Secretary Jackie Brown called the roll. The following acknowledged their presence: Diane Gutierrez-Scaccetti, Robert Briant, Jr., John Duthie, Gregory Lalevee, Nelson Ferreira, and Michael Kanef.

Secretary Jackie Brown acknowledged to Chairperson Gutierrez-Scaccetti that a quorum was present.

Chairperson Diane Gutierrez-Scaccetti stated that because this is a virtual meeting, members of the Board should identify themselves before making or seconding any motions. She also asked if there were any members of the public that would like to speak to please identify themselves and could express their comments or questions at this time. There were no comments or questions from the public.

Chairperson Gutierrez-Scaccetti called the first order of business by requesting a motion to approve the minutes of the Authority's Board meeting held on January 21, 2021.

Robert Briant, Jr., moved to approve the following Resolution approving the Authority's January 21, 2021 meeting minutes:

***WHEREAS**, Article II, Section 2 of the By-laws of the New Jersey Transportation Trust Fund Authority (the "Authority") provides that the minutes of actions taken at the meetings of the Authority be approved by the Authority.*

Chairperson Gutierrez-Scaccetti declared said motion carried and the Resolution was adopted.

For the next order of business, Chairperson Gutierrez-Scaccetti called upon Michael Kanef, Director, Office of Public Finance, NJ Department of the Treasury, to provide a brief summary of the current municipal market environment, the transactions being contemplated and the overall potential savings that could be realized as a result of these transactions.

Mr. Kanef stated that the proposed bond transactions will refund and/or remarket all or a portion of the callable maturities from the following series: Transportation System Bonds: Series 2011A, 2011B and 2012A; Transportation Program Bonds: Series 2012AA and 2013AA; and Transportation Program Notes: 2014BB-2. These transactions will result in substantial cost savings to the NJTTFA due to the current market's near historic low interest rates. Mr. Kanef noted that no new money transactions are being proposed. He continued by describing the capital and municipal markets and their current and projected interest rates. He also described the proposed transactions and indicated that both tax-exempt and taxable bonds will be used to refund the bonds as a result of the favorable interest rate environment. He also shared information regarding the use of a tax-exempt forward, or delayed delivery, refunding that may be presented to the Board in the future. He concluded his discussion by stating that the combination of the

proposed bond refundings would total approximately \$440 million in savings to the NJTTFA. He also pointed out to the Board that amount could fluctuate slightly between now and when the bonds are priced.

Chairperson Gutierrez-Scaccetti thanked Mr. Kanef for his presentation and proceeded to the next order of business.

Chairperson Gutierrez-Scaccetti called upon Jacqueline Shanes, of McCarter & English, LLC, Bond Counsel to the Authority, to provide a brief overview of the Ninth Supplemental Transportation Program Bond Resolution. Jacqueline Shanes provided the following summary: *“This Ninth Supplemental Resolution authorizes the issuance of one or more Series of Transportation Program Bonds in an aggregate principal amount not exceeding \$1,600,000,000 to refund certain of the Authority’s Outstanding Transportation Program Bonds. It provides that the true interest cost on each Series of Bonds shall not exceed five and one-half percent (5.50%) per annum. The Resolution authorizes a negotiated sale of the Bonds to Citigroup Global Markets Inc., as Manager, and other matters in connection therewith, including the distribution of a Preliminary Official Statement and final Official Statement and the execution and delivery of a Bond Purchase Contract, an Escrow Deposit Agreement, and a Continuing Disclosure Agreement, as applicable. Drafts of these documents are were included in your agenda packages.”* Ms. Shanes asked if anyone had any questions.

Robert Briant, Jr., commented positively regarding the opportunity for the NJTTFA to save money as a result of these transactions and noted that none of the proposed transactions would extend the maturity dates of the bonds. Jacqueline Shanes confirmed that was correct. The maturity dates will remain the same.

Chairperson Gutierrez-Scaccetti asked if anyone had any questions or further discussion. Hearing none, Chairperson Gutierrez-Scaccetti requested a motion to adopt the resolution entitled: “Approval of the Ninth Supplemental Transportation Program Bond Resolution.” Gregory Lalevee moved to adopt the Resolution (which is appended to these minutes). The motion was seconded by John Duthie and adopted on a call of roll as follows:

It provides the true interest cost on the remarketed Program Notes shall not exceed five and one-half percent (5.50%) per annum. It authorizes the conversion and remarketing of the Program Notes with Citigroup Global Markets Inc. as Remarketing Agent, and other matters in connection therewith, including the distribution of a Preliminary Remarketing Circular and a final Remarketing Circular, and the execution and delivery of a Remarketing and Placement Agreement and an Amended and Restated Continuing*

For the next item of business, Chairperson Gutierrez-Scaccetti called upon Jacqueline Shanes to provide a brief overview of the Thirty-Second Supplemental Transportation System Bond Resolution. Jacqueline Shanes provided the following summary: *“This Thirty-Second Supplemental Resolution authorizes the issuance of one or more Series of Transportation System Bonds in an aggregate principal amount not exceeding \$1,075,000,000 to refund certain of the Authority’s Outstanding Transportation System Bonds. It provides that the true interest cost on each Series of Bonds shall not exceed five and one-half percent (5.50%) per annum. The Resolution authorizes a negotiated sale of the Bonds to Citigroup Global Markets Inc., as Manager, and other matters in connection therewith, including the distribution of a Preliminary*

Official Statement and final Official Statement and the execution and delivery of a Bond Purchase Contract, an Escrow Deposit Agreement, and a Continuing Disclosure Agreement, as applicable. Drafts of these documents were included in your agenda packages.”

Chairperson Gutierrez-Scaccetti declared said motion carried and the resolution was adopted.

Chairperson Diane Gutierrez-Scaccetti stated the next order of business is approval of the Costs of Issuance Resolution. Chairperson Gutierrez-Scaccetti called upon Michael Kanef, Director, Office of Public Finance, NJ Department of the Treasury, to provide an overview of this resolution and provide an explanation of the costs of issuing the bonds.

Mr. Kanef stated that the Costs of Issuance Resolution, which was one of the documents distributed to the Board, contains the costs and fees for the various service providers related to the proposed bond transactions. He described the service providers, such as bond counsel, rating agencies, and bidding agent. He said the total amount of fees for the Costs of Issuance are

expected to be around \$1.25 million. These fees represent about approximately 0.25% of the total amount of proposed savings currently estimated at \$440 million. Robert Briant, Jr., asked if four rating agencies are required by the Securities Exchange Commission. Mr. Kanef responded that a specific number is not required. However, during the Chris Christie administration another credit rating agency was added, bringing the total up to four; explaining that from a marketing or bond perspective, adding an agency is easier to do than removing one. While discussions on this topic (needing ratings from four different rating agencies) are ongoing within the Department of the Treasury, Mr. Kanef indicated that at this time four rating agencies will be used.

Chairperson Gutierrez-Scaccetti asked if there were any questions or further discussion. Hearing none, Chairperson Gutierrez-Scaccetti requested a motion to approve the Resolution entitled “Approval of the Costs of Issuance Resolution in connection with the Authority’s: Transportation Program Bonds 2021 Series AA (Tax-Exempt) and 2021 Series BB (Federally Taxable); remarked Transportation Program Notes (Fixed Rate) 2014 Series BB-2; and Transportation System Bonds 2021 Series A (Tax-Exempt) and 2021 Series B (Federally Taxable).” Gregory Lalevee moved to adopt the resolution (which is appended to these minutes). The motion was seconded by Michael Kanef and adopted on a call of roll as follows:

Chairperson Gutierrez-Scaccetti declared said motion carried and the resolution was adopted.

