

Document Change Announcement

CADD Standards Manual

DCA2010-CADD-01

DATE: April 12, 2010

Subject: Revised CADD Standards

Description of Change

Revisions to the CADD Standards Manual.

Instructions to Designers and Consultants

The latest version of the CADD Standards Manual was revised July 8, 2009. This supersedes that manual and replaces it with the new CADD Standards Manual dated April 12, 2010. This document may be found in its usual location on our web site at <http://www.state.nj.us/turnpike/professional-services.html> . Please notify all appropriate staff as all CADD contract deliverables required through future OPS's should adhere to this latest version of the CADD Manual.

Effective immediately, the revisions contained in this announcement shall be applied to all projects in every phase of design. For advertised contracts awaiting the opening bids, this revision shall be incorporated via addendum, if applicable. Contact your NJTA Project Manager for instructions.

Information for In-House Staff

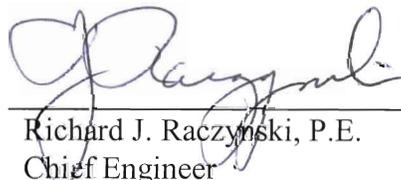

Please be aware that the Authority's CADD Standards Manual has been revised and the document may be found in its usual location on our web site at <http://www.state.nj.us/turnpike/professional-services.html> . Please distribute the information to your respective Project Managers and have them direct their consultants appropriately.
