of total income.

The other components, from largest to smallest, are gross retirement income (line 19a), partnership income (line 20), net capital gains (line 18), net profits from business (line 17), S corporation income (line 21), dividends (line 16), miscellaneous income (line 25), taxable interest income (line 15a), net income from rents, royalties, patents, and copyrights (line 22), alimony received (line 24), and net gambling winnings (line 23). The sum of these components plus employee compensation equal total income ( $\$ 392.4$ billion). Subtraction of the retirement income exclusions (\$14.0 billion) gives New Jersey gross income of $\$ 381.0$ billion.

Taxpayers then subtracted $\$ 24.7$ billion in exemptions and deductions (large blue circle, and line 35). The result is taxable income (line 36 ) of $\$ 359.3$ billion.

The exemptions (upper blue circles) are tallied on lines 6-12 of the tax form, then converted into dollar amounts on line 29, as follows: the regular exemption (line 6) is $\$ 1,000$ for each taxpayer (i.e., $\$ 1,000$ if filing individually, or $\$ 2,000$ if filing jointly). The exemption for dependents (lines 9 to 11 ) is $\$ 1,500$ each for dependents not in college, or $\$ 1,000$ each for
dependents in college. Additional exemptions for the aged ( 65 or over), and the blind or disabled are also $\$ 1,000$ each. The veterans' exemption is $\$ 3,000$ each.

New Jersey's income tax has no standard deduction.
Deductions include unreimbursed medical expenses (line 30), and four other items (lines 31-34): alimony paid, qualified conservation contributions, health enterprise zones, and alternative business calculation adjustments. The largest deduction in return year 2017 was unreimbursed medical expenses, at $\$ 11.1$ billion.

The property tax deduction is based on the first $\$ 10,000$ of property taxes paid by homeowners or imputed at a rate of $18 \%$ of rent paid by tenants on their principal residence. It is determined by calculating the pre-credit tax based on line 36 with and without the deduction. If the difference in pre-credit taxes exceeds $\$ 50$ (or $\$ 25$ for people filing separate), the property tax deduction is taken. It is a function of both spending and how pre-credit liabilities are affected.

In 2017, total property tax deductions were $\$ 12.6$ billion. Gross income was ultimately reduced by $\$ 11.4$ billion in exemptions and $\$ 13.2$ billion in deductions. Since negative income entries are not permitted on the return, taxable income was reduced by, at most, $\$ 37.2$ billion. This indicates a New Jersey taxable income amount of $\$ 346.7$ billion.

Once they have calculated their New Jersey taxable income, filers use the NJ-1040 Tax Table or one of the NJ-1040 Tax Rate Schedules found in the instructions to calculate tax before credits (green circle, and line 40). Total pre-credit tax was $\$ 16.0$ billion.

Figure I: Pre-credit Tax Calculations, 2017 Full-Year Resident Returns

Figure 2: Tax Calculations, 2017 Full-Year Resident Returns

The State tax rates for single and married separate filers were as follows:

- $1.4 \%$ on the first $\$ 20,000$ of taxable income
- $1.75 \%$ on taxable income from $\$ 20,000$ to $\$ 35,000$
- $3.5 \%$ on taxable income from $\$ 35,000$ to $\$ 40,000$
- $5.525 \%$ on taxable income from $\$ 40,000$ to $\$ 75,000$
- $6.37 \%$ on taxable income from $\$ 75,000$ to $\$ 500,000$
- $8.97 \%$ on taxable income above $\$ 500,000$

The tax rates for married, head-of-household, and widow(er) filers were:

- $1.4 \%$ on the first $\$ 20,000$ of taxable income
- $1.75 \%$ on taxable income from $\$ 20,000$ to $\$ 50,000$
- 2.45\% on taxable income from \$50,000 to \$70,000
$\cdot 3.5 \%$ on taxable income from $\$ 70,000$ to $\$ 80,000$
- $5.525 \%$ on taxable income from $\$ 80,000$ to $\$ 150,000$
- $6.37 \%$ on taxable income from $\$ 150,000$ to $\$ 500,000$
- $8.97 \%$ on taxable income above $\$ 500,000$

Figure 2 illustrates how the tax before credits (line 40) becomes first the total tax and penalty (what taxpayers owe the State) and then net charged tax (what the State should expect to receive). Net charged tax is not a line on the tax form. It is equal to total tax and penalty (line 47) minus the property tax credit (line 49) and the Earned Income Tax Credit (line 51). These are two refundable tax credits, which means that they have the potential to reverse the flow of revenue from the taxpayer owing the State to the State owing the taxpayer. ${ }^{1}$

Hence, net charged tax is a measure of how much taxpayers ultimately contribute to State revenue for the given tax year, inclusive of withholdings, estimated payments, and final payments net of refunds and credits forward.

After calculating their tax before credits (line 40), filers subtract the credit for income taxes paid to other jurisdictions (line 41), add Use (Sales) Tax due on out-of-state purchases (line 45), and add any penalty for underpayment of estimated tax (line 46). ${ }^{2}$ The result is total tax and penalty (line 47).

The credit for income taxes paid to other jurisdictions represents approximately $23 \%$ of pre-credit tax liabilities, or $\$ 3.7$ billion. This indicates that New Jersey residents pay significant

[^0]amounts in income taxes to other jurisdictions. The majority of credit utilization is attributable to New Jersey residents who are required to pay income taxes to New York, since many New Jerseyans work in that jurisdiction. New York does not have a reciprocal tax agreement with New Jersey, which implies all income earned by New Jersey residents in New York is subject to New York income tax. In contrast, because of the Pennsylvania-New Jersey Reciprocal Income Tax Agreement, most New Jersey residents who work in Pennsylvania do not have to pay Pennsylvania's income tax, particularly on wage income, and instead are required to pay New Jersey's income tax. Unlike the credit for income taxes paid to other jurisdictions, the use tax due on out-of-state purchases and the estimated tax underpayment penalty have a small impact on tax revenue.

Net charged tax is calculated by subtracting the property tax credit (line 49) and the Earned Income Tax Credit (line 51) from total tax and penalty (line 47). Since these two tax credits are refundable, net charged tax is negative for some low-income taxpayers.

Overall, net charged tax for full-year residents in Tax Year 2016 totaled $\$ 11.8$ billion. It rose by $9.3 \%$ from the 2016 figure of $\$ 10.8$ billion.

## Gross Income and Its Components - Table I. 1

The remainder of this Guide presents a series of four tables, each with three or four panels. The first three tables focus on full-year residents, adding further precision and an historical dimension to the information presented in the Overview section, i.e., the components of New Jersey gross income (Table I.1a, Table I.1b), exemptions and deductions (Table I.2), and credits and net charged tax (Table I.3). The fourth table provides information about the other types of income tax filers besides full-year residents, i.e., part-year residents, non-residents, and fiduciaries (Table I.4).

Table I.1a covers gross income and its components, for the five tax years from 2013 to 2017. The income components are employee compensation and non-wage income. Capital income is comprised of interest, dividends, and net capital gains. Business income is proprietorship income, partnership income, S-corporation income and net income from rentals, royalties, patents, copyrights, and estates. Gross retirement income is income received from pensions, annuities, individual retirement accounts and other retirement vehicles before exclusions. The other category is the sum of alimony received, net gambling winnings and a miscellaneous category. Panel I.1a reports money amounts, in millions of dollars. Table I.1b presents the individual income components in the aggregate format described above.

Table I.1a indicates that total income grew by 5.6\% in 2014 and hit 6.2\% in 2017. Total income slowed down between these two periods to $3.2 \%$ in 2015 and $1.2 \%$ in 2016. Gross income also followed a U-shaped pattern: a slower rate during the in-between years and relative peaks on the endpoints. The primary difference is traced to the retirement income exclusions which reduce total income: they averaged $\$ 7.8$ billion from 2013 to 2014 and increased to $\$ 14.0$ billion in 2017. This latter development is traced to the doubling of maximum retirement income exclusions that were effective on 1 January 2017. Had the exclusions remained constant, gross income, too, might have exceeded $6.0 \%$ growth.

Panel (b) of Table I.1b is a percent distribution of total income for each year. Employee compensation decreased from $73.0 \%$ of total income in 2013 to $71.3 \%$ by 2017. Aside from a slight recovery, the trend in employee compensation seems downward, excluding a slight recovery in 2015 and 2016. Nonwage income showed an opposite pattern: it rose from $27.0 \%$ in 2013 to $28.3 \%$ in 2014, stayed above $27.0 \%$, then reached $28.7 \%$ in 2017. Growth rates aside (Panel (c)), nonwage income might have made a small inroad into the dominance of employee compensation. The annual percent changes in employee compensation range from 3.8\% in 2014 to $4.1 \%$ in 2017. It hit a relative peak in 2015 of $3.9 \%$ and sank to a low of $1.8 \%$ in 2016. Nonwage income grew $10.5 \%$ in 2013 and $11.6 \%$ in 2017. In between these years, nonwage income rose $1.4 \%$ in 2015 and fell $0.5 \%$ in 2016. The dip in the 2015 to 2016 period is probably linked to a two-year cumulative decrease in capital income of $13.9 \%$. This was helped marginally by a slowdown in unincorporated business income and gross retirement income.

The total income shares of unincorporated business income (in excess $13 \%$ ) and over $7 \%$ for gross retirement income plus decreased growth rates in 2016 suggest that capital income was driving the trends in nonwage income.

The initial conclusions drawn above indicate a u-shaped recovery, during this period, of nonwage income growth that can move, by default, at the expense of wage-based income. Implicitly, the analysis assumes that the sum of the product of total income shares and growth rates of each component equals the growth of total income. Using the data in panels a through c in Table I.1b, this growth component sum equals $6.3 \%$ [0.713( 0.041 ) $+0.287(0.116)]$ for 2017, while the total income growth rate was calculated directly as $6.2 \%$. Using lagged component total income shares and current year component growth rates produces an estimated total income growth rate of $6.2 \%[0.727(0.041)+0.273(0.116)]$. This idea can be used to estimate the relative influence of various income components that sum to the growth rate of their total. See the note at the end of the chapter. 4/

Panel (d) of Table I.1b shows a decomposition of the total income growth rate per the formula described above and outlined in Note 4. An individual growth component measures

the contribution of the income component to the total income growth rate. Total income grew $5.6 \%$ in $2014,3.2 \%$ in 2015, it slowed to $1.2 \%$ in 2016 and recovered strongly in 2017 to $6.2 \%$. The employee compensation growth component in 2014 added 2.8 percentage points to the total income growth rate in 2014 and 2015. The contribution in 2016 fell by more than one-half to 1.3 percentage points. In 2017, employee compensation's contribution recovered to 3.0 percentage points. Nonwage income matched employee compensation in 2014 but fell substantially in 2015 and 2016 given respective contributions of 0.4 percentage points and -0.2 percentage points. Nonwage income bested wage income in 2017, given a contribution of 3.2 percentage points as opposed to 3.0 percentage points.

As total income growth slowed from 2014 to 2016, employee compensation became relatively more important because it slowed less than nonwage income. The observed patterns in non-wage income seem linked to successive reductions in capital income's component of 0.5 percentage points in 2015. In 2016, the component fell by 0.4 percentage points. Both unincorporated business income and gross retirement income showed decreasing, but positive components (combined 0.9 percentage points) in 2015. The contribution of these two
components in 2016 ( 0.1 percentage points) were insufficient to offset the 0.4 percentage point loss associated with capital income in 2016.

In 2017, the growth component of nonwage income added 3.2 percentage points to the total income growth rate. This was influenced by a $55.6 \%$ capital gains growth rate. Growth rates of $5.5 \%$ in interest and $13.5 \%$ in dividends added momentum to the recovery of total income growth to $6.2 \%$. Capital income contributed 1.8 percentage points, unincorporated business income added o. 8 percentage points and gross retirement income contributed 0.5 percentage points. A larger compensation component of 3.0 percentage points left non-wage income with a leading position in determining the total income growth rate. A similar situation prevailed in 2014. The growth components are plotted in Figure 3.

Panel (e) is the percent distribution of the absolute value total income growth components and is plotted in Figure 4. The calculations in Figure 4 and panel (e) translate the component growth contributions to a one hundred percent scale and give a better picture of relative sizes of growth components. The decrease in capital income of 8.2\% in 2015
corresponds to a 0.5 percentage point reduction in total income, other things equal. However, the red part of the stack bar in Figure 3 probably under states the relative impact of lost capital income in 2015. The decrease in capital income associated with the 0.5 percentage point reduction in the total income growth rate accounts for about $12.0 \%$ of observed total income variation in a given year. In 2016, the 6.3 percent decrease in capital income is linked to a 0.4 percentage point decrease in total income growth. In turn, this percentage point decrease accounts for $18.9 \%$ of the component-based variation in total income.

The discussion above simplifies the initial discussion of ranking the income components in total income growth:

- Employee compensation (blue) accounted for almost one-half of the observed changes in total income in 2014 and 2017 (red part of the bar in Figure 4. This share in the intermediate years increases to 65.4 percent in 2015 and $70.2 \%$ in 2016. The influence of employee compensation in determining the total growth rate was stronger in the middle periods.
- Combining gross retirement income and other income (grey and yellow), this component had its largest contribution in 2014 at 9.2\%. This figure fell to $6.5 \%$ in 2015 and plateaued to $7.4 \%$ thereafter.
- Unincorporated business income (green) had a contribution of more than $20 \%$ in 2014 and declined to $13.7 \%$ by 2017. It hit a low point of $2.3 \%$ in 2016 and recovered to $13.7 \%$ in 2017.
- Capital income (red), per the discussion above, decreased in importance the first two years, from $21.8 \%$ to $12.0 \%$. The first year registered positive growth in capital income (22.4\%). The growth rates in the middle years were negative, however, its point contributions rose. Capital income rise in importance continued in 2017 given, a strong growth rate (34.4\%).
- The changing relative importance of employee compensation and non-wage income seems linked to the volatility of capital income non-wage income. The influence of employee compensation seems to be affected by the volatility of capital income with some additional influence attributed to unincorporated business income. This idea is further supported by the constant contributions of gross retirement income and the residual category.

## Exemptions and Deductions - Table I. 2

The panels in Table I. 2 break down exemptions and deductions for full-year residents. Panel I.2a provides money amounts, in millions of dollars. It shows that the total value of exemptions in 2017 was $\$ 11.4$ billion, and the total value of deductions was $\$ 13.2$ billion, for a total of $\$ 24.7$ billion.

The four most important exemptions or deductions are the deduction for unreimbursed medical expenses ( $\$ 10.5$ billion), regular exemptions ( $\$ 5.7$ billion), exemptions for dependent children ( $\$ 3.6$ billion), and alternative business calculation adjustment $\$(1.4$ billion). The latter permits small businesses to deduct losses over a five-year period. These four write-offs account for $87.9 \%$ of total exemptions and deductions.

Panel I.2b provides exemptions and deductions as percentages of the total ( $\$ 24.1$ billion). It shows that exemptions made up $52.4 \%$ of the total in 2013, while deductions made up $47.6 \%$.

Panel I.2c shows the average annual growth rates for 2013 to 2017 in total exemptions, total deductions, and total exemptions plus deductions. It shows that exemptions have grown slowly ( $1.4 \%$ on average), while deductions have expanded more quickly ( $6.7 \%$ on average).

Together, they have grown at an average rate of $4.0 \%$, which leads the $3.8 \%$ average growth rate in gross income over the same period. Gross income growth increased (5.1\%) in 2017 because of a strong recovery in total income growth (6.2\%) and, despite an increase of retirement exclusion maxima. This growth rate increased to $6.2 \%$ in 2017, with exemptions rising $6.4 \%$ and deductions rising $3.9 \%$. The sharp rise in exemptions is largely associated with the veterans' exemption that was effective 1 January 2017. The exemption is $\$ 3,000$ per veteran who has been honorable discharged from military service. It was estimated that about 161,900 exemptions were taken for a total of $\$ 485.8$ million. Note the 2016 to 2017 exemptions growth rate without the new exemption would have been $1.9 \%$. Total exemptions and deductions would have grown $3.0 \%$ over the same period. Taxable income, excluding the property tax deduction, averaged $3.8 \%$ per year over the 2013 to 2017 period. The growth rate registered $5.4 \%$ in 2017. Taxable income growth accelerated 2.1 percentage points in 2017 , from $3.3 \%$ per year during the previous four years. Rising income growth was only partially offset by rising exemptions.

## Credits and Net Charged Tax - Table I. 3

The panels in Table I. 3 show by components how net charged tax is calculated for full-year residents. Panel I.3a displays money amounts, in thousands of dollars. In 2017, taxable income was $\$ 359.3$ billion, as shown in Table I.2a. After subtracting property tax deductions of $\$ 12.6$ billion, New Jersey taxable income was $\$ 346.7$ billion, as shown in Table I.3a. Taxpayers determine their tax before credits (line 40) using the tax table or tax schedule supplied in the NJ1040 instructions. Tax liability before credits was $\$ 16.0$ billion.

After some taxpayers claimed credits for income taxes paid to other jurisdictions, totaling $\$ 3.7$ billion, the remaining balance of tax (line 44) was $\$ 12.3$ billion. The addition of Use Tax ${ }^{3}$ ( $\$ 3.4$ million) and estimated tax penalty ( $\$ 19$ million) gives the total tax and penalty (line 47) amount, which rounds to $\$ 12.3$ billion. Subtracting the property tax credit ( $\$ 27.4$ million) and the Earned Income Tax Credit ( $\$ 479.4$ million), the net charged tax totaled $\$ 11.8$ billion.

Panel I.3b provides average annual growth rates for the amounts in Panel a. It shows that in 2017, taxable income grew $5.4 \%$ (Table I.2a), while New Jersey taxable income grew $5.6 \%$. These two income measures were quite variable over the period 2013 to 2016. 2016 to 2017 growth rates in excess $5.4 \%$ in both taxable incomes were $3.3 \%$ for 2013 to 2016. In spite of the doubling of retirement exclusions and the new veterans' exemption normal declaration behavior seems consistent with a recovery to $5.4 \%$ (taxable income) and $5.6 \%$ (New Jersey taxable income) in 2014.

The rise in New Jersey taxable income seems related to a slowdown in property tax deductions in 2017 ( $0.3 \%$ ) and stronger income growth. A source of the slowdown could be consistent with property reassessments in some New Jersey counties and the ensuing appeals by property taxpayers. This would suggest a smaller subtraction from taxable income and, a smaller decrease in New Jersey taxable income. Tax before credits followed suit: it grew $5.3 \%$ per year between 2013 and 2017 and rose to $8.8 \%$ in 2017. Credits averaged $7.1 \%$ per year over 2013 to 2017, then increased to 8.4 \% during 2017.

Balance of tax (line 44) and total tax and penalty (line 47) grew at respective average annual rates of $4.8 \%$ between 2013 and 2017. Both liability measures showed an $8.9 \%$ increase in 2017. The 2017 increase in these liability measures seems to be the result of accelerating income growth that was able to neutralize exemption growth and nonrefundable credit growth.

The growth in net charged tax accelerated to (9.3\%) in 2017; the prior four years it grew $4.5 \%$ per year. The Earned Income Credit increased by $0.2 \%$ in 2017. It increased by $22.1 \%$ per year between 2013 and 2016 due to a rise in the State rate from $30 \%$ to $35 \%$ of the federal credit between 2015 and 2016. The property tax credit rose $7.2 \%$ in 2017. It hovered in the $\$ 25.0$ million to $\$ 27.5$ million range between 2013 and 2017. Other things being equal, net charged tax was most likely affected by total income growth.

Panel I.3c and provide effective tax rates, which are calculated by dividing a total amount of tax by a corresponding tax base. Panel c uses gross income as the tax base, and Panel d uses New Jersey taxable income as the tax base. All else being equal, a larger tax base implies a smaller effective tax rate. For example, since gross income is a larger base than taxable income, the effective tax rates in Panel c are lower than the effective tax rates in Panel d.

The effective tax rates shown in the table for 2017 range from 3.1\% (net charged tax divided by gross income) to $4.6 \%$ (tax before credits divided by New Jersey taxable income). All six types of effective tax rates are relatively stable over the five-year period: they are within $0.1 \%$ points of one another.

## Filing Types - Table I. 4

So far, this Guide has focused only on full-year residents. The panels of Table I. 4 broaden its scope by presenting summary information about the other three filing types: part-year residents, non-residents, and fiduciaries.

Panel I.4a provides three key statistics for each filing type: the number of returns filed, gross income, and net charged tax. It shows that for Tax Year 2017, New Jersey had approximately 4.2 million full-year resident returns, owing $\$ 11.8$ billion in net charged tax on $\$ 381.0$ billion of gross income. Meanwhile, there were 125.0 thousand part-year resident returns, which reported owing $\$ 169.1$ million in net charged tax on $\$ 6.4$ billion of gross income. There were also 411.3 thousand nonresident returns, which reported owing $\$ 1.4$ billion in net charged tax on $\$ 24.9$ billion of gross income earned in New Jersey. Finally, there were 86.2 thousand fiduciary returns, which reported owing $\$ 147.2$ million in net charged tax on $\$ 23.1$ billion of gross income.

In total, there were 4.8 million returns, which together reported owing $\$ 13.6$ billion on $\$ 435.4$ billion of gross income. In the long run, this amount should be close to the State's income tax revenue net of refunds and credits forward for income earned in 2017 (though not all necessarily received in 2017).

Panel I.4b gives each filing type's share of the total, for each of the three statistics. It shows that full-year residents were the largest category by far: In 2017, they filed $87.1 \%$ of the total returns, earned $87.5 \%$ of the total gross income, and owed $87.2 \%$ of the total net charged tax. Nonresidents were the second-largest category: they filed $8.5 \%$ of the returns, earned $5.7 \%$ of the gross income, and owed $10.5 \%$ of the net charged tax. Part-year residents were the third-largest group: They filed $1.8 \%$ of the returns, earned $5.3 \%$ of the gross income, and owed $1.1 \%$ of the net charged
tax. Finally, fiduciaries were the smallest group: they filed $1.8 \%$ of the returns, earned $5.3 \%$ of the gross income, and owed $1.1 \%$ of the net charged tax.

Panel I.4c converts these total numbers into year-over-year growth rates for all four filing types. It shows that in 2017, the number of returns grew by $1.8 \%$, gross income increased by $5.7 \%$, and net charged tax advanced by $8.8 \%$.

Full-year resident grew more in 2017, 1.6\%, relative to the 0.9\% annual rate posted in 2016. Gross income reported in 2017 grew by $5.1 \%$ and exceeded the 2013 to 2016 increase by 1.7 percentage points. Net charged tax followed suit but the growth rate differential over 2013 to 2016 was 6.3 percentage points. This might be related to the higher growth rates associated with high income groups. Nonresident filings rose by $3.8 \%$ and exceeded the prior four years. Income growth was flat at $6.2 \%$ per year and net charged tax slowed to $7.8 \%$ from 2013 to 2016. The taxable part of nonresident gross income stood at $9.8 \%$ of all-source gross income. The prior four year average was
10.7\%. Part-year residents, in 2017 fell off from the four-year average with respect to filings, income reporting and liabilities incurred. Full-year residents and nonresidents were the most important return types in determining the aggregate trends in the Gross Income Tax.

Table I.4c Summary Information by Return Type: Average Annual Percent Change

Note 4.

Total income $(\mathrm{T})$ is the sum of n income components $\left(\mathrm{C}_{\mathrm{i}}\right)$. An expression of the growth rate of total income ( $\mathrm{g}_{\mathrm{T}}$ ) is:

$$
\mathrm{g}_{\mathrm{T}}=\left[\left(\mathrm{C}_{1}+\ldots+\mathrm{C}_{\mathrm{n}}\right)-\left(\mathrm{C}_{1,-1}+\ldots+\mathrm{C}_{\mathrm{n},-1}\right)\right] / \mathrm{T}_{-1} .
$$

Regrouping the difference in sums of total income components into sums of differences in individual components gives the following:

$$
\mathrm{g}_{\mathrm{T}}=\left[\left(\mathrm{C}_{1}-\mathrm{C}_{1,-1}\right)+\ldots+\left(\mathrm{C}_{\mathrm{n}}-\mathrm{C}_{\mathrm{n},-1}\right)\right] / \mathrm{T}_{-1} .
$$

Multiplication of each term by $\left(\mathrm{C}_{1,-1} / \mathrm{C}_{1,-1}\right)$ converts the above expression to a sum of the product

$$
\mathrm{g}_{\mathrm{T}}=\left[\left(\mathrm{C}_{1,-1} / \mathrm{T}_{-1}\right)\left(\mathrm{C}_{1}-\mathrm{C}_{1,-1}\right) / \mathrm{C}_{1,-1}+\ldots+\left(\mathrm{C}_{\mathrm{n},-1} / \mathrm{T}_{-1}\right)\left(\mathrm{C}_{\mathrm{n}}-\mathrm{C}_{\mathrm{n},-1}\right) / \mathrm{C}_{\mathrm{n},-1}\right]
$$

of the total income share of each component $i$ lagged one year $\left[\mathrm{a}_{\mathrm{i},-1}=\mathrm{C}_{\mathrm{i},-1} / \mathrm{T}_{-1}\right]$ and the component i annual percent change $\left[\mathrm{g}_{\mathrm{i}}=\left(\mathrm{C}_{\mathrm{i}}-\mathrm{C}_{\mathrm{i},-1}\right) / \mathrm{C}_{\mathrm{i},-1}\right]$. The expression can be rewritten as

$$
\mathrm{g}_{\mathrm{T}}=\mathrm{a}_{1,-1} * \mathrm{~g}_{1}+\ldots+\mathrm{a}_{\mathrm{n},-1} * \mathrm{~g}_{\mathrm{n}} .
$$

The total income growth rate is viewed as an average of total income component growth rates ( $\mathrm{g}_{\mathrm{i}}$ ) weighted by the lagged component income share ( $\mathrm{a}_{\mathrm{i}}$ ). Each term in the sum can be viewed as a contribution of component $i$ to the total income growth rate.

## APPENDIX

## EXPLANATION OF TERMS, DATA SOURCES \& LIMITATIONS

New Jersey Resident Return is a return filed by a resident of New Jersey, defined in the New Jersey Gross Income Tax Act as:

Resident Taxpayer means an individual:

1. Who is domiciled in this State, unless he maintains no permanent place of abode in this State; maintains a permanent place of abode elsewhere, and spends in the aggregate no more than 30 days of the taxable year in this State; or
2. Who is not domiciled in this State but maintains a permanent place of abode in this State and spends more than 183 days of the taxable year in this State, unless such individual is in the Armed Forces of the United States.

Full-year Return is a return covering the applicable tax year. All returns in this report, outside the summaries, are full year New Jersey Resident returns.

Part-Year Resident Return is a resident return other than full year.
New Jersey Total Income is the sum of the following four income types:
Employee Compensation is salaries, wages, tips, fees, commissions, bonuses and other remunerations received for services rendered whether in cash or in property.

Interest is all interest received except that on obligations issued by New Jersey or any political subdivision or instrumentality thereof, or obligations which are free from State or local taxation under New Jersey law or Federal law.

Dividends mean any distribution of earnings or profits by a business.
Other Income is income of the following types:
(1) Net Profits from business.
(2) Income from distribution of property (except as exempted).
(3) Pension and annuity income except as exempted, to the extent proceeds exceed taxpayer contributions.
(4) Income from rents, royalties, patents, and copyrights.
(5) Gambling winnings.
(6) Income from estates or trusts.
(7) Income in respect of a decedent.
(8) Distributive share of partnership income.
(9) Alimony and separate maintenance (for the payee) but no child support payments.
(10) Rental value of a residence furnished by an employer or rental allowance paid by an employer to provide a home.
(11) Prizes and awards, except: scholarship and fellowship grants and New Jersey Lottery winnings.

Retirement Exclusion is allowed to taxpayers having at most \$100,000 gross income who are eligible for Social Security by reason of age ( 62 or more) or disability. It is of the following types.
(1) Pension exclusion - eligible taxpayers are entitled to exclude the following amounts of pension from New Jersey Gross Income:
(a) Up to $\$ 20,000$ on a joint return
(b) Up to $\$ 10,000$ if married filing separately
(c) Up to $\$ 15,000$ if single, head of household, or qualifying widow(er).
(2) An additional exclusion - eligible taxpayers having less than \$3,000 income from employee compensation, net profit from business and distributive share of partnership income are entitled to exempt additional income. The total exemption for (1) and (2) can be no more than the maximum amount mentioned in (1) for the appropriate filing status.
(3) Extra exclusions - eligible taxpayers not receiving Social Security or Railroad Retirement benefits who would be receiving such if they were enrolled in the system and were the proper age are allowed an extra \$3,000 exemption from New Jersey Gross Income. (\$6,000 if married filing jointly.)

Excess Retirement Exclusion is the amount by which retirement exclusion exceeds Total Income. It is a balancing entry.

New Jersey Gross Income is New Jersey Total Income minus Retirement Exclusion, but not less than zero.

## Exemptions Allowed are:

(1) Regular Exemption for each taxpayer and one for the taxpayer's spouse who does not file separately.
(2) Age Exemption for a taxpayer who is 65 years old or older and/or one for taxpayer's spouse who is 65 years old or older and who does not file separately.
(3) Blind or Disabled exemption for a taxpayer and/or one for blind or disabled spouse who does not file separately.
(4) Dependent exemption for each dependent of the taxpayer who qualifies as a dependent of the taxpayer for Federal Income Tax purposes.
(5) College exemption for each dependent child under age 22 attending, full time, a college or university.

New Jersey exemption allowance is $\$ 1,000 ; \$ 1,500$ for dependents.

## Deductions allowed are:

(1) Alimony and separate maintenance payment can be deducted to the extent to which they must be recorded as income by the payee.
(2) Medical and Dental Expenses of the taxpayer, spouse and dependents, unreimbursed, can be deducted to the extent that they exceed $2 \%$ of the taxpayer's gross income.
(3) Qualified conservation contribution is allowed for taxpayers who donate interests in land given to the state for conservation purposes and is the amount of the qualified conservation contribution for federal purposes.
(4) Excess exempt deduct is the amount by which a taxpayer's exemption allowances and deductions exceed that taxpayer's gross income. It is a balancing entry generated only in this report. Taxable returns with excess exempt deduct had entered liability less than rounded tolerance.
(5) Residential Property Tax Deduction is the amount of allowable residential property tax deducted from New Jersey Taxable Income by a homeowner or $18 \%$ of a tenant's rent paid in this state (up to a $\$ 10,000$ maximum).
(6) Health Enterprise Zone deduction is the amount allowed for eligible taxpayers engaged in providing "primary care" medical and/or dental services at a qualified practice located in or within five miles of a designated Health Enterprise Zone (HEZ).
(7) Alternative Business Calculation Adjustment permits a partial deduction of losses for unincorporated business. Sources of the losses are proprietorships, partnerships, S Corporations, and income from rentals, royalties, patents, copyrights and carryforwards from prior return years. In 2014, 40 percent of allowable losses can be deducted.

Taxable Income is the difference between Gross Income and the sum of exemption allowances and deductions. It must be non-negative.

Minimum Income a single taxpayer or a married taxpayer filing separately with gross income not in excess of $\$ 10,000$ will not be subject to tax. A married couple filing jointly, a head of household, or a qualifying widow(er) with gross income not in excess of $\$ 20,000$ will not be subject to tax.

Credit approved is the amount of overpayment the taxpayer wished to be credited against the next year's tax.

Accounts Receivable is indicated when the taxpayer has not paid the total tax liability.

Accounts Payable is indicated when the taxpayer's overpayment exceeds the sum of credit approved and refund.

Taxable and Nontaxable Returns: taxability or non-taxability was determined by the presence or absence of net charged tax.

Returns with at Least One Aged 65+: those for which at least one exemption for age was taken.

Married Taxpayers and Single Taxpayers: is determined by the filing Status.

## DATA SOURCES

Data in this report were based on the Division of Taxation Gross Income Tax File for return year 2017, which contained records of the tax transactions of individual income taxpayers. This Individual Master File reflected any correction made during revenue processing or any taxpayer or Division of Taxation initiated changes made prior to early spring 2019. Resident, nonresident, and fiduciary files were extracted by 1 April 2019.

## DATA LIMITATIONS

The accuracy of the data was affected by any taxpayer reporting errors, as well as any errors introduced in processing the data even though efforts were made throughout the revenue processing system to eliminate such errors.

