## **BIDDER GUIDELINES/CHECKLIST**

PURSUANT TO N.J.S.A. 27:23-6.1 AND N.J.A.C. 19:9-2.1 et seq. BID PROPOSALS WHICH FAIL TO CONFORM TO THE FOLLOWING REQUIREMENTS MAY BE REJECTED:

1. Bid proposals must be received at or before the public opening time stated on the cover page at the following place: New Jersey Turnpike Authority, Administration Building, 581 Main Street, Woodbridge, New Jersey 07095. Telephone or Facsimile proposals will not be accepted. The accompanying self-addressed envelope should contain or be attached to the bid proposal.
2. The bid proposal must include all price information. Proposal prices shall include delivery of all items F.O.B. destination or as otherwise provided. Price quotes must be firm through issuance of contract.
3. All bid proposal prices must be typed or written in ink. Quote the specified unit of measure. If bidding an alternate, provide detailed specifications.
4. All corrections, white-outs, erasures, re-striking of type, or other forms of alteration or the appearance of alteration, to unit and/or total prices must be initialed in ink by the bidder.
5. **The Bidder Must Attend the Mandatory Site Inspection. BIDDERS NOT ATTENDING THE SITE INSPECTION ARE PRECLUDED FROM BIDDING ON THIS SOLICITATION. SEE PAGE 15 FOR DATE, TIME AND LOCATION.**
6. **Bidders who are quoting products other than the Simoniz Brand Name must submit, no later than the date of the bid opening at its sole expense, samples of the alternative products in the following quantities. Failure to submit samples shall be grounds for rejection.**
  1. **Two 5 - Gallon totes each of the Step 1 and Step 2 soaps/detergents.**
  2. **One 5 – Gallon tote of the soap detergent used in the manual power washer.**

### **Samples must be delivered to:**

**The New Jersey Turnpike Authority  
Procurement and Materials Management Department  
Attention John J. Parmigiani  
581 Main Street 3<sup>rd</sup> Floor  
Woodbridge, NJ 07095**

**BIDDER GUIDELINES/CHECKLIST (CONT'D)**

7. **See the Authority's Instructions to Bidders for a complete list of the Authority's standard contract Terms and Conditions, as well as REQUIRED FORMS that must be included with the bid proposal or the bid will be rejected. (SEE ATTACHED)**

**Have you included the following documents?**

- (a) State of New Jersey Division of Revenue Business Registration Certificate(s)
- (b) Certification of Registration with the Secretary of State (only if a foreign (non-NJ) corporation)
- (c) Acknowledgement of Requirement for Disclosure of Political Contributions (ELEC)
- (d) Public Works Contractor Registration Certificate(s) (if applicable)
- (e) Affirmative Action Information Sheet with Certificate or Form AA302
- (f) Signed Mandatory Equal Employment Opportunity Language
- (g) SBE/WBE/MBE Certificates and Form
- (h) Vendor Disclosure Form (EO129 - Location of Services)
- (i) Notice of Set-Off for State Tax (P.L. 1999, c.159)
- (j) Automobile Waiver
- (k) Insurance Requirement

8. **This Request for Bids requires the following Mandatory Documents to be included with the bid or the bid will be rejected:**

- **Bid Bond and/or Letter of Surety, Cashier's Check Requirement**
- **Stockholder/Partnership Disclosure Statement**
- **Provide Product Data, Laboratory Test Results And Certificates of Conformance (If quoting alternative products to Simoniz Brand Name)**

9. Bidder must sign the Bid

10. Contract Bond Requirement (If awarded, 10 % of Contract Amount)

**REQUEST FOR BIDS**  
**THIS IS NOT AN ORDER**

**DATE OF REQUEST:**

Sealed Bids for **RE-BID RM-89616** will be received at the New Jersey Turnpike Authority Administrative Offices, 581 Main St., Woodbridge, New Jersey, as stated on the cover page at which time and place said proposal will be publicly opened and read. Bidders mailing Bids should allow for their normal mail delivery time to ensure timely receipt of their Public Bids. Please be advised that using overnight/next-day delivery service does not guarantee overnight/next-day deliveries to our location. The Authority will not be responsible for any bid not being received by the required date and time.

**INTENTION**

It is the intention of the Authority to issue a Purchase Agreement for the procurement of **RECLAIM COMPATIBLE SOAPS FOR THE VEHICLE WASH FACILITIES PER THE ATTACHED SPECIFICATIONS.** Items purchased under this Agreement will be delivered as directed by the Authority. The term of the contract shall be for two years with the option to extend for two additional one-year terms at the Authority's discretion and Vendor's concurrence. Please contact John J. Parmigiani with any questions regarding this procurement contract at 732-750-5300 X 8632.

**BID SHEET INSTRUCTIONS**

Prospective Bidders should follow all instructions in this Request for Bids and in the standard Instructions to Bidders issued by the Authority, and any other documents issued by the Authority in connection with this Request for Bids (collectively, "Bid Documents"). Prospective Bidders must examine the Bid Documents carefully before bidding and must ask the Director of Purchasing in writing for any interpretation or correction of any apparent ambiguity, inconsistency or apparent error therein. Any written request for interpretation or correction shall be directed to the Director of Purchasing. Written requests can be submitted by FAX at 732-750-5399. If necessary, an interpretation or correction shall be issued by the Director of Purchasing as an Addendum and FAXED to prospective Bidders who have obtained the Bid Documents. Upon the issuing of an Addendum, the content of the Addendum shall become part of the Bid Documents. **Requests for interpretation or correction shall be considered only if received at least 5 business days prior to the bid opening date.**

Only written interpretations or corrections issued by the Director of Purchasing by Addendum shall be binding. The submission of the Bid is conclusive evidence that the Bidder is fully aware of the conditions, requirements, and details as stated in the Bid Documents. If the Bidder, prior to submitting its Bid, fails to notify the Director of Purchasing of the existence of an ambiguity, inconsistency in the Bid Documents, a Bid will conclusively be presumed to have been based upon the interpretation of such ambiguity or inconsistency.

All erasures, interpolations or other physical changes on the Bid form shall be signed or initialed by the bidder. Bids containing any conditions, omissions, erasures, alterations, or items not called for in this Request for Bids, or irregularities of any kind, may be rejected by the Authority, in its sole discretion, as being incomplete. The bidders shall not attach conditions, limitations or provisos to their Bid, except in cases where "Exceptions" are permitted.

**The Authority will accept Simoniz products or approved equivalent products for this bid** per the specifications. If a bidder is basing the proposal on items other than the specified brand name "Simoniz Products" and wishes the items he proposes to be considered as an "Approved Equivalent," the Bidder shall enter a price on the bid sheet then submit on the Exception Sheet in the exact format of the line item on the Request for Bids contained herein, the item number, an item description, including manufacturers name, model number, and packaging quantities of those Items which the Bidder proposes to substitute.

### **Current Manufacturer System Information**

Wash System – Model LY10-089 as manufactured by Interclean of Ypsilanti, Michigan with a two - step touchless detergent (soap) injection system with a fresh water rinse.

Pre-Treatment System – Model VWR-6 Washwater Recycle System as manufactured by Carbtrol Corporation of Bridgeport, Connecticut. The pre-treatment system consists of a cone bottom clarifier/oil water separator followed by mechanical filtration with filter media which may consist of sand, anthracite, and/or activated carbon.

### **Basis of Award**

**Bidders must supply a price for every item listed. Bids not having a price in all listed items may be rejected.**

Bidders must quote only one price per line item. If a bidder quotes multiple prices per line item, the bid proposal may be rejected.

The Authority will purchase amounts of any given item as needed, at the sole discretion of the Authority and shall not be bound by any quantities listed; however any quantities purchased by the Authority will be ordered in minimum shipments of (8) eight 55 gallon drums. The Authority reserves the right to make reasonable increases to line item quantities. All items are to be bid FOB Destination. All shipping, handling, and other costs should be considered in the bid price.

**IF THE LOWEST RESPONSIBLE BIDDER IS BIDDING SIMONIZ PRODUCTS, IT WILL BE RECOMMENDED FOR AWARD. IF HOWEVER THE LOWEST RESPONSIBLE BIDDER IS QUOTING PRODUCTS ALTERNATIVE TO THE SIMONIZ BRAND NAME, SUCH PRODUCTS MUST PASS THE AWARD DETERMINATION PROCESS BEFORE SUCH BIDDER CAN BE RECOMMENDED FOR AWARD.**

**REQUEST FOR BIDS**  
**MATERIAL AND SERVICE DESCRIPTION**

Pre-Approved Simoniz Brand Name Products for the Automated Vehicle Wash Facility Soaps are listed below. **Note: All products quoted must be supplied by one Manufacturer to ensure compatibility; failure to supply all products from the same Manufacturer is grounds for rejection.** Potential equivalent products to the Simoniz products quoted by bidders for consideration by the Authority must meet the chemical composition and operation performance of the pre-approved Simoniz Brand Name Products identified below.

## AWARD DETERMINATION PROCESS FOR ALTERNATIVE PRODUCTS

The following award protocol will be followed for consideration of alternative products listed below for award of RM-89616 involving the required application of soaps/detergents used in automated two-step process, touchless truck wash facilities with fresh water rinse and manual washer for pre-treatment.

- I. Provide Product Data
- II. Determine Washing Effectiveness
- III. Review of Sanitary Discharge

The lowest responsible bidder of an alternative product must succeed at every step of the 3-step process below. Failure to pass any step in the process will be grounds for rejection. Product acceptance is at the sole reasonable discretion of the New Jersey Turnpike Authority.