Chairperson Diane Gutierrez-Scaccetti stated the next order of business is the approval of a resolution authorizing submission to the Joint Budget Oversight Committee, a request for approval in connection with the proposed refunding of the Authority's Transportation System Bonds and Transportation Program Bonds. Chairperson Gutierrez-Scaccetti called upon Michael Kanef, Director, Office of Public Finance, NJ Department of the Treasurer, to provide a brief overview of this resolution.

Mr. Kanef stated that because the TTFA debt service is ultimately an obligation of the State of New Jersey, and is issued as an appropriation credit, the refinancing of that debt is required to be approved by the Joint Budget Oversight Committee (JBOC). Mr. Kanef stated the Office of Public Finance, Bond Counsel, and Citi, the underwriter, as well as representatives of the NJTTFA, will provide a written plan of finance to the JBOC and give a presentation on that plan at JBOC's committee meeting. Mr. Kanef stated that given the substantial savings of these transactions he does not anticipate any problem receiving approval from the JBOC.

Chairperson Gutierrez-Scaccetti asked if there were any questions or further discussion. Hearing none, Chairperson Gutierrez-Scaccetti requested a motion to approve the Resolution entitled "Approval of a resolution authorizing submission to the Joint Budget Oversight Committee, a request for approval in connection with the proposed refunding of the Authority's Transportation System Bonds and Transportation Program Bonds." Robert Briant, Jr., moved to adopt the resolution (which is appended to these minutes). The motion was seconded by Gregory Lalevee and adopted on a call of roll as follows:

Chairperson Gutierrez-Scaccetti declared said motion carried and the resolution was adopted.

There being no further business coming from the Authority, Chairperson Gutierrez-Scaccetti requested a motion to adjourn the meeting. Gregory Lalevee moved that the February 18, 2021 meeting of the New Jersey Transportation Trust Fund Authority be adjourned. Michael Kanef seconded the motion and adopted on a call of roll as follows:

(a) Pursuant to the provisions of the Resolution, one or more Series of Ninth Supplemental Bonds, constituting Refunding Bonds, entitled to the benefit, protection and security of such provisions are hereby authorized to be issued in an aggregate principal amount not exceeding \$1,600,000,000. The Ninth Supplemental Bonds shall be designated as “Transportation Program Bonds” and shall be further distinguished by the designation of the year of issue and the letter of the Series, as such designation may be determined by an Authorized Authority Official in the Series Certificate. Each Series of the Ninth Supplemental Bonds shall be issued as Tax-Exempt Ninth Supplemental Bonds or Taxable Ninth Supplemental Bonds with a fixed rate or rates of interest to maturity and shall be dated, shall mature on such dates and in such principal amounts, shall bear interest from their date at such rate or rates payable on such dates, and shall be subject to redemption prior to maturity on such terms and conditions, as shall be determined by an Authorized Authority Official in the Series Certificate; provided, however, that in no event shall (i) the final maturity of the Ninth Supplemental Bonds be later than the final maturity date of the Refunded Bonds, (ii) the true interest cost of each Series of Tax-Exempt Ninth Supplemental Bonds exceed five and one-half percent (5.50%) per annum, (iii) the true interest cost of each Series of Taxable Ninth Supplemental Bonds exceed six percent (6.00%) per annum, and (iv) the redemption price for any Ninth Supplemental Bond, if expressed as a percentage of the principal amount of such Ninth Supplemental Bond to be redeemed, exceed one hundred three percent (103%) of the principal amount of such Ninth Supplemental Bond; provided, however, that at the option of the Authority, any Taxable Ninth Supplemental Bond may be subject to optional redemption pursuant to a “make whole” provision which may exceed one hundred three percent (103%) of the principal amount of such Taxable Ninth Supplemental Bond, if and as provided in the Series Certificate. (b) The purchase of one or more Series of the Ninth Supplemental Bonds from time to time by the Underwriters and the sale of one or more Series of the Ninth Supplemental Bonds from time to time by the Authority to the Underwriters shall be subject to the execution by the Authority and the Senior Managing Underwriter, as representative of the Underwriters, of either a Bond Purchase Contract (collectively, the "Bond Purchase Contract(s)") for the applicable Series or all Series of the Ninth Supplemental Bonds in substantially the form presented to this meeting. The Bond Purchase Contract(s), in substantially the form presented to this meeting, is hereby approved, provided that an Authorized Authority Official is hereby authorized, with the advice of Bond Counsel and the Attorney General of the State (the "State Attorney General"), to make such changes, insertions and deletions to and omissions from such form as may be necessary or appropriate in connection with the applicable Series of the Ninth Supplemental Bonds. Series of the Ninth Supplemental Bonds does not exceed the limitations set forth in paragraph (a) of Section 2.1 of this Ninth Supplemental Resolution.

2.5. Approval of the Preliminary Official Statement.

A Preliminary Official Statement (the “Preliminary Official Statement”) relating to the sale of the Ninth Supplemental Bonds in substantially the form presented to this meeting is hereby approved, provided that Appendix I (which is provided by the State) shall be included therein, and provided further that an Authorized Authority Official is hereby authorized, with the advice of Bond Counsel and the State Attorney General, to make such changes, insertions or deletions to and omissions from the form of the Preliminary Official Statement, as may be necessary or appropriate with respect to the Ninth Supplemental Bonds. 2.6. Authorization of the Printing and Distribution of the Preliminary Official Statement.

The printing and distribution, via electronic medium, in addition to or in lieu of physical, printed medium, of the Preliminary Official Statement by an Authorized Authority Official in connection with the sale of each Series of the Ninth Supplemental Bonds, with such changes, insertions, deletions and omissions in such Preliminary Official Statement as the Authorized Authority Official authorized to print and distribute the same shall approve, with the advice of Bond Counsel and the State Attorney General, is hereby authorized. (g) With respect to the Ninth Supplemental Bonds, to execute a final Official Statement of the Authority, dated the date of sale of the Ninth Supplemental Bonds, substantially in the form of the Preliminary Official Statement for the Ninth Supplemental Bonds, with such insertions, revisions, deletions and omissions as may be authorized by the Authorized Authority Official executing the same, with the advice of Bond Counsel and the State Attorney General, and to deliver such final Official Statement, in hard copy and/or electronic format, to the Underwriters and to authorize the use of such final Official Statement and the information contained therein in connection with the offering and sale of the Ninth Supplemental Bonds.

(h) To determine the application of the proceeds of each Series of the Ninth Supplemental Bonds in accordance with the provisions of Section 2.2 hereof.

(i) To make the determination of the Series, maturities and/or sinking fund installments within a Series and the principal amounts within each maturity of the Refunded Bonds that are to be refunded with the proceeds of each Series of the Ninth Supplemental Bonds and to give notice to the Trustee, pursuant to the Resolution, directing the optional redemption of any such Refunded Bonds to be redeemed, and to determine the amounts to be credited toward each sinking fund installment to become due (if other than pro rata) in the case of any partial refunding of Refunded Bonds of any Series and maturity for which sinking fund redemption provisions shall have been established; provided, however, that no Series of the Ninth Supplemental Bonds shall be issued unless an Authorized Authority Official shall first determine that the present value of the aggregate of the principal of and interest on such Series of the Ninth Supplemental Bonds is less than the present value of the aggregate of the principal of and interest on the Refunded Bonds which are refunded with the proceeds of such Series of Ninth Supplemental Bonds, except that, for purposes of this limitation, present value shall be computed using a discount rate equal to the yield of such Series of the Ninth Supplemental Bonds, and yield shall be computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the prices paid the Authority by the initial purchasers of such Series of the Ninth Supplemental Bonds; and provided further, however, that if the Ninth Supplemental Bonds are issued in more than one Series, a Series of such Ninth Supplemental Bonds may not be issued unless an Authorized Authority Official shall first determine that the present value of the aggregate of the principal of and interest on such Series of the Ninth Supplemental Bonds, when combined with the present value of the aggregate of the principal of and interest on all other Series of the Ninth Supplemental Bonds sold simultaneously with such Series of the Ninth Supplemental Bonds, is less than the present value of the aggregate of the principal of and interest on all of the Refunded Bonds which are refunded with the proceeds of all such Series of

Ninth Supplemental Bonds, with the present value of the aggregate of the principal of and interest on all Series of the Ninth Supplemental Bonds and the present value of the aggregate of the principal of and interest on all of the Refunded Bonds being computed as provided herein.