A preliminary check of the tax return data was performed by tax examiners prior to transcribing the return to computer disk. For instance, if the taxpayer forgot to enter on the return total wages shown on Form W-2, the tax examiner entered this figure onto the return.

After a return record was first transcribed and entered onto tape, but before it was posted to the Individual Master File (IMF), it was subjected to validity and mathematical verification tests. The validity tests were a series of checks on the internal consistency of the return records. As examples, if an amount was shown for refund, but none for withholding; if tax withholding was greater than total wages; or if the number of exemptions claimed was inconsistent with the marital status or number of taxpayer names shown--then the return record was considered invalid and was read out for comparison with the return and correction.

If it could not be corrected, correspondence with the taxpayer was initiated. Once the discrepancy was resolved, the corrected data was entered onto the IMF.

Mathematical verification involved a re-computation of tax liability in order to verify balance due or refund requested on the basis of the income, marital status, deduction, and exemption data given by the taxpayer. If the recomputed tax liability differed from that indicated on the return record, the record was also read out for correction or for correspondence with the taxpayer. Corrections made by the tax examiners during examination of the return or as a result of the validity or mathematical verification test are reflected in the tabulations.

If the insert to the right contains a preprinted name and address label, and all the information is correct, use the label on your Form NJ-1040 (or Form NJ-1040-H). See page 15 for more information.

## Payment Voucher (Form NJ-1040-V)

Use the payment voucher (Form NJ-1040-V) only if you owe tax on your 2017 return and you are paying by check or money order. Mail the payment voucher with your check or money order in the same envelope with your tax return. Do not send in the payment voucher if you pay your taxes by electronic deduction from your bank account (e-check) or by credit card. See "How to Pay" on page 11.

## Extension Application (Form NJ-630)

See page 10 for information on filing an application for extension of time to file your return. Mail the completed extension application and any related payment to the address on the front of Form NJ-630.

Note: You can file a request for a six-month extension online until 11:59 p.m. on April 17, 2018, at: www.njtaxation.org. If you are required to make a payment with your online extension application, you must make your payment by electronic deduction from your bank account (e-check) or credit card.

State of Atxu Jitrav<br>Department of the Treasury<br>Division of Taxation

## Dear Taxpayer,

I'm excited to announce that we have recently relaunched the Division of Taxation's website (www.njtaxation.org). The entire site has been restructured to ensure that it will give you a quicker, more intuitive path to the resources we have available online. I want to highlight a few of the key changes that I believe will make filing and paying taxes a little less taxing for you:

- We've improved the website journey. The new site features an innovative, uncluttered home page, with underlying pages that have a menu-based design to guide users directly to the information they need.
- We've updated our content. All of our web content has been reviewed for accuracy and refreshed with a modern look.
- We've gone mobile-friendly. Smartphones and tablets are a large part of our web traffic, and the new site allows all of our content to be easily displayed on these devices.
- We've put more focus on interacting with our users. With an official YouTube channel, featuring New Jerseyproduced videos, we are converting tax-dense information into meaningful content for our users.
- We've made our features more user-friendly. The refund tracking system has been enhanced, so you'll now be able to see when the Division has initiated your refund process. And, if you need to make a payment, we've streamlined that process too.

I am sure you'll discover many benefits when you visit. But, don't just take my word for it. Go take a look around the new site and see the improvements for yourself.

As you file your return, look for the "New for 2017" graphic throughout the instructions, which will highlight this year's tax changes. I also want to point out two of the larger changes that may affect your tax this year:

Retirement Income Exclusion - The pension and/or other retirement income exclusion amount is being increased over a four-year period. This year, you may be eligible for an exclusion of up to $\$ 40,000$. See page 26 for more information.
Personal Exemption for Veterans - A new $\$ 3,000$ exemption is available for veterans who have been honorably discharged or released under honorable circumstances from active duty in the Armed Forces. See page 17 for more information.

The timely and accurate processing of every tax return is one of our top priorities. Refund fraud schemes continue to plague our nation, but rest assured that we are using every tool available to protect New Jersey taxpayers from these schemes. This means we may need a little extra time to review some returns, and those filers may see a slight delay in their refunds. I encourage you to visit our website to find out how to protect yourself from refund fraud, and discover what steps you can take if you believe you are the victim of identity theft.

If you have questions about filing your return, visit our website at www.njtaxation.org. You also can call our Automated Tax Information System at 1-800-323-4400 or 609-826-4400 for prerecorded information on a variety of tax topics. If you would rather speak with a Division representative, contact our Customer Service Center at 609-292-6400 for assistance.

## Sincerely,

John Ficara
Acting Director
Division of Taxation

## Filing Information

- Your filing status and gross income determine whether you have to file a tax return.
- Age is not a factor in determining whether you must file. Even minors (including students) and senior citizens must file if they meet the income requirements.
- Gross income means taxable income after subtracting exclusions but before subtracting personal exemptions and deductions. It does not include nontaxable income. See page 19 for a list of exempt (nontaxable) income.
- Part-year residents, see page 7.
- Members of the Armed Forces (and their spouses), see page 9 .

Use the chart to determine whether you must file a return. This chart is only a guide and may not cover every situation. If you need help, contact the Division's Customer Service Center (see page 62).

Spouse/Civil Union Partner. Any reference in this booklet to a spouse also refers to a spouse who entered into a valid samesex marriage in another state or foreign nation and a partner in a civil union (CU) recognized under New Jersey law.

Domicile. A domicile is the place you consider your permanent home - the place where you intend to return after a period of absence (e.g., vacation, business assignment, educational leave). You have only one domicile, although you may have more than one place to live. Your domicile does not change until you move to a new location with the intent to establish your permanent home there and to abandon your New Jersey domicile. Moving to a new location, even for a long time, does not change your domicile if you intend to return to New Jersey.

Your home, whether inside or outside New Jersey, is not permanent if you maintain it only for a temporary period to accomplish a particular purpose (e.g., temporary job assignment). If New Jersey is your domicile, you are considered a resident for New Jersey tax purposes

## Also file a return if -

- You had New Jersey Income Tax withheld and are due a refund.
- You paid New Jersey estimated taxes for 2017 and are due a refund.
- You are eligible for a New Jersey Earned Income Tax Credit or other credit and are due a refund.
Note: Homeowners and tenants age 65 or older or disabled who do not have to file a New Jersey return may be eligible for a Property Tax Credit. (See the instructions for Form NJ-1040-H on page 48.)

## Which Form to File

## Full-Year Resident - Form NJ-1040

- New Jersey was your domicile (permanent legal residence) for the entire year; or
- New Jersey was not your domicile, but you maintained a permanent* home here for the entire year and spent more than 183 days here. Members of the Armed Forces and their spouses, see page 9 .

## Part-Year Resident - Form NJ-1040

- New Jersey was your domicile (permanent legal residence) for part of the year; or
- New Jersey was not your domicile, but you maintained a permanent* home here for part of the year and spent more than 183 days here. Members of the Armed Forces and their spouses, see page 9 .
Note: You may have to file both a part-year resident and a part-year nonresident return if you received income from New Jersey sources while you were a nonresident (see page 7).

## Nonresident - Form NJ-1040NR

- New Jersey was not your domicile, and you spent 183 days or less here; or
- New Jersey was not your domicile, you spent more than 183 days here, but you did not maintain a permanent* home here.
You may also be considered a nonresident for New Jersey tax purposes if you were domiciled in New Jersey and you met all three of the following conditions for the entire year:

1. You did not maintain a permanent home in New Jersey; and
2. You did maintain a permanent home outside New Jersey; and
3. You did not spend more than 30 days in New Jersey.
*A home (whether inside or outside New Jersey) is not permanent if it is maintained only during a temporary period to accomplish a particular purpose. A home used only for vacations is not a permanent home.
unless you meet all three conditions for nonresident status (see chart on page 6). If New Jersey is not your domicile, you are only considered a New Jersey resident if you maintain a permanent home and spend more than 183 days here.

New Jersey Residents Working/Living Abroad. If New Jersey is your domicile and you are considered a New Jersey resident for tax purposes (see chart on page 6), you are subject to tax on income from all sources (worldwide income) regardless of where you live. New Jersey residents living abroad are subject to the same filing and payment requirements, including estimated payment requirements (see "Estimated Tax" on page 13), as residents living in New Jersey. New Jersey residents who have income from abroad cannot claim a credit for taxes paid to other jurisdictions for taxes paid to any foreign country or territory (e.g., Canada, Puerto Rico). See page 40.

## Part-Year Residents

Filing Requirements. If you became a resident of this State or moved out of this State during the year, you are subject to New Jersey Income Tax on any income you received while you were a New Jersey resident. Part-year residents must file a resident return and prorate all exemptions, deductions, credits, and the pension and other retirement income exclusions to reflect the period covered by the return. If you received income from a New Jersey source while you were a nonresident, you must file a New Jersey nonresident return.

If you were a part-year resident, you are subject to tax and must file a return if your income for the entire year was more than the filing threshold amount for your filing status (see chart on page 6). This is true even if the income reported for your period of residence was equal to or below the threshold. If you are filing to get a refund and your income for the entire year was equal to or less than the filing threshold amount, you must enclose a copy of your federal return. If you did not file a federal return, include a statement to that effect.

## AVOIDING COMMON MISTAKES

Check the following items to avoid mistakes that delay returns and refunds.
$\checkmark$ Use the correct form. Both part-year residents and full-year residents should use Form NJ-1040. Use only a 2017 return for the 2017 Tax Year.
$\checkmark \quad$ Read the instruction booklet before completing the return.
$\checkmark \quad$ Use only blue or black ink when completing forms.
$\checkmark \quad$ Enter all numbers within the boxes. Do not use dollar signs or dashes.
$\checkmark \quad$ Do not report a loss on Form NJ-1040. Make no entry on lines where the amount to be reported is zero or less, except for Line 45, Use Tax Due on Internet, Mail-Order, or Other Out-of-State Purchases. If you do not owe Use Tax, enter " 0.00 " on Line 45.
$\checkmark \quad$ Make no entry on unused lines.
$\checkmark$ When rounding, enter zeros after the decimal point for cents.
$\checkmark$ Check name, address, Social Security number, and county/municipality code for accuracy.
$\checkmark$ Enter last name first on the return. This is different from the federal return.
$\checkmark \quad$ Fill in only one oval for your filing status.
$\checkmark$ Use "State wages" from Box 16 of your W-2, NOT federal wages. You may need to adjust any amount received from employment outside New Jersey to reflect New Jersey tax law.
$\checkmark \quad$ Enclose all W-2s with your return. Also enclose 1099-Rs and 1099-MISCs that list NJ withholdings.
$\checkmark \quad$ Use the correct column for your filing status in the Tax Table when calculating your tax liability on Line 40.
$\checkmark \quad$ Request a refund by completing Line 66.
$\checkmark$ Check your math.
$\checkmark \quad$ Sign and date your return. Both spouses must sign a joint return.
$\checkmark \quad$ Enclose a copy of the death certificate and fill in the oval above the signature line if a refund is due and you want the check issued in the name of the surviving spouse or estate (see page 12).
$\checkmark$ Send only one return or Property Tax Credit application per envelope.
$\checkmark \quad$ Keep a copy of your return and all supporting documents, schedules, and worksheets.
$\checkmark$ Make changes or correct mistakes to your original return by filing an amended return (see page 13).

Note: If you had any income from New Jersey sources while you were a nonresident, you also may need to file a New Jersey nonresident return. Allocate your withholdings between the resident and nonresident returns. Include only the actual amount withheld while you were a New Jersey resident on your resident return, and include only the amount withheld while you were a nonresident on your nonresident return. For more information, see Form NJ-1040NR, New Jersey nonresident return and instructions.

Line 14: Wages. You must determine from each W-2 the portion of your "State
wages, tips, etc." (Box 16) that you earned while you were a New Jersey resident. If your W-2 includes only wages you earned while you were a resident, use the amount from Box 16. If your employer did not separate your resident and nonresident wages on the $\mathrm{W}-2$, you must apportion the amount in Box 16 according to the time you lived in New Jersey. Include on Line 14 only the actual amount you earned while you were a resident.

If the total amount reported on a W-2 is for income derived from an out-of-state source while you were a nonresident, do not include that income on your resident return.

Other Income. For interest, dividends, pensions, and other income, include only the amounts you received while you were a resident of New Jersey. Partners and, in general, S corporation shareholders must prorate the entity's income based on the number of days in the entity's fiscal year that the partner or shareholder was a resident divided by 365 ( 366 for leap years). For more information, see Tax Topic Bulletins GIT-9P, Income From Partnerships, or GIT-9S, Income From S Corporations.

Line 27a: Pension Exclusion. If your total income for the entire year was $\$ 100,000$ or less, and you met the other eligibility requirements, you qualify for a pension exclusion. Prorate the exclusion by the number of months you were a New Jersey resident. For this calculation, 15 days or more is a month.

## Line 27b: Other Retirement Income

 Exclusion. If you (and/or your spouse if filing jointly) were 62 or older on the last day of the tax year, you may qualify to exclude other income on Line 27b. There are two parts to the total exclusion. Part I is the unclaimed portion of your prorated pension exclusion. Part II is a special exclusion for taxpayers who cannot receive Social Security or Railroad Retirement benefits. Do not complete Worksheet Dto calculate your total exclusion amount. Instead, calculate your total exclusion as follows:

Part I. Total the earned income (wages, net profits from business, partnership income, and $S$ corporation income) you received for the entire year. If this amount was $\$ 3,000$ or less and you did not use your entire prorated pension exclusion on Line 27 a, you may be able to use the unclaimed pension exclusion on Line 27 b if your total income for the entire year was $\$ 100,000$ or less.

Part II. If you cannot receive Social Security or Railroad Retirement benefits, but would have been eligible if you had fully participated in either program, you also may be eligible for an additional exclusion on Line 27b.

For more information, see Tax Topic Bulletin GIT-6, Part-Year Residents.

Line 29: Total Exemption Amount. You must prorate your total exemptions based on the number of months you were a New Jersey resident. For this calculation, 15 days or more is a month.

## TAXPAYERS' BILL OF RIGHTS

The New Jersey Taxpayers' Bill of Rights simplifies tax administration and ensures that all taxpayers - individuals and businesses alike - are better informed and receive fair and equitable treatment during the tax collection process. Highlights of the Taxpayers' Bill of Rights include:

## Service-

- Division must respond to taxpayers' questions within a reasonable time period.
- Notices of taxes and penalties due must clearly identify the purpose of the notice and must contain information about appeal procedures.
Appeals-
- Time to appeal to the Tax Court is generally 90 days.

## Interest on Refunds-

- Interest is paid at the prime rate on refunds for all taxes when the Division takes more than six months to send you a refund.
- You can request that your overpayment of this year's tax be credited towards next year's tax liability, however, interest will not be paid on overpayments that are credited forward.
For more information on the rights and obligations of both taxpayers and the Division of Taxation under the Taxpayers' Bill of Rights, see publication ANJ-1, New Jersey Taxpayers 'Bill of Rights.

See the instructions for Line 29 to calculate the "total exemption amount" to prorate.

Lines 30 through 34: Deductions. You can deduct the following based on the actual amounts paid during the time you lived in New Jersey:

- Medical expenses, qualified Archer medical savings account (MSA) contributions, and health insurance costs of the self-employed (use Worksheet E on page 28);
- Alimony and separate maintenance payments;
- Qualified conservation contributions.

In addition, eligible taxpayers may qualify for:

- A prorated Health Enterprise Zone (HEZ) deduction;
- An alternative business calculation adjustment based on the business income (losses) reported during their period of residence.

Line 38: Property Tax Deduction. You also may be able to claim a deduction for Property Taxes you paid, or $18 \%$ of rent due and paid (this is the amount of your rent that is considered Property Taxes), during the time you were a resident. When you do the calculation to determine whether the deduction or credit is better for you, prorate the minimum benefit of \$50 (\$25 if you and your spouse file separate returns but maintained the same principal residence) based on the number of months you occupied your New Jersey residence. For this calculation, 15 days or more is a month. Use the prorated amount instead of the minimum benefit amount at line 8 , Worksheet $G$ or line 5, Worksheet J.

Line 48: Total New Jersey Income Tax
Withheld. You must determine from your W-2, W-2G, and/or 1099 statement(s) the amount of New Jersey Income Tax withheld from wages you earned or other payments you received while you were a New Jersey resident. If your W-2 includes only wages you earned while you were a resident, report the total New Jersey tax withheld on the W-2. If your employer
combined your resident and nonresident wages on the W-2, include only tax withheld while you were a New Jersey resident.

Line 49: Property Tax Credit. You must prorate the amount of any Property Tax Credit on Line 49 based on the number of months you occupied your qualified New Jersey residence. For this calculation, 15 days or more is a month.

## Line 50: New Jersey Estimated Payments/Credit From 2016 Tax Return.

 Enter the amount of estimated payments you made to New Jersey while you were a resident. If you made estimated payments both as a resident and as a nonresident, enter only the payments you made to meet your tax liability while you were a resident. Also enter any amount you paid to qualify for an extension of time to file.
## Line 51: New Jersey Earned Income

Tax Credit. If you are eligible and filed for a federal earned income credit, you also may qualify for a New Jersey Earned Income Tax Credit. You must prorate your credit based on the number of months you were a New Jersey resident. For this calculation, 15 days or more is a month.

For more information, see Tax Topic Bulletin GIT-6, Part-Year Residents.

## Military Personnel

## Determining Residency

A member of the Armed Forces whose home of record (domicile) is outside New Jersey does not become a resident of this State when assigned to a duty station here. He or she is a nonresident for Income Tax purposes.

A member of the Armed Forces whose home of record (domicile) was New Jersey when entering the service remains a resident of New Jersey for Income Tax purposes unless he or she qualifies for nonresident status (see chart on page 6). Your domicile does not change when you are temporarily assigned to duty in another state or country.

If your home of record (and domicile) is New Jersey and you are stationed outside
the State and you are living aboard ship, in barracks, or billets, bachelor officer quarters, apartment, or house, and you do not intend to remain outside New Jersey, you remain a New Jersey resident for Income Tax purposes. You are not considered to be maintaining a permanent home outside New Jersey. If you pay for and maintain an apartment or a home outside New Jersey, either by out-of-pocket payments or forfeiture of quarters allowance, that residence is considered a permanent home outside New Jersey. In this case, you will be considered a nonresident for Income Tax purposes.

## Filing Requirements

Residents. As a New Jersey resident, you are subject to tax on all your income, regardless of where it is earned, unless the income is specifically exempt from tax under New Jersey law. You must report your military pay, including combat pay, as taxable income on your resident return. Mustering-out payments, subsistence and housing allowances are exempt.

Military pensions are exempt from New Jersey Income Tax. (See instructions for Line 19a.)

Nonresidents. If you are a nonresident, your military pay is not subject to New Jersey Income Tax. You are not required to file a New Jersey return unless you received income from New Jersey sources other than military pay. Mustering-out payments, subsistence and housing allowances also are exempt. If you had income from New Jersey sources such as a civilian job in off-duty hours, income or gain from property located in New Jersey, or income from a business, trade, or profession carried on in this State, you must file a New Jersey nonresident return, Form NJ-1040NR.

If your permanent home (domicile) was New Jersey when you entered the military, but you have changed your state of domicile or you met the conditions for nonresident status (see chart on page 6), then your military pay is not subject to New Jersey Income Tax. File Form DD-2058-1 or DD-2058-2 with your finance officer to stop future withholding of New Jersey

Income Tax. If New Jersey Income Tax was withheld in error from your military pay, you must file a nonresident return (Form NJ-1040NR) to get a refund of the tax withheld. For more information, see the nonresident return instructions.

## Spouses of Military Personnel. Under

 the federal Military Spouses Residency Relief Act, P.L. 111-97, (the "Act") a military service member's nonmilitary spouse is allowed to keep a tax domicile while moving from state to state, as long as he or she moves into a state to be with a spouse who is in the state on military orders.If you are a nonmilitary spouse and you were domiciled outside New Jersey when you married (or entered into the civil union with) a member of the Armed Forces, you are not considered a New Jersey resident if:

- The principal reason for moving to this State was the transfer of your military spouse; and
- You maintain a domicile in another state; and
- You intend to leave New Jersey when your military spouse is transferred or leaves the service.

Under the Act, a nonmilitary spouse who meets these requirements is not subject to New Jersey Income Tax on earned income from services performed in New Jersey. If you are a nonmilitary spouse whose wages are exempt from New Jersey Income Tax, file Form NJ-165, Employee's Certificate of Nonresidence in New Jersey, with your employer to stop New Jersey Income Tax withholdings. You must notify your employer if you no longer meet the conditions for the withholding exemption. If your employer withheld New Jersey Income Tax or you made estimated payments in error, you must file a nonresident return (Form NJ-1040NR) to get a refund.

The Act applies only to earned income from services performed in New Jersey by a nonresident civilian spouse of a service member. Nonresident civilian spouses are subject to New Jersey Income Tax on all other types of income
from New Jersey sources, such as gain from sale of property located in New Jersey, and must file a New Jersey nonresident return if required (see chart on page 6). Wages earned in New Jersey by a nonresident civilian spouse who lives outside New Jersey also are subject to New Jersey Income Tax. A nonresident civilian spouse who lives outside New Jersey cannot use Form NJ-165 to claim an exemption from New Jersey Income Tax withholding on wages earned in this State as the nonmilitary spouse of a service member.

New Jersey law requires that a married couple's filing status for New Jersey purposes be the same as for federal purposes unless they are a civil union couple. A married couple filing a joint federal return must file a joint return in New Jersey. However, when one spouse is a New Jersey resident and the other is a nonresident for the entire year, the resident can file a separate return unless both agree to file jointly as residents. If they file a joint resident return, their joint income will be taxed as if they were both residents.

## Extensions

Special rules apply to members of the Armed Forces of the United States and civilians providing support to the Armed Forces (see "Military Extensions" below).

## Death Related to Duty

When a member of the Armed Forces serving in a combat zone or qualified hazardous duty area dies as a result of wounds, disease, or injury received there, no Income Tax is due for the tax year the death occurred, or for any earlier years served in the zone or area.

For more information on military personnel (and the rules affecting their spouses), see Tax Topic Bulletin GIT-7, Military Personnel.

## When to File

In general, your New Jersey Income Tax return is due when your federal income tax return is due. If you are a calendar year filer, your 2017 New Jersey Income Tax return is due by April 17, 2018. If
you are a fiscal year filer, you must file your New Jersey Income Tax return by the 15 th day of the fourth month following the close of the fiscal year.

Postmark Date. All New Jersey Income Tax returns postmarked on or before the due date of the return are considered filed on time. Tax returns postmarked after the due date are considered filed late. If the postmark date on your return is after the due date, the filing date for that return is the date the Division received your return, not the postmark date. Interest on unpaid liabilities is assessed from the due date of the return.

## Extension of Time to File

An extension of time is granted only to file your New Jersey Income Tax return. There is no extension of time to pay tax due. We will notify you only if we deny your extension request, but not until after you actually file your return. Penalties and interest are imposed whenever tax is paid after the original due date.

## Six-Month Extension

You can receive a six-month extension of time to file your New Jersey resident return only if you have paid at least $80 \%$ of your tax liability (Line 42 of the Form NJ-1040 you file) through withholdings, estimated payments, or other payments by the original due date, and

1. Federal extension filed. You enclose a copy of your federal Application for Automatic Extension with your final return and fill in the oval at the top of your NJ-1040 (or enter your confirmation number in the space provided at the top of Form NJ-1040 if you filed the extension application or payment online or by phone); or
2. No federal extension filed. You file a request for a six-month extension on Form NJ-630, Application for Extension of Time to File New Jersey Gross Income Tax Return, by the original due date of the return. Taxpayers who file Form NJ-630 will not receive an approved copy. We will notify you only if we deny your request, but not until after you actually file your return.

Note: If you file a federal extension, you must still file Form NJ-630 by the original due date if you need to make a payment to meet the $80 \%$ requirement.

Civil Union Couples. Civil union partners filing a joint return must either provide copies of the federal extension application (or confirmation number) for both partners, or they must file Form NJ-630.

## If you fail to meet the requirements outlined for an extension, or you fail to file your return by the extended due date, we will deny your extension request and impose penalties and interest from the original due date of the return. (See "Penalties, Interest, and Collection Fees" on page 14.)

There is an application for extension (Form NJ-630) at the front of this booklet. Do not use the preprinted Form NJ-630 if you filed a joint return last year and this year you are filing your return using only your own Social Security number, or you are filing a joint return with a different person. You also can file an extension application online until April 17, 2018, at www.njtaxation.org.

## Military Extensions

Special rules apply to members of the Armed Forces of the United States and civilians providing support to the Armed Forces.

A person on active duty with the Armed Forces of the United States, who may not be able to file on time because of distance, injury, or hospitalization as a result of this service, will automatically receive a six-month extension by enclosing an explanation when filing the return.

Combat Zone. New Jersey allows extensions of time to file Income Tax returns and pay any tax due for members of the Armed Forces and civilians providing support to the Armed Forces serving in an area that has been declared a "combat zone" by executive order of the President of the United States or a "qualified hazardous duty area" by federal statute. Once
you leave the combat zone or qualified hazardous duty area, you have 180 days to file your tax return. Enclose a statement with your return to explain the reason for the extension.

In addition, if you are hospitalized outside New Jersey as a result of injuries you received while serving in a combat zone or qualified hazardous duty area, you have 180 days from the time you leave the hospital or you leave the combat zone or hazardous duty area, whichever is later.

Qualifying military and support personnel, as defined on page 10 , are granted an extension of time for paying tax for the period of combat service or hospitalization, plus 180 days.

Enclose a statement of explanation with your return when you file. No interest or penalties will be assessed during a valid extension for service in a combat zone or qualified hazardous duty area. This extension also applies to your spouse if you file a joint return.

## How to Pay

You must pay the balance of tax due in full by the original due date of the return. You can make your payment by check or money order, electronic deduction from bank account (e-check), or credit card. If you owe less than $\$ 1$, you do not have to make a payment.

Check or Money Order. There is a payment voucher (Form NJ-1040-V) at the front of this booklet. If you owe tax and are sending the payment with your return, enter the amount of tax due in the boxes on the voucher. Do not change any information that is preprinted on the voucher. Instead, make any necessary changes on your NJ-1040. Do not use the preprinted voucher if you filed a joint return last year and this year you are filing using only your own Social Security number, or you are filing a joint return with a different person. Form NJ-1040-V is available on the Division's website (www.njtaxation.org).

You will need your bank's 9 -digit routing number and your account number to pay by e-check. Do not enter the check number as part of the account number. Nоте: The routing and account numbers may be in different places on your check.

Make your check or money order payable to State of New Jersey - TGI. Write your Social Security number on the check or money order. If you are filing a joint return, include the Social Security numbers for both of you in the same order the names are listed on the return. Send your payment for the balance due with the voucher in the same envelope with your tax return. (See "Where to Mail Your Return" on page 12.)

If you are paying a balance due for 2017 and also making an estimated tax payment for 2018, use separate checks or money orders for each payment. Send your 2018 estimated payment with an NJ-1040-ES voucher to the address on that voucher. Do not include the estimated payment with your 2017 Income Tax return.

## Electronic Deduction from Bank Ac-

count (E-check). You may be able to pay your 2017 taxes or make an estimated payment for 2018 by e-check on the Division's website (www.njtaxation.org). If you do not have internet access, you can make an e-check payment by contacting the Division's Customer Service Center or by visiting a Regional Information Center (see page 62). Do not send in the voucher if you pay by e-check.

You will need your Social Security number and date of birth to make an e-check payment. The Social Security number you enter must match the first Social Security number shown on the form related to your payment, and the date of birth you enter must be the date of birth for that person.

Note:
(1) You must enter your Social Security number and date of birth properly, or you will not be able to pay by e-check.
(2) If you are filing a New Jersey return for the first time, or your filing status is different than the filing status on your 2016 return, you may not be able to pay by e-check.
(3) New Jersey will not accept e-check payments made using an account that is funded from a financial institution outside the United States.

Credit Card. You can pay your 2017 taxes or make an estimated tax payment for 2018 online (www.njtaxation.org) or by phone (1-888-673-7694) and use a Visa, American Express, MasterCard, or Discover credit card. You also can pay by credit card by contacting the Division's Customer Service Center or by visiting a Regional Information Center (see page 62 ). Fees apply when you pay by credit card. The fee is added to your actual tax payment. Do not send in the voucher if you pay by credit card.

## Time Limit for Assessing Additional

Taxes. The Division of Taxation has three years from the date you filed your return or the original due date of the return, whichever is later, to send you a bill for additional taxes you owe. There is no time limit if you did not file your return, or if you filed a false or fraudulent return with the intent to evade tax. The time limit may be extended if:

- You amended or the IRS adjusted your federal taxable income or your federal earned income credit;
- You amended your New Jersey taxable income;
- You entered into a written agreement with the Division extending the time to make an assessment;
- You omitted more than $25 \%$ of your gross income on your New Jersey Income Tax return; or
- The Division issued an erroneous refund as a result of fraud or misrepresentation by you.

## Where to Mail Your Return

Use the envelope in your booklet to mail your NJ-1040, related enclosures, payment voucher, and check or money order for any tax due. Send only one return or Property Tax Credit application per envelope. On the envelope flap are preprinted address labels with different addresses for different categories of returns. To mail your return properly:

1. Remove all labels from envelope flap along perforations; and
2. Attach only the correct label to the front of the envelope.

## Payment Due Label

Mail returns with tax due (include payment voucher and check or money order, if applicable) to:
State of New Jersey
Division of Taxation
Revenue Processing Center - Payments
PO Box 111
Trenton NJ 08645-0111

## Refund and Property Tax Credit Application Label

Mail returns requesting a refund (or with no tax due)
or
Mail Property Tax Credit applications filed without Income Tax returns to:

State of New Jersey<br>Division of Taxation<br>Revenue Processing Center - Refunds PO Box 555<br>Trenton NJ 08647-0555

Do not staple, paper clip, tape, or use any other fastening device for your return and enclosures.

## Refunds

You must file a return to claim a refund for overpayment of tax. If the refund is $\$ 1$ or less, you must enclose a statement requesting it.

Time Period for Refunds. To get a refund, you generally must file your return within three years from the date the return was due (including extensions). If you and the Division agree in writing to extend the period of assessment, the period for filing a refund claim also will be extended.

Interest Paid on Refunds. If the Division takes more than six months to send your refund, you have a right to receive interest on that refund. Interest at the prime rate, compounded annually, will be paid from the later of:

- The date the refund claim was filed;
- The date the tax was paid; or
- The due date of the return.

No interest will be paid when an overpayment is credited to the next year's tax liability or on an overpayment or portion of an overpayment that consists of a New Jersey Earned Income Tax Credit.

Under New Jersey law, if you owe any money to the State of New Jersey, any of its agencies, the Internal Revenue Service, or another claimant state or city that has a personal income tax set-off agreement with New Jersey, we will deduct it from your refund or credit. These debts include, among other things, money you owe for past due taxes, child support due under a court order, school loans, hospital bills, and IRS levies. If the Division applies your refund or credit to any of these debts, we will notify you by mail.

## Deceased Taxpayers

If a person received income in 2017 but died before filing a return, the surviving spouse or personal representative (executor or administrator of an estate or anyone who is in charge of the decedent's personal property) should file the New Jersey return. The due date for filing is the same as for federal purposes.

Filing Status. Use the same filing status that was used on the final federal income tax return, unless the decedent was a partner in a civil union. (See "Filing Status" on page 15.)

## Name and Address

- Joint return. Write the name and address of the decedent and the surviving spouse in the name and address fields. Print "Deceased" and the date of death above the decedent's name.
- Other filing status. Write the decedent's name in the name field and the personal representative's name and address in the remaining fields. Print "Deceased" and the date of death above the decedent's name.

## Exemptions and Deductions. Prorate

exemptions or deductions only if the decedent was a New Jersey resident for part of the year and a nonresident for part of the year.

## Signatures

- Personal representative. A personal representative filing on behalf of a deceased taxpayer must sign the return in his or her official capacity. If it is a joint return, the surviving spouse also must sign.
- No personal representative. If filing a return when there is no personal representative for the deceased, the surviving spouse signs the return and writes "Filing as Surviving Spouse" or "Filing as Surviving Civil Union Partner" in the signature section.

If there is no personal representative and there is no surviving spouse, the person in charge of the decedent's property must file and sign the return as "personal representative."