### STEP I - Provide Product Data

All bidders of alternative products are required, at their sole expense, to submit with their bid quotations Product Data as set forth herein. Failure to submit may be grounds for rejection. Submit Laboratory Test Results for "Effect of Quick Release Detergent on Oil/Water Separators." The test should perform as per U.S. Army Corps of Engineers (USACE) Public Works Technical Bulletin No 420-49-28, dated 2 November 1999 (see attached), with the following clarification:

The two soap concentrations in the USACE test are 1:20 and 1:30, detergent to water ratio. Since the Authority's automated wash is a two-step process, the 1:20 and 1:30 tests shall be performed at a concentration of a 50-50 mixture of the proposed alternative products for Simoniz RX-1 & RX-3 for the two - step process (Pre-soak and High Pressure).

After 1 hour, the concentration of organic carbon in the water shall be reduced by at least 90% (see examples in Table 1 and Table 2 in the USACE bulletin) for soap dilution and oil concentrations.

Tests shall be performed by QC Laboratory, Inc. located at 1205 Industrial Highway in Southampton, PA 18966 or another Nationally Accredited Environmental Laboratory compliant with the standards approved by the NELAC Institute.

Submit Certificates of Conformance stating the following:

Requirements for the the two - step process:

- a.) Designed for use in similar truck wash facilities. Similar shall mean that the facility must reclaim over 40% of the water used in vehicle wash operations and have pretreatment systems consisting of a combined clarifier and oil/water separator followed by mixed media (carbon / sand mechanical filtration)
- b.) 100% Biodegradable
- c.) Sulfur Free and Phosphate Free
- d.) Overall sanitary discharge shall be a PH between 6 – 9.

THE AUTHORITY WILL REVIEW THE PRODUCT DATA SUBMITTED BY EACH BIDDER FOR COMPLIANCE WITH THE ABOVE-STATED STANDARDS.

## STEP II - Determine Washing Effectiveness

The Authority shall purge the facility of any previously used products. The Authority will then: (1) test the submitted alternative products; and (2) evaluate the sanitary discharge under the supervision of the Authority's State Licensed (NJDEP) Operator for compliance with the facilities' discharge permits. All Bidders may attend the testing and shall be notified of date and time.

The submitted alternative products shall be evaluated by the Authority in its reasonable judgment and discretion for washing effectiveness based on the facility's preset dilution ratios for soap injection.

Cleaning must be equal to or better than the Authority's previously approved Simoniz products.

Dilution rates, as described in Step II, shall not be adjusted during the wash test as dilution rates between vendors must be consistent for evaluation purposes.

### **STEP III - Review of Sanitary Discharge**

The Authority's State Licensed (NJDEP) Operator shall take samples of the alternative products during Step II and test for compliance with Authority's discharge permits.

Test parameters may include, but are not limited to Sulfate, Phosphorus, Biological/Chemical Oxygen Demand, Dissolved Solids, Suspended Solids, and ph.

Any results not meeting the parameters of the Authority's Sanitary Discharge permits may be cause for rejection. Please see performance requirements below.

#### **Sanitary Discharge Permit Requirements**

##### **Performance Requirement:**

The soaps used in the automated vehicle wash facilities must be compatible with the existing wash and pretreatment system equipment and must not preclude the following requirement from being met:

Discharge to sanitary sewers of emulsified and/or non-emulsified oils (petroleum non-biodegradable, mineral or other oils), fats, wax, grease shall be under 100 mg/l. Dilution of the discharge is not an acceptable means for meeting this requirement.

The wash system design shall be based upon the discharge not exceeding the following Daily Maximum Limits:

Biochemical Oxygen Demand (BOD5)	250 mg/l
Chemical Oxygen Demand (COD)	750 mg/l
Total Suspended Solids (TSS)	250 mg/l

**IF THE LOW BIDDER'S SUBMITTED ALTERNATIVE PRODUCTS HAVE PASSED THE AWARD DETERMINATION PROCESS, SUCH LOW BIDDER WILL BE RECOMMENDED FOR AWARD. FAILURE AT ANY ONE STAGE OF THE AWARD DETERMINATION PROCESS WILL CAUSE THE AUTHORITY TO CONSIDER THE NEXT LOW BIDDER'S ALTERNATIVE PRODUCTS FOR COMPLIANCE WITH THE AWARD DETERMINATION PROCESS.**

Public Works Technical Bulletin  
No. 420-49-28

2 November 1999

FACILITIES ENGINEERING  
UTILITIES

EFFECT OF QUICK RELEASE DETERGENT ON  
OIL/WATER SEPARATORS

1. Purpose. The purpose of this Public Works Technical Bulletin (PWTB) is to transmit recommendations regarding the use of a "quick release" detergent at Army motorpool washracks. This PWTB focuses on the effect that this type detergent has on the performance of oil/water separators. A "quick release" detergent causes an unstable oil-in-water emulsion to form. Being unstable, the emulsion quickly breaks and allows oil particles to separate from water in a relatively short period of time.

2. Applicability. This PWTB applies to all U.S. Army facilities engineering, public works, and environmental activities.

3. References.

a. Army Regulation (AR) 420-49, "Utility Services," 28 April 1997.

b. Technical Letter (TL) 1110-3-466, "Selection and Design of Oil/Water Separators at Army Facilities," 26 August 1994.

c. AR 200-1, "Environmental Protection and Enhancement," 21 February 1997.

4. Discussion.

a. AR 420-49, Section 4-8, contains policy for wastewater treatment and surveillance as it pertains to oil/water separators. TL 1110-3-466, Sections 1.2.4 and 1.2.5, discuss cleaning agents and methods. AR 200-1 contains general pollution prevention policies.

b. Most detergents tend to cause stable emulsions of oil in water, thus rendering conventional oil/water separators useless. Emulsified oil will pass through simple gravity or coalescing type gravity separators. If oil is not removed in the

separator, then (in most cases) it is discharged to the sanitary sewer. In locations where the separator discharges to a Publicly Owned Treatment Works (POTW), discharging emulsified oil may violate pretreatment discharge limits placed on that separator. The discharge of emulsified oil to a sewer system may also cause the treatment works to be in violation of an NPDES permit. Because of the potential for violations, use of detergents is prohibited at most Army ground vehicle washracks as a pollution prevention measure.

c. In Army motorpools, vehicles and their components are washed to prepare them for inspection and for repair work. Even with hot water washers, the vehicles are only marginally clean. Soldiers often circumvent the ban on detergents in order to more effectively clean their tactical vehicles.

d. Soap manufacturers are now marketing "quick release" detergents, which form unstable emulsions. These detergents are said to allow oil to separate from water in short periods of time. If the unstable emulsion breaks in a reasonable time, then oil/water separators could function properly. The detergent could be used without concern for regulatory violations. Manufacturers of washrack recycle treatment systems already provide "quick release" type cleaning agents to their customers, because they are said not to impact the treatment performance. Appendix A details a brief evaluation of a quick release detergent. The evaluation concluded that the detergent was indeed separator friendly and did not affect the separator performance. Appendix B is the Material Safety Data Sheet and fact sheet for the detergent that was tested.

## APPENDIX A

### EVALUATION OF BG-CLEAN 402'S EFFECT ON THE PERFORMANCE OF OIL/WATER SEPARATORS

#### 1. Background

a. Typically detergents used to wash vehicles have been incompatible with oil/water separators. These detergents form stable emulsions of oil in water that prevent the oil from floating to the surface in the gravity-type oil/water separators most commonly used at Army installations. The oil then passes through the separator and travels to the sewage treatment plant or other discharge point. This can create noncompliance with pretreatment or National Pollutant Discharge Elimination System (NPDES) requirements. Such emulsions will remain stable for long periods of time, unless some type of chemical treatment is used. The use of chemical treatment at Army motorpool washracks is not practical due to high operation and maintenance costs. Detergents are banned at almost all Army washracks because they cause oil to pass through oil/water separators. As an alternative, soldiers are encouraged to use hot water, high pressure washers.

b. Hot water washers are now used in motorpools to clean vehicles prior to inspection, or to wash components prior to repair work. These washers work well in many applications, but when the surface to be cleaned is exceptionally greasy or oily, the level of cleanliness provided by the washers alone is not acceptable. Troops ignore the detergent ban to get the parts clean enough. They are willing to purchase unauthorized soap, either personally or with unit funds. A conflict has developed between the need to clean vehicles and the need to assure acceptable pretreatment of wash water. Water quality of separator discharges has a lower priority to soldiers because cleaning and maintaining tactical vehicles is linked to readiness, a very high priority. Therefore, it is necessary to find an acceptable method of washing that will not interfere with separator performance.

c. Detergent manufacturers may have a solution. Many companies now make "quick release" or "separator friendly" detergents. These cleaning agents form unstable emulsions of oil and water. After a short time (10 minutes to 1 hour) the emulsion breaks. The oil then coalesces and rises to the water surface. The Construction Engineering Research Laboratory did a survey of most of the larger detergent manufacturers listed in the *Thomas Register of American Manufacturers* (Products and

Services catalog) to identify those manufacturers that offered detergents considered to be "separator friendly." Limited funding prevented preliminary testing of several products in order to select one detergent to demonstrate. Thus, the vendor's interest in our study and confidence in their products became the vendor selection criteria. BioCenter, Inc., the vendor for Biogenesis products, was particularly interested in our study and was willing to have one of their products demonstrated. After several discussions and exchanges of information regarding the Army's needs and product capabilities, "BG-Clean 402 Bioremediating Industrial Cleaner" was selected for demonstration. The Material Safety Data Sheet for that cleaner is attached as Appendix B. It must be pointed out that selection of BG-Clean 402 in no way indicates the Government's belief that other products would not have performed as well.

## 2. Laboratory Tests

a. Before demonstrating the detergent at an Army installation motorpool, some laboratory testing verified the "quick release" characteristics. The simple tests involved mixing used oil with diluted detergent in a separatory funnel. The detergent was diluted according to the manufacturer's recommendation. The two concentrations recommended for hot water washers were 1:20 dilution and 1:30 dilution. Two concentrations of oil were used: (1) 500 ppm, which is a typical concentration in wastewater discharged from Army washracks, and (2) 5000 ppm, which represents a peak concentration in wash water. After thorough mixing, the liquid was allowed to set for 1 hour, which is less than the typical detention time for an Army washrack oil/water separator. Tables 1 and 2 show the results of those tests.