(j) To purchase one or more policies of municipal bond insurance with respect to any or all of the maturities of each Series of the Ninth Supplemental Bonds if an Authorized Authority Official determines that such policy or policies of municipal bond insurance are necessary or desirable to achieve the economic objectives of the Authority, to include in the Series Certificate for such Series of the Ninth Supplemental Bonds such provisions relating to the insurance policy or policies as such Authorized Authority Official, with the advice of Bond Counsel and the State Attorney General, deems appropriate and to include on the form of any Ninth Supplemental Bond which is insured by a municipal bond insurance policy a statement of insurance in the form requested by the issuer of such municipal bond insurance policy. The cost of any such policy or policies of municipal bond insurance may be paid from the proceeds of the applicable Series of the Ninth Supplemental Bonds.

(k) To purchase, or cause the Escrow Agent to purchase, United States Treasury Securities - State and Local Government Series with a portion of the proceeds of each Series of the Ninth Supplemental Bonds in connection with the refunding of any Refunded Bonds, and, in the event that such Authorized Authority Official determines that it is necessary or advantageous to the Authority to purchase other Federal Securities in which a portion of the proceeds of each Series of the Ninth Supplemental Bonds may be invested in connection with the refunding of any Refunded Bonds, to select and appoint a firm, upon recommendation of the Treasurer based on Treasury's competitive RFP process, to serve as bidding agent to solicit bids to purchase such other Federal Securities, and to take all other actions as may be necessary or advisable to effectuate the redemption of all or a portion of the Refunded Bonds in accordance with the provisions of the Resolution.

(l) To determine the application of the balance of moneys, if any, remaining in the Escrow Fund (as defined in the Escrow Deposit Agreement), subject to the provisions of the Escrow Deposit Agreement.

(m) To prepare, execute and submit an application for one or more ratings by the Rating Agencies for the Ninth Supplemental Bonds, and to include in the Series Certificate for the Ninth Supplemental Bonds such provisions relating to the rating(s) as an Authorized Authority Official, with the advice of Bond Counsel and the State Attorney General, deems appropriate. The cost of any such rating(s) may be paid from the proceeds of such Series of the Ninth Supplemental Bonds.

(n) In light of changing market conditions and in order to issue the Ninth Supplemental Bonds on the terms most favorable to the Authority, in addition to all other matters authorized in this Ninth Supplemental Resolution, the Authorized Authority Officials, in consultation with the Treasurer, are authorized to make such other determinations, to execute such other documents, instruments and agreements and to do such other acts and things as may be necessary or advisable in connection with the issuance of the Ninth Supplemental Bonds or as may be appropriate based on a change in market conditions, provided that any such other determinations, documents, instruments and agreements, acts and things shall be in furtherance

of, and not conflict with, the provisions of this Ninth Supplemental Resolution, the Resolution or the Act. Any and all actions heretofore taken by the Authorized Authority Officials in connection with the issuance of the Ninth Supplemental Bonds are hereby ratified.

(o) To authorize the electronic posting of the Official Statement on the State's website, upon the request of the Treasurer or her designee.

(p) To make such other determinations, to execute such other documents, instruments and papers and to do or refrain from doing such acts and things as may be necessary or advisable in connection with the issuance, sale and delivery of, and security for, each Series of the Ninth Supplemental Bonds and the refunding and defeasance of the Refunded Bonds (including the designation of a particular Paying Agent for the Refunded Bonds as escrow agent) and which are not inconsistent with the provisions of this Ninth Supplemental Resolution, the Resolution or the Act.

Any and all actions heretofore taken by the Authorized Authority Officials in connection with the issuance of the Ninth Supplemental Bonds are hereby ratified. All matters determined by an Authorized Authority Official under the authority of this Ninth Supplemental Resolution shall constitute and be deemed matters incorporated into this Ninth Supplemental Resolution and approved by the Authority, and whenever an Authorized Authority Official is authorized, directed or delegated the power to take or refrain from taking any action pursuant to this Ninth Supplemental Resolution with or upon the advice, consent or consultation with or by any other person, agency, office or official, a certificate of such Authorized Authority Official may be relied upon as being determinative that such advice, consultation or consent has in fact occurred and that such actions or omissions of the Authorized Authority Official are valid and binding.

2.10. Denomination, Numbers and Letters.

Each Series of the Ninth Supplemental Bonds shall be issued in fully registered form in the denominations as set forth in the applicable Series Certificate. Unless the Authority shall otherwise direct, each Series of the Ninth Supplemental Bonds shall be lettered and numbered from one upward preceded by the letter "R" prefixed to the number. Subject to the provisions of the Resolution, the form of the Ninth Supplemental Bonds and the Trustee's Certificate of Authentication thereon shall be substantially in the form set forth in Section 2.14 of this Ninth Supplemental Resolution.

2.11. Redemption.

Each Series of the Ninth Supplemental Bonds may be subject to redemption prior to maturity as provided in the applicable Series Certificate.

2.12. Book-Entry Only System.

1. Except as provided in subparagraph (3) of this Section 2.12, the registered Holder of all of the Ninth Supplemental Bonds shall be, and the Ninth Supplemental Bonds shall be registered in the name of, Cede & Co., as nominee of DTC. With respect to the Ninth Supplemental Bonds for which Cede & Co. shall be the registered Holder, payment of interest on

such Ninth Supplemental Bonds shall be made by wire transfer of same day funds to the account of Cede & Co. on the Interest Payment Dates for the Ninth Supplemental Bonds at the address indicated for Cede & Co. in the registration books of the Authority kept by the Trustee, as Bond Registrar.

2. The Ninth Supplemental Bonds of each Series shall be initially issued in the form of a separate fully registered bond in the amount of each separate maturity. Upon initial issuance, the ownership of each such Ninth Supplemental Bond shall be registered on the registration books of the Authority kept by the Trustee in the name of Cede & Co. With respect to Ninth Supplemental Bonds so registered in the name of Cede & Co., the Authority and the Trustee shall have no responsibility or obligation to any DTC participant, indirect DTC participant, or any beneficial owner of a Ninth Supplemental Bond. Without limiting the immediately preceding sentence, the Authority and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC participant or indirect DTC participant with respect to any beneficial ownership interest in a Ninth Supplemental Bond, (ii) the delivery to any DTC participant, indirect DTC participant, beneficial owner or any other person, other than DTC or Cede & Co., of any notice with respect to a Ninth Supplemental Bond, or (iii) the payment to any DTC participant, indirect DTC participant, beneficial owner or any other person, other than DTC or Cede & Co., of any amount with respect to the principal of, redemption premium, if any, or interest on a Ninth Supplemental Bond. The Authority and the Trustee may treat DTC as, and deem DTC to be, the absolute registered Holder of each Ninth Supplemental Bond for the purpose of (i) payment of the principal of, redemption premium, if any, and interest on each such Ninth Supplemental Bond, (ii) giving notices with respect to the Ninth Supplemental Bond, (iii) registering transfers with respect to a Ninth Supplemental Bond and (iv) for all other purposes whatsoever. The Trustee shall pay the principal of, redemption premium, if any, and interest on each Ninth Supplemental Bond only to or upon the order of DTC, and all such payments shall be valid and effective to fully satisfy and discharge the Authority's obligations with respect to such principal and interest to the extent of the sum or sums so paid. No person other than DTC shall receive a Ninth Supplemental Bond evidencing the obligation of the Authority to make payments of principal and interest thereon pursuant to this Ninth Supplemental Resolution. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the transfer provisions hereof, the words "Cede & Co." in this Ninth Supplemental Resolution shall refer to such new nominee of DTC.