If there is a refund due and you want the Division to issue the check to the decedent's surviving spouse or estate:

- Fill in the oval above the signature line (oval is below the signature line on Form NJ-1040-H); and
- Enclose a copy of the decedent's death certificate.

Income in Respect of a Decedent. If you had the right to receive income that the deceased person would have received had he or she lived, and the income was not included on the decedent's final return, you must report it on your own return when you receive it. Include the income on Line 25 as "Other" income.

## Estates and Trusts

Filing Requirements for Estates and Trusts. The fiduciary of an estate or trust may be required to file a New Jersey Income Tax return for that estate or trust. The return must be filed on a New Jersey Fiduciary Return, Form NJ-1041. The fiduciary also must provide each beneficiary with a New Jersey Schedule NJK-1, which shows the beneficiary's share of the estate or trust income actually distributed or required to be distributed during the tax year.

Revocable grantor trusts must file Form NJ-1041 when there is sufficient nexus with New Jersey and the statutory filing requirement is met. For more information, see the NJ-1041 instructions.

## Filing Requirements for Beneficiaries.

The net income earned by an estate or trust does not retain its character (i.e., interest, partnership income); rather, it is a specified income category - "Net Gains or Income Derived Through Estates or Trusts." You must report the Total Distribution shown on your Schedule NJK-1, Form NJ-1041 as net income from estates or trusts on Line 25, Other Income. If you did not receive a Schedule NJK-1, you must adjust the interest, dividends, capital gains, business or partnership income, etc., listed on your federal K-1 to reflect New Jersey tax law. Net the adjusted amounts, and include the total on Line 25. Enclose a copy of your NJK-1 or federal K-1 with your return.

If the income from a grantor trust is reportable by or taxable to the grantor for federal income tax purposes, it also is taxable to the grantor for New Jersey Income

Tax purposes. See instructions for Line 25 for reporting requirements.

## Partnerships

A partnership is not subject to Gross Income Tax. Individual partners are subject to tax on the income they earned from the partnership under the Internal Revenue Code and the New Jersey Gross Income Tax Act. See page 25 for information on reporting income from a partnership. Every partnership that has a New Jersey resident partner or income from New Jersey sources must file a New Jersey Partnership Return, Form NJ-1065, by the 15th day of the fourth month following the close of the partnership's tax year. For more information on partnership filing, see Form NJ-1065 and instructions.

## Estimated Tax

Estimated tax means the amount that you estimate to be your Income Tax for the tax year after subtracting withholdings and other credits.

You must make estimated payments using Form NJ-1040-ES if your estimated tax is more than $\$ 400$. Instructions for calculating your estimated tax and making the payments accompany the form. Review the amount of New Jersey Income Tax on your expected income (after deductions and credits) to determine if you need to make estimated payments for 2018.

You can avoid making estimated payments by asking your employer to withhold more tax from your wages. To do this, complete Form NJ-W4 and give it to your employer. Failure to file a Declaration of Estimated Tax or pay all or part of an underpayment will result in interest charges on the underpayment.

Underpayment of Estimated Tax. If you failed to make all of the required estimated payments, you should complete Form NJ-2210, Underpayment of Estimated Tax by Individuals, Estates or Trusts, to determine if interest is due and calculate the amount. Enter on Line 46 the amount of interest due from line

19, Form NJ-2210. Fill in the oval below Line 46 and enclose Form NJ-2210 with your return.

For more information, see Tax Topic Bulletin GIT-8, Estimating Income Taxes.

## Amended Returns

If you received an additional tax statement (W-2 or 1099) after filing your return, or you found that you made a mistake on your return, file an amended resident return, Form NJ-1040X.

Changes in Your Federal Income Tax or Federal Earned Income Credit. If you receive a notice that the Internal Revenue Service changed your reported income, and that change alters your New Jersey taxable income, or if the IRS changed your federal earned income credit, and that change alters your New Jersey Earned Income Tax Credit, you must notify the Division of the change in writing within 90 days. File an amended tax return and pay any additional tax due. If you file an amended federal return that changes your New Jersey taxable income or your federal earned income credit, you must file an amended resident return, Form NJ-1040X, within 90 days.

## Accounting Method

Use the same accounting method for New Jersey Income Tax that you used for federal income tax purposes. Income must be recognized and reported in the same period as it is recognized and reported for federal purposes.

## Rounding Off to Whole Dollars

When completing your return and the accompanying schedules, you can show the money items in whole dollars. If you round off, do so for all amounts. To round, drop any amount under 50 cents, and increase any amount 50 cents or more to the next dollar. If you have to add two or more items to calculate the total to enter on a line, include cents when adding the items and round off only the total. When rounding, enter zeros after the decimal point for cents.

## Penalties, Interest, and Collection Fees

Penalty and interest should be included with the payment of any tax due.

Late Filing Penalty. 5\% per month (or part of a month) up to a maximum of $25 \%$ of the outstanding tax liability when you file a return after the due date or extended due date. A penalty of $\$ 100$ for each month the return is late also may be imposed.

Late Payment Penalty. 5\% of the outstanding tax balance may be imposed.

Interest. 3\% above the prime rate for every month or part of a month the tax is unpaid, compounded annually. At the end of each calendar year, any tax, penalties, and interest remaining due (unpaid) will become part of the balance on which interest is charged.

Collection Fees. In addition, if your tax bill is sent to our collection agency, a referral cost recovery fee of $10.7 \%$ of the tax due will be added to your liability. If a certificate of debt is issued for your outstanding liability, a fee for the cost of collection of the tax also may be imposed.

## Signatures

Sign and date your return in blue or black ink. Both spouses must sign a joint return. If you are filing only a Property Tax Credit application (Form NJ-1040-H), you must sign and date the application in ink. The signature(s) on the form you file must be original; photocopied signatures are not acceptable. We cannot process a return without the proper signatures and will return it to you. This causes unnecessary processing delays and may result in penalties for late filing.

## Don't Need Forms Mailed to You Next

Year? If you do not need a booklet mailed to you next year, fill in the oval above the signature line. Telling us this will help reduce our printing and mailing costs.

Driver's License Number. Enter your Driver's License or state Non-Driver Identification Card number. Providing this information is voluntary. If filing jointly, enter the number of the person whose

Social Security number is listed first on the return. If that spouse does not have an identification number, enter the other spouse's. If you and/or your spouse do not have one of these, leave the boxes blank. We may use this information to validate your identity in our effort to combat identity theft and fraudulent filing.

Preparer Authorization. Because of the strict provisions of confidentiality, Division of Taxation personnel cannot discuss your return or enclosures with anyone other than you without your written authorization. If you want a Division of Taxation representative to discuss your tax return with the person who signed your return as your "Paid Tax Preparer," fill in the oval above the preparer's signature line to give your permission.

Tax Preparers. Anyone who prepares a return for a fee must sign the return as a "Paid Preparer" and enter his or her Social Security number or federal preparer tax identification number. Include the company or corporation name and federal identification number, if applicable. A tax preparer who fails to sign the return or provide a tax identification number may incur a $\$ 25$ penalty for each omission. Someone who prepares your return but does not charge you should not sign your return.

Note: Preparers that reasonably expect to prepare 11 or more individual resident Income Tax returns (including those filed for trusts and estates) during the tax year must use electronic methods to file those returns if an electronic filing option is available. A tax preparer is liable for a penalty of $\$ 50$ for each return he or she fails to file electronically when required to do so.

## Opting Out of Elec-

 tronic Filing. If your tax preparer is required to file all returns electronically but you want to file a paper return, you can opt out by enclosing Form NJ-1040-O, E-File Opt-Out Request Form, with your paper return. Both you and your preparer must sign the form, and your preparer must fill in the oval above his or her signature on your return to indicate that Form NJ-1040-O is enclosed.
## Keeping Tax Records

Keep copies of your tax returns and the supporting documentation of income, age and/or disability, veteran status, deductions, and credits until the statute of limitations has expired for each return. Generally, this is three years after the filing date or two years from the date the tax was paid, whichever is later.

## Privacy Act Notification

The federal Privacy Act of 1974 requires an agency requesting information from individuals to inform them why the request is being made and how the information is being used.

The Division of Taxation uses your Social Security number primarily to account for and give credit for tax payments. We also use Social Security numbers to administer and enforce all tax laws for which we are responsible. In addition, the Division is required by law to forward an annual list to the Administrative Office of the Courts containing the names, addresses, and Social Security numbers of individuals who file a New Jersey resident tax return or Property Tax Credit application. This list will be used to avoid duplication of names on jury lists. The Division also is required to transmit to the Department of Human Services (DHS) annually information from New Jersey resident tax returns that will permit DHS to identify individuals who do not have health insurance and who may be eligible for Medicaid or the NJ FamilyCare program.

## Federal/State Tax Agreement

The Division of Taxation and the Internal Revenue Service have entered into a Federal/State Agreement to exchange Income Tax information in order to verify the accuracy and consistency of information reported on federal and New Jersey Income Tax returns.

## Fraudulent Return

Anyone who deliberately fails to file a return, files a fraudulent return, or attempts to evade the tax in any manner may be liable for a penalty up to $\$ 7,500$, or imprisonment for three to five years, or both.

## Name and Address

Place the peel-off label at the front of this booklet in the name and address section at the top of the return. Do not use the label if any of the information is incorrect. If your label contains incorrect information or you do not have a label, print or type your name (last name first), complete address, and ZIP code in the spaces provided. If you are filing jointly, include your spouse's name. Your refund and next year's form will be sent to the address you provide. If your legal residence and the address on the return are different, enclose a statement of explanation to avoid a processing delay.

Fill in the "Change of Ad-
 dress" oval if your address has changed since you last filed a New Jersey return or if any of the address information on your label is incorrect.

## Social Security Number

To protect your privacy, your Social Security number is not printed on your name and address label. You must enter your Social Security number in the boxes provided on the return, one digit in each box. If you are filing jointly, enter both filers' numbers in the same order as the names.

If you (or your spouse) do not have a Social Security number, file Form SS-5 with the Social Security Administration to apply for one. Taxpayers who are not eligible for a Social Security number must file Form W-7 with the Internal Revenue Service to get an individual taxpayer identification number (ITIN). Enter on your NJ-1040 the same number (Social Security number or ITIN) that you entered on your federal return. If you (or your spouse) applied for but have not received an ITIN by the return due date, enclose a copy of your federal Form W-7 application with your New Jersey return.

Note: You cannot use a copy of Form W-7 (or W-7A) in place of a valid Social Security number, ITIN, or ATIN for a dependent when completing Line 13, Dependents' Information.

## County/Municipality Code

Enter the four-digit county/municipality code of your current residence from the table on page 50. Enter one digit in each box. This code is for Division of Taxation purposes only

If the table does not include the local name of the place where you live, enter the code for the municipality where the Property Taxes were paid on your home. To get the name of your municipality, go to www. state.nj.us/nj/gov/county/localities.html.

## NJ Residency Status

If you were a New Jersey resident for only part of the tax year, list the month, day, and year your residency began and the month, day, and year it ended. Enter the months as two-digit numbers ( 01 for January, 02 for February, etc.) in the boxes containing the letter "M." Enter one digit in each box.

Enter the days of the months as two-digit numbers ( 01,02 , etc.) in the boxes containing the letter "D." Enter one digit in each box.

Calendar year filers, enter the number 17 for the year directly in the boxes containing the letter "Y." Enter one digit in each box. Fiscal year filers, enter the appropriate year in the " Y " boxes.

## Filing Status (Lines 1-5)

In general, you must use the same filing status on your New Jersey return as you do for federal purposes. Indicate the appropriate filing status. Fill in only one oval.

Civil Unions. Partners in a civil union recognized under New Jersey law must file their New Jersey Income Tax returns using the same filing statuses as spouses under New Jersey Gross Income Tax Law. Civil union partners cannot use the filing status single.

More information on civil unions, including legally sanctioned same-sex relationships established outside New Jersey, is available on the Division's website (www.njtaxation.org).

TAX
Any reference in this booklet to a spouse also refers to a spouse who entered into a valid same-sex marriage in another state or foreign nation and a partner in a civil union (CU) recognized under New Jersey law.

Single. Your filing status is single if you are not married or not a partner in a civil union on the last day of the tax year, and you do not qualify to file as head of household or qualifying widow(er)/ surviving CU partner (see below).

Married/Civil Union Couples. If you are married and file a joint federal return, you also must file a joint New Jersey return. If you file separate federal returns, you also must file separate State returns. However, if you are a civil union couple, your filing status for New Jersey may not match your federal filing status.

If during the entire tax year one spouse was a resident and the other a nonresident, the resident may file a separate New Jersey return. The resident calculates income and exemptions as if a federal married, filing separate return had been filed. You have the option of filing a joint return, but in that case, your joint income would be taxed as if you both were residents.

If you are filing separately, enter your spouse's Social Security number in the boxes at the top of the tax return.

Note: You can file jointly or separately only if you were married or a partner in a civil union on the last day of the tax year.

Head of Household. If you meet the requirements to file as head of household for federal purposes, you can file as head of household for New Jersey. Certain married individuals/civil union partners living apart can file as head of household
for New Jersey if they meet the requirements for federal purposes.

## Qualifying Widow(er)/Surviving CU

 Partner. If your spouse died during 2017, you can file a joint return for the two of you as long as you did not remarry or enter into a new civil union before the end of the year. You can use the filing status "qualifying widow(er)/surviving CU partner" for 2017 only if your spouse/ CU partner died in either 2015 or 2016, you did not remarry or enter into a new civil union before the end of 2017, and you met the other requirements to file as qualifying widow(er) with dependent child for federal purposes.Domestic Partners. If you were a member of a domestic partnership registered in New Jersey, you are not considered to be married or in a civil union. Do not use either the joint or separate filing statuses at Lines 2 and 3. However, if you also entered into a legally sanctioned same-sex relationship outside New Jersey, you may still be able to use the joint or separate filing statuses for married/CU couples.

For more information, see the Division's website (www.njtaxation.org) and Tax Topic Bulletin GIT-4, Filing Status.

## Exemptions

## Line 6: Regular Exemptions

You can claim a personal exemption for yourself, even if you can be claimed as a dependent on someone else's return (e.g., your parents claim you as a dependent on their return). The oval for "Yourself" is already filled in. Also fill in the spouse/ CU partner oval if you are married or in a civil union and filing a joint return.

You can claim an exemption for your domestic partner if you were a member of a domestic partnership that was registered in New Jersey on the last day of the tax year, but only if he or she does not file a New Jersey return. You must enclose a copy of your New Jersey Certificate of Domestic Partnership the first time you claim the exemption, and you may be asked to provide additional information
at a later date. Fill in the domestic partner oval if you are claiming this exemption. Add the number of ovals filled in and enter the total in the box on Line 6.

## Line 7: Age 65 or Older

You are eligible for an additional exemption if you were 65 or older on the last day of the tax year. If you have more than four dependents, enter the information for your first four dependents on Lines 13a-d. Enclose a statement with the return listing
the information for your additional dependents.

## Gubernatorial Elections Fund

The Gubernatorial Elections Fund, financed by taxpayer-designated \$1 contributions, provides partial public financing to qualified candidates for the office of Governor of New Jersey. With its contribution and expenditure limits, the Gubernatorial Public Financing program has since 1977 assisted in 75 candidacies, allowing candidates to conduct their campaigns free from the improper influence of excessive campaign contributions. Operation of the program also has permitted candidates of limited financial means to run for election to the State's highest office. As a condition of their receipt of public financing, candidates must agree to participate in two debates, which provide the public with an opportunity to hear the views of each candidate. For more information on the Gubernatorial Public Financing program, contact the New Jersey Election Law Enforcement Commission at 1-888-313-ELEC
(toll-free within New Jersey) or 609-2928700 or write to:

NJ Election Law Enforcement Commission
PO Box 185
Trenton NJ 08625-0185
Lists of contributors to gubernatorial candidates and copies of reports filed by gubernatorial candidates are available on the Election Law Enforcement Commission website at: www.elec.state.nj.us.

Participation in the $\$ 1$ Income Tax checkoff protects the continuity and integrity of the Gubernatorial Elections Fund by providing that funds will be reserved for future gubernatorial elections, thereby deterring the use of needed funding for other purposes. If you want to designate $\$ 1$ to go to help candidates for governor pay campaign expenses, fill in the "Yes" oval in the Gubernatorial Elections Fund section of the return. If you are filing a joint return, your spouse also may designate $\$ 1$ to this fund. Filling in the "Yes" oval will not in any way increase your tax liability or reduce your refund.

## Income (Lines 14-25)

Gross income means all income you received in the form of money, goods, property, and services unless specifically exempt by law. New Jersey residents must report taxable income from everywhere, whether from inside or outside the State.

Reporting Losses. If you have a net loss in any category of income, follow these principles when completing Lines 14-25 of your NJ-1040:

- You cannot report a loss as such (e.g., in parentheses or as a negative number) on your NJ-1040.
- You can apply a loss in one category against other income in the same category. For example, you can subtract gambling losses from gambling winnings during the tax year.
- You cannot apply a net loss in one category of income against income or gains in a different category on your NJ-1040. For example, you cannot subtract a net loss from the sale of property from net income in any other categories (wages, partnership income, etc.).
- If you have a net loss in any income category, make no entry on that line of your NJ-1040. Do not enter zero. Do not enter the amount of the loss in parentheses or as a negative number.
- No carryback or carryover of losses is allowed when reporting income on your NJ-1040.

## Income Taxed by Another Jurisdiction.

If you have income that is taxed both by New Jersey and another jurisdiction outside New Jersey, you may be eligible for a credit against your New Jersey tax. (See instructions for Schedule A, Credit for Income or Wage Taxes Paid to Other Jurisdiction, on page 40.)

## Take the amount from the "State wages" box on your W-2s. (See Box 16 on the sample $\mathrm{W}-2$ on page 20.)

Note: The "State wages" figure on your W-2s from employment outside New Jersey may need to be adjusted to reflect New Jersey tax law.

You must enclose all W-2s with your tax return. Do not staple them to your return. If you paid taxes to another jurisdiction

Retirement Plans. Under New Jersey law, contributions to retirement plans (other than 401(k) Plans) are included in State wages on the W-2 in the year the wages are earned. This may cause your State wages (Box 16) to be higher than your federal wages (Box 1).

Meals and/or Lodging. You can exclude meals and/or lodging reported as wages on your W-2 if:

1. The meals and/or lodging were provided on the business premises of your employer; and
2. The meals and/or lodging were provided for the convenience of your employer; and

For lodging only:
3. You were required to accept the lodging as a condition of your employment.

If you exclude the value of meals and/or lodging from your wages, you must enclose a signed statement explaining how you met these conditions. If you do not enclose the statement, your wages will be changed back to the full amount shown on your W-2.

If you received excludable reimbursements for employee business expenses that were included in wages on your W-2, enclose a statement explaining the amount you are excluding and your reasons. Also enclose a copy of your federal Form 2106.

Federal Statutory Employees. If you are considered a "statutory employee" for federal tax purposes, you cannot deduct your business expenses unless you are self-employed or an independent contractor under New Jersey law. The federal label of "statutory employee" has no meaning for New Jersey tax purposes. Business expenses can only be deducted from the business income of a self-employed individual. See the instructions for Schedule NJ-BUS-1, Part I (Net Profits From Business) on page 45.

Moving Expenses. Moving expenses are not deductible for New Jersey tax purposes. However, you can exclude reimbursements for the following moving expenses if you met the federal requirements to claim moving expenses, and the expenses were included in wages on your W-2.

2. The payments were due and payable under an enforceable contractual obligation under the plan; and
3. The payments were not related to sick leave wage continuation, which is largely discretionary and payments are made regardless of the reason for absence from work.

If such payments are included in wages on your W-2, enclose Form NJ-2440.

Note: If you received a Form 1099 from a partnership or an $S$ corporation for interest paid or deemed to have been paid to you, you must include that interest on Line 15a.

For more information on reporting partnership or $S$ corporation income, see Tax Topic Bulletins GIT-9P, Income From Partnerships, or GIT-9S, Income From S Corporations.

 drawal. If you incur a penalty by withdrawing a time deposit early, you can subtract the amount of the penalty from your interest income.
## Line 15b: Tax-Exempt Interest Income

Enter all of your tax-exempt interest, including exempt interest dividends from a New Jersey Qualified Investment Fund.
If Line $15 b$ is more than $\$ 10,000$, you must enclose a listing of the amount received from each source.

Do not include interest earned on your IRA(s) on Line $\mathbf{1 5 b}$. If you made a withdrawal from your IRA, see the instructions for Line 19a and Line 19b.

When you total your interest income on Lines 15 a and 15 b , the amount should match the total of the taxable and taxexempt interest you reported on your federal return (if you filed a federal 1040). If the amounts do not match, enclose a statement explaining the difference.

## New Jersey Qualified Investment

Funds. A New Jersey Qualified Investment Fund is a regulated investment company in which at least $80 \%$ of the fund's investments (other than cash or receivables) are obligations issued either directly by the federal government or the State of New Jersey or any of its political subdivisions. The Fund must complete and keep Form IF-1, Certification of Qualified Investment Fund, to document its status. This certification does not need to be filed with the Division of Taxation but must be made available upon request.

If you received a distribution from a qualified investment fund, you can exclude from your income only the portion of the distribution that comes from qualified exempt obligations. Even though the tax-exempt portion is excluded from income, you must still report it on Line $15 b$. Report any taxable portion as dividends on Line 16. By February 15, shareholders should be notified by the New Jersey qualified investment fund of the portion of their distribution that can be excluded from income. Contact your broker to determine whether your fund qualifies.

For more information on tax-exempt interest income, see Tax Topic Bulletin GIT-5, Exempt Obligations.

## Line 16: Dividends

Enter the dividends you received during the year from investments (e.g., from stocks, mutual funds) or other
income-producing activities that do not constitute a trade or business. The total taxable dividends received, regardless of where earned, must be reported.

## Dividends to be Reported on Other

 Lines. If you received dividends that were earned and paid to a sole proprietorship, a partnership, an $S$ corporation, or an estate or trust, do not include the dividends on Line 16. Your portion of the dividends from these sources will be included as follows:- Sole proprietorship: Schedule NJ-BUS-1, Part I.
- Partnership: Schedule NJ-BUS-1, Part II.
- S Corporation: Schedule NJ-BUS-1, Part III.
- Estate or Trust: Form NJ-1040, Line 25 (Grantor Trusts, see the instructions for Line 25).

For more information on reporting partnership or $S$ corporation income, see Tax Topic Bulletins GIT-9P, Income From Partnerships, or GIT-9S, Income From S Corporations.

Capital Gains Distributions. Do not report capital gains distributions you received from mutual funds or other regulated investment companies on this line. This income is reported on Line 2, Schedule B (see page 45).

Tax-Free Distributions. A distribution that is a return of your investment or capital and does not come from earnings or profits is a nontaxable capital or tax-free distribution. These distributions reduce the basis of the stock or investment and are not taxable until your investment is fully recovered.

Insurance Premiums. Dividends you received from insurance companies are not taxable unless the amount you received is more than the premiums paid. Any interest from accumulated insurance dividends is taxable, and you must report it on Line 15a.

## Line 17: Net Profits From Business

Complete Part I of Schedule NJ-BUS-1, Business Income Summary Schedule, and enter on Line 17 the amount from Line 4 of Part I. If the amount on Line 4 is a loss, make no entry on Line 17. Enclose Schedule NJ-BUS-1 and a copy of the federal Schedule C (or C-EZ or F) for each business with your return (see page 45).

## Line 18: Net Gains or Income From Disposition of Property

Enter your net gains from New Jersey Schedule B, Line 4. If the amount on Line 4 is zero, make no entry on Line 18. Enclose Schedule B with your return (see page 44).

## Line 19a: Pensions, Annuities, and IRA Withdrawals

Pensions, annuities, and certain IRA withdrawals are taxable and must be reported on Line 19a. The New Jersey taxable amount may be different from the federal amount.

TAXIf you (and/or your spouse if filing jointly) were 62 or older or disabled, you may be able to use the exclusions on Lines 27a and 27b to reduce your income. (See instructions on page 26.)

All state and local government, teachers', and federal pensions, and Keogh Plans are treated the same way as pensions from the private sector. Amounts received as "early retirement benefits" and amounts reported as pension on Schedule NJK-1, Partnership Return Form NJ-1065, also are taxable.

Social Security and Railroad Retirement benefits are not taxable. Do not include these amounts on Form NJ-1040.

Pension payments received because of total and permanent disability are not taxable until the year you reach age 65. If you continue to receive pension payments

1. Amount of pension you will receive during the first three
years ( 36 months) from the date of the first payment ......... 1 .
2. Your contributions to the plan ........................................... 2.
3. Subtract line 2 from line 1 ................................................ 3.
(a) If line 3 is " 0 " or more, and both you and your employer contributed to the plan, you can use the Three-Year Rule Method.
(b) If line 3 is less than " 0 ," or your employer did not contribute to the plan, you must use the General Rule Method.
(Keep for your records)
after you turn 65 , your disability pension is treated as ordinary pension income beginning that year. (See definition of "disabled" on page 16.)

Military pensions and survivor's benefit payments are not taxable. Do not include these payments on Form NJ-1040. Military pensions are those resulting from service in the United States Army, Navy, Air Force, Marine Corps, or Coast Guard. However, civil service pensions and annuities are taxable, even if they are based on credit for military service. Most military pensions and survivor's benefit payments are received from the U.S. Defense Finance and Accounting Service, while a civil service annuity is received through the U.S. Office of Personnel Management.

## Taxable and Excludable Amounts

Retirement plans are either noncontributory or contributory. The amounts you report depend on the type of plan you have.

Noncontributory Plans. If you did not make any contributions to your plan, it is a noncontributory plan. Amounts received from noncontributory plans are fully taxable. Enter the total amount from your 1099-R on Line 19a.

## Contributory Plans (Other Than IRAs).

 If you made contributions to your plan, it is a contributory plan. Your contributions are usually made through payroll deductions and, in general, were taxed when they were made. Your contributions are not taxed when withdrawn (except for 401(k) Plans). Contributory plans also include employer contributions (if any)and earnings, which have not been taxed. Therefore, you must determine the taxable and excludable parts of your distribution.

There are two methods of calculating the taxable and excludable amounts: ThreeYear Rule Method and General Rule Method. Complete Worksheet A above to determine which method you should use.

## Note:

- If you received a distribution from a 401 (k) Plan, see page 23 before continuing.
- If you made a withdrawal from an IRA, complete Worksheet C on page 24. Do not use Worksheet A or B for an IRA withdrawal.

Three-Year Rule Method. You can use the Three-Year Rule Method if:

- You will recover all your contributions within 36 months from the date you receive your first payment from the plan; and
- Both you and your employer contributed to the plan.

When you use the Three-Year Rule Method, do not report your pension and annuity payments as income on Line 19a until you have recovered all of your contributions. Instead, report these amounts on Line 19 b (see page 25). Once you have recovered your contributions, the payments you receive are fully taxable and must be reported on Line 19a. The amount taxable for New Jersey purposes will be different from the amount you report on your federal return when using this method, unless you retired on or before July $1,1986$.

General Rule Method. You must use the General Rule Method if:

- You will not recover your contributions within 36 months from the date you receive your first payment from the plan; or
- Your employer did not contribute to the plan.

When you use the General Rule Method, part of your pension is excludable and part is taxable every year. The excludable amount represents your contributions. Complete Worksheet B the year you receive your first pension payment. Keep Worksheet B for your records. You will need it to calculate your taxable and excludable amounts in future years. Recalculate the percentage on line 3 of the worksheet only if your annual pension payments decrease.

## Contributions to Plans Prior to Becom-

 ing a Resident. Any contributions you made to a pension, annuity, or IRA before moving to New Jersey are treated as if you had been a New Jersey resident at the time. Contributions to plans other than 401(k) Plans are considered to have been previously taxed.Lump-Sum Distributions and Rollovers. When you receive a lump-sum distribution of the entire balance from
a qualified employee pension, annuity, profit-sharing, or other plan, any amount that exceeds your previously taxed contributions must be included in your income in the year received. New Jersey has no provision for income averaging of lumpsum distributions. Report the taxable amount on Line 19a and the excludable amount on Line 19b.

If you roll over a lump-sum distribution from an IRA or a qualified employee pension or annuity plan into an IRA or other eligible plan, do not report the rollover on Line 19a or 19b if it qualifies for deferral for federal tax purposes. The amount rolled over (minus previously taxed contributions) will be taxable when it is withdrawn.

401(k) Plans. New Jersey's treatment of 401 (k) Plan contributions changed on January 1, 1984.

## 1. Contributions made on or after

 January 1, 1984, were not taxed when they were made. If all of your contributions were made on or after that date, your distributions are fully taxable unless your contributions exceeded the federal limit. If your contributions exceeded the federal limit, you must calculate the taxable and excludable portions of your distributions using one

*The expected return on the contract is the amount receivable. If life expectancy is a factor under your plan, you must use federal actuarial tables to calculate the expected return. The federal actuarial tables are contained in the Internal Revenue Service's Publication 939, General Rule for Pensions and Annuities. Contact the IRS for this publication. If life expectancy is not a factor under your plan, the expected return is found by totaling the amounts to be received.
(Keep for your records)
of the methods described under contributory plans.
8. Contributions made before January 1,1984 , were taxed when they were made. If you made contributions before that date, you must calculate the taxable and excludable portions of your distributions using one of the methods described under contributory plans.

For more information, see Tax Topic Bulletin GIT-1, Pensions and Annuities.

## Traditional IRAs

Your IRA consists of your contributions and earnings plus certain amounts rolled over from pension plans. In general, your contributions were taxed when you made them and are not taxed by New Jersey when withdrawn. The portion of your distribution that represents earnings is taxable. Earnings credited to your IRA, as well as tax-free rollovers, are not taxable until withdrawn.

Use Worksheet C on page 24 to calculate the taxable and excludable portions of your IRA withdrawal. Report the taxable amount on Line 19a and the excludable amount on Line 19b. If you made withdrawals from multiple IRAs, you can use a separate worksheet for each or combine all IRAs on one worksheet.

Lump-Sum Withdrawal. If you withdraw the total amount from an IRA, all the earnings and any amounts rolled over tax-free are taxable. You must report these amounts in the year you make the withdrawal.

Periodic Withdrawals. If you make withdrawals over a period of years, the part of the annual distribution that represents earnings is taxable. The amount taxable for New Jersey purposes may be different from the amount you report on your federal return.

distribution" are excludable. Do not include qualified distributions on Form NJ-1040.

A "qualified distribution" is one made after the five-year period beginning with the first tax year for which a contribution was made to the IRA, and that is:

1. Made on or after the date the individual reaches age $591 / 2$; or
2. Made to a beneficiary (or the individual's estate) after the individual's death; or
3. Made because the individual became disabled; or
4. Made as a qualified first-time home buyer distribution as defined by the Internal Revenue Code.

A distribution that is considered nonqualified for federal purposes also is considered nonqualified for New Jersey purposes.

A distribution of an allowable rollover contribution (or income earned on the amount rolled over) from an IRA other
than a Roth IRA, is not a qualified distribution if it is made within the five-year period that begins with the year the rollover contribution was made.

If you received a nonqualified distribution, you must report the earnings on Line 19a, and report the excludable portion on Line 19b.

If you converted an existing IRA to a rollover Roth IRA during Tax Year 2017, any amount from the existing IRA that would be taxable if withdrawn must be included on Line 19a.

For more information, see Tax Topic Bulletin GIT-2, IRA Withdrawals, and Technical Bulletin TB-44.

## Line 19b: Excludable <br> Pensions, Annuities, and IRA Withdrawals

Enter the excludable portion of any distribution you received from a contributory pension, annuity, or IRA. This is the amount that represents your previously taxed contributions.

Three-Year Rule Method. If you use this method, include the full amount received until you have recovered all of your contributions (see page 22).

General Rule Method. If you use this method, enter the amount from Worksheet $B$, line 5 (see page 23 ).

IRA Withdrawals. Enter the amount from Worksheet C, line 8. If you converted an existing IRA to a rollover Roth IRA, report the excludable portion on Line 19b.

Lump-Sum Distribution. If you received a lump-sum distribution from a pension, annuity, or IRA, report the excludable portion on Line 19b.

For more information, see Tax Topic Bulletins GIT-1, Pensions and Annuities, and GIT-2, IRA Withdrawals.