Table 1. 500 ppm oil.

Total Organic Carbon		
Dilution	0 min	60 min
1:20	1260	40
1:30	268	-132 <sup>1</sup>

1 Note that it is the nature of the TOC test procedure to sometimes produce negative numbers. It is acceptable in this case because qualitative results were more important than quantitative measurements.

Table 2. 5000 ppm oil.

Total Organic Carbon		
Dilution	0 min	60 min
1:20	1764	64
1:30	2396	392

b. Measurement of Total Organic Carbon (TOC) was used to determine the separation of oil from the water. This test was chosen over the oil and grease test for this portion of the study because it is less expensive to use, and generally more environmentally friendly because less solvent is required. While the measurement of TOC concentration cannot be directly converted to oil and grease concentration, the reduction of TOC is to a large extent generally proportional to reduction of oil and grease. The large reductions of TOC in the oil/detergent mixtures after 60 minutes clearly show that the oil did not remain in solution or in an emulsion. Further, oil was observed floating on the surface of the detergent mixture well before the 60-minute test was complete. The stated "quick release" characteristic of the detergent appears to be accurate.

3. Demonstration at an Army Motorpool

a. Following the positive results of the laboratory testing, a demonstration was arranged at a motorpool at Fort Lewis, WA. The intent of the demonstration was to show that an oil/water separator would perform at approximately the same level of efficiency with or without the use of the "quick release" detergent.

b. The motorpool chosen was occupied by the 542nd Maintenance Battalion, which is in Building 3966 at Fort Lewis. Building 3966 proved to be an excellent test site because of the variety of vehicle maintenance and maintenance cleaning activities that occur there. The battalion's mission involves maintenance activities for their vehicles and those vehicles belonging to other units. Washing vehicle parts and components is a critical step to any maintenance task, so washing is conducted more frequently at a maintenance battalion facility than at other motorpools. Washing can be done in all of the four large bays of Building 3966. Wash water flows to trench drains near the overhead doors, and then to a rectangular concrete, coalescing type, oil/water separator. Figure 1 shows typical washing being done at Building 3966. Figure 2 is a view looking down on the oil/water separator that serves the building.

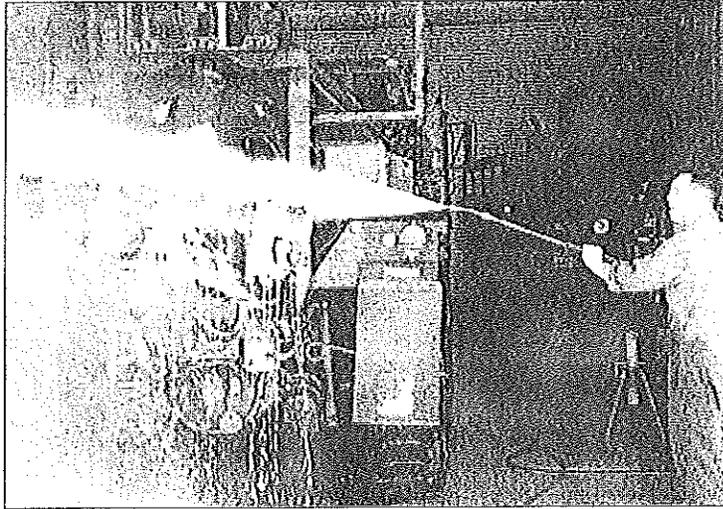

Figure 1. Typical washing at Building 3966, Fort Lewis.

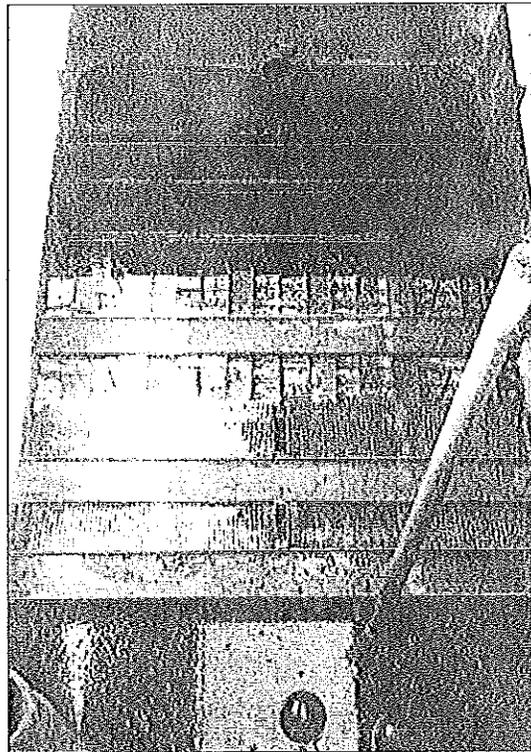

Figure 2. Oil/water separator at Building 3966, Fort Lewis.

c. The performance of the separator was measured before initiating use of the detergent. Influent to and effluent from the separator were sampled during a washing exercise when several engines were cleaned. The samples were analyzed for oil and grease (O&G) and total suspended solids (TSS). The oil and

grease test was used instead of TOC for this part of the study because O&G is normally the water quality parameter that is limited by regulation. For the purpose of demonstration, it is important to show quantitatively that O&G discharge limits (usually about 100 ppm for pretreatment) can be met. The results of this baseline testing are shown in Table 3.

Table 3. Results of baseline testing of oil/water separator.

	O&G	TSS
Separator influent	105 ppm	391 ppm
Separator effluent	12 ppm	10 ppm

d. After baseline sampling was complete, the hot water, high-pressure washer that serves Building 3966 was set up to feed detergent into the wash water at about a 1:30 dilution. The controls of the washer allowed the soldiers using the spray wands to turn the detergent feed on or off as needed.

e. The detergent was tested for 5 weeks and 4 days. During that period the soldiers used about 15 gallons of detergent. At the end of the test period, a second set of samples was taken to determine the performance of the separator with detergent in use. Table 4 shows the results of the analysis of those samples.

Table 4. Results of testing of oil/water separator using detergent.

	O&G	TSS
Separator influent	396 ppm	1010 ppm
Separator effluent	12 ppm	46 ppm

f. Note that the concentrations of O&G and TSS were much higher in the separator influent during the second sampling than during the baseline sampling. Despite the increased contaminant loading and the presence of detergent, the performance of the separator was exceptionally good. It can be concluded that use of BG-Clean 402 is unlikely to affect the performance of an oil/water separator. The detergent seemed to improve the cleaning ability of the hot water washer significantly. However the effects of using the detergent over an extended period of time are not known.

g. While the results of this limited test were certainly positive, a more extensive study is needed before this or any similar detergent can be recommended for unlimited use. Other test parameters regarding usage of "quick release" detergents should be evaluated. Those factors are: cleaning ability, toxicity to biological treatment systems, and corrosivity. An unqualified recommendation for full-scale use of this or any other "quick release" detergent cannot be made until a more extensive study is completed. However, in the interim, it is suggested that this detergent (or another neutral pH, proven "separator friendly" detergent) can be substituted for untested and unauthorized detergents that are currently being used at many locations.

#### 4. Conclusion and Recommendation

a. Testing of BG-Clean 402 indicates that it does not interfere with the performance of an oil/water separator when removing oil and settleable solids from wash water.

b. Further testing of this and similar products should be completed before an unqualified recommendation for its use can be made. Consider interim use of this detergent (or equivalent) at locations where emulsifying detergents are currently being used.

APPENDIX B

MATERIAL SAFETY DATA SHEET FOR BG-CLEAN 402

**BIOCENTER, INC.**

Environmental  
Solutions

**BG-Clean™ 402**

**Biodegradable Industrial Degreaser and Cleaner**

*BG-Clean™ 402 is an industrial degreaser and cleaner specially formulated for heavy duty cleaning of oiled surfaces when safety and good environmental characteristics are paramount. The cleaner is water soluble and rapidly biodegradable. In addition, the cleaner accelerates the natural biodegradation of oils it cleans. The concentrate is used in*

*power washing equipment, high pressure washers, and steam cleaners for removing all types of oils and oily residue from hard surfaces and particulates.*

Capabilities	
Cleaning power	Removes most types of oil from metals, concrete, and other hard surfaces. Good when used with machine scrubbing, pressure washing, and steam cleaning equipment. Hot water enhances cleaning power.
Applications	Cleaning of oils in industrial uses. Cleans paraffins and sediment from oil tanks. Accelerates natural biodegradation of oils in soil.
Oil emulsifying	Low. Oil molecules do not form a tight emulsion with the cleaning solution.
Dispersant capability	Low. Cleaned oil does not stay entrained in water.

Characteristics	
pH	Slightly basic. pH is 8.
Flash point	Greater than 212°F for concentrate. Negligible when diluted with water.
Boiling point	Greater than 212°F.
Odor & Color	Mild lemon smell, light straw color. No d-limonenes.
Solubility	Complete in water.
Shelf life	Indefinite when stored in closed containers.
Dilution Strength	Dilute 5:1 for hand cleaning, 20 to 30:1 for pressure cleaning, and 50 to 75:1 for steam cleaning.
Residue	No residue after rinsing.

Environmental and Safety Considerations	
Biodegradability	100% in 21 days under ideal conditions.
Hazardous components	No components are listed in the NIOSH Recommendations for Occupational Health Standards, 1988, or are defined as hazardous by SARA, CERCLA, or RCRA. No OSHA PELs are established for ingredients. Very low toxicity.
Special additives	Contains proprietary additives for accelerating biodegradation in an active microbial environment. Product does not contain microbial cultures.
Handling	Cleaner is very alkaline. Will remove oil from the skin and will irritate the eyes. Eye protection, gloves, and impervious clothing should be worn when there is a probability of splashing or prolonged skin contact. Follow standard general good work practices.
Disposal	Cleaner itself may be disposed through municipal systems. Oil cleaned from surfaces must be disposed following local regulations.