3. (a) DTC may determine to discontinue providing its services with respect to a particular Series of the Ninth Supplemental Bonds at any time by giving written notice to the Authority and discharging its responsibilities with respect thereto under applicable law. Upon receipt of such notice, the Authority shall promptly deliver a copy of same to the Trustee.

(b) The Authority, (i) in its sole discretion and without the consent of any other person, may discontinue the use of book-entry-only transfer through DTC (or a successor securities depository) with respect to a particular Series of the Ninth Supplemental Bonds, in which event certificates for such Ninth Supplemental Bonds shall be printed and delivered to DTC, and (ii) shall terminate the services of DTC with respect to a particular Series of the Ninth Supplemental Bonds upon receipt by the Authority and the Trustee of written notice

from DTC to the effect that DTC has received written notice from DTC participants or indirect DTC participants having interests, as shown in the records of DTC, in an aggregate principal amount of not less than fifty percent (50%) of the aggregate principal amount of the then Outstanding Ninth Supplemental Bonds of such Series to the effect, that (A) DTC is unable to discharge its responsibilities with respect to such Ninth Supplemental Bonds; or (B) a continuation of the requirement that all of the Outstanding Ninth Supplemental Bonds of such Series be registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, is not in the best interest of the beneficial owners of the Ninth Supplemental Bonds of such Series.

(c) Upon the termination of the services of DTC with respect to the Ninth Supplemental Bonds of a Series pursuant to subsection 2.12(3)(b)(ii)(A) hereof, or upon the discontinuance or termination of the services of DTC with respect to the Ninth Supplemental Bonds of such Series pursuant to subsection 2.12(3)(a) or 2.12(3)(b)(ii)(B) hereof, after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the Authority, is willing and able to undertake such functions upon reasonable and customary terms, such Ninth Supplemental Bonds shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names the Holders of such Ninth Supplemental Bonds transferring or exchanging such Ninth Supplemental Bonds shall designate, in accordance with the provisions of the Resolution. Upon the determination by any party authorized herein that the Ninth Supplemental Bonds of such Series shall no longer be limited to book-entry only form, the Authority shall immediately advise the Trustee in writing of the procedures for transfer of such Ninth Supplemental Bonds from such book-entry only form to a fully registered form.

4. Notwithstanding any other provision of this Ninth Supplemental Resolution to the contrary, so long as any Ninth Supplemental Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of, redemption premium, if any, and interest on, and all notices with respect to, such Ninth Supplemental Bond shall be made and given, respectively, to DTC as provided in the Letter of Representations of the Authority and the Trustee, addressed to DTC, with respect to the applicable Series of Ninth Supplemental Bonds.

5. In connection with any notice or other communication to be provided to Holders of the Ninth Supplemental Bonds of any Series pursuant to the Resolution by the Authority or the Trustee with respect to any consent or other action to be taken by such Holders, the Authority or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

6. The Authority hereby authorizes the Treasurer, by and on behalf of the Authority, and in consultation with an Authorized Authority Official, to determine from time to time, subject to confirmation and ratification by the Authority, whether or not it is advisable for the Authority to continue the book-entry system or to replace DTC with another qualified securities depository as successor to DTC.

2.13. Application of Proceeds of the Ninth Supplemental Bonds.

The proceeds of each Series of the Ninth Supplemental Bonds shall be applied as set forth in the applicable Series Certificate with respect to such Series, subject to the following provisions:

1. In the event an Authorized Authority Official determines to purchase one or more policies of municipal bond insurance and/or commitments for municipal bond insurance as authorized pursuant to Section 2.9(j) of this Ninth Supplemental Resolution, there shall be sent by wire transfer directly from the Senior Managing Underwriter to the provider of such policy or policies of municipal bond insurance, an amount as shall be specified in the applicable Series Certificate constituting the premium for such policy or policies;

2. There shall be deposited in the Transportation Program Improvement Fund established under the Resolution in a special account hereby established therein with respect to each Series of the Ninth Supplemental Bonds, to be known as the “2021 Series [Letter Designation] Bonds Transportation Program Improvement Account,” which may be combined with any other moneys in the Transportation Program Improvement Fund for purposes of investment, such amount as may be designated by an Authorized Authority Official to be applied to the payment of the costs of issuance of the applicable Series of the Ninth Supplemental Bonds, as specified in the applicable Series Certificate; and

3. There shall be deposited in the Escrow Fund created and established under the Escrow Deposit Agreement a portion of the proceeds of each Series of the Ninth Supplemental Bonds in the amount specified in the applicable Series Certificate.

2.14. Form of the Ninth Supplemental Bonds and Trustee’s Certificate of Authentication.

Subject to the provisions of the Resolution, the form of each Series of the Ninth Supplemental Bonds and the Trustee’s Certificate of Authentication thereon shall be of substantially the following tenor:

Unless this Certificate is presented by the authorized representative of The Depository Trust Company to the Authority or its agent for registration of transfer, exchange or payment, and any certificate issued is registered in the name of CEDE & CO., or any other name as requested by an authorized representative of The Depository Trust Company (and any payment is made to CEDE & CO., or to such other entity as is requested by an authorized representative of The Depository Trust Company), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL since the registered owner hereof, CEDE & CO., has an interest herein.

2.1. Maximum Principal Amount, Designation, Series and Other Details.

(a) Pursuant to the provisions of the Resolution, one or more Series of Thirty-Second Supplemental Bonds, constituting Refunding Bonds, entitled to the benefit, protection and security of such provisions are hereby authorized to be issued in an aggregate principal amount not exceeding \$1,075,000,000. The Thirty-Second Supplemental Bonds shall be designated as “Transportation System Bonds” and shall be further distinguished by the designation of the year of issue and the letter of the Series, as such designation may be determined by an Authorized Authority Official in the Series Certificate. Each Series of the Thirty-Second Supplemental Bonds shall be issued as Tax-Exempt Thirty-Second Supplemental Bonds or Taxable Thirty-Second Supplemental Bonds with a fixed rate or rates of interest to maturity and shall be dated, shall mature on such dates and in such principal amounts, shall bear interest from their date at such rate or rates payable on such dates, and shall be subject to redemption prior to maturity on such terms and conditions, as shall be determined by an Authorized Authority Official in the Series Certificate; provided, however, that in no event shall (i) the final maturity of the Thirty-Second Supplemental Bonds be later than the final maturity date of the Refunded Bonds, (ii) the true interest cost of each Series of Tax-Exempt Thirty-Second Supplemental Bonds exceed five and one-half percent (5.50%) per annum, (iii) the true interest cost of each Series of Taxable Thirty-Second Supplemental Bonds exceed six percent (6.00%) per annum, and (iv) the redemption price for any Thirty-Second Supplemental Bond, if expressed as a percentage of the principal amount of such Thirty-Second Supplemental Bond to be redeemed, exceed one hundred three percent (103%) of the principal amount of such Thirty-Second Supplemental Bond; provided, however, that at the option of the Authority, any Taxable Thirty-Second Supplemental Bond may be subject to optional redemption pursuant to a “make whole” provision which may exceed one hundred three percent (103%) of the principal amount of such Taxable Thirty-Second Supplemental Bond, if and as provided in the Series Certificate. 2.3. Reserved.