## Line 20: Distributive Share of Partnership Income

Complete Part II of Schedule NJ-BUS-1, Business Income Summary Schedule, and enter on Line 20 the amount from Line 4 of Part II. If the amount on Line 4 is a loss, make no entry on Line 20. Enclose Schedule NJ-BUS-1 and a copy of Schedule NJK-1, Form NJ-1065, for each partnership with your return. If you did not receive a Schedule NJK-1, enclose a copy of the federal Schedule K-1 (see page 46).

## Line 21: Net Pro Rata Share of S Corporation Income

Complete Part III of Schedule NJ-BUS-1, Business Income Summary Schedule, and
enter on Line 21 the amount from Line 4 of Part III. If the amount on Line 4 is a loss, make no entry on Line 21. Enclose Schedule NJ-BUS-1 and a copy of Schedule NJ-K-1, Form CBT-100S, for each S corporation with your return. If you did not receive a Schedule NJ-K-1, enclose a copy of the federal Schedule K-1 (see page 46).

## Line 22: Net Gains or Income From Rents, Royalties, Patents, and Copyrights

Complete Part IV of Schedule NJ-BUS-1, Business Income Summary Schedule, and enter on Line 22 the amount from Line 4 of Part IV. If the amount on Line 4 is a loss, make no entry on Line 22. Enclose Schedule NJ-BUS-1 with your return (see page 46).

## Line 23: Net Gambling Winnings

Enter your net gambling winnings. You can deduct your gambling losses from your winnings that occurred in the same year. If the net amount is zero or less, make no entry.

New Jersey Lottery winnings from prize amounts over $\$ 10,000$ are taxable for New Jersey purposes. The individual prize amount determines taxability, not the total New Jersey Lottery winnings over the year. Do not include any New Jersey Lottery winnings from prizes of $\$ 10,000$ or less. However, you can subtract your New Jersey Lottery losses from your other gambling winnings.

You must be able to prove the gambling losses you used to reduce the winnings reported on your New Jersey return. Proof of losses may include a daily log or journal of wins and losses, canceled checks, losing race track pari-mutuel tickets, losing lottery tickets, etc. Letters from casinos that "rate" the gambling activity of an individual or "estimate" losses are acceptable as part of the evidence required to prove losses.

If you net gambling winnings with gambling losses, you should enter the total winnings and total losses on a supporting
schedule. Although no specific schedule is required to prove gambling losses, it may eliminate certain questions if your return is selected for audit.

For more information, see Technical Bulletin TB-20(R).

## Line 24: Alimony and Separate Maintenance Payments Received

Enter any court-ordered alimony or separate maintenance payments you received. Do not include payments received for child support.

## Line 25: Other

Include the following income on this line:

## Amounts Received as Prizes and

Awards. A prize won in a raffle, drawing, television or radio quiz show, contest, or any other event is taxable and must be included on Line 25. Any prizes or awards received in goods or services must be included as income at fair market value.

Income in Respect of a Decedent. If you had the right to receive income that the deceased person would have received had he or she lived, and it was not included on the decedent's final return, you must report the income on your own return when you receive it. Include the income on Line 25, and enclose a listing of each item of income.

Income From Estates and Trusts. If you are a beneficiary who received income from an estate or trust, include the Total Distribution from Schedule NJK-1, Form NJ-1041. If you did not receive a Schedule NJK-1, net the items listed on the federal K-1, and include the total on Line 25. Interest, dividends, capital gains, business or partnership income, etc., as listed on the federal K-1(s) must be adjusted to reflect New Jersey tax law. Include income that is not subject to federal income tax but is subject to New Jersey Income Tax, such as interest from and losses on the disposition of obligations of states and their political subdivisions, other than New Jersey and its political subdivisions. Exclude income and losses not subject
to New Jersey tax, such as gains on New Jersey tax-exempt securities.

New Jersey and federal depreciation and expense deduction limits are different. Complete the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP to determine the income reportable in the various net income categories.

New Jersey's treatment of the IRC Section 199 deduction is different from the federal treatment. Complete Form 501-GIT, Domestic Production Activities Deduction, to calculate the New Jersey amount.

Enclose a copy of the NJK-1(s) or federal K-1(s).

If the income from a grantor trust is reportable by or taxable to the grantor for federal purposes, it also is taxable to the grantor for New Jersey purposes. The grantor must report interest, capital gains, business income, etc., in the categories of income as required for New Jersey purposes and not as income from Estates and Trusts. Enclose a copy of the New Jersey or federal Grantor Trust Attachment.

For more information, see Tax Topic Bulletin GIT-12, Estates and Trusts.

Scholarships and Fellowship Grants are taxable and must be included on Line 25 unless they meet all of the following conditions:

1. The primary purpose of the grant is to further the recipient's education or training; and
2. The grant does not represent payments for past, present, or future services or payments for services that are subject to the direction or supervision of the grantor (e.g., a fellowship given in exchange for teaching); and
3. The grant is not for the benefit of the grantor.

Add Lines 14, 15a, 16, 17, 18, 19a, 20, $21,22,23,24$, and 25 and enter the total on Line 26.

## Line 27a: Pension Exclusion

For Tax Year 2017, you may be eligible for an exclusion of up to \$40,000 (filing status married/CU couple, filing jointly), \$30,000 (filing status single, head of household or qualifying widow(er)/surviving CU partner), or \$20,000 (filing status married/CU partner, filing separately).
You qualify for the pension exclusion if:

- You (and/or your spouse if filing jointly) were 62 or older or disabled as defined by Social Security guidelines on the last day of the tax year; and
- Your income on Line 26 is $\$ 100,000$ or less. (Part-year residents, use income for the entire year. See page 7.)

Note: If the amount on Line 26 is more than $\$ 100,000$, you are not eligible for the pension exclusion. You may still be eligible for a special exclusion of up to $\$ 6,000$. See the instructions for Line 27 b to determine if you qualify.

If you qualify for the pension exclusion, you can exclude all or a part of the income you received during the year from taxable pensions, annuities, and IRA withdrawals. You can exclude up to the maximum amount for your filing status. (See Maximum Pension Exclusion chart above.)

Enter on Line 27a the lesser of:
Amount from Line 19a
Amount for your filing
status from chart above
Part-year residents, see page 7.
When you and your spouse file a joint return and only one of you is 62 or older or disabled, you can still claim the maximum pension exclusion. However, you can exclude only the pension, annuity, or IRA withdrawal of the spouse who is 62 or older or disabled.

If you and/or your spouse were 62 or older on the last day of the tax year and did not use your maximum pension exclusion, you may still qualify for other income exclusions on Line 27b.

## Line 27b: Other Retirement Income Exclusion

If you (and/or your spouse if filing jointly) were 62 or older on the last day of the tax year, you may qualify to exclude other income on Line 27b. There
are two parts to the total exclusion. Part I is the unclaimed portion of your pension exclusion. Part II is a special exclusion for taxpayers who cannot receive Social Security or Railroad Retirement benefits. Each part has different eligibility requirements. Use Worksheet D to calculate your total exclusion. If you were a part-year resident, do not complete the worksheet (see page 7).
I. Unclaimed Pension Exclusion. You qualify to use the unclaimed portion of your pension exclusion on Line 27b if:

- You (and/or your spouse if filing jointly) were 62 or older on the last day of the tax year; and
- Your income on Line 26 is $\$ 100,000$ or less (part-year residents, use income for the entire year); and
- Your income from wages, net profits from business, distributive share of partnership income, and net pro rata share of S corporation income totals $\$ 3,000$ or less; and
- You did not use the maximum pension exclusion for your filing status on Line 27a.
II. Special Exclusion for Taxpayers Who Cannot Receive Social Security or Railroad Retirement Benefits. If you qualify, you can claim this benefit whether or not you use your maximum pension exclusion. You qualify for this additional exclusion if:
- You (and/or your spouse if filing jointly) were 62 or older on the last day of the tax year; and
- You (and your spouse if filing jointly) cannot receive Social Security or Railroad Retirement benefits, but you would have been eligible for benefits if you had fully participated in either program.

Note: If you file a joint return and only one of you is 62 or older, you can claim the full exclusion. However, only the income of the person who is 62 or older can be excluded.

## Not Required to File a Return

If your income for the entire year is not more than $\$ 20,000$ ( $\$ 10,000$ if your filing status is single or married/CU partner filing separate return), you have no tax liability to New Jersey and are not required to file a return.

Even if you have no tax liability, you need to file to claim a refund if you:

- Had New Jersey Income Tax withheld;
- Paid estimated taxes; or
- Are eligible for a New Jersey Earned Income Tax Credit or other credit.

Do not complete Lines 29 through 44. Continue completing the return with Line 45. (See instructions on page 36.)

Withholding Exemption. If you expect to have no New Jersey Income Tax liability for 2018, complete Form NJ-W4 and give it to your employer to claim an exemption from withholding.

## Homeowners and Tenants Age 65 or

 Older or Disabled who do not have to file a New Jersey return, but who met the eligibility requirements for a Property Tax Credit on page 30, can file Form NJ-1040-H instead of Form NJ-1040 to claim the credit. (See instructions on page 48. )
## Exemptions and Deductions (Lines 29-35)

New Jersey allows deductions only for:

- Personal exemptions (Line 29);
- Certain medical expenses (Line 30);
- Qualified Archer medical savings account (MSA) contributions (Line 30);
- Health insurance costs of the selfemployed (Line 30);
- Alimony and separate maintenance payments (Line 31);
- Qualified conservation contributions (Line 32);
- A Health Enterprise Zone deduction for taxpayers who own a qualified medical or dental practice (Line 33); and
- An alternative business calculation adjustment for taxpayers with business losses (Line 34).

No deduction is allowed for adjustments taken on the federal return such as employee business expenses, IRA contributions, and Keogh Plan contributions. However, you should keep records of all contributions to IRAs and Keogh Plans. You will need this information when you make withdrawals. Part-year residents, see page 7 .

In general, medical expenses allowed for federal tax purposes are allowed for New Jersey purposes.

Note: Do not include on line 1, Worksheet E

- Contributions you made to an Archer MSA or any amounts paid or disbursed from an Archer MSA that have been excluded from income; or
- Any amounts taken as a deduction for the health insurance costs of the self-employed.

Archer MSA Contributions. New Jersey follows the federal rules for deducting qualified Archer MSA contributions. Your contribution cannot be more than $75 \%$ of the amount of your annual health plan deductible ( $65 \%$ if you have a self-only plan). Enclose federal Form 8853 with your return. Excess contributions that you withdraw before the due date of your tax return are not taxable. However, you must report the earnings associated with the excess contributions you withdraw as wages on Line 14.

## Self-Employed Health Insurance

Deduction. If you are considered selfemployed for federal tax purposes, or you received wages in 2017 from an S corporation in which you were a morethan $-2 \%$ shareholder, you can deduct
the amount you paid during the year for health insurance for yourself, your spouse or domestic partner, and your dependents. Your deduction cannot be more than the amount of your earned income, as defined for federal tax purposes, from the business under which the insurance plan was established. You cannot deduct amounts paid for health insurance coverage for any month that you were eligible to participate in any subsidized health plan maintained by your (or your spouse's or domestic partner's) employer.

Note: For federal purposes you may be able to deduct amounts paid for health insurance for any child of yours who was under age 27 at the end of 2017. However, for New Jersey purposes you can deduct these amounts only if the child was your dependent. For more information, see Technical Advisory Memorandum TAM 2011-14.

## Line 31: Alimony and Separate Maintenance Payments

Enter any court-ordered alimony or separate maintenance payments you made. Do not include payments for child support.

## Line 32: Qualified Conservation Contributions

Enter any contribution you made for conservation purposes of a qualified real property interest in property located in New Jersey. The deduction is the amount of the contribution allowed as a deduction in calculating your taxable income for federal purposes. If you file federal Form 8283, enclose a copy.

## Line 33: Health Enterprise Zone Deduction

If you provide primary care services in a qualified medical or dental practice you own that is located in or within five miles of a designated Health Enterprise Zone (HEZ), you may be able to deduct a percentage of the net income from that practice. See Technical Bulletin TB-56 for eligibility requirements and instructions for calculating the HEZ deduction.

If you are a partner in a qualified practice, enter on Line 33 the HEZ deduction from Part III of the Schedule NJK-1, Form NJ-1065, you received from the practice. If you are an $S$ corporation shareholder in a qualified practice, enter the HEZ deduction from Part V of the Schedule NJ-K-1, Form CBT-100S, you received from the practice.

If you are a sole proprietor who owns a qualified practice, you must determine your allowable HEZ deduction each year. Enclose a schedule with your return showing how you calculated the HEZ deduction.

Note: Do not claim nonreimbursed medical expenses, health insurance premiums, or other personal or business expenses as a deduction on this line.

## Line 34: Alternative Business Calculation Adjustment

If you completed Schedule NJ-BUS-1 and had a loss on Line 4 of either Part I, II, III, or IV, you may be eligible for an income adjustment. You also may be eligible if you had a loss carryforward on Schedule NJ-BUS-2 from a prior year. Complete Schedule NJ-BUS-2, Alternative Business Calculation Adjustment. Enter on Line 34 the amount from Schedule NJ-BUS-2, Line 11. If zero, make no entry.

Enclose Schedule NJ-BUS-2 with your return, and keep a copy for your records. You may need the information from this schedule to complete future returns.

## Line 35: Total Exemptions and Deductions

Add Lines 29 through 34 and enter the total on Line 35.

## Line 36: Taxable Income

Subtract Line 35 from Line 28 and enter the result on Line 36. If Line 36 is zero or less, make no entry.

## Property Tax Deduction/ Credit (Lines 37a-c, 38, and 49)

Homeowners and tenants who paid Property Taxes, either directly or through rent, on a principal residence in New Jersey may qualify for either a deduction or a refundable credit.

The Property Tax Deduction reduces your taxable income. The amount of the benefit depends on the amount of your taxable income, the amount of your Property Taxes or rent, and your filing status.

The Property Tax Credit reduces your tax due because it is subtracted directly from your tax liability.

## If you met the eligibility require-

 ments below, complete Lines 37a-37c, Line 38, or Line 49. If you are not eligible, leave Lines 37a-c, 38, and 49 blank, and continue with Line 39.
## Eligibility Requirements

You are eligible for a deduction or credit only if:

- You were domiciled and maintained a principal residence as a homeowner or tenant in New Jersey during 2017.
- Your principal residence, whether owned or rented, was subject to Property Taxes that were paid either as actual Property Taxes or through rent.
- If you rented your principal residence, it had its own separate kitchen and bathroom that you did not share with occupants of other units in the building, if there were other units.
- If your principal residence was a unit in a multiunit property you owned, the property had no more than four units and no more than one of those was a commercial unit.
- Your income on Line 28 is more than the filing threshold amount for your filing status (see chart on page 6). However, if you (and/or your spouse if filing jointly) were 65 or older or blind or disabled on the last day of the tax year and you were not required to file a return because of the amount of
your income, see "Seniors or Blind/ Disabled Persons Not Required to File Form NJ-1040" in the box below.

## The Division of Taxation audits returns to make sure homeowners and tenants meet these eligibility requirements.

Note: You are not eligible for a deduction or credit unless your principal residence, whether owned or rented, is subject to Property Taxes. Contact your building manager or the municipal tax collector if you are not sure whether the place you live is subject to Property Taxes.

Principal Residence. A principal residence is a home you own or rent and actually occupy as your permanent residence. It does not include a vacation home, a "second home," or property you own and rent to someone else.

Multiunit Properties. If you owned a multiunit property and one of the units was your principal residence, you are eligible for a deduction or credit only if the property:

- Contained four units or less; and
- No more than one of those units was a commercial unit.

Disabled Veterans. Totally and permanently disabled veterans who had a $100 \%$ exemption from Property Taxes on their principal residence are not eligible for a deduction or credit. If any part of the property was rented to a tenant, and

Property Taxes were paid on the rented portion, the tenant may be eligible for the deduction or credit, but the property owner is not.
P.I.L.O.T. Payments. Homeowners who made P.I.L.O.T. (Payments-in-Lieu-ofTax) payments to the municipality are not eligible for a deduction or credit. These payments are not Property Taxes.

## Tax-Exempt, Subsidized, and Campus

Housing. Certain properties are not subject to Property Taxes. Tenants living in these properties are not eligible for a deduction or credit. This includes:

- Tax-exempt housing or other residences owned by the State, county, municipal, or federal government;
- On-campus apartments at State colleges and universities;

If you met the eligibility requirements for the Property Tax Deduction/Credit, read all the instructions in this section.

## Seniors or Blind/Disabled Persons Not Required to File Form NJ-1040

If you (or your spouse if filing jointly) were 65 or older or blind or disabled on the last day of the tax year, and your income on Line 28 is $\$ 20,000$ or less $(\$ 10,000$ if filing status is single or married/CU partner, filing separate return), and you met the eligibility requirements, you qualify for a Property Tax Credit.
If you are eligible for a Property Tax Credit, and you:

- Are eligible and file for a 2017 Homestead Benefit because you were a New Jersey homeowner on October 1, 2017, your credit will automatically be included with your Homestead Benefit. If you are filing Form NJ-1040, do not complete Line 38 or Line 49. Information on the Homestead Benefit is available on the Division's website (www.njtaxation.org).
- Are not eligible for a 2017 Homestead Benefit because you were not a homeowner on October 1, 2017, you can claim the Property Tax Credit on Form NJ-1040 or you can file the Property Tax Credit application, Form NJ-1040-H only (see page 48). Do not file both Form NJ-1040 and Form NJ-1040-H.

In addition to completing Line 37a, you also must enter an amount on Line 38 or Line 49 to claim the deduction or credit.

* If your filing status is married/CU partner, filing separate return and both you and your spouse maintained the same principal residence, use one-half of this amount when completing Line 37a.

## (Keep for your records)

## Part I - Homeowners

## Principal Residences Owned in New Jersey (Lines 1-3)

List the address of each qualified New Jersey residence you owned and occupied as your principal residence during 2017. Complete columns 1 through 5 for each address. If you lived for part of the year in a residence that was not a qualified residence, do not include any information for that residence. For example, you owned a five-unit property and used one of the units as your principal residence.

If you were both an owner and a tenant at the same address, enter the required information in both Part I and Part II.

## Column 1

Enter the number of days you owned and occupied this home as your principal residence in 2017. If this was your residence all year, enter 365 . The total number of days in Part I and Part II cannot be more than 365 .

## Column 2

Enter the share (percentage) of this property you (and your spouse) owned. Enter the figure as a decimal. If you (and your spouse) were the sole owner(s), enter 1.00 for $100 \%$. If you owned $50 \%$ of the property with someone who was not your spouse, you would enter 0.50 . You must enter your percentage of ownership even if there are multiple owners and you were the only one who occupied the property and you paid all the taxes.

Example: You and your wife owned a single-family home with your sister. You lived in the home with your wife. Your sister did not live with you, and you and your wife paid all the Property Taxes. You must enter 0.50 because you and your wife owned only one-half ( $50 \%$ ) of the property.

## Column 3

If this property consisted of more than one unit, enter the share (percentage) of the property you (and your spouse) used as your principal residence. Enter the figure as a decimal. For example, enter $25 \%$ as 0.25 . The units in a multiunit property are considered equal in size unless the local tax assessor has determined they are not equal.

Example: You owned a four-unit property. The units were equal in size, and one
of the units was your principal residence. You must enter 0.25 because you occupied one-fourth $(25 \%)$ of the property as your principal residence.

## Column 4

Enter the total Property Taxes paid on this property during 2017 for the period indicated in column 1 . If you received a Homestead Benefit, see "Homestead Benefit Recipients" on page 31.

## Column 5

Multiply the decimal in column 3 by the Property Tax amount in column 4. If there is no figure in column 3, use the decimal in column 2. Enter the result in column 5.

Example: Total Property Taxes paid were $\$ 2,000$. Column 2 is 1.00 , and column 3 is 0.50 . The calculation for column 5 is $0.50 \times \$ 2,000=\$ 1,000$.

## Line 4: Property Taxes

Add your share of Property Taxes paid in column 5, lines 1 through 3, and enter the total on line 4.

## Part II - Tenants

Principal Residences Rented in New Jersey (Lines 5-7)
List the address of each qualified New Jersey residence you rented and occupied as your principal residence during 2017. Complete columns 1 through 4 for each address. If you lived for part of the year in a residence that was not a qualified residence, do not include any information for that residence. For example, you rented an apartment in a building that is exempt from Property Taxes.

If you were both an owner and a tenant at the same address, enter the required information in both Part I and Part II.

## Column 1

Enter the number of days you rented and occupied this home as your principal residence in 2017. If this was your residence all year, enter 365. The total number of days in Part I and Part II cannot be more than 365.

## Column 2

If you lived with someone who was not your spouse and shared the rent with them, enter the total number of tenants who shared the rent, including yourself. For this purpose, spouses are considered one tenant.

## Column 3

Enter the total amount of rent paid by all tenants, including yourself, during 2017 for the period indicated in column 1.

## Column 4

Divide the amount in column 3 by the number in column 2, and enter the result in column 4.

## Line 8: Rent

Add your share of rent paid in column 4, lines 5 through 7, and enter the total on line 8 .

## Line 9: Rent Constituting Property Taxes

Multiply the amount on line 8 by $18 \%$ (0.18) and enter the result on line 9.

${ }^{2017}$
The New Jersey Sales and Use Tax is being reduced in two phases between 2017 and 2018. For Tax Year 2017, the rate decreased from $7 \%$ to $6.875 \%$ on all retail sales of taxable items or services occurring during the year.

## What is Use Tax?

When you buy taxable items or services to use in New Jersey you owe Use Tax if:

- You do not pay Sales Tax; or
- You pay tax at a rate less than New Jersey's 6.875\% rate.

This commonly happens when you make purchases online, by phone or mail order, or outside the State.

Below are some items that are often purchased without paying Sales Tax. Residents would then owe Use Tax based on the purchase price, including any delivery/shipping charges.

| Electronics | Antiques |
| :--- | :--- |
| Furniture | Appliances |
| Music | Jewelry |
| Artwork | Books |
| Computers | Software |
| Video games | CDs and DVDs |

No Sales Tax Paid. If you did not pay any Sales Tax on a taxable item or service, you owe $6.875 \%$ Use Tax to New Jersey. For example:

- You bought several DVDs online for $\$ 100$ with free shipping and paid no

Sales Tax. You owe Use Tax of $\$ 6.88$ $(\$ 100 \times .06875=\$ 6.88)$.

- You bought a computer for $\$ 1,550$ plus $\$ 50$ for shipping from a seller located outside New Jersey and paid no Sales Tax. You owe Use Tax of \$110 $(\$ 1,600 \times .06875=\$ 110)$.
- You sent a watch to a Pennsylvania jeweler to be repaired, and the watch was returned to you via UPS. You paid $\$ 45$ for the repair plus $\$ 5$ for shipping and paid no Sales Tax. You owe Use Tax on this service of $\$ 3.44$ $(\$ 50 \times .06875=\$ 3.44)$.

## Sales Tax Paid to Another State at a

Rate Less Than $\mathbf{6 . 8 7 5 \%}$. If you paid sales tax to another state (including sales tax paid to a city, county, or other jurisdiction within a state) at a total rate less than $6.875 \%$ on a purchase that would have been taxed in New Jersey, you owe Use Tax on the difference between the two rates. No credit is allowed for sales tax paid to a foreign country.

For example, on a trip to Maine, you bought an antique desk for $\$ 4,000$ and paid Maine sales tax at the rate of $5.5 \%$. The difference, $\$ 55(1.375 \%$ of the purchase price), is due to New Jersey as Use Tax.

## When is Use Tax Due?

Use Tax is due within 20 days after property is brought into New Jersey. Pay any amounts due using Form ST-18, which is provided in the center of this booklet with the other tax forms. Report on Line 45 any amounts you did not pay with Form ST-18.

Note: Using the Estimated Use Tax Chart to determine the amount of Use Tax you owe does not prevent the Division of Taxation from auditing your account. New Jersey has access to records of out-ofstate businesses. If additional tax is due, you may receive an assessment for the amount of Use Tax owed, plus penalties and interest.

For more information about taxable items and services, see Tax Topic Bulletin S\&U-4, New Jersey Sales Tax Guide. For
more information about Use Tax, see publication ANJ-7, Use Tax in New Jersey.

## Line 46: Penalty for Underpayment of Estimated Tax

New Jersey's Income Tax is a "pay-as-you-go" tax. You must pay the tax as you earn or receive income throughout the year. If you do not pay enough tax on your income, you may owe interest. (See "Estimated Tax" on page 13.)

To calculate the amount of interest for the underpayment of estimated tax, complete Form NJ-2210, Underpayment of Estimated Tax by Individuals, Estates or Trusts. Enter on Line 46 the amount of interest due from line 19, Form NJ-2210. Fill in the oval below Line 46 and enclose Form NJ-2210 with your return.

## Line 47: Total Tax and Penalty

Add Lines 44, 45, and 46 and enter the total on Line 47.

## Line 48: Total New Jersey Income Tax Withheld

Enter the total New Jersey Income Tax withheld, as shown on your W-2, W-2G, and/or 1099 statement(s). These statements must include your Social Security number. If your Social Security number is missing or incorrect, you must get a corrected statement from your employer/ payer. If you have not received a W-2 or 1099 form by February 15, or if the form you received is incorrect, contact your employer/payer immediately.

Form W-2. Your W-2 must show the amount of New Jersey tax withheld. The "State" box must indicate that the tax withheld was for New Jersey. (See Boxes 15 and 17 on the sample W-2 on page 20.) Enclose the state copy of each W-2 and/or W-2G.

Do not include New Jersey unemployment insurance/workforce development partnership fund/supplemental workforce fund contributions (UI/WF/SWF), New Jersey disability insurance contributions
(DI), or New Jersey family leave insurance contributions (FLI). These are not Income Tax withholdings.

See instructions for Lines 52, 53, and 54 for information on excess UI/WF/SWF, DI, and/or FLI contributions.

Form 1099. If your 1099-R or 1099MISC shows New Jersey Income Tax withholdings, enclose the state copy with your return.

Schedule NJK-1, Form NJ-1065. Do not include tax paid on your behalf by partnership(s) on this line. These payments cannot be claimed by New Jersey residents as credits on Form NJ-1040 and will be disallowed.

## Line 49: Property Tax Credit

If you met the eligibility requirements on page 30 and you did not claim a Property Tax Deduction on Line 38, you qualify for a Property Tax Credit.

## Do not complete Line 49 if:

- You claimed a Property Tax Deduction on Line 38; or
- Your income on Line 28 is $\$ 20,000$ or less ( $\$ 10,000$ if filing status is single or married/CU partner, filing separate return). If you (and/or your spouse if filing jointly) were 65 or older or blind or disabled on the last day of the tax year, see "Seniors or Blind/Disabled Persons Not Required to File Form NJ-1040" on page 30.

## Line 50: New Jersey Estimated Payments/Credit From 2016 Tax Return

Enter the total of:

- Estimated tax payments made for 2017 (See "Estimated Tax" on page 13.);
- Credit applied from your 2016 tax return*;
- Amount paid with your application for an extension.
*This is the amount you chose to carry forward on Line 58 of your 2016 NJ-1040. If you received a refund for

2016, do not enter the amount of that refund on Line 50 .

Payments Made Under Another Name or Social Security Number. If you changed your name (marriage, divorce, etc.), and you made estimated tax payments using your former name, enclose a statement explaining all the payments you and/or your spouse made for 2017 and the name(s) and Social Security number(s) under which you made payments.

If your spouse died during the year and amounts were paid/credited under both your Social Security numbers, enclose a statement listing the Social Security numbers and the amounts submitted under each.

Schedule NJK-1, Form NJ-1065. Do not include tax paid on your behalf by partnership(s) on this line. These payments cannot be claimed by New Jersey residents as credits on Form NJ-1040 and will be disallowed.

## Line 51: New Jersey Earned Income Tax Credit

The New Jersey Earned Income Tax Credit (NJEITC) is available to certain taxpayers who work and have earned income. The credit reduces the amount of tax you owe and also can give you a refund, even if you have no tax liability.

Note: You must file a New Jersey resident return to receive an NJEITC, even if you are not required to file a return because of the amount of your income (see chart on page 6).

Most residents who are eligible and file for a federal earned income credit also can receive an NJEITC in the amount equal to $35 \%$ of the federal benefit.

Use Worksheet I above to calculate the amount of your NJEITC for Line 51. If you asked the IRS to calculate your federal earned income credit, fill in the first oval below Line 51. (Civil union couples, do not fill in this oval. See the instructions below.) The IRS will provide information about federal earned income credit recipients to the Division of Taxation in

1. Enter the amount of your federal earned income credit from your 2017 federal Form 1040 or Form 1040A $\qquad$ 1.
$\qquad$
Fill in the first oval below Line 51 if you asked the IRS to calculate your federal earned income credit. Civil union couples, see instructions.
2. Enter $35 \%$ of amount on line 1 here and on Line 51, Form NJ-1040 $\qquad$ 2.

Part-year residents, see instructions.
(Keep for your records)

October 2018. Allow at least 4-6 weeks for the Division to process the information and issue a check for your NJEITC.

Part-Year Residents. If you were a New Jersey resident for only part of the tax year, the amount of your NJEITC must be prorated based on the number of months you were a New Jersey resident. For this calculation, 15 days or more is a month. Enter the prorated amount on Line 51.

The Division of Taxation audits returns to make sure taxpayers meet the eligibility requirements for this credit. You may be asked to provide documentation to support your claim.

Civil Union Couples. If you are filing a joint New Jersey return, and one or both of you are eligible and file for a federal earned income credit, you also might be able to receive an NJEITC. If you are filing separate New Jersey returns, you are not eligible for an NJEITC.

If you file a joint federal return, use Worksheet I above to calculate the amount of your NJEITC.

If you did not file a joint federal return, the only way to determine if you are eligible for a New Jersey credit is to prepare a federal return as if you were married, filing jointly and calculate the amount of the federal earned income credit you would have been eligible to receive. Use that amount on Worksheet I to calculate your New Jersey credit. Fill in only the second oval below Line 51 indicating you are a civil union couple. You may be asked to provide documentation to
support your calculation of the federal earned income credit.

## UI/WF/SWF; DI; FLI Credits (Lines 52-54)

You can take credit for excess unemployment insurance (UI)/workforce development partnership fund (WF)/supplemental workforce fund (SWF) contributions, disability insurance (DI) contributions, and/ or family leave insurance (FLI) contributions withheld by two or more employers. The maximum employee contributions were:

- UI/WF/SWF — \$142.38;
- DI - \$80.40;
- FLI - \$33.50.

If you had two or more employers and you contributed more than the maximum amount(s), you must enclose a completed Form NJ-2450 with your return to claim the credit. If you had only one employer, you cannot file Form NJ-2450. If any single employer incorrectly withheld more than the maximum amount(s), you must contact that employer for a refund.

To claim this credit on your NJ-1040, all information on Form NJ-2450 must be substantiated by W-2 statements or the claim will be denied. The amounts of UI/ WF/SWF contributions, DI contributions, and FLI contributions withheld must be reported separately on all W-2 statements. The employer's New Jersey taxpayer identification number or approved private plan number also must be shown. (See sample W-2 on page 20.)

If your Income Tax credit is denied because all New Jersey Department of Labor and Workforce Development requirements are not met, you must refile your claim using their Form UC-9A, "Employee's Claim for Refund of Excess Contributions." Also see the instructions for Form NJ-2450.

## 2017 Schedules A and B

For example, when both a state and a city in that state tax the same income, you may have to complete and enclose a separate Schedule A for each jurisdiction. (See "Same Income Taxed by More Than One Jurisdiction" on page 41.)

- Different jurisdictions impose tax on different income. For example, if you had wages from State A and a gain from the sale of property from State B, you must complete a separate Schedule A for each state.
- Same jurisdiction imposes more than one type of tax. For example, if you had wages and business income from a city that imposes both a wage tax and a different tax on business income, you must complete one Schedule A for the wage tax and a separate Schedule A for the tax on business income.

Property Tax Deduction/Credit (Worksheet J). Schedule A provides taxpayers who are eligible for a Property Tax benefit with a method for calculating the credit for taxes paid to another jurisdiction both with and without the Property Tax Deduction. If you are eligible to receive a Property Tax Deduction/Credit you must complete Schedule A for each jurisdiction for which you are claiming a credit for taxes paid. Then you must complete Worksheet J on page 43 to determine whether you receive a greater benefit from claiming the Property Tax Deduction or taking the Property Tax Credit.