## SECTION I - IDENTIFICATION

**Manufactured For:** BioCenter, Inc.  
**Address:** 610 W. Rawson Ave., Osk Creek, WI 53154

**Trade Name:** BG-Clean 402 & 402N    **Product:** Heavy Duty Bioremediating Industrial Cleaner  
**Emergency Phone:** (800) 766-1126    **Date Prepared:** May 1, 1998  
**Information Phone:** (314) 768-7100    **MSDS Control:** BG402

## SECTION II - INGREDIENTS AND HAZARD CLASSIFICATION

<u>Ingredients</u>	<u>Percent</u>	<u>OSHA PEL/TLV</u>
The components of BG-Clean 402 are a complex blend of surfactants classified trade secret. No components are believed to be hazardous, are listed in the NIOSH Recommendations for Occupational Safety and Health Standards, 1988, or are listed as hazardous by SARA, CERCLA, or RCRA. No OSHA PELs are established for any of the ingredients.		

## SECTION III - PHYSICAL/CHEMICAL CHARACTERISTICS

<u>Boiling Point (°F)</u>	212°F	<u>Vapor Pressure (mm Hg)</u>	< 1.0 at 20°C
<u>Solubility In Water</u>	100%	<u>Specific Gravity</u>	1.002    pH 8
<u>Appearance and Odor</u>	Straw colored liquid, slight citrus scent. (Note: Contains no d-limonenes.)		

## SECTION IV - FIRE AND EXPLOSION DATA

**Flash Point:** Not applicable.    **Flammable Limits:** Not flammable.  
**LEL:** Not explosive.    **UEL:** Not explosive.  
**Extinguishing Media:** Water fog, carbon dioxide, dry chemical.  
**Special Fire Fighting Procedures:** Use self contained breathing apparatus if fighting fire in confined spaces.  
**Unusual Fire and Explosion Hazards:** None.

## SECTION V - REACTIVITY DATA

**Stability:** Stable.  
**Incompatibility:** Oxidizers.  
**Hazardous Decomposition Products:** Carbon monoxide and carbon dioxide.  
**Hazardous Polymerization:** Will not occur.

SECTION VI - HEALTH HAZARD DATA

---

Exposure Limits

OSHA PEL Not established. ACGH TEL Not established.

Routes of Entry

Inhalation Yes Skin Yes Ingestion Yes

Signs and Symptoms of Exposure

**Eyes** Irritation may occur with prolonged exposure to concentrated vapors. Liquid is a contact irritant. May cause corneal inflammation. Low hazard under ordinary usage.

**Skin** Repeated or prolonged contact can cause reddening of the skin, scaling, and dermatitis. Low hazard under ordinary usage by this route.

**Inhalation** This material is a negligible hazard due to its low volatility. If vapor is present in high concentrations, irritation to upper respiratory tract may occur.

**Ingestion** Low order of toxicity. No hazard by this route in normal use.

First Aid

**Eyes** Flush eyes with large amounts of water for at least 15 minutes. If irritation persists, seek medical aid.

**Skin** Flush affected areas and wash with mild soap and water.

**Inhalation** Remove to fresh air.

**Ingestion** Do not give liquids if victim is unconscious or very drowsy. Otherwise, give no more than two glasses of water and induce vomiting. Get medical attention.

Toxicity Data

This product has not been specifically tested for toxicity. Linear extrapolation of toxicity data for each component, based on proportionate concentration of the component in this product, leads to the following estimates:

**Skin Contact** Estimated Acute Dermal LD<sub>50</sub>, Rabbits: 7500 mg/kg. Estimated Skin Irritation Index, Rabbits: 0.3 to 0.6 (Max. possible score is 8.0).

**Eye Contact** Estimated Eye Irritation Index in Rabbits unwashed: 7-12 (72 hrs. after exposure) (Max. possible score is 110).

**Inhalation** No data available. Hazard estimated to be negligible.

**Ingestion** Estimated Acute Oral LD<sub>50</sub>, Rat: 2500 mg/kg.

Carcinogenicity

NTP? No. IARC? No. OSHA Regulated? No.

---

SECTION VII - PRECAUTIONS FOR SAFE HANDLING AND USE

---

Spill or Leak Procedures

Collect with absorbent material or pick up mechanically. Rinse affected area with water.

---

BioCenter, Inc.

Waste Disposal Method

Dispose as non-hazardous waste in accordance with local regulations.

Storage and Handling Precautions

Store at ambient temperature in closed container to prevent evaporation. May be stored in temperatures from -30°F to 140°F without deterioration. Product not affected by freezing. Container may not resist expansion.

Other Precautions

Product is a cleaner and degreaser. Although components have very low hazard levels, the product will remove oils from the skin. Avoid prolonged skin contact.

---

SECTION VIII - CONTROL MEASURES

---

Respiratory Protection

Under ordinary conditions of use for its intended purpose, no respiratory protection is required.

Ventilation

Under ordinary conditions of use for its intended purpose, no special ventilation is required.

Protective Gloves

Wear if doing prolonged cleaning by hand.

Eye Protection

Wear if needed to prevent reasonable probability of eye contact.

Work/Hygiene Practices

Observe standard general work practices regarding ingestion, eye contact, and inhalation. Wash after using if there is reasonable probability of contact with the cleaner. Promptly remove any non-impervious clothing that becomes wet.

---

SECTION IX - HAZARD CLASSIFICATION

---

<u>IMO Hazard Class and Number</u>	Non-hazardous.
<u>UN Number</u>	Not applicable.
<u>US DOT Hazard Class</u>	Not regulated by DOT.
<u>US DOT Identification Number</u>	Not applicable.

**INSTRUCTIONS TO BIDDERS FOR SUBMISSION OF BIDS  
STANDARD TERMS AND CONDITIONS**

The following Standard Terms and Conditions apply to all contracts, purchase agreements or purchase orders with the New Jersey Turnpike Authority unless specifically stated otherwise in the Invitation to Bid/Request for Bids (“RFB”). Bidders are hereby notified that all Terms and Conditions contained herein will become a part of any contract(s) awarded or order(s) placed as a result of any RFB fully and to the same extent as if copied at length therein. In the case of a conflict between these general Terms and Conditions and the specific provisions of the RFB, the RFB shall control. Failure to comply with each and every one of the below Terms and Conditions, as well as the specific requirements set forth in the RFB, may be grounds for rejection of the bid.

**I. DEFINITIONS**

The following definitions will be a part of any RFB issued by the New Jersey Turnpike Authority, and any contract(s) awarded or order(s) placed as a result of such documents.

- a. “Authority” shall mean the New Jersey Turnpike Authority.
- b. “Bidder” shall mean any potential vendor submitting a response to an RFB issued by the Authority.
- c. “Contract” shall mean the RFB (including these Standard Terms and Conditions), the response thereto submitted by the bidder, and the Authority’s Notice of Award.
- d. “Director” shall mean the Director of Procurement and Materials Management Department of the Authority.
- e. “Vendor” shall mean the successful bidder who is awarded the contract at issue.

**II. STATE LAWS REQUIRING MANDATORY COMPLIANCE BY ALL BIDDERS**

**A. DIVISION OF REVENUE REGISTRATION**-Pursuant to the terms of N.J.S.A. 52:32-44, bidders are required to submit to the Authority proof of valid business registration with the New Jersey Division of Revenue in the Department of Treasury, prior to entering into a contract with the Authority. No contract shall be entered into by the Authority unless the bidder first provides proof of valid business registration. In addition, bidders are required to provide to the Authority proof of valid business registration with the Division of Revenue for any and all subcontractors that will be used to provide goods or services under the contract. A copy of the bidder’s and any subcontractor’s valid Certificate of Registration should be included with the bid submission and must be in effect prior to the contract award.

All questions regarding this requirement should be referred to the Division of Revenue hotline at (609)-292-9292 or/online: <http://www.nj.gov/treasury/revenue/forms/njreg.pdf>

- B. EQUAL EMPLOYMENT OPPORTUNITY COMPLIANCE-** Bidders must agree not to discriminate in employment and are required to comply with all applicable anti-discrimination laws, including those contained within N.J.S.A. 10:2-1 through 10:2-4, N.J.S.A. 10:5-1, et seq., and N.J.S.A. 10:5-31, et seq., P.L. 1975, c. 127. The mandatory language required by P.L. 1975, c. 127, as set forth in Exhibit A, shall be deemed a material term of any and all contracts, purchase agreements, and purchase orders entered into by the Authority. Bidders must acknowledge their agreement with the terms set forth in Exhibit A by signing where indicated and returning the exhibit with the bid. In addition, Bidders must affirmatively demonstrate compliance with P.L. 1975, c. 127 by submitting with the bid the completed Affirmative Action Information Sheet, set forth in Exhibit B, and any required attachments.
- C. STOCKHOLDER/PARTNERSHIP DISCLOSURE FORM-**Bidders who are corporations or partnerships must comply with P.L. 1977, c. 33, N.J.S.A. 52:25-24.2, by completing the Stockholder/Partnership Disclosure Form, set forth in Exhibit C, and submitting it with the bid. Failure to do so shall result in rejection of the bid.
- D. POLITICAL CONTRIBUTIONS COMPLIANCE-**To be eligible for an award, bidders must comply with the requirements of P.L. 2005, c. 51, N.J. S.A. 19:44A-20.13 et seq., and with the requirements of Executive Order 117 (Corzine). No award may be made to a bidder who has not complied with these laws regarding political contributions. A more detailed explanation of these requirements is set forth in Exhibit D.

