CLAIMING ZERO GROSS OPERATING REVENUE FOR COLLECTORS/TRANSPORTERS

Acceptable Reasons for Reporting Zero Gross Operating Revenue

- **Currently Not Operating** – If your company has been inactive in 2019 you must explain why, how long your company has been inactive, and when you intend to resume operation.
- **Collection/Transport/Brokering of Non-Regulated Materials** – Provide details of your operations and provide the solid waste ID or the non-regulated waste that your company collects/transport.
- **Collection/Transport/Brokering of Waste Not Generated in NJ** – Provide details of your operations and the origin of the waste that your company is collecting/transporting.
- **Waste Collected/Brokered to be collected from NJ Transfer Station or Rail Carrier and Transported Out of State** - Provide details of your operations.
- **Other** - Provide a detailed explanation for claiming zero revenue.

Unacceptable Reasons for Reporting Zero Gross Operating Revenue

- **Self-Generated Waste** - Self-generators are exempt from holding an A-901 License and a CPCN. Companies that do hold a CPCN should, therefore, not be reporting waste as “self-generated”.
- **Sub-Contractors**- All utilities holding a CPCN must report revenue regardless of contracting work with other Solid Waste Utilities.

****If you are claiming zero revenue for the calendar year of 2019, see the next page to provide details and certify zero gross operating revenue.****