If you are claiming a credit for taxes paid to another jurisdiction but you are not eligible for a Property Tax benefit (see page 30 for eligibility requirements), only complete Column B of Schedule A. Enter the amount from Line 9, Column B on Line 41, Form NJ-1040. Make no entry on Lines 38 or 49, Form NJ-1040.

## Line 1: Income Properly Taxed by Both New Jersey and Other Jurisdiction

Enter on Line 1 the amount of gross income you received during the year after adjustments have been made by the other jurisdiction but before personal exemptions and standard and/or other itemized deductions are subtracted that also meets all the criteria listed on page 41 . Also enter the name of the taxing jurisdiction in the space provided. Any income included on Line 1 of Schedule A also must be included on Line 2 since to be eligible for the credit, the same income must be taxed by both New Jersey and the other jurisdiction.

Include on Line 1 only amounts properly taxable by the other jurisdiction. In general, this includes compensation for services performed; net profits from a business, trade, or profession carried on in the other jurisdiction; $S$ corporation or partnership income allocated to the other jurisdiction but not allocated to New Jersey; or income or gains from the ownership or sale of real or personal property in the other jurisdiction.

To be eligible for credit, the income entered on Line 1 must meet all of the following criteria:

1. The income must be taxed by both New Jersey and the other jurisdiction; and
2. The income must have been properly included and taxed as income by the other jurisdiction; and
3. The individual amount of each item of income taxed by the other jurisdiction cannot be more than the amount of that same item of income being taxed by New Jersey; and
4. The income cannot be deemed "Allocated to New Jersey."

Amounts received as interest, dividends, gains on sale of securities, and other income from intangible personal property such as savings accounts, stocks, bonds, and other securities, cannot be included on Line 1 unless (1) the income was from a business, trade, or profession carried on in the other jurisdiction, or (2) you are required to and file a resident return with the other jurisdiction as well as with New Jersey and report the income on both returns.

## Do not include on Line 1:

- Income that is not subject to New Jersey Income Tax (even though the item(s) may be subject to tax by the other jurisdiction, e.g., unemployment compensation).
- Income that has been excluded or deducted in arriving at the income actually taxed in the other jurisdiction. Items such as IRA and Keogh contributions, employee business expenses, moving expenses, and alimony, if allowed as adjustments to income, would have been deducted from gross income.
- Income subject to tax by any foreign country, U.S. possession, or territory.
- If you are required to file a resident return in the other jurisdiction, any amount of S corporation income allocated to New Jersey.

## Same Income Taxed by More Than

 One Jurisdiction. Income can only be reported once on Schedule A. When you pay tax to two jurisdictions on the same income, and the amount of income taxed by each jurisdiction is the same, complete only one Schedule A. When you pay tax to two jurisdictions on the same incomeNote: New Jersey does not require that a copy of the income tax return(s) filed with the other jurisdiction(s) be enclosed with Form NJ-1040. However, you should keep complete copies of any returns filed with other jurisdiction(s). If your return is audited, you will be asked to provide:
a) A complete copy of the Income Tax return(s) filed with the other jurisdiction(s) - if one was filed or required to be filed. If you filed electronically in the other jurisdiction, a copy of the Electronic Filing Income Tax Return along with schedules, worksheets, etc. that establish the nature and source of the income being taxed by the other jurisdiction must be submitted.
b) If you participated in a composite return filed in another jurisdiction, you must submit a statement, on the filing entity's letterhead, that lists the jurisdiction, your share of the gross income taxed by the other jurisdiction, and your share of the tax paid.
c) If no return is required to be filed with the other jurisdiction, you must submit the following as applicable:

- W-2 that lists the wage taxes paid and the name of the taxing jurisdiction.
- A statement from the business entity that filed a tax return based on income that lists your share of the gross income taxed by the other jurisdiction, the name of the tax, and your share of the tax paid.
and the amount of income taxed by each jurisdiction is different, you may be able to claim two credits. The first credit is based on the amount of income taxed by both jurisdictions, and the second credit is based only on the difference between the amounts taxed by the two jurisdictions.

For example, you have $\$ 150,000$ in income from a business in city Y, located in state Z. You report the entire $\$ 150,000$ on your New Jersey return. City Y and state Z both taxed the income. State Z taxed $\$ 120,000$ of the income, and the tax on that amount was $\$ 8,200$. City Y taxed $\$ 140,000$ of the income, and the tax on that amount was $\$ 5,600$. You must complete two Schedule As as explained below:

First Schedule A: Indicate the jurisdiction as "city Y and state Z," and enter $\$ 120,000$ on Line 1. To determine the credit on that $\$ 120,000$, add together $\$ 8,200$ paid to state $Z$ and $\$ 4,800$ paid to city Y. ( $\$ 4,800$ is the tax paid on $\$ 120,000$. You cannot use the full $\$ 5,600$, since that is the tax paid on $\$ 140,000$.) Enter the total in Box 9a, Line 9. Compare the allowable credit calculated on Line 8, Schedule A to the amount in Box $9 \mathrm{a}(\$ 13,000)$. The credit is the lesser of Line 8 or Box 9a.

Second Schedule A: Indicate the jurisdiction as "city Y," and enter \$20,000 on Line 1 . This amount, $\$ 20,000$, is the difference between the total amount taxed by city $Y(\$ 140,000)$ and the amount that was already included on the first Schedule A $(\$ 120,000)$.

Note: When calculating the credit, if the actual tax paid to the other jurisdiction is less than the allowable credit on Line 8, enter on Line 9, Box 9a of each Schedule A only the tax paid on the amount of income entered on Line 1. In the example above, Line 9, Box 9a of the second Schedule A would be $\$ 800$, the tax paid to city Y on $\$ 20,000$ of income, not $\$ 5,600$, the tax paid on $\$ 140,000$ of income.

Income From New York. New Jersey residents working in or earning taxable income from New York are often taxed by New York on an amount less than their
actual income because of the many allowable New York income tax adjustments. New York determines the rate (percent of tax) by including all the income earned as if the taxpayer was a resident. New York then calculates the percentage of the New York source income by dividing the New York State income by the federal income (worldwide income). That percentage is multiplied by the total calculated tax liability, as if a resident, to determine the actual tax liability of the nonresident. When claiming credit for taxes paid to New York, Line 1, Schedule A of the NJ-1040 should reflect the "New York State Amount" actually taxed by New York from the New York IT-203. Certain adjustments may be necessary to determine the income actually taxed by New York State.

New Jersey residents subject to the New York State income tax on lump-sum distributions must complete separate Schedule A calculations to arrive at the total credit for taxes paid to New York State. The first Schedule A is for the ordinary income, and the second Schedule A is for the lump-sum distribution. Both Schedule As must be enclosed with your return.

Income From Pennsylvania. As a result of the Reciprocal Personal Income Tax Agreement between Pennsylvania and New Jersey, compensation paid to New Jersey residents employed in Pennsylvania is not subject to the Pennsylvania income tax. Compensation means salaries, wages, tips, fees, commissions, bonuses, and other remuneration received for services rendered as an employee.

You cannot claim a credit on Schedule A for taxes paid to Pennsylvania on compensation earned in Pennsylvania because these earnings are not subject to tax in Pennsylvania. If Pennsylvania income tax was withheld from your wages, you must file a Pennsylvania return to get a refund. To stop the withholding of Pennsylvania income tax, complete a Pennsylvania Employee's Nonwithholding Application Certificate (Pennsylvania Form REV-419) and give it to your employer. You can get Form REV-419 from the Pennsylvania

Department of Revenue (www.revenue. state.pa.us/).

The Reciprocal Agreement covers compensation only. If you are self-employed or receive other income (for example, gain from sale of property) that is taxable in both states, you can claim a credit for taxes paid to Pennsylvania on that income by completing Schedule A.

## Income From Philadelphia or Other Pennsylvania Municipalities. The

Reciprocal Agreement between Pennsylvania and New Jersey (see "Income From Pennsylvania" above) does not apply to the wage or income tax imposed and collected by the City of Philadelphia or any other municipality in Pennsylvania. Therefore, income subject to both New Jersey Income Tax and any municipal wage or income tax can be included on Line 1, Schedule A.

The amount of income taxable to Philadelphia is sometimes different than the State wages on the W-2. To determine the proper amount of income to enter on Line 1 of Schedule A of the NJ-1040, you must divide the wage tax deducted from your pay by the Philadelphia tax rate as follows:
$\frac{\text { Philadelphia Wage Tax Paid }}{\text { Philadelphia Wage Tax Rate }}=$ Line 1, Sched. A
Do not include on Line 1 an amount that is more than the amount included on Line 14, NJ-1040 as Philadelphia wages.

Information about the Philadelphia wage tax rate is available on the Philadelphia Revenue Department's website at www.phila.gov/revenue/.

## Sole Proprietorship or Partnership

 Income From Philadelphia. If you are a sole proprietor or partner in a partnership whose income is subject to Pennsylvania income tax and Philadelphia business income and receipts tax and net profits tax, you must consider the taxes paid (based on income) to all jurisdictions when calculating the credit. The Philadelphia business income and receipts tax imposes two taxes, one based on income and one basedon gross receipts. Only the tax imposed based on income qualifies for the credit calculation.

S Corporation Income. If you paid income taxes or wage taxes to another jurisdiction on your S corporation income and that income also is taxed in New Jersey for the same tax year, you may be eligible for a credit. No credit is allowed, however, for tax imposed by another jurisdiction on S corporation income that is allocated to New Jersey. Nor is a credit allowed for the amount of any taxes paid or accrued on or measured by profits or income imposed on or paid on behalf of another person, even if you can be held liable for the tax. In addition, you cannot claim a credit against New Jersey tax attributable to distributions. Distributions that are taxable to you as dividends or gains from disposition of property are intangible income and not subject to tax in the other jurisdiction.

## Line 2: Income Subject to Tax by New Jersey

Enter on Line 2 the amount of gross income from Line 28, Form NJ-1040.

## Line 3: Maximum Allowable Credit Percentage

Divide Line 2 into Line 1 and enter the percentage on Line 3 . Carry your result to seven (7) decimal places, rounding up if the seventh place is 5 or more (i.e., . 2412378 becomes $24.1238 \%$ ). Since Line 1 can never be more than Line 2, the result will be $100 \%$ or less.

If you are not eligible to claim a Property Tax Deduction or Credit, only complete Column B to determine your credit for taxes paid to other jurisdictions. Total the amounts from Line 9, Column B of all Schedule As completed and enter that amount on Line 41, Form NJ-1040. Make no entry on Lines 38 or 49, Form NJ-1040.

For more information on claiming a credit for taxes paid to another jurisdiction, see Tax Topic Bulletins GIT-3W, Credit for Taxes Paid to Other Jurisdictions (Wage Income), and GIT-3B, Credit for Taxes Paid to Other Jurisdictions (Business/ Nonwage Income).

## Schedule B Disposition of Property

Report your capital gains and income from the sale or exchange of property. You can deduct expenses of the sale and your basis in the property. The basis to be used for calculating gain or loss is the cost or adjusted basis used for federal income tax purposes.

Note: Certain gains or losses from the disposition of property owned by a business (sole proprietorship, partnership, or S corporation) or an estate or trust must be reported in other income categories on Form NJ-1040 - not on Schedule B. See "Gains/Losses to be Reported on Other Lines" below before you complete Schedule B.

New Jersey and federal depreciation and expense deduction limits are different. A New Jersey depreciation adjustment may be required for assets placed in service on or after January 1, 2004. Complete the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP to calculate the adjustment.

The New Jersey allowable IRC Section 199 deduction must be calculated on Form 501-GIT, Domestic Production Activities Deduction. You should take the result into consideration when calculating the gain or loss on disposition of applicable property.

If you had an interest in a partnership, sole proprietorship, or $S$ corporation that
sold or disposed of virtually all of its assets in conjunction with the complete liquidation of the entity, then you must report your portion of the gain or loss from the sale or disposition of those assets on Schedule B.

If you sold an interest in a partnership, a sole proprietorship, or rental property, you may be required to use a New Jersey adjusted basis. If you sold shares in an S corporation, you must use your New Jersey adjusted basis. You must report the gain or loss from your sale or liquidation of a sole proprietorship, a partnership interest, or shares of $S$ corporation stock on Schedule B.

For information on calculating your New Jersey adjusted basis and your New Jersey reportable gain or loss, refer to rules N.J.A.C. 18:35-1(c)(5) (trade or business property), 18:35-1.3(d)(2) (partnerships), or $18: 35-1.5(\mathrm{k})$ (S corporations) and Tax Topic Bulletins GIT-9P, Income From Partnerships, or GIT-9S, Income From $S$ Corporations.

All gains from installment sales must be reported in the same year as they are reported for federal purposes. If the New Jersey basis is different from the federal basis, you must make a New Jersey installment sale calculation and report the New Jersey gain.

If you need more space, enclose a statement with the return listing any additional transactions along with your Schedule B.

Sale of a Principal Residence. If you sold your principal residence, you may qualify to exclude all or part of the gain from your income. Capital gain is calculated the same way as for federal purposes. Any amount that is taxable for federal purposes is taxable for New Jersey purposes.

1. You can exclude up to $\$ 250,000$ of the gain if you met all of the following requirements:

- Ownership Test: You owned the home for at least 2 years during the 5 -year period ending on the date of the sale.
- Use Test: You lived in the home as your principal residence for at least 2 years during the 5 -year period ending on the date of the sale.
- During the 2-year period ending on the date of the sale, you did not exclude gain from the sale of another home.

2. If you are filing a joint return, you can exclude up to $\$ 500,000$ of the gain if:

- Either you or your spouse met the Ownership Test; and
- Both you and your spouse met the Use Test; and
- During the 2-year period ending on the date of the sale, neither you nor your spouse excluded gain from the sale of another home.

If only one spouse met the Ownership and Use Tests, that qualified spouse can exclude up to $\$ 250,000$ of the gain.
3. You can claim a reduced exclusion for New Jersey purposes if, during the 5 -year period ending on the date of sale:

- You owned and used the property as your principal residence for less than 2 years, and you qualify for a reduced federal exclusion; or
- You used the exclusion within 2 years of the sale of your principal residence, and you qualify for a reduced federal exclusion.

In both cases, the sale must have been due to: a change in place of employment, health, or unforeseen circumstances.

## Gains/Losses to be Reported on Other

 Lines. If you had a gain or loss from the disposition of property owned by a business or an estate or trust, do not report it on Schedule B. Your portion of the gain or loss from these sources will be included as follows:- Sole proprietorship: Schedule NJ-BUS-1, Part I.
- Partnership: Schedule NJ-BUS-1, Part II.
- S Corporation: Schedule NJ-BUS-1, Part III.
- Estate or Trust: Form NJ-1040, Line 25 (Grantor Trusts, see the instructions for Line 25).

## Line 1: List of Transactions

List any New Jersey taxable transaction(s) as reported on your federal Schedule D, indicating the gain or loss for each transaction in Column f . In listing the gain or loss on disposition of rental property, you must take into consideration the New Jersey adjustment from Worksheet GIT-DEP, Part 1 , line 6.

Do not include gains or losses from the sale of exempt obligations. For more information, see Tax Topic Bulletin GIT-5, Exempt Obligations.

There is no distinction between active and passive losses for New Jersey purposes. You cannot carry back or carry forward such losses when reporting income on Form NJ-1040. You can deduct federal passive losses in full in the year incurred against any gain within the same category of income, but only in the year that it occurred.

## Line 2: Capital Gains Distributions

Enter your capital gains distributions from Form 1099-DIV(s) or similar statement(s). Do not include capital gains from a "New Jersey Qualified Investment Fund" that are attributable to qualified exempt obligations or gains from mutual funds to the extent attributable to federal obligations. For more information on "New Jersey Qualified Investment Funds," see page 21.

## 2017 Schedule NJ-BUS-1

## Schedule NJ-BUS-1 Business Income Summary Schedule

## Part I - Net Profits From Business

Report the net profits or loss from your business, trade, or profession. If you need more space, enclose a statement with the return listing any additional businesses and the related profit or loss.

To determine your New Jersey profit or loss, first complete a federal Schedule C (or Schedule C-EZ or F) for each business. Use the same accounting method (cash or accrual) that you used for federal purposes. Then, make the following adjustments:

1. Add any amount you deducted for taxes based on income.
2. Subtract interest you reported on federal Schedule C (or C-EZ or F) that is exempt for New Jersey purposes but taxable for federal purposes.
3. Add interest not reported on federal Schedule C (or C-EZ or F) from states or political subdivisions outside New Jersey that is exempt for federal purposes.
4. Deduct the remaining $50 \%$ of meal and entertainment expenses that were not allowed on the federal return.
5. Deduct your qualified contributions to a self-employed 401(k) Plan. Contributions that exceeded the federal limits are not deductible for New Jersey purposes.
6. Add interest and dividends derived in the conduct of a trade or business.
7. Add or subtract income or losses derived in the conduct of a trade or business from rentals, royalties, patents, or copyrights.
8. Add or subtract gains or losses from the sale, exchange, or other disposition of the trade or business's property.
9. Add or subtract the net adjustment from the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP, Part 1, line 7.
10. Subtract the New Jersey allowable IRC Section 199 deduction from Form 501-GIT, Domestic Production Activities Deduction.

If you are a sole proprietor who provides primary care services in a qualified medical or dental practice you own that is located in or within five miles of a designated Health Enterprise Zone (HEZ), you may be able to deduct a percentage of the net income from that practice on Line 33. See Technical Bulletin TB-56 for eligibility requirements and instructions for calculating the HEZ deduction.

See "Gains/Losses to be Reported on Other Lines" on page 47 before you complete Part IV.

New Jersey and federal depreciation and expense deduction limits are different. A New Jersey depreciation adjustment may be required for assets placed in service on or after January 1, 2004. Complete the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP to calculate the adjustment.

The New Jersey allowable IRC Section 199 deduction must be calculated on Form 501-GIT, Domestic Production Activities Deduction. You should take the result into consideration when calculating the net gain, income, or loss resulting from the rental of applicable property.

There is no distinction between active and passive losses for New Jersey purposes. You cannot carry back or carry forward such losses when reporting income on Form NJ-1040. You can deduct federal passive losses in full in the year incurred against any gain within the same category of income.

## Senior Gold Prescription Discount Program

Senior Gold Prescription Discount Program (Senior Gold) is a State-funded prescription program that helps eligible residents pay for prescribed legend drugs, insulin, and insulin supplies.

## Eligibility Requirements

You are eligible for Senior Gold if you meet the following requirements:

- You are a New Jersey resident;
- You are 65 or older or you are 18 or older and receiving Social Security Title II Disability benefits (you do not qualify if you are under age 65 and receiving these benefits on behalf of someone else);
- You meet certain income limits. The annual income limits for 2017 were between $\$ 26,655$ and $\$ 36,655$ if you are single or between $\$ 32,680$ and $\$ 42,680$ if you are married or in a civil union (Note: these limits may change for 2018); and
- If you are Medicare-eligible, you are required to enroll in a Medicare Part D Prescription Drug Plan of your choice. You will be responsible for paying the monthly premium directly to the Medicare Part D plan. You also will be responsible for paying any late enrollment penalty imposed by Medicare for each month you were eligible to enroll in Medicare Part D but did not enroll.

## Benefits

Senior Gold helps eligible New Jersey residents pay for prescription drugs, insulin, insulin needles and syringes, and needles for injectable medicines used for the treatment of multiple sclerosis. Only drugs approved by the Food and Drug Administration are covered. Drugs purchased outside the State of New Jersey are not covered, nor is any pharmaceutical product whose manufacturer has not agreed to provide rebates to the State of New Jersey. The Senior Gold card works together with Medicare Part D Prescription Drug Plans. Senior Gold can reduce out-of-pocket expenses associated with participation in Medicare Part D.

## Where to Get Information

For more information about the Senior Gold program call 1-800-792-9745 or visit the Department of Human Services' website at: www.state.nj.us/ humanservices/doas/home/seniorgolddetail.html

## Filing Information

- Your filing status and gross income determine whether you have to file a tax return.
- Age is not a factor in determining whether you must file. Even minors (including students) and senior citizens must file if they meet the income filing requirements.
- Gross income means reportable income after subtracting exclusions but before subtracting personal exemptions and deductions. It does not include nonreportable (exempt) income. See page 16 for a list of exempt (nonreportable) income.
- Members of the Armed Forces (and their spouses), see page 7 .
- Part-year nonresidents, see page 5.
- Compensation paid to Pennsylvania residents employed in New Jersey is not subject to New Jersey Income Tax. See page 5 for more information.

Use the chart to determine whether you must file a return. This chart is only a guide and may not cover every situation. If you need help, contact the Division's Customer Service Center (see outside back cover).

Spouse/Civil Union Partner. Any reference in this booklet to a spouse also refers to a spouse who entered into a valid same-sex marriage in another state or foreign nation and a partner in a civil union (CU) recognized under New Jersey law.
Domicile. A domicile is the place you consider your permanent home-the place where you intend to return after a period of absence (e.g., vacation, business assignment, educational leave). You have only one domicile, although you may have more than one place to live. Your domicile does not change until you move to a new location with the intent to establish your permanent home there and to abandon your New Jersey domicile. Moving to a new location, even for a long time, does not change your domicile if you intend to return to New Jersey.
Your home, whether inside or outside New Jersey, is not permanent if you

- You had New Jersey Income Tax withheld and are due a refund.
- You paid New Jersey estimated taxes for 2017 and are due a refund.

## Which Form to File

## Nonresident - Form NJ-1040NR

- New Jersey was not your domicile, and you spent 183 days or less here; or
- New Jersey was not your domicile, you spent more than 183 days here, but you did not maintain a permanent* home here.
Also you may be considered a nonresident for New Jersey tax purposes if you were domiciled in New Jersey and you met all three of the following conditions for the entire year:

1. You did not maintain a permanent home in New Jersey; and
2. You did maintain a permanent home outside New Jersey; and
3. You did not spend more than 30 days in New Jersey.

## Part-Year Resident - Form NJ-1040

- New Jersey was your domicile (permanent legal residence) for part of the year; or
- New Jersey was not your domicile, but you maintained a permanent* home here for part of the year and spent more than 183 days here. Members of the Armed Forces and their spouses, see page 7.
NoTE: You may have to file both a part-year resident and a part-year nonresident return if you received income from New Jersey sources while you were a nonresident (see page 5).

## Full-Year Resident - Form NJ-1040

- New Jersey was your domicile (permanent legal residence) for the entire year; or
- New Jersey was not your domicile, but you maintained a permanent* home here for the entire year and spent more than 183 days here. Members of the Armed Forces and their spouses, see page 7.
*A home (whether inside or outside New Jersey) is not permanent if it is maintained only during a temporary period to accomplish a particular purpose. A home used only for vacations is not a permanent home.
maintain it only for a temporary period to accomplish a particular purpose (e.g., temporary job assignment). If New Jersey is your domicile, you are considered a resident for New Jersey tax purposes unless you meet all three conditions for nonresident status (see chart). If New Jersey is not your domicile, you are only
considered a New Jersey resident if you maintain a permanent home and spend more than 183 days here.

## New Jersey Residents Working/Living

Abroad. If New Jersey is your domicile and you are considered a New Jersey resident for tax purposes (see chart above), you are subject to tax on income from all
sources (worldwide income) regardless of where you live. New Jersey residents living abroad are subject to the same filing and payment requirements, including estimated payment requirements (see "Estimated Tax" on page 11), as residents living in New Jersey.

## Married/Civil Union Couples and Fil-

 ing Status. If both you and your spouse were nonresidents of New Jersey during the entire tax year, and only one of you had income from New Jersey sources, that spouse can file a separate New Jersey return even if a joint federal return was filed. The spouse with income from New Jersey sources calculates income and exemptions as if a federal married, filing separate return had been filed. You have the option of filing a joint return, but in that case, your joint income would be reported in Column A of Form NJ-1040NR.If one spouse was a nonresident and the other a resident of New Jersey during the entire tax year and both had income from New Jersey sources, separate New Jersey returns can be filed (the nonresident files a nonresident return and the resident files a resident return). Each calculates income and exemptions as if federal married, filing separate returns had been filed. You have the option of filing a joint resident return, but in that case, your joint income would be taxed as if you both were residents.

## Pennsylvania Residents

Income From New Jersey. As a result of the Reciprocal Personal Income Tax Agreement between Pennsylvania and New Jersey, compensation paid to Pennsylvania residents employed in New Jersey is not subject to New Jersey Income Tax. Compensation means salaries, wages, tips, fees, commissions, bonuses, and other remuneration received for services rendered as an employee.

If New Jersey Income Tax was withheld from your wages, you must file a New Jersey nonresident return to get a refund. To stop the withholding of New Jersey Income Tax, complete a New Jersey Employee's Certificate of Nonresidence in

## TAXPAYERS' BILL OF RIGHTS

The New Jersey Taxpayers' Bill of Rights simplifies tax administration and ensures that all taxpayers-individuals and businesses alike-are better informed and receive fair and equitable treatment during the tax collection process. Highlights of the Taxpayers' Bill of Rights include:

## Service-

- Division must respond to taxpayers' questions within a reasonable time period.
- Notices of taxes and penalties due must clearly identify the purpose of the notice and must contain information about appeal procedures.

## Appeals-

- Time to appeal to the Tax Court is generally 90 days.

## Interest on Refunds-

- Interest is paid at the prime rate on refunds for all taxes when the Division takes more than six months to send you a refund.
- You can request that your overpayment of this year's tax be credited towards next year's tax liability, however, interest will not be paid on overpayments that are credited forward.
For more information on the rights and obligations of both taxpayers and the Division of Taxation under the Taxpayers' Bill of Rights, see publication ANJ-1, New Jersey Taxpayers' Bill of Rights.

New Jersey (Form NJ-165) and give it to your employer.

The Reciprocal Agreement covers compensation only. If you are self-employed or receive other income (for example, gain from sale of property) that is taxable in both states, you must file a New Jersey nonresident return and report the income received.

Column A. Complete Column A, Lines 14 through 26 , showing income from everywhere.
Column B. When Pennsylvania residents complete Column B, employee compensation from New Jersey sources should not be included on Line 14. For Pennsylvania residents Line 14 , Column B, is zero, so enter "0."

Withholdings. If New Jersey Income Tax was withheld, enter the amount from your W-2s on Line 45.

Signed Statement. Pennsylvania residents employed in New Jersey who had New Jersey Income Tax withheld in error must enclose a signed statement declaring the following, "Under penalties of perjury, I affirm that I am a resident of the Commonwealth of Pennsylvania and that, pursuant to an agreement existing between the Commonwealth and the State
of New Jersey, I claim exemption from payment of New Jersey Gross Income Tax on compensation paid to me in the State of New Jersey. I understand that under the agreement between Pennsylvania and New Jersey this information is available to the Commonwealth of Pennsylvania."

## Part-Year Nonresidents

Filing Requirements. If you became a resident of New Jersey or moved out of this State during the year, and your income from all sources for the entire year was more than the filing threshold amount for your filing status (see chart on page 4), you must file a resident return and report the portion of the income you received while you were a New Jersey resident.

If you received income from a New Jersey source while you were a nonresident, and your income from all sources for the entire year was more than the filing threshold amount for your filing status (see chart on page 4), you must file a New Jersey nonresident return. This is true even if the income reported for your period of nonresidence was equal to or below the threshold.

## Part-year nonresidents must prorate all exemptions, deductions, credits, and the pension and other retirement income exclusions to reflect the period covered by each return.

If you are filing to get a refund and your income from all sources for the entire year was equal to or less than the filing threshold amount, you must enclose a copy of your federal return. If you did not file a federal return, include a statement to that effect.

Note: If you had any income while you were a resident of New Jersey, you also may need to file a New Jersey resident return. Allocate your withholdings between the resident and nonresident returns. Include only the actual amount withheld while you were a New Jersey resident on your resident return, and include only the amount withheld while you were a nonresident on your nonresident return. For more information, see Form NJ-1040, New Jersey resident return and instructions.

## Line 14: Wages

Column A. Enter the portion of your wages earned while you were a nonresident. Include wages from sources both inside and outside New Jersey.

Column B. Enter the portion of your wages from New Jersey sources earned while you were a nonresident (unless you were a Pennsylvania resident).

## Other Income

Column A. Enter your interest, dividends, pensions, and all other income from sources both inside and outside New Jersey received while you were a nonresident. Partners and shareholders should see Tax Topic Bulletins GIT-9P, Income From Partnerships, or GIT-9S, Income From S Corporations, for instructions on reporting distributive share of partnership income and net pro rata share of S corporation income.

Column B. Enter only the income from New Jersey sources that you received while you were a nonresident. Partners and, in general, S corporation shareholders, must prorate the entity's income based on the number of days in the entity's fiscal year that the partner or

## AVOIDING COMMON MISTAKES

Check the following items to avoid mistakes that delay returns and refunds.
$\checkmark$ Check name, address, and Social Security number for accuracy. Be sure your Social Security number appears on all documents submitted with your return. Also indicate your state of residency in the space provided.
$\checkmark$ Use correct form for your tax situation (see chart on page 4).
$\checkmark$ Use only blue or black ink when completing forms.
$\checkmark$ Read the instruction booklet before completing the return.
$\checkmark$ Do not report a loss on Form NJ-1040NR.
$\checkmark$ Use "State wages" from Box 16 of your $\mathbf{W}$-2, NOT federal wages. You may need to adjust any amount received from employment outside New Jersey to reflect New Jersey tax law.
$\checkmark$ Enclose all W-2s with your return. Also enclose 1099-Rs and 1099-MISCs that list NJ withholdings.
$\checkmark$ Report estimated payments made in connection with the sale or transfer of real property in New Jersey on Line 46, NOT on Line 45.
$\checkmark$ Complete both Column A and Column B, Lines 14-26.
$\checkmark$ Use the correct column for your filing status in the Tax Table when calculating tax on Line 38.
$\checkmark$ Request a refund by completing Line 56 .
$\checkmark$ Enclose all necessary forms, schedules, and other documents with your return (see page 45).
$\checkmark$ Check your math.
$\checkmark$ Sign and date your return. Both spouses must sign a joint return.
$\checkmark$ Enclose a copy of the death certificate and check the box below the signature line if a refund is due and you want the check issued in the name of the surviving spouse or estate (see page 10).
$\checkmark$ Send only one return per envelope.
$\checkmark$ Keep a copy of your return and all supporting documents, schedules, and worksheets.
$\checkmark$ Make changes or correct mistakes to your original return by filing an amended return (see page 11).
shareholder was a nonresident divided by 365 (366 for leap years).

Line 27a: Pension Exclusion. If you were a New Jersey nonresident for only part of the tax year and had total income from all sources for the entire year of $\$ 100,000$ or less, and you met the other eligibility requirements, you qualify for a pension exclusion. Prorate the exclusion by the number of months you were a New Jersey nonresident. For this calculation, 15 days or more is a month.

Column B. No entry is necessary.
Line 27b: Other Retirement Income
Exclusion. If you (and/or your spouse if
filing jointly) were 62 or older on the last day of the tax year, you may qualify to exclude other income on Line 27b. There are two parts to the total exclusion. Part I is the unclaimed portion of your prorated pension exclusion. Part II is a special exclusion for taxpayers who cannot receive Social Security or Railroad Retirement benefits. Do not complete Worksheet D to calculate your total exclusion amount. Instead, calculate your total exclusion as follows:

Part I. Total the earned income (wages, net profits from business, partnership income, and $S$ corporation income) you received from all sources for the entire year. If this amount was $\$ 3,000$ or less
and you did not use your entire prorated pension exclusion on Line 27a, you may be able to use the unclaimed pension exclusion on Line 27 b if your total income from all sources for the entire year was $\$ 100,000$ or less.

Part II. If you cannot receive Social Security or Railroad Retirement benefits, but would have been eligible if you had fully participated in either program, you also may be eligible for an additional exclusion on Line 27b.

For more information, see Tax Topic Bulletin GIT-6, Part-Year Residents.

Line 30: Total Exemption Amount. You must prorate your total exemptions based on the number of months you were a New Jersey nonresident. For this calculation, 15 days or more is a month.
$\underset{\text { Exemptions }}{\text { Total }} \times \frac{\text { Mos. NJ Nonresident }}{12}=$ Line 30
See the instructions for Line 30 to calculate the "total exemption" amount to prorate.