#### **1. ADDITIONAL DISCLOSURE REQUIREMENTS OF P.L. 2005, C. 271**

Bidders are advised of their responsibility to file annual disclosure statements on political contributions with the New Jersey Election Law Enforcement Commission (ELEC), pursuant to P.L. 2005, c. 271, section 3, if they receive contracts in excess of \$50,000 from any public entity in a calendar year. It is the bidder's responsibility to determine if filing is necessary. Failure to so file can result in the imposition of financial penalties by ELEC. Bidders must include with their bid a statement acknowledging this requirement, on the form set forth in Exhibit E.

Additional information about this requirement is available from ELEC at 888-313-3532 or at [www.elec.state.nj.us](http://www.elec.state.nj.us).

- E. PREVAILING WAGE ACT-**The New Jersey Prevailing Wage Act, N.J.S.A. 34:11-56.26 et seq., is hereby made a part of every contract entered into on behalf of the Authority, except those contracts which are not within the contemplation of the Act. The bidder's signature on its bid is its guarantee that neither it nor any subcontractors it might employ to perform the work covered by the contract has been suspended or debarred by the New Jersey Department of Labor and Workforce Development for violation of the provisions of the Prevailing Wage Act and/or the Public Works Contractor Registration Act. The bidder's signature on its bid is its guarantee that both it and any subcontractors it might employ to perform the work covered

by the contract will comply with the provisions of the Prevailing Wage and Public Works Contractor Registration Acts, where required.

**F. PUBLIC WORKS CONTRACTOR REGISTRATION ACT-**The New Jersey Public Works Contractor Registration Act requires all contractors, subcontractors and lower tier subcontractors who bid on or engage in any contract for “public work,” as defined in N.J.S.A. 34:11-56.26, to be first registered with the Department of Labor and Workforce Development. No vendor or subcontractor, including lower tier subcontractors, shall engage in the performance of any public work subject to the contract unless they are registered pursuant to this Act. Bidders shall submit with their bid a valid copy of their Public Works Contractor Registration Certificate and valid copies of the registration certificates for all subcontractors listed in the bid. If an expired Certificate is included with the bid, a copy of a renewal application submitted and filed with the Department of Labor and Workforce Development must be included with the bid submission. The certificate(s), or certified facsimile(s) of the certificate, shall be maintained at the worksite and shall be made readily available for inspection at any time.

Any questions regarding this requirement should be directed to the Division of Wage and Hour Compliance, Department of Labor and Workforce Development at (609) 292-9464.

**G. FOREIGN CORPORATION-**If applicable, the bidder shall register as a “Foreign Corporation” with the Secretary of the State of New Jersey, designating a resident agent for the service of process. Written proof of such registration must be included with the bid submission.

**H. SMALL BUSINESS ENTERPRISE SET-ASIDE CONTRACT FOR GOODS AND SERVICES**  
It is the policy of the Authority that small business enterprises (“SBE”) as determined and defined by the State of New Jersey, Division of Minority and Women Business Development (“Division”) in the Department of the Treasury in N.J.A.C. 12A:10A-1 et seq. have the opportunity to compete for and participate in the performance of contracts and subcontracts for construction and for the purchase of goods and services. The Authority further requires that its contractors / vendors agree to take all necessary and responsible steps, in accordance with N.J.A.C. 52:32-17 et seq. and N.J.A.C. 17:14-1.1 to ensure that SBE’s have these opportunities, as an aid in meeting the commitment of its SBE Programs. When applicable the Authority will designate the contract as a SBE Set-Aside Contract. In such cases requests for bid proposals shall be confined to businesses registered with the Division as an SBE in either Category 1,2,or 3. Bid proposals from businesses not designated as an SBE, when applicable, will be rejected.

**I. CODE OF ETHICS:** Bidders are advised that the Authority has adopted the New Jersey Uniform Code of Ethics, a copy of which can be viewed by going to the following web site: <http://nj.gov/ethics/docs/ethics/uniformcode.pdf> By submitting a bid, bidders agree to be subject to the intent and purpose of said Code and to the requirements of the New Jersey State Ethics Commission.

- J. VENDOR LOCATION DISCLOSURE**-Pursuant to N.J.S.A. 52:34-13.2, every contract entered into by the Authority primarily for the performance of services shall specify that all services performed under the contract or performed under any subcontract awarded under the contract shall be performed within the United States. Executive Order 129 (McGreevey) requires all bidders to disclose the origin and location of the performance of their services, including any subcontracted services that are the subject matter of the contract. Bidders must include with their bid a completed Vendor Disclosure Form, attached hereto as Exhibit G.
- K. SET-OFF FOR OUTSTANDING TAX LIABILITY**-Bidders are advised that pursuant to P.L. 1995, c. 159, effective January 1, 1996, and notwithstanding any provision of the law to the contrary, the State of New Jersey has the right to set-off any tax indebtedness from payments made under contracts with the Authority. The State's rights are explained in more detail in Exhibit H, attached. Bidders must include with their bid a signed copy of Exhibit H acknowledging that they have received notice of the State's right of set-off.
- L. MSDS REQUIREMENTS**-Any vendor, supplier, or subcontractor who provides the Authority materials in the form of a single chemical substance or a mixture containing two or more chemical substances, or who delivers to or stores such materials at an Authority facility, must provide the Authority with a clear, legible copy of the manufacturer's most recent Material Safety Data Sheet (MSDS) for each and every one of those materials, pursuant to N.J.A.C. 8:59-2.2(i).
- M. LABELING REQUIREMENTS**-Any vendor, supplier or subcontractor who provides the Authority materials which fall under the purview of the New Jersey Worker and Community Right-to-Know-Act, N.J.S.A. 34:5A-1 et seq., or who stores any such materials at an Authority facility, shall ensure that each and every container of those materials is labeled in accordance with the Act and its regulations.
- N. VOC REQUIREMENTS**-Any architectural coating, as defined by N.J.A.C. 7:27-23.2, provided to the Authority for its use or used and applied by any vendor or subcontractor in conjunction with an Authority project must comply with each and every requirement of the New Jersey Department of Environmental Protection's Volatile Organic Compounds in Consumer Products (VCC) regulations, N.J.A.C. 7:27-23.1 et seq.
- O. COMPLIANCE WITH STATE AND FEDERAL LAWS**-The vendor must comply with all local, state and federal laws, rules and regulations applicable to the contract at issue and to the work to be done thereunder.
- P. SAFETY & HEALTH REQUIREMENTS**-The goods, services and/or equipment provided through the contract at issue shall be so designed and installed to meet all applicable federal and state safety and health regulations and national consensus standards including, but not limited to US DOL-OSHA, NJ LWD-PEOSHA, NFPA and ANSI standards
- Q. CHOICE OF LAW**-It is agreed and understood that any contract entered into and/or purchase orders placed as a result of any RFB issued by the Authority shall be governed and construed and the

rights and obligations of the parties thereto shall be determined in accordance with the laws of the STATE OF NEW JERSEY.

### **III. BID PREPARATION**

**A. BID SUBMISSION**-Unless the Authority has made provision for bids to be submitted online, bids must be submitted in paper format, in ink or typewritten. If space is provided on the RFB for bid details, bids must be submitted using that document. Paper bids must be signed and returned in a sealed envelope addressed to the New Jersey Turnpike Authority with the bid opening date, time and bid identification on the outside of the envelope. Bidders shall state on such form a unit price for each item, and extend such unit price by multiplying same by the indicated quantities on the bids solicited by the Authority.

All bids must be received in the Authority's Procurement and Materials Management Department on or before the date and time specified on the RFB. Bids received after the time indicated shall be rejected and returned to the bidder(s) unopened after being processed in accordance with established Authority procedures. The Authority will not be responsible for late postal or delivery service.

**B. CORRECTIONS**-Any correction of an entry made on the bid should be initialed by a duly authorized representative of the bidder. If the total price is found to be incorrectly computed, discrepancies will be corrected by the Authority on the basis of the written unit prices, and determination of the low bidder will be made on the basis of the correct total price so determined.

**C. BID PRICES**-All prices quoted shall be firm and not subject to increase during the term of the contract, unless otherwise specified in the RFB. Prices shall include transportation and delivery to the site designated by the Authority in the RFB. All delivery charges shall be borne by the vendor.

**D. PAYMENT TERMS**-The bidder shall state the terms, if any, requested for the Authority to make payment within a certain period of time after receipt of the bidder's invoice.

**E. ALTERNATES**-All items are to be quoted as specified in the RFB or as an approved equivalent. In those cases when an alternate product is offered, it is the bidder's responsibility to provide detailed specifications, brand, make and model of the alternate offered, in the bidder's response/bid submission. In the event a bidder fails to take exception to the published bid specifications, the Authority shall evaluate the bid as offering the specified product/service. The Authority shall determine, at its sole discretion, if any alternate product offered is acceptable as an approved equivalent.

In the event the Authority specifies a model number or item that has been replaced/superseded by another model number or item, the bidder may quote the replacement item as an alternate. In this case, the bidder must specify the manufacturer and model number of the replacement item on the response/bid submission and must supply detailed descriptive literature and/or prints with that submission. The Authority will evaluate the proposed item to determine, in its sole discretion, whether it is an approved equivalent.

#### **IV. BIDDER GUARANTEES**

- A. WARRANTY-**The bidder hereby represents and warrants that the equipment offered is standard new equipment, latest model of regular stock product, with parts regularly used for the type of equipment offered, that such parts are all in production and none likely to be discontinued; also, that no attachment or part has been substituted or applied contrary to manufacturer's recommendations and standard practice.

The bidder shall unconditionally guarantee all new equipment for a term of one year from time of acceptance by the Authority unless specified otherwise in the RFB, and shall render prompt service of such equipment without charge, regardless of geographic location. The bidder shall maintain sufficient quantities of parts necessary for proper service to equipment at distribution points and service headquarters.