2.4. Authorization of Negotiated Sale.

(a) The Authority hereby authorizes the sale of each Series of the Thirty-Second Supplemental Bonds on a negotiated basis because the financing involves the sale of bonds having a complex financing structure (simultaneous sale of tax exempt and taxable bonds in a refunding transaction) and due to large issue size and volatile market conditions. Upon recommendation of the Treasurer based upon the Department of Treasury's ("Treasury") competitive RFP process and in accordance with Executive Order No. 26 (Whitman 1994) ("Executive Order 26"), the Authority hereby appoints Citigroup Global Markets Inc. as Senior Managing Underwriter in connection with each Series of the Thirty-Second Supplemental Bonds herein authorized and, upon recommendation of the Treasurer based upon Treasury's competitive RFP process and in accordance with Executive Order 26, an Authorized Authority Official is hereby authorized to select additional co-senior managers and co-managers for each Series of the Thirty-Second Supplemental Bonds. (b) The purchase of one or more Series of the Thirty-Second Supplemental Bonds from time to time by the Underwriters and the sale of one or more Series of the Thirty-Second Supplemental Bonds from time to time by the Authority to the Underwriters shall be subject to the execution by the Authority and the Senior Managing Underwriter, as representative of the Underwriters, of a Bond Purchase Contract (collectively, the "Bond Purchase Contract(s)") for the applicable Series or all Series of the Thirty-Second Supplemental Bonds in substantially the form presented to this meeting. The Bond Purchase Contract(s), in substantially the form presented to this meeting, is hereby approved, provided that an Authorized Authority Official is hereby authorized, with the advice of Bond Counsel and the Attorney General of the State (the "State Attorney General"), to make such changes, insertions and deletions to and omissions from such form as may be necessary or appropriate in connection with the applicable Series of the Thirty-Second Supplemental Bonds. The Authorized Authority Officials are, and each such Authorized Authority Official is, hereby authorized and directed on behalf of the Authority to approve the terms of the Bond Purchase Contract(s) relating to the sale of each of the applicable Series of the Thirty-Second Supplemental Bonds and to execute and deliver such Bond Purchase Contract(s) to the Senior Managing Underwriter, as representative of the Underwriters; provided that the provisions of the Bond Purchase Contract(s) are acceptable to counsel to the Authority (including Bond Counsel and the State Attorney General) and (i) the amount of the compensation to be paid to the Underwriters does not exceed \$3.80 per \$1,000.00

of the applicable Series of the Thirty-Second Supplemental Bonds, and (ii) the aggregate principal amount, the final maturity date or dates, the true interest cost and the redemption price of such Series of the Thirty-Second Supplemental Bonds does not exceed the limitations set forth in paragraph (a) of Section 2.1 of this Thirty-Second Supplemental Resolution.

2.5. Approval of the Preliminary Official Statement.

A Preliminary Official Statement (the “Preliminary Official Statement”) relating to the sale of the Thirty-Second Supplemental Bonds in substantially the form presented to this meeting is hereby approved, provided that Appendix I (which is provided by the State) shall be included therein, and provided further that an Authorized Authority Official is hereby authorized, with the advice of Bond Counsel and the State Attorney General, to make such changes, insertions or deletions to and omissions from the form of the Preliminary Official Statement, as may be necessary or appropriate with respect to the Thirty-Second Supplemental Bonds. An Authorized Authority Official is hereby authorized, with the advice of Bond Counsel and the State Attorney General, to execute and deliver a certificate, or to include a provision in the Bond Purchase Contract(s), that “deems final” the Preliminary Official Statement relating to the Thirty-Second Supplemental Bonds pursuant to the provisions of Rule 15c2-12, and such certificate or provision relating thereto shall be in a form acceptable to Bond Counsel and the State Attorney General.

2.6. Authorization of the Printing and Distribution of the Preliminary Official Statement.

The printing and distribution, via electronic medium, in addition to or in lieu of physical, printed medium, of the Preliminary Official Statement by an Authorized Authority Official in connection with the sale of each Series of the Thirty-Second Supplemental Bonds, with such changes, insertions, deletions and omissions in such Preliminary Official Statement as the Authorized Authority Official authorized to print and distribute the same shall approve, with the advice of Bond Counsel and the State Attorney General, is hereby authorized. Any Authorized Authority Official is further authorized and directed to take all such other actions as such Authorized Authority Official shall deem necessary or desirable to effect a public sale of each Series of the Thirty-Second Supplemental Bonds.

2.7. Approval of Continuing Disclosure Agreement.

securities dealers to comply with Rule 15c2-12.

2.8. Approval of Escrow Deposit Agreement.

An Escrow Deposit Agreement (the “Escrow Deposit Agreement”) to be entered into by the Authority in connection with the Thirty-Second Supplemental Bonds to provide for the refunding and defeasance of the Refunded Bonds to be refunded from the proceeds of the Thirty-Second Supplemental Bonds, in substantially the form presented to this meeting, is hereby approved; provided that an Authorized Authority Official is hereby authorized, with the advice of Bond Counsel and the State Attorney General, to make such changes, insertions and deletions to and omissions from the form of the Escrow Deposit Agreement as may be necessary or appropriate with respect to the Thirty-Second Supplemental Bonds. The Authorized Authority Officials are hereby authorized and directed, with the advice of Bond Counsel and the State Attorney General, to enter into and execute an Escrow Deposit Agreement with U.S. Bank National Association, Edison, New Jersey, the Trustee, as escrow agent (the “Escrow Agent”), relating to the Thirty-Second Supplemental Bonds.

2.9. Additional Proceedings.

As additional proceedings of the Authority in connection with the sale, issuance and delivery of each Series of the Thirty-Second Supplemental Bonds hereby authorized, there is hereby delegated to the Authorized Authority Officials the power to take the following actions and make the following determinations as to each Series of the Thirty-Second Supplemental Bonds by executing and delivering a Series Certificate or Certificates of any one such Authorized Authority Official, provided that the final terms and conditions of each Series of the Thirty-Second Supplemental Bonds as set forth in the Series Certificate shall be subject to the written approval of the Treasurer:

(a) To determine, subject to the provisions of this Thirty-Second Supplemental Resolution, the appropriate Series designations, respective principal amounts and/or sinking fund installments, the interest rate or rates, the dated dates, the interest and principal payment and maturity dates, the denomination or denominations and the redemption provisions of each Series of the Thirty-Second Supplemental Bonds, and any other provisions necessary to comply with the Resolution or deemed necessary or advisable by such Authorized Authority Official and which provisions are not in conflict with or in substitution for the provisions of the Resolution or the Act.

(b) To acknowledge receipt of prior approval letters of the Governor and the Treasurer as required by Section 9(a) of the Act approving the adoption by the Authority of this Thirty-Second Supplemental Resolution and the issuance of the Thirty-Second Supplemental Bonds.

(c) To acknowledge receipt of the approval of the Joint Budget Oversight Committee as required by Section 9(k) of the Act relating to the issuance of the Thirty-Second Supplemental Bonds.

(d) Prior to the issuance of the first Series of the Thirty-Second Supplemental Bonds, to make such revisions to this Thirty-Second Supplemental Resolution as may be requested by the Joint Budget Oversight Committee as a condition to its approval of the issuance of the Thirty-Second Supplemental Bonds, provided such revisions, if any, shall be set forth in the Series Certificate for the Thirty-Second Supplemental Bonds.

(e) Prior to the issuance of the first Series of Thirty-Second Supplemental Bonds, to make such revisions to this Thirty-Second Supplemental Resolution as may be requested by any Rating Agency in connection with its respective rating of such Series of Thirty-Second Supplemental Bonds, or by the issuer of any municipal bond insurance policy insuring any of the Thirty-Second Supplemental Bonds, provided such revisions, if any, shall be set forth in the Series Certificate for such Series of the Thirty-Second Supplemental Bonds.

(f) To file, with the Trustee, a copy of this Thirty-Second Supplemental Resolution certified by an Authorized Authority Official, along with an opinion of Bond Counsel, which filing is required by Article X of the Resolution.