## Lines 31 through 35: Deductions.

You may deduct the following based on the actual amounts paid during the time you were a nonresident of New Jersey:

- Medical expenses, qualified Archer medical savings account (MSA) contributions, and health insurance costs of the self-employed (use Worksheet E on page 26);
- Alimony and separate maintenance payments;
- Qualified conservation contributions.

In addition, eligible taxpayers may qualify for:

- A prorated Health Enterprise Zone (HEZ) deduction;
- An alternative business calculation adjustment based on the business income (losses) reported during their period of nonresidence.

## Line 45: Total New Jersey Income Tax

Withheld. You must determine from your W-2, W-2G, and/or 1099 statement(s) the amount of New Jersey Income Tax withheld from wages you earned or other payments you received while you were
a nonresident. If your W-2 includes only wages you earned while you were a nonresident, report the total New Jersey tax withheld on the W-2. If your employer combined your resident and nonresident wages on the W-2, include only tax withheld while you were a nonresident of New Jersey.

## Line 46: New Jersey Estimated Payments/Credit From 2016 Tax Return.

Enter the amount of estimated payments you made to New Jersey while you were a nonresident. If you made estimated payments both as a resident and as a nonresident, enter only the payments you made to meet your tax liability while you were a nonresident. Also enter any amount you paid to qualify for an extension of time to file.

## Part II: Allocation of Wage and Salary Income Earned Partly Inside and

Outside New Jersey. If you must complete Part II, use the total number of days for your period of nonresidence. Check the box at Line 14 if you complete this section.

For more information, see Tax Topic Bulletin GIT-6, Part-Year Residents.

## Military Personnel

## Determining Residency

A member of the Armed Forces whose home of record (domicile) is outside New Jersey does not become a resident of this State when assigned to a duty station here. He or she is a nonresident for Income Tax purposes.

A member of the Armed Forces whose home of record (domicile) was New Jersey when entering the service remains a resident of New Jersey for Income Tax purposes unless he or she qualifies for nonresident status (see chart on page 4). Your domicile does not change when you are temporarily assigned to duty in another state or country.

If your home of record (and domicile) is New Jersey and you are stationed outside the State and you are living aboard ship, in barracks, or billets, bachelor officer quarters, apartment, or house, and you do not intend to remain outside New Jersey, you remain a New Jersey resident for

Income Tax purposes. You are not considered to be maintaining a permanent home outside New Jersey. If you pay for and maintain an apartment or a home outside New Jersey, either by out-of-pocket payments or forfeiture of quarters allowance, that residence is considered a permanent home outside New Jersey. In this case, you will be considered a nonresident for Income Tax purposes.

## Filing Requirements

Residents. As a New Jersey resident, you are subject to tax on all your income, regardless of where it is earned, unless the income is specifically exempt from tax under New Jersey law. You must report your military pay, including combat pay, as taxable income on your New Jersey resident return, Form NJ-1040. Mustering-out payments, subsistence and housing allowances are exempt. For more information, see the resident return instructions.

Nonresidents. If you are a nonresident, your military pay is not subject to New Jersey Income Tax. You are not required to file a New Jersey return unless you received income from New Jersey sources other than military pay. Mustering-out payments, subsistence and housing allowances also are exempt. If you had income from New Jersey sources such as a civilian job in off-duty hours, income or gain from property located in New Jersey, or income from a business, trade, or profession carried on in this State, you must file a New Jersey nonresident return, Form NJ-1040NR. However, you should not report your military pay on the wages line in either Column A (Amount of gross income everywhere) or Column B (Amount from New Jersey sources) on Form NJ-1040NR.

Military pensions are exempt from New Jersey Income Tax. (See instructions for Line 21.)

If your permanent home (domicile) was New Jersey when you entered the military but you have changed your state of domicile, your military pay is not subject to New Jersey Income Tax. Your military pay also is not subject to New Jersey tax
if you met the following conditions for nonresident status:

- You did not maintain a permanent home in New Jersey; and
- You did maintain a permanent home outside New Jersey; and
- You did not spend more than 30 days in New Jersey.
If New Jersey Income Tax was withheld in error from your military pay, file a nonresident return to get a refund. You must enclose a signed statement that lists the three conditions for nonresident status above and states how you met each of these conditions. To stop future withholding, file Form DD-2058-1 or DD-2058-2 with your finance officer.

Spouses of Military Personnel. Under the federal Military Spouses Residency Relief Act, P.L. 111-97, (the "Act") a military servicemember's nonmilitary spouse is allowed to keep a tax domicile while moving from state to state, as long as he or she moves into a state to be with a spouse who is in the state on military orders.

If you are a nonmilitary spouse and you were domiciled outside New Jersey when you married (or entered into the civil union with) a member of the Armed Forces, you are not considered a New Jersey resident if:

- The principal reason for moving to this State was the transfer of your military spouse; and
- You maintain a domicile in another state; and
- You intend to leave New Jersey when your military spouse is transferred or leaves the service.

Under the Act, a nonmilitary spouse who meets these requirements is not subject to New Jersey Income Tax on earned income from services performed in New Jersey. If you are a nonmilitary spouse whose wages are exempt from New Jersey Income Tax, file Form NJ-165, Employee's Certificate of Nonresidence in New Jersey, with your employer to stop New Jersey Income Tax withholdings. You must notify your employer if
you no longer meet the conditions for the withholding exemption. If your employer withheld New Jersey Income Tax or you made estimated payments in error, you must file a nonresident return (Form NJ-1040NR) to get a refund. Enclose a statement explaining how your wages are exempt under the Act along with a copy of your spousal military identification card. Print MILITARY SPOUSE at the top of the return.

The Act applies only to earned income from services performed in New Jersey by a nonresident civilian spouse of a servicemember. Nonresident civilian spouses are subject to New Jersey Income Tax on all other types of income from New Jersey sources, such as gain from sale of property located in New Jersey, and must file a New Jersey nonresident return if required (see chart on page 4). Wages earned in New Jersey by a nonresident civilian spouse who lives outside New Jersey also are subject to New Jersey Income Tax and must be reported as income from New Jersey sources in Column B of Form NJ-1040NR. A nonresident civilian spouse who lives outside New Jersey cannot use Form NJ-165 to claim an exemption from New Jersey Income Tax withholding on wages earned in this State as the nonmilitary spouse of a servicemember.

New Jersey law requires that a married couple's filing status for New Jersey purposes be the same as for federal purposes, unless they are a civil union couple. A married couple filing a joint federal return must file a joint return in New Jersey. However, if both are nonresidents and only one had income from New Jersey, that spouse can file a separate New Jersey return. Another exception to this rule is when one spouse is a New Jersey resident and the other is a nonresident for the entire year. In this case, the resident can file a separate return unless both agree to file jointly as residents. If they file a joint resident return, their joint income will be taxed as if they were both residents.

## Extensions

Special rules apply to members of the Armed Forces of the United States and civilians providing support to the Armed

Forces. (See "Military Extensions" on page 9.)

## Death Related to Duty

When a member of the Armed Forces serving in a combat zone or qualified hazardous duty area dies as a result of wounds, disease, or injury received there, no Income Tax is due for the tax year the death occurred, or for any earlier years served in the zone or area.

For more information on military personnel (and the rules affecting their spouses), see Tax Topic Bulletin GIT-7, Military Personnel.

## When to File

In general, your New Jersey Income Tax return is due when your federal income tax return is due. If you are a calendar year filer, your 2017 New Jersey Income Tax return is due by April 17, 2018. If you are a fiscal year filer, you must file your New Jersey Income Tax return by the 15 th day of the fourth month following the close of the fiscal year.

Postmark Date. All New Jersey Income Tax returns postmarked on or before the due date of the return are considered filed on time. Tax returns postmarked after the due date are considered filed late. If the postmark date on your return is after the due date, the filing date for that return is the date the Division received your return, not the postmark date. Interest on unpaid liabilities is assessed from the due date of the return.

## Extension of Time to File

An extension of time is granted only to file your New Jersey Income Tax return. There is no extension of time to pay tax due. We will notify you only if we deny your extension request, but not until after you actually file your return. Penalties and interest are imposed whenever tax is paid after the original due date.

## Six-Month Extension

You can receive a six-month extension of time to file your New Jersey nonresident return only if you have paid at least $80 \%$ of your tax liability (Line 40 of the Form NJ-1040NR you file) through withholdings, estimated payments, or other payments by the original due date, and

1. Federal extension filed. You enclose a copy of your federal Application for Automatic Extension with your final return and check the box at the top of your NJ-1040NR (or enter your confirmation number in the space provided at the top of Form NJ-1040NR if you filed the extension application or payment online or by phone); or
2. No federal extension filed. You file a request for a six-month extension on Form NJ-630, Application for Extension of Time to File New Jersey Gross Income Tax Return, by the original due date of the return. Taxpayers who file Form NJ-630 will not receive an approved copy. We will notify you only if we deny your request, but not until after you actually file your return.

Note: If you file a federal extension, you must still file Form NJ-630 by the original due date if you need to make a payment to meet the $80 \%$ requirement.

Civil Union Couples. Civil union partners filing a joint return must either provide copies of the federal extension application (or confirmation number) for both partners, or they must file Form NJ-630.

## If you fail to meet the requirements outlined for an extension, or you fail to file your return by the extended due date, we will deny your extension request and impose penalties and interest from the original due date of the return. (See "Penalties, Interest, and Collection Fees" on page 12.)

There is an application for extension (Form NJ-630) at the front of this booklet. Do not use the preprinted Form NJ-630 if you filed a joint return last year and this year you are filing your return using only your own Social Security number, or you are filing a joint return with a different person. You also can file an extension application online until April 17, 2018, at www.njtaxation.org.

## Military Extensions

Special rules apply to members of the Armed Forces of the United States and
civilians providing support to the Armed Forces.

A person on active duty with the Armed Forces of the United States, who may not be able to file on time because of distance, injury, or hospitalization as a result of this service, will automatically receive a six-month extension by enclosing an explanation when filing the return.

Combat Zone. New Jersey allows extensions of time to file Income Tax returns and pay any tax due for members of the Armed Forces and civilians providing support to the Armed Forces serving in an area that has been declared a "combat zone" by executive order of the President of the United States or a "qualified hazardous duty area" by federal statute. Once you leave the combat zone or qualified hazardous duty area, you have 180 days to file your tax return. Enclose a statement with your return to explain the reason for the extension.

In addition, if you are hospitalized outside New Jersey as a result of injuries you received while serving in a combat zone or qualified hazardous duty area, you have 180 days from the time you leave the hospital or you leave the combat zone or hazardous duty area, whichever is later.

Enclose a statement of explanation with your return when you file. No interest or penalties will be assessed during a valid extension for service in a combat zone or qualified hazardous duty area. This extension also applies to your spouse if you file a joint return.

## How to Pay

You must pay the balance of tax due in full by the original due date of the return. You can make your payment by check or money order, electronic check (e-check), or credit card. If you owe less than $\$ 1$, you do not have to make a payment.

Check or Money Order. There is a payment voucher (Form NJ-1040NR-V) at the front of this booklet. If you owe tax and are sending the payment with your return, enter the amount of tax due in
the boxes on the voucher. Do not change any information that is preprinted on the voucher. Instead, make any necessary changes on your NJ-1040NR. Do not use the preprinted voucher if you filed a joint return last year and this year you are filing using only your own Social Security number, or you are filing a joint return with a different person. Form NJ-1040NR-V is available on the Division's website (www.njtaxation.org).

Make your check or money order payable to: State of New Jersey - TGI. Write your Social Security number on the check or money order. If you are filing a joint return, include the Social Security numbers for both of you in the same order the names are listed on the return. Send your payment for the balance due with the voucher in the same envelope with your tax return. (See "Where to Mail Your Return" on page 10.)

If you are paying a balance due for 2017 and also making an estimated payment for 2018, use separate checks or money orders for each payment. Send your 2018 estimated payment with an NJ-1040-ES voucher to the address on that payment voucher. Do not include the estimated payment with your 2017 Income Tax return.

Electronic Check (e-check). You may be able to pay your 2017 taxes or make an estimated payment for 2018 by e-check on the Division's website (www. njtaxation.org). If you do not have internet access, you can make an e-check payment by contacting the Division's Customer Service Center or by visiting a Regional Information Center (see outside back cover). Do not send in the payment voucher if you pay by e-check.

You will need your Social Security number and date of birth to make an e-check payment. The Social Security number you enter must match the first Social Security number shown on the form related to your payment, and the date of birth you enter must be the date of birth for that person.

You will need your bank's 9-digit routing number and your account number to pay by e-check. Do not enter the check number as part of the account number. Note: The routing and account numbers may be in different places on your check.

## Note:

(1) You must enter your Social Security number and date of birth properly, or you will not be able to pay by e-check.
(2) If you are filing a New Jersey return for the first time, or your filing status is different than the filing status on your 2016 return, you may not be able to pay by e-check.
(3) New Jersey will not accept e-check payments made using an account that is funded from a financial institution outside the United States.

Credit Card. You can pay your 2017 taxes or make an estimated tax payment for 2018 online (www.njtaxation.org) or by phone (1-888-673-7694) and use a Visa, American Express, MasterCard, or Discover credit card. You also can pay by credit card by contacting the Division's Customer Service Center or by visiting a Regional Information Center (see outside back cover). Fees apply when you pay by credit card. The fee is added to your actual tax payment. Do not send in the voucher if you pay your taxes by credit card.

## Time Limit for Assessing Additional

Taxes. The Division of Taxation has three years from the date you filed your return or the original due date of the return, whichever is later, to send you a bill for additional taxes you owe. There is no time limit if you did not file your return, or if you filed a false or fraudulent return with the intent to evade tax. The time limit may be extended if:

- You amended or the IRS adjusted your federal taxable income;
- You amended your New Jersey taxable income;
- You entered into a written agreement with the Division extending the time to make an assessment;
- You omitted more than $25 \%$ of your gross income on your New Jersey Income Tax return; or
- The Division issued an erroneous refund as a result of fraud or misrepresentation by you.

## Where to Mail Your Return

Use the envelope in your booklet to mail your NJ-1040NR, related enclosures, payment voucher, and check or money order for any tax due. Send only one return per envelope.

## Mail Your Return to:

State of New Jersey
Division of TaXation
Revenue Processing Center
PO Box 244
Trenton NJ 08646-0244

## Refunds

You must file a return to claim a refund for overpayment of tax. If the refund is $\$ 1$ or less, you must enclose a statement requesting it.

Time Period for Refunds. To get a refund, you generally must file your return within three years from the date the return was due (including extensions). If you and the Division agree in writing to extend the period of assessment, the period for filing a refund claim also will be extended.

Interest Paid on Refunds. If the Division takes more than six months to send your refund, you have a right to receive interest on that refund. Interest at the
prime rate, compounded annually, will be paid from the later of:

- The date the refund claim was filed;
- The date the tax was paid; or
- The due date of the return.

No interest will be paid when an overpayment is credited to the next year's tax liability.

Under New Jersey law, if you owe any money to the State of New Jersey, any of its agencies, the Internal Revenue Service, or another claimant state or city that has a personal income tax set-off agreement with New Jersey, we will deduct it from your refund or credit. These debts include, among other things, money you owe for past due taxes, child support due under a court order, school loans, hospital bills, and IRS levies. If the Division applies your refund or credit to any of these debts, we will notify you by mail.

## Deceased Taxpayers

If a person received income in 2017 but died before filing a return, the surviving spouse or personal representative (executor or administrator of an estate or anyone who is in charge of the decedent's personal property) should file the New Jersey return. The due date for filing is the same as for federal purposes.

Filing Status. Use the same filing status that was used on the final federal income tax return, unless the decedent was a partner in a civil union. (See "Filing Status" on page 13.)

## Name and Address

- Joint return. Write the name and address of the decedent and the surviving spouse in the name and address fields.
- Other filing status. Write the decedent's name in the name field and the personal representative's name and address in the remaining fields. Print "Deceased" and the date of death above the decedent's name.

Exemptions and Deductions. Prorate exemptions or deductions only if the decedent was a resident of New Jersey for part of the year and a nonresident for part of the year.

## Signatures

- Personal representative. A personal representative filing on behalf of a deceased taxpayer must sign the return in his or her official capacity. If it is a joint return, the surviving spouse also must sign.
- No personal representative. If filing a return when there is no personal representative for the deceased, the surviving spouse signs the return and writes "Filing as Surviving Spouse" or "Filing as Surviving Civil Union Partner" in the signature section.

If there is no personal representative and there is no surviving spouse, the person in charge of the decedent's property must file and sign the return as "personal representative."

TAXIf there is a refund due and you want the Division to issue the check to the decedent's surviving spouse or estate:

- Check the box below the signature line; and
- Enclose a copy of the decedent's death certificate.

Income in Respect of a Decedent. If you had the right to receive income that the deceased person would have received had he or she lived, and the income was not included on the decedent's final return, you must report it on your own return when you receive it. Include the income on Line 25 as "Other" income.

## Estates and Trusts

Filing Requirements for Estates and
Trusts. The fiduciary of an estate or trust may be required to file a New Jersey Income Tax return for that estate or trust. The return must be filed on a New Jersey Fiduciary Return, Form NJ-1041. The fiduciary also must provide each beneficiary with a New Jersey Schedule NJK-1, which shows the beneficiary's share of the estate or trust income actually distributed or required to be distributed during the tax year.

Revocable grantor trusts must file Form NJ-1041 when there is sufficient nexus with New Jersey and the statutory filing requirement is met. For more information, see the NJ-1041 instructions.

## Filing Requirements for Beneficiaries.

The net income earned by an estate or trust does not retain its character (i.e., interest, partnership income); rather, it is a specified income category - "Net Gains or Income Derived Through Estates or Trusts." You must report the Total Distribution and New Jersey Source Income shown on your Schedule NJK-1, Form NJ-1041 as net income from estates or trusts on Line 25, Other Income. If you did not receive a Schedule NJK-1, you must adjust the interest, dividends, capital gains, business or partnership income, etc., listed on your federal K-1 to reflect New Jersey tax law. Net the adjusted amounts, and include the total on Line 25. Enclose a copy of your NJK-1 or federal K-1 with your return.

If the income from a grantor trust is reportable by or taxable to the grantor for federal income tax purposes, it also is taxable to the grantor for New Jersey Income Tax purposes. See instructions for Line 25 for reporting requirements.

## Partnerships

A partnership is not subject to Gross Income Tax. Individual partners are subject to tax on the income they earned from the partnership under the Internal Revenue Code and the New Jersey Gross Income Tax Act. See page 22 for information on reporting income from a partnership. Every partnership that has a New Jersey resident partner or income from New Jersey sources must file a New Jersey Partnership Return, Form NJ-1065, by the 15th day of the fourth month following the close of the partnership's tax year. For more information on partnership filing, see Form NJ-1065 and instructions.

## Estimated Tax

Estimated tax means the amount that you estimate to be your Income Tax for the tax year after subtracting withholdings and other credits.

TAXYou must make estimated payments using Form NJ-1040-ES if your estimated tax is more than $\$ 400$. Instructions for calculating your estimated tax and making the payments accompany the form. Review the amount of New Jersey Income Tax on your expected income (after deductions and credits) to determine if you need to make estimated payments for 2018.

You can avoid making estimated payments by asking your employer to withhold more tax from your wages. To do this, complete Form NJ-W4 and give it to your employer. Failure to file a Declaration of Estimated Tax or to pay all or part of an underpayment will result in interest charges on the underpayment.

Underpayment of Estimated Tax. If you failed to make all of the required estimated payments, you should complete Form NJ-2210, Underpayment of Estimated Tax by Individuals, Estates or Trusts, to determine if interest is due and calculate the amount. Enter on Line 43 the amount of interest due from line 19, Form NJ-2210. Check the box at Line 43 and enclose Form NJ-2210 with your return.

For more information, see Tax Topic Bulletin GIT-8, Estimating Income Taxes.

## Amended Returns

If you received an additional tax statement (W-2 or 1099) after filing your return, or you found that you made a mistake on your return, file an amended nonresident return by completing a new NJ-1040NR and writing AMENDED across the top. If you are amending an item that requires supporting documentation, enclose the applicable document, schedule, or form. If your original return was filed electronically, enclose all supporting documents (W-2, NJK-1, etc.) that you would have enclosed if you had filed the original return on paper - including those that support items that are not being amended. Do not use Form NJ-1040X to amend a nonresident return.

## Changes in Your Federal Income Tax.

If you receive a notice that the Internal Revenue Service changed your reported income, and that change alters your New Jersey taxable income, you must notify the Division of the change in writing within 90 days. File an amended tax return and pay any additional tax due. If you file an amended federal return that changes your New Jersey taxable income, you must file an amended New Jersey return within 90 days.

## Accounting Method

Use the same accounting method for New Jersey Income Tax that you used for federal income tax purposes. Income must be recognized and reported in the same period as it is recognized and reported for federal purposes.

## Rounding Off to Whole Dollars

When completing your return and the accompanying schedules, you can show the money items in whole dollars. If you round off, do so for all amounts. To round, drop any amount under 50 cents, and increase any amount 50 cents or more to the next dollar. If you have to add two or more items to calculate the total to enter on a line, include cents when adding the items and round off only the total. When rounding, enter zeros in the space provided for cents.

## Penalties, Interest, and Collection Fees

Penalty and interest should be included with the payment of any tax due.

## Late Filing Penalty

$5 \%$ per month (or part of a month) up to a maximum of $25 \%$ of the outstanding tax liability when you file a return after the due date or extended due date. A penalty of $\$ 100$ for each month the return is late also may be imposed.

## Late Payment Penalty

$5 \%$ of the outstanding tax balance may be imposed.

## Interest

$3 \%$ above the prime rate for every month or part of a month the tax is unpaid, compounded annually. At the end of each calendar year, any tax, penalties, and interest remaining due (unpaid) will become part of the balance on which interest is charged.

## Collection Fees

In addition, if your tax bill is sent to our collection agency, a referral cost recovery fee of $10.7 \%$ of the tax due will be added to your liability. If a certificate of debt is issued for your outstanding liability, a fee for the cost of collection of the tax may also be imposed.

## Signatures

Sign and date your return in blue or black ink. Both spouses must sign a joint return. The signature(s) on the form you file must be original; photocopied signatures are not acceptable. We cannot process a return without the proper signatures and will return it to you. This causes unnecessary processing delays and may result in penalties for late filing.

Preparer Authorization. Because of the strict provisions of confidentiality, Division of Taxation personnel cannot discuss your return or enclosures with anyone other than you without your written authorization. If you want a Division of Taxation representative to discuss your tax return with the person who signed your return as your "Paid Tax Preparer," check the box above the preparer's signature line to give your permission.

Tax Preparers. Anyone who prepares a return for a fee must sign the return as a "Paid Preparer" and enter his or her Social Security number or federal preparer tax identification number. Include the company or corporation name and federal identification number, if applicable. A tax preparer who fails to sign the return or provide a tax identification number may incur a $\$ 25$ penalty for each omission. Someone who prepares your return but does not charge you should not sign your return.

Note: Preparers that reasonably expect to prepare 11 or more individual resident Income Tax returns (including those filed for trusts and estates) during the tax year must use electronic methods to file those returns if an electronic filing option is available. A tax preparer is liable for a penalty of $\$ 50$ for each return he or she fails to file electronically when required to do so.

## Keeping Tax Records

Keep copies of your tax returns and the supporting documentation of income, age and/or disability, veteran status, deductions, and credits until the statute of limitations has expired for each return. Generally, this is three years after the filing date or two years from the date the tax was paid, whichever is later.

## Privacy Act Notification

The federal Privacy Act of 1974 requires an agency requesting information from individuals to inform them why the request is being made and how the information is being used.

The Division of Taxation uses your Social Security number primarily to account for and give credit for tax payments. We also use Social Security numbers to administer and enforce all tax laws for which we are responsible.

## Federal/State Tax Agreement

The Division of Taxation and the Internal Revenue Service have entered into a Federal/State Agreement to exchange Income Tax information in order to verify the accuracy and consistency of information reported on federal and New Jersey Income Tax returns.

## Fraudulent Return

Anyone who deliberately fails to file a return, files a fraudulent return, or attempts to evade the tax in any manner may be liable for a penalty up to $\$ 7,500$, or imprisonment for three to five years, or both.

## Name and Address

Place the peel-off label at the front of this booklet in the name and address section at the top of the return. Do not use the label if any of the information is
incorrect. If your label contains incorrect information or you do not have a label, print or type your name (last name first), complete address, and zip code in the spaces provided. If you are filing jointly, include your spouse's name. Your refund and next year's form will be sent to the address you provide. If your legal residence and the address on the return are different, enclose a statement of explanation to avoid a processing delay.

TAXCheck the "Change of Address" box if your address has changed since you last filed a New Jersey return or if any of the address information on your label is incorrect.

## Social Security Number

To protect your privacy, your Social Security number is not printed on your name and address label. You must enter your Social Security number in the spaces provided on the return. If you are filing jointly, enter both filers' numbers in the same order as the names.
If you (or your spouse) do not have a Social Security number, file Form SS-5 with the Social Security Administration to apply for one. Taxpayers who are not eligible for a Social Security number must file Form W-7 with the Internal Revenue Service to get an individual taxpayer identification number (ITIN). Enter on your NJ-1040NR the same number (Social Security number or ITIN) that you entered on your federal return. If you (or your spouse) applied for but have not received an ITIN by the return due date, enclose a copy of your federal Form W-7 application with your New Jersey return
Note: You cannot use a copy of Form W-7 (or W-7A) in place of a valid Social Security number, ITIN, or ATIN for a dependent when completing Line 13, Dependents' Information.

## State of Residency

Indicate the place outside New Jersey where you resided for the period covered by this return.

## NJ Residency Status

If you were a New Jersey resident for any part of the tax year, list the month, day, and year your residency began and the month, day, and year it ended.

## Filing Status (Lines 1-5)

In general, you must use the same filing status on your New Jersey return as you do for federal purposes. Indicate the appropriate filing status. Check only one box.
Civil Unions. Partners in a civil union recognized under New Jersey law must file their New Jersey Income Tax returns using the same filing statuses as spouses under New Jersey Gross Income Tax Law. Civil union partners cannot use the filing status single.
More information on civil unions, including legally sanctioned same-sex relationships established outside New Jersey, is available on the Division's website (www.njtaxation.org).
 Any reference in this
booklet to a spouse also
refers to a spouse who entered into a valid same-sex marriage in another state or foreign nation and a partner in a civil union (CU) recognized under New Jersey law.
Single. Your filing status is single if you are not married or not a partner in a civil union on the last day of the tax year, and you do not qualify to file as head of household or qualifying widow(er)/surviving CU partner (see below).

Married/Civil Union Couples. If both you and your spouse were nonresidents for the entire tax year, and only one of you had income from New Jersey sources, that spouse can file a separate New Jersey return even if a joint federal return was filed. The spouse with income from New Jersey sources calculates income and exemptions as if a federal married, filing separate return had been filed. You have the option of filing a joint return, but in that case, your joint income would be reported in Column A of Form NJ-1040NR.

If one spouse was a nonresident and the other a resident during the entire tax year and both had income from New Jersey sources, separate New Jersey returns can be filed (the nonresident files a nonresident return and the resident files a resident return). Each calculates income and exemptions as if federal married, filing separate returns had been filed. You have the option of filing a joint resident return, but in that case, your joint income would be taxed as if you both were residents.
If you are filing separately, enter your spouse's Social Security number in the spaces provided under Line 3.
NOTE: You can file jointly or separately only if you were married or a partner in a civil union on the last day of the tax year.
Head of Household. If you meet the requirements to file as head of household for federal purposes, you can file as head of household for New Jersey. Certain married individuals/civil union partners living apart can file as head of household for New Jersey if they meet the requirements for federal purposes.

## Qualifying Widow(er)/Surviving CU

Partner. If your spouse died during 2017, you can file a joint return for the two of you as long as you did not remarry or enter into a new civil union before the end of the year. You can use the filing status "qualifying widow(er)/surviving CU partner" for 2017 only if your spouse/ CU partner died in either 2015 or 2016, you did not remarry or enter into a new civil union before the end of 2017, and you met the other requirements to file as qualifying widow(er) with dependent child for federal purposes.
Domestic Partners. If you were a member of a domestic partnership registered in New Jersey, you are not considered to be married or in a civil union. Do not use either the joint or separate filing statuses at Lines 2 and 3. However, if you also entered into a legally sanctioned same-sex relationship outside New Jersey, you may still be able to use the joint or separate filing statuses for married/CU couples.

For more information, see the Division's website (www.njtaxation.org) and Tax Topic Bulletin GIT-4, Filing Status.

## Exemptions

## Line 6: Regular Exemptions

You can claim an exemption for your domestic partner if you were a member of a domestic partnership that was registered in New Jersey on the last day of the tax year, but only if he or she does not file a New Jersey return. An additional exemption also is available for your spouse if he/she was blind or disabled on the last day of the tax year and you are filing a joint return. You cannot claim this exemption for a domestic partner or for your dependents. "Disabled" means total and permanent inability to engage in any substantial gainful activity because of any
physical or mental impairment, including blindness. You must enclose a copy of the doctor's certificate or other medical records evidencing legal blindness or total and permanent disability with your return the first time you claim the exemption(s). for the student. Financial aid received by the student is not calculated into your cost when totaling one-half of your dependent's tuition and maintenance. However, the money earned by students in College Work Study programs is income and is taken into account.
Enter the number of exemptions for your qualified dependents attending colleges on Line 11.

## Line 12a and 12b: Totals

Add Lines 6, 7, 8, and 11 and enter the total on Line 12a.

You cannot claim this exemption for a domestic partner or for your dependents. ## Gubernatorial Elections Fund

The Gubernatorial Elections Fund, financed by taxpayer-designated $\$ 1$ contributions, provides partial public financing to qualified candidates for the office of Governor of New Jersey. With its contribution and expenditure limits, the Gubernatorial Public Financing program has since 1977 assisted in 75 candidacies, allowing candidates to conduct their campaigns free from the improper influence of excessive campaign contributions. Operation of the program also has permitted candidates of limited financial means to run for election to the State's highest office. As a condition of their receipt of public financing, candidates must agree to participate in two debates, which provide the public with an opportunity to hear the views of each candidate. For more information on the Gubernatorial Public Financing Program, contact the New Jersey Election Law Enforcement Commission
at 1-888-313-ELEC (toll-free within New Jersey) or 609-292-8700 or write to:
NJ Election Law Enforcement Commission PO Box 185
Trenton NJ 08625-0185
Lists of contributors to gubernatorial candidates and copies of reports filed by gubernatorial candidates are available on the Election Law Enforcement Commission website at: www.elec.state.nj.us.

Participation in the \$1 Income Tax checkoff protects the continuity and integrity of the Gubernatorial Elections Fund by providing that funds will be reserved for future gubernatorial elections, thereby deterring the use of needed funding for other purposes. If you want to designate $\$ 1$ to go to help candidates for governor pay campaign expenses, check the "Yes" box in the Gubernatorial Elections Fund section of the return. If you are filing a joint return, your spouse also may designate $\$ 1$ to this fund by checking "Yes."
Checking the "Yes" box will not in any way increase your tax liability or reduce your refund.

## Driver's License Number

Enter your Driver's License or state Non-Driver Identification Card number, including the two-letter abbreviation of the issuing state. Providing this information is voluntary. If filing jointly, enter the number of the person whose Social Security number is listed first on the return. If that spouse does not have an identification number, enter the other spouse's. If you and/or your spouse do not have one of these, leave the boxes blank. We may use this information to validate your identity in our effort to combat identity theft and fraudulent filing.

In Column A, report your gross income from all sources (both inside and outside New Jersey). These amounts cannot be copied from the amounts reported on the federal return. The income you report is what would be taxable if you were a New Jersey resident. Married/civil union couples filing a joint return must
report the income of both spouses in Column A, even if only one had income from New Jersey.

In Column B, enter your income from New Jersey sources. For every entry in

Column A, there must be an entry on the corresponding line in Column B. If none of your income is from New Jersey sources, enter " 0 " in Column B. Your final tax liability is based on the percentage of your income from New Jersey sources.

Gross income means all income you received in the form of money, goods, property, and services unless specifically exempt by law.