- B. BID SURETY-**Bidder shall submit with its bid proposal, fully executed by its bonding company and itself, either: (1) the standard form Authority Letter of Surety (attached hereto as Exhibit I), or (2) the standard form Authority Proposal Bond (attached hereto as Exhibit J), in the amount of 10% of its bid price. In lieu of the Letter of Surety or Proposal Bond, the bidder may elect to furnish with its bid proposal a Cashier's check in the amount of 10% of the bid price as a performance warranty deposit. This bid surety will be held by the Authority until award of the contract to insure compliance by the successful bidder with the terms and obligations of the bid including, but not limited to, delivery date.
- C. CONTRACT BOND-**The vendor shall, within ten (10) calendar days of receipt of the Notice of Award, furnish and deliver the Contract Bond on the standard form of the Authority, attached hereto as Exhibit K. The Contract Bond shall be in a sum of up to 100% of the total amount bid for the contract, as specified in the RFB, and shall be maintained by the vendor until final payment is made. In the event of insolvency of the Surety, the vendor shall forthwith furnish and maintain other Surety satisfactory to the Authority.
- D. NON-COLLUSION-** The bidder's signature on its bid is its guarantee that said bidder has not, directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free, competitive bidding in connection with the referenced contract; and that all statements contained in the bid and any additional statements requested by the Authority are true and correct, and made with full knowledge that the Authority relies upon the truth of the statements contained therein in awarding the contract.

The bidder's signature on its bid is its guarantee, in accordance with N.J.S.A. 52:34-15, that no person or selling agency has been employed or retained to solicit or secure such contract upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, except bona fide employees or bona fide established commercial or selling agencies maintained by the bidder for the purpose of securing business.

**V. INSURANCE AND INDEMNIFICATION**

**A. INSURANCE**-The bidder shall procure and maintain at its own expense for the entire term of the contract insurance for liability for damages imposed by law and assumed under this contract, of the kinds and in the amounts hereinafter provided. All insurance companies used must be authorized to do business in the State of New Jersey and must carry an A.M. Best Rating of A-/VII or better. Before commencing any services hereunder, the bidder shall furnish to the Authority a certificate(s) of insurance (together with declaration pages if requested by the Authority) showing that it has complied with this Section. All certificate(s) and notices of cancellation or change shall be mailed to: Director, Procurement and Materials Management Department, New Jersey Turnpike Authority, P.O. Box 5042, Woodbridge, New Jersey 07095. Upon request, the bidder shall furnish the Authority with a certified copy of each policy itself, including the provision establishing premiums.

The type and minimum limits of insurance shall be:

1. **Commercial General Liability Insurance.** The minimum limits of liability for this insurance per accident shall be as follows:

- Bodily injury and property damage  
each occurrence combined single limit \$2,000,000.00
- Personal injury each occurrence \$2,000,000.00
- General Aggregate \$2,000,000.00
- Products Aggregate \$2,000,000.00
- Fire Damage Legal Liability \$100,000.00
- Medical Payments \$5,000.00

The above required Commercial General Liability Insurance shall name the Authority, its Commissioners, officers, employees, and agents as additional insureds. The coverage to be provided under this policy shall be at least as broad as the standard basic unamended and unendorsed Commercial General Liability Policy. The insurance policy shall be endorsed to include Personal Injury, Broad Form Property Damage, Contractual Liability (including the deletion of the coverage restriction related to work conducted within fifty (50) feet of a railroad), Products/Completed Operations, Independent Consultants and XCU if applicable. Products/Completed Operations coverage shall remain in force for a period of two (2) years following the completion and/or termination of the contract.

2. **Business Automobile Liability Insurance.** The Comprehensive Automobile Liability policy shall cover owned, non-owned, and hired vehicles with minimum limits as follows:

Combined Single Limit of Liability for Bodily Injury or Property Damage for any one accident: \$2,000,000.

This policy shall name the Authority, its Commissioners, officers, employees and agents as additional insured.

3. **Workers Compensation and Employers' Liability Insurance.** Workers Compensation Insurance shall be provided in accordance with the requirements of the laws of the State of New Jersey and shall include an All-States endorsement or similar statement in the policy declarations, extending coverage to any state which may be interpreted to have legal jurisdiction. Employers' Liability Insurance shall be provided with a limit of liability of not less than \$1,000,000 for each accident.

4. **Certificate and Endorsement Requirements**

Each of the above required policies shall contain the endorsements as stated below:

- (a) Thirty (30) days notice of cancellation or any restriction in coverage by registered mail to the Authority.
- (b) All policies, except Workers Wage and Employers' Liability Insurance, shall contain a waiver of subrogation clause in favor of the Authority.
- (c) With respect to Commercial General Liability and Automobile Liability policies, the other insurance clause under each policy shall be amended to read as follows: "This policy will act as primary insurance and not contribute with policies issued to the Authority."

The vendor shall also require that all of its contracting parties comply with the insurance requirements stated above including providing evidence of such insurance coverages in the same manner as stated above.

Due to future changes in economic financial and/or insurance market conditions the Authority at its discretion may modify the above stated insurance requirements.

NOTWITHSTANDING THAT MINIMUM AMOUNTS OF INSURANCE COVERAGE CARRIED OR REQUIRED TO BE CARRIED BY THE BIDDER ARE SPECIFIED HEREIN, THE LIABILITY OF THE BIDDER SHALL NOT BE LIMITED TO THE AMOUNTS SO SPECIFIED AND SHALL EXTEND TO ANY AND ALL LIABILITY IN EXCESS OF THE INSURANCE COVERAGES SO PROVIDED NOR SHALL THESE MINIMUM LIMITS PRECLUDE THE AUTHORITY FROM TAKING ANY ACTION AVAILABLE TO IT UNDER THE PROVISIONS OF THE CONTRACT OR OTHERWISE IN LAW.

**B. INDEMNIFICATION**-Vendor agrees to defend, indemnify and save harmless the Authority, its Commissioners, officers, employees, and agents and each and every one of them against and from all liabilities, judgments, threatened, pending or completed actions, suits, demands for damages or costs of every kind and description actually and reasonably incurred (including attorney's fees and costs and court costs) (collectively "Liabilities") including, without implied limitations, Liabilities for damage to property or Liabilities for injury or death of the officers, agents and employees of either the vendor or the Authority, resulting from any act or omission or willful misconduct of the vendor or any of its officers, agents, sub-consultants, or employees in any manner related to the subject matter of the contract. In the event that the vendor fails to defend, indemnify and save harmless the Authority, its Commissioners, officers, employees, and agents, and each and every one of them, in accordance with this Section, any money due to the vendor under and by virtue of the contract as shall be considered necessary by the Authority may be retained by the Authority and held until any and all liabilities shall have been settled and suitable evidence to that effect furnished to the Authority. The obligations in this Section shall survive the termination, expiration or rescission of the contract.

**C. PATENT INDEMNIFICATION**-The vendor hereby agrees that it will indemnify, defend and save harmless the Authority, its Commissioners, officers, agents and servants from all suits, actions, claims and judgments of any kind or character whatsoever for infringement of patent, trademark or copyright regarding the items bid herein that may be brought by any person, corporation or firm.

## **VI. DELIVERY REQUIREMENTS**

**A. DELIVERY DATE**-A FIRM delivery date must be stated on the bid. Statements such as "stock" or "immediate" are not acceptable. Where the RFB calls for delivery within a specified time, it shall be indicated in the bid whether delivery will be made within the time specified.

**B. F.O.B.**-Price shall include delivery to the Authority F.O.B. destination, freight paid to any destination on the New Jersey Turnpike or Garden State Parkway. No additional charge will be allowed for any transportation cost resulting from partial shipments made at vendor's convenience when a single shipment is ordered. Prices quoted are firm throughout the term of the contract for complete delivery of quantities specified.

Bids submitted on an F.O.B. destination basis are mandatory; however, in instances where customs of the trade or unusual circumstances dictate F.O.B. shipping point, an estimate of the shipping charges must be noted on the bid and may be accepted in the Director's sole discretion. In such cases, actual shipping charges are to be prepaid and added to the invoice.

**C. DELIVERY**-Upon award of the contract:

1. Deliveries shall be made at such time and in such quantities as ordered in strict accordance with conditions stated in the RFB.
2. Deliveries may be set on a scheduled basis as arranged between the Authority and the vendor. It shall be the responsibility of the vendor to maintain an adequate supply stock.
3. The vendor will be responsible, at the point of delivery, for the delivery of material in such quality and condition as required by Paragraph IV.A. hereof and in accordance with good commercial practice.
4. Items delivered must be strictly in accordance with those bid upon.
5. As applicable, bidders must state in the space provided on the RFQ/bid solicitation documents the number of days required to make delivery after notification to ship.
6. In the event delivery is not made within the number of days stipulated, the Authority may purchase the required material from any available source. The difference in price, if any, will be paid by the vendor failing to meet its commitments.

**VII. OTHER TERMS AND CONDITIONS**

- A. CONTRACT PERIOD-** Except as otherwise stated in the RFB, the term of the contract shall be for one year, with the option to extend for two (2) one-year options, at the Authority's discretion, and with vendor's concurrence.
- B. EXTENSION OPTION-**If, in the opinion of the Director, it is in the best interest of the Authority to extend any contract beyond the original term, for a period of all or any part of a year, the vendor will be so notified of the Director's intent, prior to the expiration date of the existing contract. The Authority reserves the right to make up to two extensions of this contract for not more than one year each. If the extension is acceptable to the Authority at the original prices and on the original terms, notice will be given to the vendor by the Director in writing. If the original contract required a Contract Bond, a new Contract Bond must be submitted to cover the period of the extension. The same insurance requirements will be required for each extension period.
- C. TERMINATION OF CONTRACT-**The contract awarded may be terminated by the Authority at any time for inadequate or improper performance, or for breach of any terms, conditions, or obligations of the contract by the vendor, as determined by the Authority, or if the vendor shall make an assignment for the benefit of creditors, or file a voluntary petition in bankruptcy, or if an involuntary petition in bankruptcy is filed against the vendor and the act of bankruptcy therein alleged is not denied by the vendor, or if denied, is found by a court or jury. Further, the Authority reserves the right to terminate any contract for any reason provided written notice has been given by the Director to the vendor at least thirty (30) days prior to such proposed termination date.