(g) With respect to the Thirty-Second Supplemental Bonds, to execute a final Official Statement of the Authority, dated the date of sale of the Thirty-Second Supplemental Bonds, substantially in the form of the Preliminary Official Statement for the Thirty-Second Supplemental Bonds, with such insertions, revisions, deletions and omissions as may be authorized by the Authorized Authority Official executing the same, with the advice of Bond Counsel and the State Attorney General, and to deliver such final Official Statement to the Underwriters, in hard copy and/or electronic format, and to authorize the use of such final Official Statement and the information contained therein in connection with the offering and sale of the Thirty-Second Supplemental Bonds.

(h) To determine the application of the proceeds of each Series of the Thirty-Second Supplemental Bonds in accordance with the provisions of Section 2.2 hereof.

(i) To make the determination of the Series, maturities and/or sinking fund installments within a Series and the principal amounts within each maturity of the Refunded Bonds that are to be refunded with the proceeds of each Series of the Thirty-Second Supplemental Bonds and to give notice to the Trustee, pursuant to the Resolution, directing the optional redemption of any such Refunded Bonds to be redeemed, and to determine the amounts to be credited toward each sinking fund installment to become due (if other than pro rata) in the case of any partial refunding of Refunded Bonds of any Series and maturity for which sinking fund redemption provisions shall have been established; provided, however, that no Series of the Thirty-Second Supplemental Bonds shall be issued unless an Authorized Authority Official shall first determine that the present value of the aggregate of the principal of and interest on such Series of the Thirty-Second Supplemental Bonds is less than the present value of the aggregate of the principal of and interest on the Refunded Bonds which are refunded with the proceeds of such Series of Thirty-Second Supplemental Bonds, except that, for purposes of this limitation, present value shall be computed using a discount rate equal to the yield of such Series of the Thirty-Second Supplemental Bonds, and yield shall be computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the prices paid the Authority

by the initial purchasers of such Series of the Thirty-Second Supplemental Bonds; and provided further, however, that if the Thirty-Second Supplemental Bonds are issued in more than one Series, a Series of such Thirty-Second Supplemental Bonds may not be issued unless an Authorized Authority Official shall first determine that the present value of the aggregate of the principal of and interest on such Series of the Thirty-Second Supplemental Bonds, when combined with the present value of the aggregate of the principal of and interest on all other Series of the Thirty-Second Supplemental Bonds sold simultaneously with such Series of the Thirty-Second Supplemental Bonds, is less than the present value of the aggregate of the principal of and interest on all of the Refunded Bonds which are refunded with the proceeds of all such Series of Thirty-Second Supplemental Bonds, with the present value of the aggregate of the principal of and interest on all Series of the Thirty-Second Supplemental Bonds and the present value of the aggregate of the principal of and interest on all of the Refunded Bonds being computed as provided herein.

(j) To purchase one or more policies of municipal bond insurance with respect to any or all of the maturities of each Series of the Thirty-Second Supplemental Bonds if an Authorized Authority Official determines that such policy or policies of municipal bond insurance are necessary or desirable to achieve the economic objectives of the Authority, to include in the Series Certificate for such Series of the Thirty-Second Supplemental Bonds such provisions relating to the insurance policy or policies as such Authorized Authority Official, with the advice of Bond Counsel and the State Attorney General, deems appropriate and to include on the form of any Thirty-Second Supplemental Bond which is insured by a municipal bond insurance policy a statement of insurance in the form requested by the issuer of such municipal bond insurance policy. The cost of any such policy or policies of municipal bond insurance may be paid from the proceeds of the applicable Series of the Thirty-Second Supplemental Bonds.

(k) To purchase, or cause the Escrow Agent to purchase, United States Treasury Securities - State and Local Government Series with a portion of the proceeds of each Series of the Thirty-Second Supplemental Bonds in connection with the refunding of any Refunded Bonds, and, in the event that such Authorized Authority Official determines that it is necessary or advantageous to the Authority to purchase other Federal Securities in which a portion of the proceeds of each Series of the Thirty-Second Supplemental Bonds may be invested in connection with the refunding of any Refunded Bonds, to select and appoint a firm, upon recommendation of the Treasury based on the Treasury's competitive RFP process, to serve as bidding agent to solicit bids to purchase such other Federal Securities, and to take all other actions as may be necessary or advisable to effectuate the redemption of all or a portion of the Refunded Bonds in accordance with the provisions of the Resolution.

(l) To determine the application of the balance of moneys, if any, remaining in the Escrow Fund (as defined in the Escrow Deposit Agreement), subject to the provisions of the Escrow Deposit Agreement.

(m) To prepare, execute and submit an application for one or more ratings by the Rating Agencies for the Thirty-Second Supplemental Bonds, and to include in the Series Certificate for the Thirty-Second Supplemental Bonds such provisions relating to the rating(s) as an Authorized Authority Official, with the advice of Bond Counsel and the State Attorney

General, deems appropriate. The cost of any such rating(s) may be paid from the proceeds of such Series of the Thirty-Second Supplemental Bonds.

(n) In light of changing market conditions and in order to issue the Thirty-Second Supplemental Bonds on the terms most favorable to the Authority, in addition to all other matters authorized in this Thirty-Second Supplemental Resolution, the Authorized Authority Officials, in consultation with the Treasurer, are authorized to make such other determinations, to execute such other documents, instruments and agreements and to do such other acts and things as may be necessary or advisable in connection with the issuance of the Thirty-Second Supplemental Bonds or as may be appropriate based on a change in market conditions, provided that any such other determinations, documents, instruments and agreements, acts and things shall be in furtherance of, and not conflict with, the provisions of this Thirty-Second Supplemental Resolution, the Resolution or the Act. Any and all actions heretofore taken by the Authorized Authority Officials in connection with the issuance of the Thirty-Second Supplemental Bonds are hereby ratified.

(o) To authorize the electronic posting of the Official Statement on the State's website, upon the request of the Treasurer or her designee.

(p) To make such other determinations, to execute such other documents, instruments and papers and to do or refrain from doing such acts and things as may be necessary or advisable in connection with the issuance, sale and delivery of, and security for, each Series of the Thirty-Second Supplemental Bonds and the refunding and defeasance of the Refunded Bonds (including the designation of a particular Paying Agent for the Refunded Bonds as escrow agent) and which are not inconsistent with the provisions of this Thirty-Second Supplemental Resolution, the Resolution or the Act.

All matters determined by an Authorized Authority Official under the authority of this Thirty-Second Supplemental Resolution shall constitute and be deemed matters incorporated into this Thirty-Second Supplemental Resolution and approved by the Authority, and whenever an Authorized Authority Official is authorized, directed or delegated the power to take or refrain from taking any action pursuant to this Thirty-Second Supplemental Resolution with or upon the advice, consent or consultation with or by any other person, agency, office or official, a certificate of such Authorized Authority Official may be relied upon as being determinative that such advice, consultation or consent has in fact occurred and that such actions or omissions of the Authorized Authority Official are valid and binding.

2.10. Denomination, Numbers and Letters.

Each Series of the Thirty-Second Supplemental Bonds shall be issued in fully registered form in the denominations as set forth in the applicable Series Certificate. Unless the Authority shall otherwise direct, each Series of the Thirty-Second Supplemental Bonds shall be lettered and numbered from one upward preceded by the letter "R" prefixed to the number. Subject to the provisions of the Resolution, the form of the Thirty-Second Supplemental Bonds and the Trustee's Certificate of Authentication thereon shall be substantially in the form set forth in Section 2.14 of this Thirty-Second Supplemental Resolution.

2.11. Redemption.

Each Series of the Thirty-Second Supplemental Bonds may be subject to redemption prior to maturity as provided in the applicable Series Certificate.

2.12. Book-Entry Only System.

1. Except as provided in subparagraph (3) of this Section 2.12, the registered Holder of all of the Thirty-Second Supplemental Bonds shall be, and the Thirty-Second Supplemental Bonds shall be registered in the name of, Cede & Co., as nominee of DTC. With respect to the Thirty-Second Supplemental Bonds for which Cede & Co. shall be the registered Holder, payment of interest on such Thirty-Second Supplemental Bonds shall be made by wire transfer of same day funds to the account of Cede & Co. on the Interest Payment Dates for the Thirty-Second Supplemental Bonds at the address indicated for Cede & Co. in the registration books of the Authority kept by the Trustee, as Bond Registrar.