Reporting Losses. If you have a net loss in any category of income, follow these principles when completing Lines 14-25 of your NJ-1040NR:

- You cannot report a loss as such (e.g., in parentheses or as a negative number) on your NJ-1040NR.
- You can apply a loss in one category against other income in the same category. For example, you can subtract gambling losses from gambling winnings during the tax year.
- You cannot apply a net loss in one category of income against income or gains in a different category on your NJ1040NR. For example, you cannot subtract a net loss from the sale of property from net income in any other categories (wages, partnership income, etc.).
- If you have a net loss in any income category, make no entry on that line of your NJ-1040NR. Do not enter zero. Do not enter the amount of the loss in parentheses or as a negative number.
- No carryback or carryover of losses is allowed when reporting income on your NJ-1040NR.

## Line 14: Wages, Salaries, Tips, etc.

## Column A

Enter the total wages, salaries, tips, fees, commissions, bonuses, and other payments you received for services performed as an employee. Include all payments, whether in cash, benefits, or property.
Enter the total of State wages, salaries, tips, etc., from all employment both inside and outside New Jersey. Take the amount from the "State wages" box on your W-2s. (See Box 16 on the sample W-2 on page 17.) You must enclose all $\mathrm{W}-2 \mathrm{~s}$ with your tax return.

Note: The "State wages" figure on your W-2s from employment outside New Jersey may need to be adjusted to reflect New Jersey tax law.

Nonresident servicepersons, see page 7.
Do not include pension and annuity income or early retirement benefits on Line 14. Report this income on Line 21.

Retirement Plans. Under New Jersey law, contributions to retirement plans (other than 401 (k) Plans) are included in State wages on the W-2 in the year the wages are earned. This may cause your State wages (Box 16) to be higher than your federal wages (Box 1).

Meals and/or Lodging. You can exclude meals and/or lodging reported as wages on your W-2 if:

1. The meals and/or lodging were provided on the business premises of your employer; and
2. The meals and/or lodging were provided for the convenience of your employer; and
For lodging only:
3. You were required to accept the lodging as a condition of your employment.

If you exclude the value of meals and/ or lodging from your wages, you must enclose a signed statement explaining how you met these conditions. If you do not enclose the statement, your wages will be changed back to the full amount shown on your W-2.

New Jersey State Police officers cannot exclude food and maintenance payments received as part of their union contract. These payments do not meet the criteria above.

## Employee Business Expenses.

Employee business expenses are not deductible for New Jersey tax purposes. However, you can exclude reimbursements for employee business expenses reported as wages on your W-2 if:

1. The reimbursements are for job-related expenses;
2. You are required to and do account for these expenses to your employer; and
3. You are reimbursed by your employer in the exact amount of the allowable expenses.

If you received excludable reimbursements for employee business expenses that were included in wages on your W-2, enclose a statement explaining the amount you are excluding and your reasons. Also enclose a copy of your federal Form 2106.

Federal Statutory Employees. If you are considered a "statutory employee" for federal tax purposes, you cannot deduct your business expenses unless you are self-employed or an independent contractor under New Jersey law. The federal label of "statutory employee" has no meaning for New Jersey tax purposes. Business expenses can only be deducted

Sample W-2 (This form is for illustration only and is not reproducible.)

from the business income of a selfemployed individual. See the instructions for Schedule NJ-BUS-1, Part I (Net Profits From Business) on page 32.

Moving Expenses. Moving expenses are not deductible for New Jersey tax purposes. However, you can exclude reimbursements for the following moving expenses if you met the federal requirements to claim moving expenses and the expenses were included in wages on your W-2.

1. The cost of moving your household goods and personal effects from the old home to the new home.
2. The actual expenses you incurred for traveling, meals, and lodging when moving yourself and your family from your old home to your new home.

Reimbursements for any other moving expenses cannot be excluded from income.

If you received excludable reimbursements for moving expenses that were included in wages on your W-2, enclose a statement explaining the amount you are excluding and your reasons. Also enclose a copy of your federal Form 3903.

## Compensation for Injuries or Sickness.

 Certain amounts received for personal injuries or sickness are not subject to tax. You can exclude such amounts included as wages on your W-2 if:1. The payments were compensation for wage loss that resulted from absence due to your injury or sickness; and
2. The payments were due and payable under an enforceable contractual obligation under the plan; and
3. The payments were not related to sick leave wage continuation, which is largely discretionary and payments are made regardless of the reason for $a b-$ sence from work.

If such payments are included in wages on your W-2, enclose Form NJ-2440.

## Column B

Enter the portion of your wages, salaries, etc. that comes from New Jersey sources. If zero, enter " 0 ."

Pennsylvania residents, see page 5. Nonresident servicepersons and nonmilitary spouses of military personnel, see page 7 .

If you had wage/salary income earned partly inside and partly outside New Jersey, and you cannot easily determine the amount of income from New Jersey, see Part II on page 31.

TAXCheck the box at Line 14 if you complete Lines 61-67 (Part II, Allocation of Wage and Salary Income Earned Partly Inside and Outside New Jersey).

Do not use Part II if your wage/salary income is based on volume (the amount of sales or amount of business transacted). Instead, enter on Line 14 the portion of your wage/salary income calculated using the following formula:
 Total Vol.

The location where the services or sales were actually performed is the deciding factor when determining where the business was transacted. You must enclose an explanation of how you calculated the amount of wage/salary income.

## Line 15: Interest Income

## Column A

Enter all of your reportable interest from sources both inside and outside New Jersey on Line 15, Column A. New Jersey reportable interest income includes interest from the following:

- Banks;
- Savings and loan associations;
- Credit unions;
- Savings accounts;
- Earnings on nonqualified distributions from qualified state tuition program accounts, including the New Jersey Better Educational Savings Trust program (NJBEST) accounts;
- Earnings on nonqualified distributions from qualified state 529A Achieving a Better Life Experience program (ABLE) accounts;
- Distributions from Coverdell education savings accounts (ESAs), but only the earnings portion;
- Checking accounts;
- Bonds and notes;
- Certificates of deposit;
- Ginnie Maes;
- Fannie Maes;
- Freddie Macs;
- Repurchase agreements;
- Life insurance dividends;
- Obligations of states and their political subdivisions, other than New Jersey;
- Any other interest not specifically exempt.

If the amount on Line 15 , Column A, is more than $\$ 1,500$, enclose a copy of Schedule B, federal Form 1040 or 1040A.

## Interest to be Reported on Other Lines.

If you received interest that was earned and paid to a sole proprietorship, a partnership, an $S$ corporation, or an estate or trust, do not include the interest on Line 15. Your portion of the interest from these sources will be included as follows:

- Sole proprietorship: Schedule NJ-BUS-1, Part I.
- Partnership: Schedule NJ-BUS-1, Part III.
- S Corporation: Schedule NJ-BUS-1, Part IV.
- Estate or Trust: Form NJ-1040NR, Line 25 (Grantor Trusts, see the instructions for Line 25.)

Note: If you received a Form 1099 from a partnership or an S corporation for interest paid or deemed to have been paid to you, you must include that interest on Line 15, Column A.

For more information on reporting partnership or $S$ corporation income, see Tax Topic Bulletins GIT-9P, Income From Partnerships, or GIT-9S, Income From S Corporations.

## Forfeiture Penalty for Early With-

drawal. If you incur a penalty by withdrawing a time deposit early, you can subtract the amount of the penalty from your interest income.

Tax-Exempt Interest Income. Do not report tax-exempt interest on Line 15.

New Jersey tax-exempt interest income includes interest from:

- Obligations of the State of New Jersey or any of its political subdivisions;
- Direct federal obligations such as U.S. Savings Bonds and Treasury Bills, Notes, and Bonds;
- Earnings on qualified distributions from qualified state tuition program accounts, including the New Jersey Better Educational Savings Trust program (NJBEST) accounts;
- Earnings on qualified distributions from qualified state 529A Achieving a Better Life Experience program (ABLE) accounts;
- Sallie Maes;
- CATS;
- TIGRs;
- Certain distributions from "New Jersey Qualified Investment Funds";
- Distributions paid by mutual funds to the extent the distributions are attributable to interest earned on federal obligations.

## New Jersey Qualified Investment

Funds. A New Jersey Qualified Invest-
ment Fund is a regulated investment company in which at least $80 \%$ of the fund's investments (other than cash or receivables) are obligations issued either directly by the federal government or the State of New Jersey or any of its political subdivisions. The Fund must complete and keep Form IF-1, Certification of Qualified Investment Fund, to document its status. This certification does not need to be filed with the Division of Taxation but must be made available upon request.

If you received a distribution from a qualified investment fund, you can exclude from your income the portion of the distribution that comes from the qualified exempt obligations. Report any taxable portion as dividends on Line 16. By February 15 , shareholders should be notified by the New Jersey qualified investment fund of the portion of their distribution that can be excluded from income. Contact your broker to determine whether your fund qualifies.

## Do not include interest earned on your

 IRA(s) on Line 15. If you made a withdrawal from your IRA, see the instructions for Line 21.For more information on tax-exempt interest income, see Tax Topic Bulletin GIT-5, Exempt Obligations.

## Column B

Do not report interest from personal accounts. Only report interest received as a result of a business or profession carried on in New Jersey and not properly reportable as net profits from business, distributive share of partnership income, net income from estates or trusts, or net pro rata share of S corporation income on Line 15, Column B. (See instructions for Line 15, Column A.)

## Line 16: Dividends

## Column A

Enter the dividends you received during the year from investments (e.g., from stocks, mutual funds) or other incomeproducing activities that do not constitute a trade or business. The total reportable dividends received, regardless of where earned, must be included.

## Dividends to be Reported on Other

Lines. If you received dividends that were earned and paid to a sole proprietorship, a partnership, an $S$ corporation, or an estate or trust, do not include the dividends on Line 16. Your portion of the dividends from these sources will be included as follows:

- Sole proprietorship: Schedule NJ-BUS-1, Part I.
- Partnership: Schedule NJ-BUS-1, Part III.
- S Corporation: Schedule NJ-BUS-1, Part IV.
- Estate or Trust: Form NJ-1040NR, Line 25 (Grantor Trusts, see the instructions for Line 25).

For more information on reporting partnership or $S$ corporation income, see Tax Topic Bulletins GIT-9P, Income From Partnerships, or GIT-9S, Income From S Corporations.

Capital Gains Distributions. Do not report capital gains distributions you received from mutual funds or other regulated investment companies on this line. This income is reported on Line 58, Part I (see page 31).

Tax-Free Distributions. A distribution that is a return of your investment or capital and does not come from earnings or profits is a nontaxable capital or tax-free distribution. These distributions reduce the basis of the stock or investment and are not taxable until your investment is fully recovered.

Insurance Premiums. Dividends you received from insurance companies are not reportable unless the amount you received is more than the premiums paid. Any interest from accumulated insurance dividends is reportable and you must include it on Line 15, Column A.

## Column B

Do not report dividends from personally held securities. Only report dividends received as a result of a business or profession carried on in New Jersey and not properly reportable as net profits from business, distributive share of partnership income, net income from estates or trusts, or net pro rata share of S corporation income on Line 16, Column B. (See instructions for Line 16, Column A.)

## Line 17: Net Profits From Business

## Column A

Complete Part I of Schedule NJ-BUS-1, Business Income Summary Schedule, and enter on Line 17, Column A, the amount from Line 4 of Part I. If the amount on Line 4 is a loss, enter " 0 " on Line 17, Column A. Enclose Schedule NJ-BUS-1 and a copy of the federal Schedule C (or $\mathrm{C}-\mathrm{EZ}$ or F ) for each business with your return (see page 32 ).

## Column B

Enter the portion of your business income that comes from New Jersey sources. If zero, enter " 0 ." If you carry on business both inside and outside New Jersey, you must complete and enclose Form NJ-NR-A for each business.

Do not include in Column B net profits (or losses) that you received from a business entity located in New Jersey if the business entity's only activity is the purchase, holding, or sale of intangible personal property, such as securities or commodities, and such intangible personal property is not held for sale to customers. You must include such net profits in Column A.

## Line 18: Net Gains or Income From Disposition of Property

## Column A

Enter your net gains from Part I, Line 60.
If the amount on Line 60 is zero, enter
" 0 " on Line 18, Column A (see page 31).

## Column B

Enter your net gains or income from New Jersey sources. If zero, enter " 0 ."

Line 19: Net Gains or Income From Rents, Royalties, Patents, and Copyrights

## Column A

Complete Part II of Schedule NJ-BUS-1, Business Income Summary Schedule, and enter on Line 19, Column A, the amount from Line 4 of Part II. If the amount on Line 4 is a loss, enter " 0 " on Line 19, Column A. Enclose Schedule NJ-BUS-1 with your return (see page 32).

## Column B

Enter your net gains or income from New Jersey sources. If zero, enter " 0 ."

## Line 20: Net Gambling Winnings

## Column A

Enter your net gambling winnings from both inside and outside New Jersey. You can deduct your gambling losses from your winnings that occurred in the same year. If the net amount is zero or less, enter " 0 ."

New Jersey Lottery winnings from prize amounts over $\$ 10,000$ are taxable for New Jersey purposes. The individual prize amount determines taxability, not the total New Jersey Lottery winnings over the year. Do not include any New Jersey Lottery winnings from prizes of $\$ 10,000$ or less. However, you can subtract your New

Jersey Lottery losses from your other gambling winnings.
You must be able to prove the gambling losses you used to reduce the winnings reported on your New Jersey return. Proof of losses may include a daily log or journal of wins and losses, canceled checks, losing race track pari-mutuel tickets, losing lottery tickets, etc. Letters from casinos that "rate" the gambling activity of an individual or "estimate" losses are acceptable as part of the evidence required to prove losses.

If you net gambling winnings with gambling losses, you should enter the total winnings and total losses on a supporting schedule. Although no specific schedule is required to prove gambling losses, it may eliminate certain questions if your return is selected for audit.

For more information, see Technical Bulletin TB-20(R).

## Column B

Enter your net gambling winnings from New Jersey sources. Gambling losses from sources outside New Jersey cannot be used to offset gambling winnings from New Jersey sources. If zero, enter " 0 ."

## Line 21: Pensions, Annuities, and IRA Withdrawals

## Column A

Enter on Line 21, Column A, your reportable pensions, annuities, and certain IRA withdrawals. See page 21 for information on Roth IRAs. Pensions, annuities, and IRA withdrawals are reportable on the New Jersey return, although the reportable amount may be different from the federal amount.

TAXIf you (and/or your spouse if filing jointly) were 62 or older or disabled, you may be able to use the exclusions on Lines 27 a and 27 b to reduce your income. (See the instructions on page 24.)

All state and local government, teachers', and federal pensions, and Keogh Plans are treated the same way as pensions from the private sector. Amounts received as "early retirement benefits" and amounts reported as pension on

Schedule NJK-1, Partnership Return Form NJ-1065, also are reportable.

Social Security and Railroad Retirement benefits are not taxable. Do not include these amounts on Form NJ-1040NR.

Pension payments received because of total and permanent disability are not reportable until the year you reach age 65 . If you continue to receive pension payments after you turn 65 , your disability pension is treated as ordinary pension income beginning that year. (See definition of "disabled" on page 14.)

Military pensions and survivor's benefit payments are not reportable. Do not include these payments on Form NJ-1040NR. Military pensions are those resulting from service in the United States Army, Navy, Air Force, Marine Corps, or Coast Guard. However, civil service pensions and annuities are reportable, even if they are based on credit for military service. Most military pensions and survivor's benefit payments are received from the U.S. Defense Finance and Accounting Service, while a civil service annuity is received through the U.S. Office of Personnel Management.

## Reportable Amounts

Retirement plans are either noncontributory or contributory. The amount you report depends on the type of plan you have.

Noncontributory Plans. If you did not make any contributions to your plan, it is a noncontributory plan. Amounts received from noncontributory plans are fully reportable. Enter the total amount from your 1099-R on Line 21, Column A.

## Contributory Plans (Other Than

IRAs). If you made contributions to your plan, it is a contributory plan. Your contributions are usually made through payroll deductions and, in general, were taxed when they were made. Your contributions are not reportable when withdrawn (except for 401 (k) Plans). Contributory plans also include employer contributions (if any) and earnings, which have not been taxed. Therefore, you must determine the reportable part of your distribution.
There are two methods of calculating the reportable amount: Three-Year Rule Method and General Rule Method. Complete Worksheet A below to determine which method you should use.

## NOTE:

- If you received a distribution from a 401(k) Plan, see page 21 before continuing.
- If you made a withdrawal from an IRA, complete Worksheet C on page 22. Do not use Worksheet A or B for an IRA withdrawal.

Three-Year Rule Method. You can use the Three-Year Rule Method if:

- You will recover all your contributions within 36 months from the date you receive your first payment from the plan; and
- Both you and your employer contributed to the plan.

When you use the Three-Year Rule Method, do not report your pension and annuity payments as income on Line 21 until you have recovered all of your

*The expected return on the contract is the amount receivable. If life expectancy is a factor under your plan, you must use federal actuarial tables to calculate the expected return. The federal actuarial tables are contained in the Internal Revenue Service's Publication 939, General Rule for Pensions and Annuities. Contact the IRS for this publication. If life expectancy is not a factor under your plan, the expected return is found by totaling the amounts to be received.
(Keep for your records)
contributions. Once you have recovered your contributions, the payments you receive are fully reportable and must be entered on Line 21. The amount reportable for New Jersey purposes will be different from the amount you report on your federal return when using this method, unless you retired on or before July 1, 1986.

General Rule Method. You must use the General Rule Method if:

- You will not recover your contributions within 36 months from the date you receive your first payment from the plan; or
- Your employer did not contribute to the plan.

When you use the General Rule Method, part of your pension is excludable and part is reportable every year. The excludable amount represents your contributions. Complete Worksheet B the year you receive your first pension payment. Keep Worksheet B for your records. You will need it to calculate your reportable amount in future years. Recalculate the percentage on line 3 of the worksheet only if your annual pension payments decrease.
401(k) Plans. New Jersey's treatment of 401 (k) Plan contributions changed on January 1, 1984. Beginning on that date, employee contributions were no longer taxed when earned.

1. Contributions made on or after January 1,1984 . If all of your contributions were made on or after that date, your distributions are fully reportable unless your contributions exceeded the federal limit. If your contributions exceeded the federal limit, you must calculate the reportable portion of your distributions using one of the methods described under contributory plans.

## 2. Contributions made before Janu-

ary 1,1984 . If you made contributions before that date, you must calculate the reportable portion of your distributions using one of the methods described under contributory plans.

## Lump-Sum Distributions and Roll-

 overs. When you receive a lump-sum distribution of the entire balance from a qualified employee pension, annuity, profit-sharing, or other plan, any amount that exceeds your previously taxed contributions must be included in your income in the year received. New Jersey has no provision for income averaging of lumpsum distributions. Enter the reportable amount on Line 21, Column A.If you roll over a lump-sum distribution from an IRA or a qualified employee pension or annuity plan into an IRA or other eligible plan, do not report the rollover on Line 21 if it qualifies for deferral for federal tax purposes. The amount rolled over
(minus previously taxed contributions) will be reportable when it is withdrawn.
For more information, see Tax Topic Bulletin GIT-1, Pensions and Annuities.

## Traditional IRAs

Your IRA consists of your contributions and earnings plus certain amounts rolled over from pension plans. In general, your contributions were taxed when you made them and are not reportable to New Jersey when withdrawn. The portion of your distribution that represents earnings is reportable. Earnings credited to your IRA, as well as tax-free rollovers, are not reportable until withdrawn.

Use Worksheet C on page 22 to calculate the reportable portion of your IRA withdrawal. Report the taxable amount on Line 21. If you made withdrawals from multiple IRAs, you can use a separate worksheet for each or combine all IRAs on one worksheet.

Lump-Sum Withdrawal. If you withdraw the total amount from an IRA, all the earnings and any amounts rolled over tax-free are reportable. You must report these amounts in the year you make the withdrawal.

Periodic Withdrawals. If you make withdrawals over a period of years, the part of the annual distribution that represents earnings is reportable. The amount reportable for New Jersey purposes may be different from the amount you report on your federal return.
Roth IRAs. Your contributions to a Roth IRA are reportable as part of your income when they are made. Distributions from a Roth IRA that meet the requirements of a "qualified distribution" are excludable. Do not include qualified distributions on Line 21, Column A, of Form NJ-1040NR.

A "qualified distribution" is one made after the five-year period beginning with the first tax year for which a contribution was made to the IRA, and that is:

1. Made on or after the date the individual reaches age $591 / 2$; or
2. Made to a beneficiary (or the individual's estate) after the individual's death; or

B. Total the portion(s) of these previous year withdrawal(s) already reported as income on prior New Jersey tax returns.
C. Subtract the amount of previous year withdrawals reported (B) from the total amount of previous year withdrawals (A). This difference is the amount of contributions that have been recovered thus far.
D. Subtract the amount of recovered contributions (C) from the total amount of contributions made to the IRA.

This is the amount of unrecovered contributions to enter on line 4b of Part I.
(Keep for your records)
3. Made because the individual became disabled; or
4. Made as a qualified first-time home buyer distribution as defined by the Internal Revenue Code.

A distribution that is considered nonqualified for federal purposes is also considered nonqualified for New Jersey purposes.
A distribution of an allowable rollover contribution (or income earned on the amount rolled over) from an IRA other than a Roth IRA, is not a qualified distribution if it is made within the five-year period that begins with the year the rollover contribution was made.

If you received a nonqualified distribution, you must report the earnings on Line 21, Column A.
If you converted an existing IRA to a rollover Roth IRA during Tax Year 2017, any amount from the existing IRA that would be reportable if withdrawn must be included on Line 21, Column A.

For more information, see Tax Topic Bulletin GIT-2, IRA Withdrawals, and Technical Bulletin TB-44.

## COLUMN B

You will not enter an amount on Line 21, Column B because pension, annuity, and IRA withdrawal income is not taxable to nonresidents.

## Column B

Enter the portion of the partnership income that comes from New Jersey sources. If zero, enter " 0 ."

Do not include in Column B distributive share of partnership income that you received from a partnership, LLP, or LLC located in New Jersey if the business entity's only activity is the purchase, holding, or sale of intangible personal property, such as commodities or securities, and such intangible personal property is not held for sale to customers. You must include such partnership income in Column A.

## Column B

You will not enter an amount on Line 24, Column B because alimony and separate maintenance payments are not taxable to nonresidents.

## Line 25: Other

## Column A

Include the following income:

## Amounts Received as Prizes and

Awards. A prize won in a raffle, drawing, television or radio quiz show, contest, or any other event is reportable and must be included on Line 25, Column A. Any prizes or awards received in goods or services must be included as income at fair market value.

Income in Respect of a Decedent. If you had the right to receive income that the deceased person would have received had he or she lived, and it was not included on the decedent's final return, you must report the income on your own return when you receive it. Include the income on Line 25, and enclose a listing of each item of income.

Income From Estates and Trusts. If you are a beneficiary who received income from an estate or trust, include the Total Distribution from Schedule NJK-1, Form NJ-1041. If you did not receive a Schedule NJK-1, net the items listed on the federal K-1, and include the total on Line 25. Include income that is not subject to federal income tax but is subject to New Jersey Income Tax, such as interest from and losses on the disposition of obligations of states and their political subdivisions, other than New Jersey and its political subdivisions. Exclude income and losses not subject to New Jersey tax, such as gains on New Jersey tax-exempt securities.

New Jersey and federal depreciation and expense deduction limits are different. Complete the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP to determine the income reportable in the various net income categories.
New Jersey's treatment of the IRC Section 199 deduction is different from the federal treatment. Complete Form 501-GIT, Domestic Production Activities Deduction, to calculate the New Jersey amount.
Enclose a copy of the NJK-1(s) or federal K-1(s).

If the income from a grantor trust is reportable by or taxable to the grantor for federal purposes, it also is taxable to the
grantor for New Jersey purposes. The grantor must report interest, capital gains, business income, etc., in the categories of income as required for New Jersey purposes and not as income from Estates and Trusts. Enclose a copy of the New Jersey or federal Grantor Trust Attachment.

For more information, see Tax Topic Bulletin GIT-12, Estates and Trusts.

2. The lodging is furnished for the convenience of the employer; and
3. The employee is required to accept such lodging as a condition of employment.

For Tax Year 2017, you may be eligible for an exclusion of up to $\$ 40,000$ (filing status married/CU couple, filing jointly), $\$ 30,000$ (filing status single, head of household or qualifying widow(er)/surviving CU partner), or $\$ 20,000$ (filing status married/CU partner, filing separately).
You qualify for the pension exclusion if:

- You (and/or your spouse if filing jointly) were 62 or older or disabled as defined by Social Security guidelines on the last day of the tax year; and
- Your income on Line 26, Column A, is $\$ 100,000$ or less. (Part-year nonresidents, use income for the entire year. See page 5.)

Note: If the amount on Line 26, Column A, is more than $\$ 100,000$, you are not eligible for the pension exclusion. You may still be eligible for a special exclusion of up to $\$ 6,000$. See the instructions for Line 27b to determine if you qualify.

If you qualify for the pension exclusion, you can exclude all or a part of the income you received during the year from taxable pensions, annuities, and IRA withdrawals. You can exclude up to the maximum amount for your filing status (see Maximum Pension Exclusion chart below).

Enter on Line 27a, Column A, the lesser of:

When you and your spouse file a joint return and only one of you is 62 or older or disabled, you can still claim the maximum pension exclusion. However, you can exclude only the pension, annuity, or IRA withdrawal of the spouse who is 62 or older or disabled.

If you and/or your spouse were 62 or older on the last day of the tax year and did not use your maximum pension exclusion, you may still qualify for other income exclusions on Line 27b. Part-year nonresidents, see page 5 .

Your contribution cannot be more than $75 \%$ of the amount of your annual health plan deductible ( $65 \%$ if you have a self-only plan). Enclose federal Form 8853 with your return. Excess contributions that you withdraw before the due date of your tax return are not taxable. However, you must report the earnings associated with the excess contributions you withdraw as wages on Line 14, Column A and Column B.

## Self-Employed Health Insurance

Deduction. If you are considered selfemployed for federal tax purposes, or you received wages in 2017 from an S corporation in which you were a more-than- $2 \%$ shareholder, you can deduct the amount you paid during the year for health insurance for yourself, your spouse or domestic partner, and your dependents. Your deduction cannot be more than the amount of your earned income, as defined for federal tax purposes, from the business under which the insurance plan was established. You cannot deduct amounts paid for health insurance coverage for any month that you were eligible to participate in any subsidized health plan maintained by your (or your spouse's or domestic partner's) employer.

NOTE: For federal purposes you may be able to deduct amounts paid for health insurance for any child of yours who was under age 27 at the end of 2017 . However, for New Jersey purposes you can deduct these amounts only if the child was your dependent. For more information see Technical Advisory Memorandum TAM 2011-14.

## Line 34: Health Enterprise Zone Deduction

If you provide primary care services in a qualified medical or dental practice you own that is located in or within five miles of a designated Health Enterprise Zone (HEZ), you may be able to deduct a percentage of the net income from that practice. See Technical Bulletin TB-56 for eligibility requirements and instructions for calculating the HEZ deduction.

## Line 39: Income Percentage

To calculate your income percentage, divide the amount on Line 29 in Column B by the amount on Line 29 in Column A.
Carry your result to four decimal places. For example, if the amounts used were
\$20,000 (Line 29, Column B) divided by $\$ 30,000$ (Line 29, Column A), the result would be $66.67 \%$ or .6667 . In certain situations the income percentage can be more than $100 \%$.
NOTE: The income percentage can exceed $\mathbf{1 0 0 \%}$. For example, a taxpayer realizes a $\$ 50,000$ gain from the sale of real property in New Jersey and sustains a $\$ 10,000$ loss from the sale of property in Florida. This nonresident (who has no other income) reports $\$ 40,000$ as his/ her income from everywhere (Column A) and $\$ 50,000$ as income from New Jersey sources (Column B). The income percentage is $125 \%$ (or 1.25 ) calculated as follows: $\$ 50,000$ (Line 29, Column B) divided by $\$ 40,000$ (Line 29, Column A).

## Line 40: New Jersey Tax

If you had two or more employers and you contributed more than the maximum amount(s), you must enclose a completed Form NJ-2450 with your return to claim the credit. If you had only one employer, you cannot file Form NJ-2450. If any single employer withheld more than the maximum amount(s), you must contact that employer for a refund.

To claim this credit on your NJ-1040NR, all information on Form NJ-2450 must be substantiated by W-2 statements or the claim will be denied. The amounts of UI/ WF/SWF contributions, DI contributions, and FLI contributions withheld must be reported separately on all W-2 statements. The employer's New Jersey taxpayer identification number or approved private plan number also must be shown. (See sample W-2 on page 17.)

## Line 56: Refund

Subtract Line 55 from Line 53 and enter the total on Line 56. This is the amount of your refund.

## Part I: Disposition of Property (Lines 57-60)

Report your capital gains and income from the sale or exchange of any property (both inside and outside New Jersey). You can deduct expenses of the sale and your basis in the property. The basis to be used for calculating gain or loss is the cost or adjusted basis used for federal income tax purposes.

If you sold or transferred real property in New Jersey and were required to make estimated tax payments in connection with the sale or transfer, be sure to include such payments on Line 46. Enclose a copy of Form GIT/REP-1, Nonresident Seller's Tax Declaration, with the return.

Note: Certain gains or losses from the disposition of property owned by a business (sole proprietorship, partnership, or S corporation) or an estate or trust must be reported in other income categories on Form NJ-1040NR - not in Part I, Disposition of Property. See "Gains/Losses to be Reported on Other Lines" on page 31 before you complete Part I.
New Jersey and federal depreciation and expense deduction limits are different. A New Jersey depreciation adjustment may be required for assets placed in service on or after January 1, 2004. Complete the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP to calculate the adjustment.
The New Jersey allowable IRC Section 199 deduction must be calculated on Form 501-GIT, Domestic Production Activities Deduction. You should take the result into consideration when calculating
the gain or loss on disposition of applicable property.

If you had an interest in a partnership, sole proprietorship, or S corporation that sold or disposed of virtually all of its assets in conjunction with the complete liquidation of the entity, then you must report your portion of the gain or loss from the sale or disposition of those assets in Part I.

If you sold an interest in a partnership, a sole proprietorship, or rental property, you may be required to use a New Jersey adjusted basis. If you sold shares in an S corporation, you must use your New Jersey adjusted basis. You must report the gain or loss from your sale or liquidation of a sole proprietorship, a partnership interest, or shares of $S$ corporation stock in Part I.

For information on calculating your New Jersey adjusted basis and your New Jersey reportable gain or loss, refer to rules N.J.A.C. 18:35-1(c)(5) (trade or business property), 18:35-1.3(d)(2) (partnerships), or 18:35-1.5(k) (S corporations) and Tax Topic Bulletins GIT-9P, Income From Partnerships, or GIT-9S, Income From S Corporations.
All gains from installment sales must be reported in the same year as they are reported for federal purposes. If the New Jersey basis is different from the federal basis, you must make a New Jersey installment sale calculation and report the New Jersey gain.

If you need more space, enclose a statement with the return listing any additional transactions.

Sale of a Principal Residence. If you sold your principal residence, you may qualify to exclude all or part of the gain from your income. Capital gain is calculated the same way as for federal purposes. Any amount that is taxable for federal purposes is taxable for New Jersey purposes.

1. You can exclude up to $\$ 250,000$ of the gain if you met all of the following requirements:

- Ownership Test: You owned the home for at least 2 years during the 5 -year period ending on the date of the sale.
- Use Test: You lived in the home as your principal residence for at least 2 years during the 5 -year period ending on the date of the sale.
- During the 2-year period ending on the date of the sale, you did not exclude gain from the sale of another home.

2. If you are filing a joint return, you can exclude up to $\$ 500,000$ of the gain if:

- Either you or your spouse met the Ownership Test; and
- Both you and your spouse met the Use Test; and
- During the 2-year period ending on the date of the sale, neither you nor your spouse excluded gain from the sale of another home.

If only one spouse met the Ownership and Use Tests, that qualified spouse can exclude up to $\$ 250,000$ of the gain.
3. You can claim a reduced exclusion for New Jersey purposes if, during the 5-year period ending on the date of sale:

- You owned and used the property as your principal residence for less than 2 years, and you qualify for a reduced federal exclusion; or
- You used the exclusion within 2 years of the sale of your principal residence, and you qualify for a reduced federal exclusion.

In both cases, the sale must have been due to: a change in place of employment, health, or unforeseen circumstances.

## DEFINITIONS

Fiduciary means a guardian, trustee, executor, administrator, receiver, conservator, or any person acting in any trust or similar capacity.