The notice of termination shall be in writing, and shall be effective upon receipt by the vendor. Upon termination, the Authority shall be liable only for payment for goods or services properly delivered or performed in accordance with the contract. The Authority shall have the right to purchase non-delivered goods, to replace defective goods or services on the open market and hold the vendor liable for the difference between the price set forth in the contract for such goods or services and the prices paid on the open market, or pursue any other right available by law. In addition, the Authority shall have the right, without the necessity of court proceedings, to recover all equipment, material or supplies that are the property of the Authority and have been entrusted with the vendor to be used in the performance of said contract. Nothing in this paragraph is intended to limit the Authority's right to legally pursue all costs which exceed the amount due and owing the vendor under said contract. The list of remedies in this paragraph is not exclusive.

- D. SCOPE**-The total quantities of any contract are estimated. There is no guarantee of any minimum quantity. It is understood and agreed that contract prices shall cover the quantities actually required and ordered by the Authority during the term of the contract, whether more or less than the approximate quantity stated.
- E. BIDDERS FACILITIES**-The Authority reserves the right to inspect the bidder's establishment before making an award.
- F. TESTING**-The Authority reserves the right to have the material tested prior to the award and during the contract by an independent testing laboratory, to determine if the material meets the specifications of the RFB. If required for testing purposes, the low bidder shall submit a reasonable quantity of the product as samples. If these samples prove satisfactory, the contract shall be awarded. If they do not prove satisfactory, a test shall be made of the next low bidder's sample, until satisfactory products are found to meet requirements. Should the laboratory find that any shipment does not meet specifications, the Authority shall have the right to reject same.
- G. INSPECTION**- All work done and supplies furnished shall be subject to inspection, testing and rejection by the Authority, or its representatives, at all times and places, both during manufacture and at destination. After award of the contract, should the result of any test or inspections show that the material supplied fails to meet the requirements of the Authority, the material shall be rejected and immediately replaced by the vendor. Rejected supplies or materials will be returned at the vendor's risk, and all inspection, handling and transportation charges to and from the Authority's delivery site will be assumed by the vendor. The vendor shall bear any and all expenses resulting from delay caused by failure to meet test or inspection standards. Should the Authority for any reason decide to accept any shipment which fails to meet specifications, the Authority may make an appropriate price adjustment with regard to same.
- H. AWARDS**-Comparison of bids will be based on the total price stated in the bid and an award will be based on the total price, terms and delivery date given by the bidder. If the total price is found to have been incorrectly computed, discrepancies will be corrected by the Authority

on the basis of the unit prices and a determination of the low bidder will be made on the basis of the corrected total price. The Authority shall not be liable for any failure on its part to detect or correct errors, and the Authority's action in connection therewith shall not give rise to any rights to the bidder.

- I. NOTICE TO VENDORS AND AUTHORITY DEPARTMENTS**-The Authority is authorized to order, and vendors are authorized to ship only those items covered by the contract. If a review of orders placed by the Authority reveals that material other than that covered by the contract has been ordered and delivered, the Director will take such steps as are necessary to have the material returned regardless of the time elapsed between the date of delivery and discovery of the violation. A full refund to the Authority by the vendor will be required.
  
- J. RIGHT TO AUDIT**-Vendor shall keep and maintain proper and adequate books, records and accounts accurately reflecting all costs and amounts billed to Authority under the contract at issue. Authority, its employees, officers, or representatives shall have the right upon written request and reasonable notice, to inspect and examine all of the vendor's books and records related to the contract. Such records shall be retained by vendor for at least seven (7) years from the termination of the contract. In no event shall books and records be disposed of or destroyed of prior to seven (7) years from the termination of the contract or during any dispute or claim between the Authority and vendor with regard to the contract at issue.
  
- K. TAXES**-The Authority is exempt from Federal Excise Tax, New Jersey State Sales and Use Tax and other tax as applicable.
  
- L. TRANSFER OF BUSINESS**-It is understood by all parties that, if, during the term of the contract, the vendor disposes of its business by sale, transfer or by any means to another party, all obligations are transferred to such purchaser.
  
- M. INTERAGENCY COOPERATIVE PURCHASING**-Pursuant to P.L. 1999, c. 440, vendors may receive inquiries by the entities listed below, with respect to extending this contract to them based upon the same prices, terms and conditions:
  - South Jersey Transportation Authority
  - New Jersey Sports & Exposition Authority
  - New Jersey Meadowlands Commission
  - New Jersey Water Supply Authority
  - Port Authority of New York & New Jersey
  - Delaware River Port Authority
  - Higher Education Student Assistance Authority
  
- N. CONTRACT CHANGES**-During the term of contract, no change will be permitted in any of its conditions and specifications unless the vendor receives written approval from the Director.

Should the vendor find at any time that existing conditions make modification in requirements necessary, the vendor shall promptly report such matter to the Director for consideration and decision.

**O. SUBCONTRACTING OR ASSIGNMENT**-The contract may not be subcontracted or assigned by the vendor, in whole or in part, without the prior written consent of the Director. In the event that bidder proposes to subcontract some or all of the services to be provided under the contract, it shall state so in its bid and attach for approval a list of said subcontractors and an itemization of the goods and/or services to be supplied by them.

**P. REJECTION OF BIDS**-Failure to comply with the instructions set forth herein may be considered grounds for rejection of the bid. The Authority further reserves the right to reject any or all bids as it may, in its sole discretion, determine to be in its best interest, or for any other reason allowed by law.

### MANDATORY EQUAL EMPLOYMENT OPPORTUNITY LANGUAGE N.J.S.A. 10:5-31 et seq., N.J.A.C. 17:27

#### GOODS, PROFESSIONAL SERVICES AND GENERAL SERVICE CONTRACTS

During the performance of this contract, the contractor agrees as follows:

- A. The Contractor or Subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment and that employees are treated during employment without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.
- B. The Contractor or Subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity, or expression, disability, nationality or sex.
- C. The Contractor or Subcontractor will send to each labor union with which it has a collective bargaining agreement a notice, to be provided by the agency contracting officer, advising the labor union of the Contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- D. The Contractor or Subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time, and the Americans with Disabilities Act.
- E. The Contractor or Subcontractor agrees to make good faith efforts to meet targeted county employment goals established in accordance with N.J.A.C. 17:27-5.2.
- F. The Contractor or Subcontractor agrees to inform in writing its appropriate recruitment agencies including, but not limited to, employment agencies, placement bureaus, colleges, universities and labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

- G. The Contractor or Subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personal testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the State of New Jersey and as established by applicable Federal law and applicable Federal court decisions.
- H. In conforming with the targeted employment goals, the Contractor or Subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and layoff to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.
- I. The Contractor shall submit to the public agency, after notification of award but prior to execution of a goods and services contract, one of the following three documents:
  - i. Letter of Federal Affirmative Action Plan Approval
  - ii. Certificate of Employee Information Report
  - iii. Employee Information Report Form AA302

The Contractor and its Subcontractors shall furnish such reports or other documents to the Division of Public Contracts Equal Employment Opportunity Compliance as may be requested by the Division from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Division of Public Contracts Equal Employment Opportunity Compliance for conducting a compliance investigation pursuant to **Subchapter 10 of the Administrative Code at N.J.A.C. 17:27**

## EXHIBIT D

### State Contractor Political Contributions Compliance Public Law 2005, Chapter 51 and Executive Order 117

In order to safeguard the integrity of State government procurement by imposing restrictions to insulate the award of State contracts from political contributions that pose the risk of improper influence, purchase of access, or the appearance thereof, Executive Order 134 (McGreevey) was signed on September 22, 2004 and became effective October 15, 2004. EO134 was applicable to all State agencies, the principal departments of the executive branch, any division, board, bureau, office, commission within or created by a principal executive branch department, and any independent State authority, board, commission, instrumentality or agency. EO134 was superseded by P.L. 2005, c. 51, signed into law on March 22, 2005 (“Chapter 51”). In September 2008, Executive Order 117 (Corzine) was signed and became effective November 15, 2008. EO117, which applies only prospectively, extends Chapter 51’s political contribution restrictions by expanding the definition of “business entity” to include, for example, more corporate shareholders and sole proprietors. EO117 and Chapter 51 contain restrictions and reporting requirements that will necessitate a thorough review of their provisions by bidders.

Pursuant to the requirements of Chapter 51 and EO117, the terms and conditions set forth in this Exhibit are material terms of any contract entered into by the Authority.

#### **DEFINITIONS**

For the purpose of this Exhibit, the following shall be defined as follows:

a) “**Contribution**” – means a contribution reportable by the recipient under the New Jersey Campaign Contributions and Expenditures Reporting Act, P.L. 1973, c. 83, N.J.S.A. 19:44A-1 et seq., and implementing regulations set forth at N.J.A.C. 19:25-7 and N.J.A.C. 19:25-10.1 et seq., made on or after October 15, 2004. As of January 1, 2005, contributions in excess of \$300 are reportable.

b) “**Business Entity**” – means any natural or legal person; business corporation (and any officer, person, or business entity that owns or controls 10% or more of the corporation’s stock); professional services corporation (and any of its officers or shareholders); limited liability company (and any members); general partnership (and any partners); limited partnership (and any partners); in the case of a sole proprietorship: the proprietor; a business trust, association or any other legal commercial entity organized under the laws of New Jersey or any other state or foreign jurisdiction, including its principals, officers, or partners. The definition of a business entity also includes (i) all principals who own or control more than 10 percent of the profits or assets of a business entity; (ii) any subsidiaries directly or indirectly controlled by the business entity; (iii) any political organization organized under section 527 of the Internal Revenue Code that is directly or indirectly controlled by the business entity, other than a candidate committee, election fund, or political party committee; and (iv) if a business entity is a natural person, that person’s spouse, civil union partner or child, residing in the same household, except for

contributions by spouses, civil union partners, or resident children to a candidate for whom the contributor is eligible to vote, or to a political party committee within whose jurisdiction the contributor resides.