2. The Thirty-Second Supplemental Bonds of each Series shall be initially issued in the form of a separate fully registered bond in the amount of each separate maturity. Upon initial issuance, the ownership of each such Thirty-Second Supplemental Bond shall be registered on the registration books of the Authority kept by the Trustee in the name of Cede & Co. With respect to Thirty-Second Supplemental Bonds so registered in the name of Cede & Co., the Authority and the Trustee shall have no responsibility or obligation to any DTC participant, indirect DTC participant, or any beneficial owner of a Thirty-Second Supplemental Bond. Without limiting the immediately preceding sentence, the Authority and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC participant or indirect DTC participant with respect to any beneficial ownership interest in a Thirty-Second Supplemental Bond, (ii) the delivery to any DTC participant, indirect DTC participant, beneficial owner or any other person, other than DTC or Cede & Co., of any notice with respect to a Thirty-Second Supplemental Bond, or (iii) the payment to any DTC participant, indirect DTC participant, beneficial owner or any other person, other than DTC or Cede & Co., of any amount with respect to the principal of, redemption premium, if any, or interest on a Thirty-Second Supplemental Bond. The Authority and the Trustee may treat DTC as, and deem DTC to be, the absolute registered Holder of each Thirty-Second Supplemental Bond for the purpose of (i) payment of the principal of, redemption premium, if any, and interest on each such Thirty-Second Supplemental Bond, (ii) giving notices with respect to the Thirty-Second Supplemental Bond, (iii) registering transfers with respect to a Thirty-Second Supplemental Bond and (iv) for all other purposes whatsoever. The Trustee shall pay the principal of, redemption premium, if any, and interest on each Thirty-Second Supplemental Bond only to or upon the order of DTC, and all such payments shall be valid and effective to fully satisfy and discharge the Authority's obligations with respect to such principal and interest to the extent of the sum or sums so paid. No person other than DTC shall receive a Thirty-Second Supplemental Bond evidencing the obligation of the Authority to make payments of principal and interest thereon pursuant to this Thirty-Second Supplemental Resolution. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the transfer provisions hereof,

the words "Cede & Co." in this Thirty-Second Supplemental Resolution shall refer to such new nominee of DTC.

3. (a) DTC may determine to discontinue providing its services with respect to a particular Series of the Thirty-Second Supplemental Bonds at any time by giving written notice to the Authority and discharging its responsibilities with respect thereto under applicable law. Upon receipt of such notice, the Authority shall promptly deliver a copy of same to the Trustee.

(b) The Authority, (i) in its sole discretion and without the consent of any other person, may discontinue the use of book-entry-only transfer through DTC (or a successor securities depository) with respect to a particular Series of the Thirty-Second Supplemental Bonds, in which event certificates for such Thirty-Second Supplemental Bonds shall be printed and delivered to DTC, and (ii) shall terminate the services of DTC with respect to a particular Series of the Thirty-Second Supplemental Bonds upon receipt by the Authority and the Trustee of written notice from DTC to the effect that DTC has received written notice from DTC participants or indirect DTC participants having interests, as shown in the records of DTC, in an aggregate principal amount of not less than fifty percent (50%) of the aggregate principal amount of the then Outstanding Thirty-Second Supplemental Bonds of such Series to the effect, that (A) DTC is unable to discharge its responsibilities with respect to such Thirty-Second Supplemental Bonds; or (B) a continuation of the requirement that all of the Outstanding Thirty-Second Supplemental Bonds of such Series be registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, is not in the best interest of the beneficial owners of the Thirty-Second Supplemental Bonds of such Series.

(c) Upon the termination of the services of DTC with respect to the Thirty-Second Supplemental Bonds of a Series pursuant to subsection 2.12(3)(b)(ii)(A) hereof, or upon the discontinuance or termination of the services of DTC with respect to the Thirty-Second Supplemental Bonds of such Series pursuant to subsection 2.12(3)(a) or 2.12(3)(b)(ii)(B) hereof, after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the Authority, is willing and able to undertake such functions upon reasonable and customary terms, such Thirty-Second Supplemental Bonds shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names the Holders of such Thirty-Second Supplemental Bonds transferring or exchanging such Thirty-Second Supplemental Bonds shall designate, in accordance with the provisions of the Resolution. Upon the determination by any party authorized herein that the Thirty-Second Supplemental Bonds of such Series shall no longer be limited to book-entry only form, the Authority shall immediately advise the Trustee in writing of the procedures for transfer of such Thirty-Second Supplemental Bonds from such book-entry only form to a fully registered form.

4. Notwithstanding any other provision of this Thirty-Second Supplemental Resolution to the contrary, so long as any Thirty-Second Supplemental Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of, redemption premium, if any, and interest on, and all notices with respect to, such Thirty-Second Supplemental Bond shall be made and given, respectively, to DTC as provided in the Letter of

Representations of the Authority and the Trustee, addressed to DTC, with respect to the applicable Series of Thirty-Second Supplemental Bonds.

5. In connection with any notice or other communication to be provided to Holders of the Thirty-Second Supplemental Bonds of any Series pursuant to the Resolution by the Authority or the Trustee with respect to any consent or other action to be taken by such Holders, the Authority or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

6. The Authority hereby authorizes the Treasurer, by and on behalf of the Authority, and in consultation with an Authorized Authority Official, to determine from time to time, subject to confirmation and ratification by the Authority, whether or not it is advisable for the Authority to continue the book-entry system or to replace DTC with another qualified securities depository as successor to DTC.

2.13. Application of Proceeds of the Thirty-Second Supplemental Bonds.

The proceeds of each Series of the Thirty-Second Supplemental Bonds shall be applied as set forth in the applicable Series Certificate with respect to such Series, subject to the following provisions:

1. In the event an Authorized Authority Official determines to purchase one or more policies of municipal bond insurance and/or commitments for municipal bond insurance as authorized pursuant to Section 2.9(j) of this Thirty-Second Supplemental Resolution, there shall be sent by wire transfer directly from the Senior Managing Underwriter to the provider of such policy or policies of municipal bond insurance, an amount as shall be specified in the applicable Series Certificate constituting the premium for such policy or policies;

2. There shall be deposited in the Transportation Improvement Fund established under the Resolution in a special account hereby established therein with respect to each Series of the Thirty-Second Supplemental Bonds, to be known as the “2021 Series [Letter Designation] Bonds Transportation System Improvement Account,” which may be combined with any other moneys in the Transportation Improvement Fund for purposes of investment, such amount as may be designated by an Authorized Authority Official to be applied to the payment of the costs of issuance of the applicable Series of the Thirty-Second Supplemental Bonds, as specified in the applicable Series Certificate; and

3. There shall be deposited in the Escrow Fund created and established under the Escrow Deposit Agreement a portion of the proceeds of each Series of the Thirty-Second Supplemental Bonds in the amount specified in the applicable Series Certificate.