The term estates refers only to the estates of deceased persons. The New Jersey Gross Income Tax liability for minors, persons adjudicated incompetent, or for any person who is suffering from some other legal disability must be calculated on the same form as that used for any other individual taxpayer, but it may be prepared in the name of the disabled individual and signed by the guardian or conservator.

## WHO MUST FILE A RETURN

## Resident Estates and Trusts

The fiduciary of every resident estate or trust must file a New Jersey Gross Income Tax Fiduciary Return (Form NJ-1041) if gross income, before exemptions or deductions, was more than $\$ 10,000$ (prorated for the number of months covered by a part-year return) during the tax year.

A resident estate or trust is not subject to New Jersey tax if it:

- Does not have any tangible assets in New Jersey;
- Does not have any income from New Jersey sources; and
- Does not have any trustees or executors in New Jersey.

However, the fiduciary must file Form NJ-1041 for such estate or trust, enclose a statement certifying that the estate or trust is not subject to tax, and check the box on Line 26.

## Resident estate or trust means:

(1) The estate of a decedent who at his/her death was domiciled in New Jersey; or
(2) A trust, or a portion of a trust, consisting of property transferred by will of a decedent who at his/her death was domiciled in New Jersey; or
(3) A trust, or portion of a trust, consisting of the property of:
(a) A person domiciled in New Jersey at the time such property was transferred to the trust, if such trust or portion of a trust was then irrevocable, or if it was then revocable and has not subsequently become irrevocable; or
(b) A person domiciled in New Jersey at the time such trust, or portion of a trust, became irrevocable, if it was revocable when such property was transferred to the trust but has subsequently become irrevocable.

For the purposes of the foregoing, domicile is the place an individual regards as his/her permanent home-the place to which he/she intends to return after a period of absence. A domicile, once established, continues until a new, fixed, and permanent home is acquired. No change of domicile results from moving to a new location if the intention is to remain only for a limited time even if it is for a relatively long duration.

A trust or portion of a trust is revocable if it is subject to a power, exercisable immediately or at any future time, to revest title in the person whose property constitutes such trust or portion of a trust, and a trust or portion of a trust becomes irrevocable when the possibility that such power may be exercised has been terminated.

Grantor trusts are required to file a New Jersey Gross Income Tax Fiduciary Return. If the grantor trust income is reportable by or taxable to the grantor for federal income tax purposes, it also is taxable to the grantor for New Jersey Income Tax purposes. (See the line-by-line instructions for distributions.)

A resident estate or trust does not include charitable trusts or trusts that are part of a pension or profit-sharing plan. A charitable trust is a trust operated exclusively for a religious, charitable, scientific, literary, or educational purpose. Income of a charitable trust is exempt from Income Tax. However, income received by a charitable trust that is not distributed or credited to its beneficiaries is subject to tax in the tax year of the trust in which such income is received. If the terms of the governing instrument of an estate or trust require any amount of income to be accumulated and added to the principal for ultimate distribution to any religious, charitable, scientific, literary, or educational organization and such income is permanently and irrevocably set aside for such purposes, it will be treated as having been paid, credited, or required to be distributed to the charitable beneficiary. The same treatment is afforded to any income required to be held in trust for the use of any charitable beneficiary or organization.

In general, income that is deemed to have been paid, credited, or required to be distributed to a beneficiary is taxable to such beneficiary. However, if the beneficiary is an exempt charitable organization, no tax will be imposed. This is true even if the income is permanently and irrevocably set aside in an invested income account.

## Nonresident Estates and Trusts

The fiduciary of every nonresident estate or trust that derived income from New Jersey sources must file a New Jersey Gross Income Tax Fiduciary Return (Form NJ-1041) if the gross income received from all sources (both inside and outside New Jersey) during the tax year was more than $\$ 10,000$ (prorated for the number of months covered by a part-year return) before exemptions or deductions.

A nonresident estate or trust does not include charitable trusts or pension or profit-sharing trusts. The residence of the fiduciary does not affect the nonresident classification of an estate or trust.

Gross income from sources within New Jersey for a nonresident estate or trust means those items of income and gain that are earned, received, or acquired from the following sources:

1. By reason of ownership or disposition of any interest in real or tangible personal property in New Jersey; or
2. In connection with a trade, profession, or occupation carried on in New Jersey or for the rendition of personal services performed in New Jersey; or
3. As a distributive share of the income of a business, profession, enterprise, undertaking, or other activity as the result of work done, services rendered, or other business activities conducted in New Jersey except as allocated to another state; or
4. From intangible personal property employed in a trade, profession, occupation, or business carried on in New Jersey; or
5. Income of a New Jersey S corporation allocated to New Jersey; or
6. Net gambling winnings from New Jersey sources, including New Jersey Lottery winnings from prize amounts exceeding $\$ 10,000$.

## Electing Small Business Trusts

A federal Electing Small Business Trust can make a New Jersey election to be taxed in the same manner as for federal tax purposes. See Form NJ-1041SB for election information, filing instructions, and tax forms.

## PERIOD TO BE COVERED BY RETURN

The 2017 return filed by an administrator or an executor of an estate must cover the period from January 1, 2017, or fiscal year beginning in 2017, or the date of death of decedent (if death occurred after January 1, 2017) to the end of the tax year selected by the fiduciary when appropriate. The 2017 return filed by a trustee of a trust must cover the period beginning January 1, 2017.

The tax year for the estate or trust must be the same as for federal income tax purposes. The tax year cannot be longer than 12 months. All income received by the executor, administrator, or trustee in the tax year must be reported on the return.

## WHEN AND WHERE TO FILE

Form NJ-1041 must be filed on or before the 15 th day of the fourth month following the close of the tax year of the estate or trust.

Mail Form NJ-1041 with related enclosures, payment voucher, and check or money order for any tax due to the address below.
Send only one return per envelope.

> Mail Form NJ-1041 to: State of New Jersey
> Division of Taxation Revenue Processing Center PO Box 888
> TRENTON NJ 08646-0888

## PAYMENT OF TAX

The balance of tax due must be paid in full by the original due date of the return. If the amount due is less than $\$ 1$, no payment is required. New Jersey Income Tax payments for Tax Year 2017 as well as estimated tax payments for 2018 can be made by check or money order, electronic check (e-check), or credit card.

Check or Money Order. Make the check or money order payable to "State of New Jersey - TGI" and write the Federal Employer Identification Number on it. Enter the payment for the balance due in the appropriate boxes on the payment voucher (Form NJ-1041-V). Send the check or money order and the payment voucher in the same envelope as the NJ-1041 return.

Do not include in the same check or money order the amount due for Tax Year 2017 and the first installment of estimated taxes for 2018. Use a separate check or money order for each payment. Send the 2018 estimated tax payment with an NJ-1040-ES voucher to the address indicated on that payment voucher. Do not include the estimated tax payment with the 2017 fiduciary return.

Electronic Deduction From Bank Account (E-Check). This option is available on the Division's website (www.njtaxation. org). Taxpayers who do not have internet access can pay by echeck by contacting the Division's Customer Service Center or visiting a Regional Information Center (see back cover). Do not send in the payment voucher (Form NJ-1041-V) when paying by e-check.

NOTE: E-check payments made using an account that is funded from a financial institution outside the United States will not be accepted.

When using e-check on the web, you will need the Federal Employer Identification Number, the date of the decedent's death or the date the trust was created, your bank's routing number, and your account number to make a payment.

Credit Card. A Visa, American Express, MasterCard, or Discover credit card can be used to pay online (www.njtaxation.org) or by phone (1-888-673-7694). Credit card payments can also be made by contacting the Division's Customer Service Center or by visiting a Regional Information Center (see back cover). Fees apply when paying by credit card. The fee is added to the actual tax payment. Do not send in the payment voucher (Form NJ-1041-V) when paying by credit card.

You will need your bank's 9-digit routing number and your account number to pay by e-check. Do not enter the check number as part of the account number. Note: The routing and account numbers may be in different places on your check.

## EXTENSION OF TIME TO FILE

An extension of time is granted only to file the New Jersey Gross Income Tax Fiduciary Return. There is no extension of time to pay tax due. We will notify you only if the extension request is denied, but not until after the return is actually filed. Penalties and interest are imposed whenever tax is paid after the original due date.

## 5122-Month Extension

You can receive a $51 / 2$-month extension of time to file your New Jersey Gross Income Tax Fiduciary Return. An application for an extension of time to file is accepted only if at least $80 \%$ of the tax liability calculated on Line 28 of your Form NJ-1041 when filed is paid in the form of withholdings, estimated, or other payments by the original due date, and

1. Federal extension filed. A copy of your federal Application for Automatic Extension is enclosed with your final return and the box at the top of Form NJ-1041 is checked (or your confirmation number is entered in the space provided at the top of Form NJ-1041 if the extension application or payment was filed online or by phone); or
2. No federal extension filed. You file a request for a $51 / 2$ month extension on Form NJ-630, Application for Extension of Time to File New Jersey Gross Income Tax Return, by the original due date of the return. Taxpayers who file Form NJ-630 will not receive an approved copy. We will notify you only if the request is denied, but not until after the return is actually filed.

Note: If a federal extension is filed, Form NJ-630 must still be filed by the original due date if you are required to make a payment to satisfy the $80 \%$ requirement.

If you fail to satisfy the requirements outlined for an extension of time to file, or you fail to file your return by the extended due date, your extension will be denied and penalties and interest will be imposed from the original due date of the return. (See "Penalties, Interest, and Collection Fees" on page 4.)

## ACCOUNTING METHOD

A taxpayer's accounting method for New Jersey Income Tax must be the same as the accounting method used for federal income tax purposes. Income must be recognized and reported in the same period as it is recognized and reported for federal income tax purposes.

## CHANGES IN FEDERAL INCOME TAX

Report to the New Jersey Division of Taxation any change or correction in federal taxable income as reported on your federal fiduciary income tax return, whether resulting from the filing of any amended federal return or otherwise, within 90 days after filing such return or final determination of such change by the Internal Revenue Service. Similarly, if an amended federal return is filed, an amended New Jersey return must be filed within 90 days.

## AMENDED RETURN

The fiduciary should carefully follow the instructions when completing the tax return. Before filing the return, the fiduciary should make sure all of the income has been properly reported and any credits for which the estate or trust is eligible have been claimed. However, if after the return has been filed the fiduciary discovers that he/she failed to report income or erroneously claimed credits or did not claim credits for which the estate or trust was eligible, the error may be corrected by filing an amended return. The fiduciary should file a new return, clearly marked "AMENDED RETURN," in which the correct tax or refund is shown.

If an error is discovered that will result in a refund of tax, the amended Form NJ-1041 must be filed within three years from the date the original return was filed or within two years from the time the tax was paid, whichever is later, to receive a refund. (A return filed before the due date or extended due date is considered to be filed on such due date or extended due date.)

## ESTIMATED TAX PAYMENTS

Certain estates and trusts are required to file Form NJ-1040-ES and make quarterly estimated tax payments for any tax year in which the estimated tax of the estate or trust is expected to exceed $\$ 400$. Estimated tax means the projected amount of New Jersey income tax liability for the tax year after subtracting allowable credits. Instructions for calculating the estimated tax and making estimated payments are included with Form NJ-1040-ES. Failure to file a declaration of estimated tax or to pay all or any part of an installment of estimated tax will result in interest charges on the underpayment.

## Exceptions

Estimated tax payments are not required from:

- A decedent's estate for any tax year ending before the date that is two years after the decedent's death; or
- A trust that was treated as owned by the decedent if the trust will receive the residue of the decedent's estate under the will (or if no will is admitted to probate, the trust primarily responsible for paying debts, taxes, and expenses of administration) for any tax year ending before the date that is two years after the decedent's death.

## Underpayment of Estimated Tax

If all estimated tax payments are not made as required, Form NJ-2210, Underpayment of Estimated Tax by Individuals, Estates or Trusts, should be completed to determine if interest is due and if so, to calculate the amount.

For more information, see Tax Topic Bulletin GIT-8, Estimating Income Taxes.

## NAME AND FEDERAL EMPLOYER IDENTIFICATION NUMBER

The name and Federal Employer Identification Number must be entered on all schedules accompanying the return. If there is a balance due with the return, place the Federal Employer Identification Number on the remittance.

## PRIVACY ACT NOTIFICATION

The federal Privacy Act of 1974 requires all agencies requesting information from individuals to inform them why the request is being made and how the information is being used. The Division of Taxation uses the Federal Employer Identification Number primarily to account for and give credit for tax payments. It also is used in the administration and enforcement of all tax laws for which we are responsible.

## ROUNDING OFF TO WHOLE DOLLARS

When completing your return and the accompanying schedules, you can show the money items in whole dollars. If you have to add two or more items to figure the total to enter on a line, include the cents when adding the items and round off only the total. When entering the rounded total on the line, eliminate any amount under 50 cents and increase any amount 50 cents or more to the next higher dollar. If you do round off, do so for all amounts. When rounding, enter zeros in the space provided for cents.

## GUBERNATORIAL ELECTIONS FUND

A fiduciary can designate as a contribution to the Gubernatorial Elections Fund the sum of $\$ 1$. The designation of a contribution to this fund does not increase the tax liability or reduce the amount of any possible refund.

## SIGNATURE AND DATE

The return must be signed and dated in blue or black ink by the individual fiduciary or by the authorized officer of the organization receiving or having custody or control and management of the income of the estate or trust.

## Preparer Authorization

Because of the strict provisions of confidentiality, Division of Taxation personnel cannot discuss your return or enclosures with anyone other than you without your written authorization. If, for any reason, you want a Division of Taxation representative to discuss your tax return with the individual who signed the return as "Preparer Other than Fiduciary," we must have your permission to do so. To authorize the Division of Taxation to discuss your return and enclosures with your "Preparer Other than Fiduciary," check the box above the preparer's signature line.

## Tax Preparers

Any person who prepares a taxpayer's return for a fee must sign as "Preparer" and enter his or her Social Security number or federal preparer tax identification number. Returns prepared by a firm or corporation should be signed by the individual preparer and should include the name of the firm or corporation. The individual preparer's Social Security (tax identification) number must be included, as well as the Federal Employer Identification Number of the firm or corporation. Any tax preparer who fails to sign the return or provide the assigned tax identification number will be liable for a $\$ 25$ penalty for each such failure.

Note: Preparers that reasonably expect to prepare 11 or more individual resident income tax returns (including those filed for trusts and estates) during the tax year must use electronic methods to file those returns if an electronic filing option is available. A tax preparer is liable for a penalty of $\$ 50$ for each return he or she fails to file electronically when required to do so.

## Opting Out of Electronic Filing

If your tax preparer is required to file all returns electronically but you want to file a paper return, you can opt out by enclosing Form NJ-1040-O, E-File Opt-Out Request Form, with your paper return. Both you and your preparer must sign the form, and your preparer must check the box below his or her signature on your return to indicate that Form NJ-1040-O is enclosed.

## PENALTIES, INTEREST, AND COLLECTION FEES

Late Filing Penalty. 5\% per month or fraction of a month for each month of delinquency up to a maximum of $25 \%$ of the balance of the tax due with the return. In addition, the law allows a $\$ 100$ per month (or fraction of a month) penalty.
Late Payment Penalty. 5\% of the outstanding tax balance may be imposed.

Interest. 3\% above the prime rate for every month or fraction of a month the tax is unpaid, compounded annually. At the end of each calendar year, any tax, penalties, and interest remaining due (unpaid) will become part of the balance on which interest is charged.

Collection Fees. In addition, if a tax bill is sent to our collection agency, a referral cost recovery fee of $10.7 \%$ of the tax due will be added to the liability. If a certificate of debt is issued for an outstanding liability, a fee for the cost of collection of the tax also may be imposed.

## NAME, ADDRESS, AND IDENTIFICATION NUMBER

Print or type the name of the estate or trust, the name and title of the fiduciary, and complete address with the ZIP code. Check the "Change of Address" box if the address has changed since the last time a New Jersey return was filed. Enter the Federal Employer Identification Number in the space provided.

## Lines 1 through 4 - Residency Status

Indicate the residency status of the estate or trust by checking the appropriate box provided at each line. Indicate in the space provided the date of the decedent's death or the date the trust was created. If the estate or trust is a resident of a state other than New Jersey, enter the name of the state. In the space provided, indicate the type of trust (i.e., Simple trust, Complex trust, Grantor type trust).

## Line 5 - Estate Closed or Trust Terminated

If the estate was closed or the trust terminated, check the box provided and indicate the date of such closing or termination. Also write "FINAL RETURN" at the top of the form.

## INCOME

Estates and trusts (whether resident or nonresident) must report on Lines 6 through 13 taxable income received from all sources (both inside and outside New Jersey) during the tax year. (Nonresident estates or trusts must complete Lines 6-13 as if the income was earned by a resident estate or trust. Nonresident estates or trusts also must complete Schedule E to report their income from New Jersey sources. See the instructions for Schedule $E$ on page 11.)

Important: Net losses in one category of income cannot be applied against income or gains in another on Form NJ-1041. In the case of a net loss in any category, enter " 0 " for that category. Under New Jersey law, no carryback or carryover of losses is permitted when reporting income on Form NJ-1041.

## Line 6 - Interest

Report all taxable interest from all sources, including savings and loan associations, credit unions, bank deposits, bonds, certificates of deposit, interest-bearing checking accounts, life insurance dividends, etc. Interest derived from sources held outside New Jersey is includable in gross income.

Interest received from Ginnie Maes, Fannie Maes, and Freddie Macs is taxable since these securities are not direct obligations of the federal government. Interest income received from repurchase agreements is taxable to the investor regardless of the nature of the underlying obligation. Interest on obligations of other states and their political subdivisions is subject to tax, as is the interest on obligations of the District of Columbia.

Distributions from Coverdell education savings accounts (ESAs), but only the earnings portion, also are includable in gross income.

Amounts paid by a mutual fund or other regulated investment company are includable in gross income unless the fund is a qualified investment fund as defined by New Jersey law, or to the extent that the distributions are attributable to interest earned on federal obligations.

For New Jersey Income Tax purposes, a forfeiture penalty resulting from an early withdrawal of a time deposit account is considered a loss that can be used to offset interest income.

Interest to be Reported on Other Lines. Interest that was earned and paid to a sole proprietorship, a partnership, an S corporation, or an estate or trust, is not included on Line 6. The estate's or trust's portion of the interest from these sources will be included as follows:

- Sole proprietorship: Schedule NJ-BUS-1, Part I;
- Partnership: Schedule NJ-BUS-1, Part III;
- S Corporation: Schedule NJ-BUS-1, Part IV;
- Estate or Trust: Form NJ-1041, Line 13 (Grantor Trusts, see the instructions for Schedule B, Line 43).

NoTE: Interest paid or deemed to have been paid to the estate or trust by a partnership or S corporation and reported on Form 1099 must be included as interest on Line 6.

For more information regarding the reporting of partnership income or $S$ corporation income and distributions, see Tax Topic Bulletins GIT-9P, Income From Partnerships, or GIT-9S, Income From S Corporations.

Tax-Exempt Interest Income. In the space provided, report all tax-exempt interest as well as exempt interest dividends from a New Jersey qualified investment fund. If exempt interest is more than $\$ 10,000$, you must include an itemized schedule detailing the amount received from each source.

New Jersey tax-exempt interest income includes interest from obligations of the State of New Jersey or any of its political subdivisions, direct federal obligations such as U.S. Savings Bonds and Treasury Bills, Notes and Bonds, Sallie Maes, CATS, TIGRs, certain distributions from "New Jersey Qualified Investment Funds," and distributions paid by mutual funds to the extent the distributions are attributable to interest earned on federal obligations.

A New Jersey qualified investment fund is a regulated investment company in which at least $80 \%$ of the underlying investments are obligations issued either directly by the federal government or by the State of New Jersey or any of its political subdivisions.

If you received a distribution from a qualified investment fund, you can exclude from income only the portion that is attributable to qualified exempt obligations. A fund that is a qualified investment fund for New Jersey purposes should notify its shareholders by February 15 as to the portion of each distribution that can be excluded from income.

## Line 7 - Dividends

Enter on this line the amount of dividends received during the tax year from investments (e.g., from stocks, mutual funds) or other income-producing activities that do not constitute a trade or business. The total amount of dividends received, regardless of where earned, must be reported. For dividends received from a mutual fund or other regulated investment company, see the instructions for interest income at Line 6.

Dividends to be Reported on Other Lines. Dividends that were earned and paid to a sole proprietorship, a partnership, an S corporation, or an estate or trust, are not included on Line 7. The estate's or trust's portion of the dividends from these sources will be included as follows:

- Sole proprietorship: Schedule NJ-BUS-1, Part I.
- Partnership: Schedule NJ-BUS-1, Part III.
- S Corporation: Schedule NJ-BUS-1, Part IV.
- Estate or Trust: Form NJ-1041, Line 13 (Grantor Trusts, see the instructions for Schedule B, Line 43).

For more information regarding the reporting of partnership income or S corporation income and distributions, see Tax Topic Bulletins GIT-9P, Income From Partnerships, or GIT-9S, Income From S Corporations.

Distributions out of earnings and profits of corporations are required to be reported in the year received by the shareholder.

Distributions not out of earnings and profits of a corporation that are a return of investment or capital in the company are sometimes referred to as tax-free distributions or nontaxable capital distributions. Such distributions are a return of capital, reduce the basis of the stock or investment, and are not taxable until the basis in the stock or investment is fully recovered. To the extent that a return of capital (when added to other distributions received in the past) exceeds the investment in the stock or security, it is included in income as a capital gain on Line 9 .

Capital gain dividends, under New Jersey law, are taxable in full as capital gains. Dividends reinvested in a public utility are taxable.

## NONRESIDENT ESTATES AND TRUSTS ONLY: Line 24 - Tax on Amount on Line 23

Calculate the tax on the amount on Line 23 by using one of the following methods:

Tax Table. If your taxable income is less than $\$ 110,000$, you can use the New Jersey Tax Table on page 16 or the New Jersey Tax Rate Schedule on page 24 to find your tax. After you have found your tax, enter the amount on Line 24.

Tax Rate Schedule. You must use the New Jersey Tax Rate
Schedule on page 24 if your taxable income is $\$ 110,000$ or more. After you have calculated your tax, enter the amount on Line 24.

## Line 25 - Income Percentage

To figure your income percentage, enter the amounts from Line 16a and Line 16 in the spaces provided. Divide the amount on Line 16a by the amount on Line 16. Carry your result to four decimal places. For example, if the amounts used were $\$ 20,000$ (Line 16a) divided by $\$ 30,000$ (Line 16), the result would be $66.67 \%$ or .6667. In certain situations, however, the income percentage can exceed $100 \%$.

Note: The income percentage can exceed $\mathbf{1 0 0 \%}$. For example, a nonresident estate or trust realizes a $\$ 50,000$ gain from the sale of real property in New Jersey and sustains a $\$ 10,000$ loss from the sale of property in Florida. This nonresident taxpayer (which has no other income) reports $\$ 40,000$ as total income (Line 16) and $\$ 50,000$ as income from New Jersey sources (Line 16a). The income percentage is $125 \%$ (or 1.25 ) calculated as follows: $\$ 50,000$ (Line 16a) $\div$ \$40,000 (Line 16).

Line 26 - Tax

- RESIDENT ESTATES AND TRUSTS

Calculate your New Jersey tax by using one of the following methods:

Tax Table. If your taxable income (Line 23) is less than $\$ 110,000$, you can use the New Jersey Tax Table on page 16 or the New Jersey Tax Rate Schedule on page 24 to find your tax. After you have found your tax, enter the amount on Line 26.

Tax Rate Schedule. You must use the New Jersey Tax Rate Schedule on page 24 if your taxable income is $\$ 110,000$ or more. After you have calculated your tax, enter the amount on Line 26.

## SCHEDULE A - Net Gains or Income From Disposition of Property

Line 39 - List of Transactions
Enter in the spaces provided all net gains or income less net losses derived from the sale, exchange, or other disposition of property, including real or personal property, whether tangible or intangible, taxable under New Jersey law.

If the estate or trust sold or transferred real property in New Jersey and was required to make estimated tax payments in connection with the sale or transfer, include such payments on Line 31. Enclose a copy of Form GIT/REP-1, Nonresident Seller's Tax Declaration, with the return.

Note: Certain gains or losses from the disposition of property owned by a business (sole proprietorship, partnership, or S corporation) or an estate or trust must be reported in other income categories on Form NJ-1041 - not on Schedule A. See "Gains/Losses to be Reported on Other Lines" below before completing Schedule A.

The basis to be used for calculating gain or loss is the cost or adjusted basis determined for federal income tax purposes. New Jersey Income Tax law has uncoupled from certain changes in federal depreciation and expense deduction limits. A New Jersey depreciation adjustment may be required for assets placed in service on or after January 1, 2004. Complete the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP to calculate the adjustment. In listing the gain or loss on disposition of rental property, the New Jersey adjustment from Worksheet GIT-DEP, line 6 must be taken into consideration. Retain the completed worksheet for the records of the estate or trust.

The New Jersey allowable IRC Section 199 deduction must be calculated on Form 501-GIT, Domestic Production Activities Deduction. The result should be taken into consideration in calculating the gain or loss on disposition of applicable property.

Complete Liquidation. If the estate or trust had an interest in a partnership, a sole proprietorship, or an S corporation that sold or disposed of virtually all of its assets in conjunction with the complete liquidation of the entity, then the estate's or trust's portion of the gain or loss from the entity's sale or disposition of its assets must be reported as net gains or income from the disposition of property.

If an interest in a partnership, sole proprietorship, or rental property was sold, you may be required to use a New Jersey adjusted basis. If shares in an S corporation were sold, you must use the New Jersey adjusted basis. The gain or loss from the sale
or liquidation of a sole proprietorship, a partnership interest, or shares of S corporation stock must be reported as net gains or income from disposition of property on Schedule A.

For information on calculating the New Jersey adjusted basis and the New Jersey reportable gain or loss, refer to rules N.J.A.C. 18:35-1(c)(5) (trade or business property), 18:35-1.3(d) (2) (partnerships), or 18:35-1.5(k) (S corporations), and Tax Topic Bulletins GIT-9P, Income From Partnerships, or GIT-9S, Income From S Corporations.

All capital gains are taxed at their full amount. You can deduct federal passive losses in full in the year incurred, provided that there is a gain within the same category of income. No preferential treatment is given to any capital gain.

All gains derived from installment sales must be reported in the same tax year as reported for federal income tax purposes. If the New Jersey basis differs from the federal basis, a New Jersey installment sale calculation must be made and the New Jersey gain must be reported. If the spaces provided are not sufficient, enclose a statement with the return. Enclose a copy of federal Schedule D.

Gains/Losses to be Reported on Other Lines. A gain or loss from the disposition of property owned by a business or an estate or trust is not reported on Schedule $A$. The estate's or trust's portion of the gain or loss from these sources will be included as follows:

- Sole proprietorship: Schedule NJ-BUS-1, Part I;
- Partnership: Schedule NJ-BUS-1, Part III;

The fiduciary must complete this schedule to be allowed the credit.
Note: New Jersey does not require that a copy of the income tax return(s) filed with the other jurisdiction(s) be submitted with Form NJ-1041. However, taxpayers should retain complete copies of any returns filed with other jurisdiction(s), including Electronic Filing Income Tax Returns and associated schedules and worksheets that establish the nature and source of the income being taxed by the other jurisdiction. If the fiduciary return is audited, the taxpayer will be asked to submit copies of these or other documents.

## Line 45 - Income Properly Taxed by Both New Jersey and Other Jurisdiction

## Line 46 - Income Subject to Tax by New Jersey

Enter on this line the amount of income taxed by New Jersey from Page 1, Line 16 (Total Income).

## Line 47 - Maximum Allowable Credit

To compute the amount to be entered on this line, divide the income taxed by New Jersey (Schedule C, Line 46) into income taxed by the other jurisdiction (Schedule C, Line 45) and multiply the result by the New Jersey tax (Page 2, Line 26). This is the amount of maximum allowable credit.

## Line 48 - Income Tax Paid to Other Jurisdiction

This schedule is completed only by nonresidents carrying on business both inside and outside New Jersey. (See the instructions for Form NJ-NR-A on page 14.)

## SCHEDULE E - New Jersey Income of Nonresident Estates and Trusts

The New Jersey Income Tax liability of a nonresident estate or trust is based on the percentage of its total income that comes from New Jersey sources. Tax is computed on income from all sources and then prorated according to the ratio that New Jersey income bears to income from both inside and outside New Jersey.

Nonresident estates must report their income from all sources (both inside and outside New Jersey) on Lines 6-13 of Form NJ-1041 and their income from New Jersey sources on Lines 1-8 of Schedule E. These figures cannot be copied from figures reported on the federal return.

Complete Schedule E before completing Line 16a of Form NJ-1041. If you complete Schedule E, enclose it with your completed Form NJ-1041.

## Income From New Jersey Sources (Lines 1-8)

For each of the various categories of income, enter the portion of the estate's or trust's income received during the tax year that comes from New Jersey sources.

Important: For every entry on Lines 6-13 of Form NJ-1041, there should be an entry on the corresponding line on Schedule E. If none of the income in a
particular category is from New Jersey sources, enter " 0 " on the appropriate line on Schedule E.

Income or losses that a nonresident estate or trust receives from a business entity (i.e., sole proprietorship, partnership, LLP, or LLC) located in New Jersey will not be deemed to be derived from New Jersey sources if the business entity's sole activity is the purchase, holding, or sale of intangible personal property, such as commodities or securities, and such intangible personal property is not held for sale to customers. However, such income must be included on the appropriate line of Form NJ-1041.

A nonresident estate or trust that carries on business both inside and outside New Jersey must allocate business income to determine the amount of income from New Jersey sources. If the spaces provided are not sufficient, enclose a statement with the return listing any additional businesses and the related profit or loss along with Schedule NJ-BUS-1. Adjustments should be made to federal Schedule C or F to comply with the New Jersey Income Tax law.

- Add any amounts deducted for taxes based on income.
- Add interest from states or political subdivisions outside New Jersey that were not reported for federal purposes.
- Add interest and dividends that were derived by the trade or business.
- Add or subtract income or losses derived by the trade or business from rentals, royalties, patents, or copyrights.
- Add or subtract gains or losses from the sale, exchange, or other disposition of the trade or business's property, not including New Jersey exempt securities.
- Subtract interest that was taxable for federal purposes but is exempt for New Jersey purposes.
- Subtract the remaining meal and entertainment expenses (that were disallowed on the federal return).
- Deduct your qualified contributions to a self-employed $401(\mathrm{k})$ Plan. Contributions to a plan in excess of the federal limits, which are not an allowable deduction for federal tax purposes, also are not deductible for New Jersey purposes.
- Add or subtract the net adjustment from the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP, Part 1, line 7. Retain the completed worksheet for your records.
- Subtract the New Jersey allowable IRC Section 199 deduction, which must be calculated on Form 501-GIT, Domestic Production Activities Deduction.

Sole proprietorships providing primary care services in a qualified medical or dental practice that is located in or within five miles of a designated Health Enterprise Zone (HEZ) may be able to deduct a percentage of the net income from that practice on Line 19. See Technical Bulletin TB-56 for eligibility requirements and instructions for calculating the HEZ deduction.

For an income-producing activity to constitute a business or profession, it must be a commercial enterprise regularly conducted for profit and meet the criteria listed in N.J.A.C. 18:351.1, Net Profits From Business.

## Example

A trust invests in stock for its own financial benefit. It does not offer its investment services to others for a fee. It derives substantial income (gains from the sale of stock, interest, and dividends) from the investment activities. The trust's income is not net profits from a business or profession. It must report this income as gains from the sale of stock, interest, and dividends.

See "Gains/Losses to be Reported on Other Lines" below before completing Part II.

The New Jersey allowable IRC Section 199 deduction must be calculated on Form 501-GIT, Domestic Production Activities Deduction. The result should be taken into consideration in calculating the net gain, income, or loss resulting from the rental of applicable property.

The New Jersey Gross Income Tax Act does not distinguish between active and passive losses, nor does it authorize carryback or carryforward of such losses when reporting income on Form NJ-1041. Federal passive losses can be deducted in full in the year incurred, provided that there is a gain within the same category of income.

Gains/Losses to be Reported on Other Lines. Net gains or losses from rents, royalties, patents, and copyrights from property owned by a business or an estate or trust are not reported in Part II.