### **PROHIBITION ON CONTRACTS/BREACH OF EXISTING CONTRACT**

As set forth in Chapter 51 and EO117, the Authority shall not enter into a contract to procure from any Business Entity services or any material, supplies or equipment, or to acquire, sell or lease any land or building, where the value of the transaction exceeds \$17,500, if that Business Entity has solicited or made any contribution of money, or pledge of contribution, including in-kind contributions, to a candidate committee and/or election fund of any candidate for or holder of the public office of Governor or Lieutenant Governor, or to any State, county or municipal political party committee, or legislative leadership committee during specified time periods.

Further, it shall be a breach of the terms of any contract with the Authority for any Business Entity who has been awarded the contract, during the term of the contract or any extension thereof, to:

- (i) make or solicit a contribution in violation of Chapter 51 or EO117;
- (ii) knowingly conceal or misrepresent a contribution given or received;
- (iii) make or solicit contributions through intermediaries for the purpose of concealing or misrepresenting the source of the contribution;
- (iv) make or solicit any contribution on the condition or with the agreement that it will be contributed to a campaign committee or any candidate of holder of the public office of Governor or Lieutenant Governor, or to any State, county or municipal party committee, or legislative leadership committee;
- (v) engage or employ a lobbyist or consultant with the intent or understanding that such lobbyist or consultant would make or solicit any contribution, which if made or solicited by the Business Entity itself, would subject that entity to the restrictions of Chapter 51 or EO117;
- (vi) fund contributions made by third parties, including consultants, attorneys, family members, and employees;
- (vii) engage in any exchange of contributions to circumvent the intent of Chapter 51 or EO117; or
- (viii) directly or indirectly through or by any other person or means, do any act which would subject that entity to the restrictions of Chapter 51 or EO117.

### **CERTIFICATION AND DISCLOSURE REQUIREMENTS**

Prior to the award of any contract or agreement, the Authority shall notify any Business Entity to which it intends to award a contract of the need to submit to the Authority a completed Certification and Disclosure of Political Contributions form, as issued by the State Treasurer. **The intended awardee will receive the applicable form from the Authority's Procurement and Materials Management Department to be completed and returned to the Authority for submission to the State Treasurer.**

In completing this form, the Business Entity must certify that no contributions prohibited by Chapter 51 or EO117 have been made by the Business Entity and must report all contributions the Business Entity made during the preceding four years to any political organization organized under 26 U.S.C. § 527 of the Internal Revenue Code that also meets the definition of a “continuing political committee” within the meaning of N.J.S.A. 19:44A-3(n) and N.J.A.C. 19:25-1.7. Failure to submit the required forms will preclude award of the contract at issue, as well as future contract opportunities.

Upon approval by the State Treasurer, the Authority will issue a contract. However, if the State Treasurer determines that any contribution or action by a Business Entity poses a conflict of interest in the awarding of the contract or agreement at issue, the State Treasurer shall disqualify the Business Entity from award of such contract.

**Once approved by the State Treasurer, a Business Entity’s Political Contributions Certification is valid for a two (2) year period from the date of approval. If, prior to the award of a contract, the State Treasurer confirms to the Authority that the intended awardee has an approved Certification that will remain valid for the term of the contract, the Authority may waive the requirement that the awardee complete an additional Certification and Disclosure of Political Contributions form.**

Any Business Entity entering into a contract with the Authority is required, on a continuing basis, to report to the Authority any contributions it makes during the term of the contract, and any extension(s) thereof, at the time any such contribution is made. Such reports shall be subject to review by the Authority and the State Treasurer. If the State Treasurer determines that any such contribution poses a conflict of interest, such contribution shall be deemed a material breach of the contract or agreement at issue.

**EXHIBIT E**

**NEW JERSEY ELECTION LAW ENFORCEMENT COMMISSION  
REQUIREMENT FOR DISCLOSURE OF POLITICAL CONTRIBUTIONS**

*All business entities are advised of their responsibility to file on annual disclosure statement of political contributions with the New Jersey Election Law Enforcement Commission (ELEC) pursuant to N.J.S.A. 19:44A-20.27 if they receive contracts in excess of \$50,000.00 from public entities in a calendar year. Business entities are responsible for determining if filing is necessary. Additional information on this requirement is available from ELEC at 888-313-3532 or at [www.elec.state.nj.us](http://www.elec.state.nj.us)*

**DISCLOSURE OF CONTRIBUTIONS TO NEW JERSEY ELECTION LAW  
ENFORCEMENT COMMISSION IN ACCORDANCE WITH N.J.S.A. 19:44A-20.27**

The undersigned Bidder submitting the bid for the goods/services herein hereby acknowledges its responsibility to file an annual disclosure statement of political contributions with the New Jersey Election Law Enforcement Commission (ELEC) pursuant to N.J.S.A. 19:44A-20.27 if in receipt of contracts in excess of \$50,000.00 from public entities in a calendar year. Bidder further acknowledges that business entities are solely responsible for determining if filing is necessary and that all statements contained in said bid and in this certification are true and correct, and made with full knowledge that the New Jersey Turnpike Authority relies upon the truth of the statements contained in said bid and in statements contained in this certification in awarding the contract at issue.

I certify that I am authorized to make the foregoing statements on behalf of the Bidder and that the foregoing statements made by me are true. I am aware that if any of the foregoing statements made by me are willfully false, I am subject to punishment.

**VENDOR DISCLOSURE FORM  
EXECUTIVE ORDER # 129**

Please be advised that in accordance with Executive Order #129 (2004), the New Jersey Turnpike Authority has developed this form under the policy and procedures directed under this Order. In entering into contracts, the State contracting agencies must consider the requirements of New Jersey's contracting laws, the best interests of the State of New Jersey and its citizens, as well as applicable federal and international requirements.

The State contracting agencies shall ensure that all vendors seeking to enter into any contract in which services are procured on behalf of the State of New Jersey must disclose:

- A. The location  
by country where services under the contract will be performed; and
- B. Any  
subcontracting of services under the contract and the location by country where any subcontracted services will be performed.

**THE LOCATION BY COUNTRY WHERE SERVICES UNDER THIS CONTRACT WILL BE PERFORMED:**

**NOTICE TO ALL BIDDERS  
SET-OFF FOR STATE TAX**

Please be advised that pursuant to P.L. 1995, c. 159, effective January 1, 1996 and notwithstanding any provision of the law to the contrary, whenever any taxpayer, partnership, or S corporation under contract to provide goods or services or construction projects to the State of New Jersey or its agencies or instrumentalities, including the legislative and judicial branches of State government, is entitled to payment for those goods or services or construction projects and at the same time the taxpayer, or the partner or shareholder of that entity, is indebted for any State tax, the Director of the Division of Taxation shall seek to set-off that taxpayer's, partner's or shareholder's share of the payment due to the taxpayer, partnership, or S corporation. The amount of set-off shall not allow for the deduction of any expenses or other deductions which might be attributable to a partner or shareholder subject to set-off under this act. No payment shall be made to the taxpayer, the provider of goods or services, or the contractor or subcontractor of construction projects pending resolution of the indebtedness.

The Director of Division of Taxation shall give notice of the set-off to the taxpayer, the provider of goods or services, or the contractor or subcontractor of construction projects and provide an opportunity for a hearing with thirty (30) days of such notice under the procedures for protests established under N.J.S.A. 54:49-18. No requests for conference, protest or subsequent appeal to the Tax Court from any protest under this section shall stay the collection of the indebtedness. Interest that may be payable by the State pursuant to P.L. 1987, c. 184, N.J.S.A. 52:32-32 et seq. to the taxpayer, the provider of goods or services, or the contractor or subcontractor of construction projects shall be stayed.

"I HAVE BEEN ADVISED OF THIS NOTICE."

LETTER OF SURETY

KNOW ALL MEN BY THESE PRESENTS, that we, the undersigned

\_\_\_\_\_ as PRINCIPAL: and

\_\_\_\_\_ as Surety and duly qualified to transact business in the State of New Jersey, are hereby held and firmly bound unto the New Jersey Turnpike Authority in the sum by which the amount of the Contract, covering the attached proposal, properly and lawfully executed by and between the New Jersey Turnpike Authority and some third party, may exceed the amount bid by the Principal for the payment of which, well and truly to be made, we hereby jointly and severally bind ourselves, our heirs, executors, administrators, successors and assigns.

Signed, this \_\_\_\_\_ day of \_\_\_\_\_ A.D.

Two Thousand and \_\_\_\_\_.

THE CONDITION OF THE ABOVE OBLIGATION IS SUCH that whereas the Principal has submitted to the New Jersey Turnpike Authority a certain Proposal, attached hereto and hereby made a part hereof, to enter into a Contract in writing for Contract No. \_\_\_\_\_ of the New Jersey Turnpike Authority;

NOW, THEREFORE,

(a) If said Proposal shall be rejected by the New Jersey Turnpike Authority, or in the alternative,

(b) If said Proposal shall be accepted by the New Jersey Turnpike Authority, and the Principal shall duly execute the Contract Agreement and furnish the required Contract Bond, within the stipulated time,

Then this obligation shall be void, otherwise the same shall remain in force and effect; it being expressly understood and agreed that the liability of the Surety for any and all claims hereunder shall, in no event, exceed the amount of this obligation as herein stated.

The Surety, for value received, hereby stipulates and agrees that the obligation of said Surety and its bond shall be in no way impaired or affected by any extension of the time within which the Authority may accept such Proposal; and said Surety does hereby waive notice of any such extension.

IN WITNESS WHEREOF, the Principal and the Surety have hereunto set their hands and seals, and such of them as are corporations have caused their corporate seals to be hereto affixed and these presents to be signed by their proper officers, the day and year first set forth above.