2.14. Form of the Thirty-Second Supplemental Bonds and Trustee’s Certificate of Authentication.

Subject to the provisions of the Resolution, the form of each Series of the Thirty-Second Supplemental Bonds and the Trustee’s Certificate of Authentication thereon shall be of

As provided in the Resolution, the 2021 Series __ Bonds and all other bonds issued under the Resolution on a parity with the 2021 Series __ Bonds (herein collectively called the "Bonds") are direct and special obligations of the Authority payable solely from and secured as to payment of the principal and Redemption Price thereof, and interest thereon, in accordance with their terms and the provisions of the Resolution, solely by the Pledged Property, subject only to the provisions of the Resolution permitting the application thereof for the purposes and on the terms and conditions set forth in the Resolution. The State Legislature has no legal obligation to make any such appropriations. Copies of the Resolution are on file at the office of the Authority and at the above mentioned office of the Trustee, and reference is hereby made to the Act and to the Resolution and any and all supplements thereto and modifications and amendments thereof for a description of the pledge and assignment and covenants securing the Bonds, the nature, extent and manner of enforcement of such pledge, the rights and remedies of the holders of the Bonds with respect thereto, the terms and conditions upon which the Bonds are issued and may be issued thereunder, the terms and provisions upon which this 2021 Series __ Bond shall cease to be entitled to any lien, benefit or security under the Resolution and for the other terms and provisions thereof. All covenants, agreements and obligations of the Authority under the Resolution may be discharged and satisfied at or prior to the maturity or redemption of this 2021 Series __ Bond if moneys or certain specified securities shall have been deposited with the Trustee.

As provided in the Resolution, Bonds may be issued from time to time pursuant to supplemental resolutions in one or more series, in various principal amounts, may mature at different times, may bear interest at different rates and may otherwise vary as in the Resolution provided. No such modification or amendment shall permit a change in the terms of redemption (including sinking fund installments) or maturity of the principal of any outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or Redemption Price thereof or in the rate of interest thereon without the consent of the holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the holders of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of the Trustee or of any Paying Agent without its written assent thereto.

**Plan of Finance
Subject to JBOC Approval**

As required by Section 9(j) of the New Jersey Transportation Trust Fund Authority Act of 1984, as amended (L. 1984, c. 73, as amended) (the "Act"), the New Jersey Transportation Trust Fund Authority (the "TTFA" or the "Authority") hereby submits this request for approval by the Joint Budget Oversight Committee ("JBOC") of the sale of (i) Transportation System Bonds, and (ii) Transportation Program Bonds, for the purpose of refunding, either on a current or forward basis, or both, with tax-exempt bonds, or on an advance basis with taxable bonds, all or a portion of the TTFA's outstanding Transportation System Bonds, as described in Appendix I attached hereto, and its outstanding Transportation Program Bonds, as described in Appendix II attached hereto. This request, together with Appendices I and III attached hereto, shall constitute the "report" required to be submitted to JBOC pursuant to Section 9(j) of the Act in connection with the proposed sale of the Transportation System Bonds as described herein, and this request, together with Appendices II and IV attached hereto, shall constitute the "report" required to be submitted to JBOC pursuant to Section 9(j) of the Act in connection with the proposed sale of the Transportation Program Bonds as described herein.

I. Refunding Overview

The TTFA has decided to issue up to \$2,675,000,000 of refunding bonds in multiple series, comprised of up to \$1,075,000,000 of Transportation System Bonds (the "Refunding System Bonds") and up to \$1,600,000,000 of Transportation Program Bonds (the "Refunding Program Bonds," and together with the Refunding System Bonds, the "Refunding Bonds"), at one time or from time to time, on a current or forward basis, and which may include tax-exempt bonds and taxable bonds. It is anticipated that the sale and issuance of the Refunding Bonds will occur at the same time. The size of each refunding transaction will be dependent upon market conditions at the time of sale. The requested approval by JBOC would authorize the TTFA to select all or a portion of the outstanding bonds described in Appendix I and II for refunding and to determine the amount and structure of the Refunding Bonds to be sold based upon market conditions existing at or prior to sale. Subject to JBOC approval, the TTFA will proceed with the sale, subject to the requirements of Section 9(o) of the Act, N.J.S.A. 27:1B-9(o), which states that:

No refunding bonds shall be issued unless the authority shall first determine that the present value of the aggregate principal of and interest on the refunding bonds is less than the present value of the aggregate

principal of and interest on the outstanding bonds to be refinanced, except that, for the purposes of this limitation, present value shall be computed using a discount rate equal to the yield of those refunding bonds, and yield shall be computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the prices paid to the Authority by the initial purchasers of those refunding bonds.

For more information on the proposed sale of the Refunding Bonds, please see the information in Section III below, "Candidates for Bonds to be Refunded". For the reasons described herein, the TTFA has determined that the Refunding Bonds will be sold on a negotiated basis.

The following pages set forth (1) the various structures that are available to effectuate the refunding transactions, and (2) the TTFA's objectives and constraints in structuring the refunding transactions. Attached with this report as Appendix III and Appendix IV, respectively, are estimated results of the proposed refunding of certain outstanding Transportation System Bonds and Transportation Program Bonds, based on interest rates as of February 4, 2021. Also attached with this report as Appendix V is a summary of the TTFA's aggregate debt service requirements, both before and after the execution of the refunding transactions.

II. Refunding Structures

Prior refunding issues approved by JBOC have consisted of either a current, advance or forward refunding. The refunding structures currently expected to be used will involve the issuance of fixed rate bonds to current, advance and/or forward refund certain outstanding bonds. Below is a synopsis of refunding structures that the TTFA may implement to effectuate the refundings.

Current Refunding: The TTFA sells refunding bonds to defease outstanding obligations (the "Refunded Bonds") whose payment date or next succeeding call date is within 90 days of the date of issuance of the refunding issue. Proceeds of the refunding issues are deposited into escrows, and invested in certain "Federal Securities" for the Refunding Bonds (as defined in the Authority's General Bond Resolution), all of which will pay the principal of, interest on and redemption premium (if any) on the Refunded Bonds on the payment or call date. On the redemption or maturity date, the holders of the Refunded Bonds are paid in full from the escrows.

Advance Refunding: Similar to a current refunding, except that the first call date or payment date on the bonds to be defeased is more than 90 days from the date of issuance of the Refunding Bonds. Additionally, under current tax law, advance refundings are required to be issued on a taxable basis. Proceeds of the refunding issues are deposited into escrows, and invested in certain "Federal Securities" for the Refunding Bonds (as defined in the Authority's General Bond Resolution), all of which will pay the principal of, interest on and redemption premium (if any) on the Refunded Bonds prior to and at the call or maturity dates.

Forward Refunding: Similar to a current refunding, except that the closing for the refunding issue does not occur the customary two weeks after the sale date but is delayed until the 90-day window prior to the first call date or payment date on the bonds to be defeased and the TTFA pays an interest rate premium corresponding to the increased length of time between such sale date and closing. Proceeds of the refunding issues are deposited into escrows as cash, “Federal Securities” or “Defeasance Securities” (securities cannot be purchased on a forward basis; securities must be purchased, if at all, at closing of the bond issue) which will pay the principal of, interest on and redemption premium (if any) on the Refunded Bonds prior to and at the call or maturity date.

III. Candidates for Bonds to be Refunded

Individual maturities (or portions of such maturities) of bonds will be selected for the refunding transaction from the outstanding bonds listed in Appendix I and II to meet the objectives set forth above, subject to the constraints set forth in the Section I hereof and any federal tax law requirements. If Refunding Bonds are issued in more than one series, the respective present value savings calculation will be made on an aggregate basis.

IV. Refunding Transactions

The TTFA currently anticipates entering into refunding transactions similar to those described in Appendix III and Appendix IV. The objectives of the refundings are (i) to provide net present value savings and/or (ii) to provide maximum savings in Fiscal Years 2021-2029 in order to reduce the overall maximum annual debt service of the TTFA. In connection with these refunding transactions, the TTFA will require that the final maturity of each series of Refunding Bonds, as applicable, occurs no later than the final maturity date of the bonds to be refunded, as applicable. As required pursuant to Section 9(o) of the Act, N.J.S.A 27:1B-9(o), it is anticipated that the TTFA will receive net present value savings from each refunding transaction.

V. Negotiated Sale Rationale

It is the intent of the TTFA to pursue a negotiated sale of the Refunding Bonds due to each transactions’ complex financing structure and large issue size, as well as volatile market conditions.
