## NEW JERSEY FFA FOUNDATION, INC.

The New Jersey FFA Foundation, Inc. is a non-profit organization that provides financial support to agricultural education students through activities of the New Jersey FFA Association. Contributions to the New Jersey FFA Foundation, Inc. are 501(c)(3) tax deductible.

Students participate in Career Development Events that test their knowledge of an agriculture-related field and prepare them for future careers.

Students interested in learning more about state FFA office attend State Officer Candidate School in January.

The Leadership Experience and Development Conference teaches students about teamwork and premier leadership.

Thank you for the financial contributions given with the awards we obtained at the State FFA Convention. WE have plans to use the money to fund banquet gifts as well as our booth at the Salem County Fair this summer. We appreciate the support put towards the state, chapters, and individual members to help encourage growth and success. We thank you for helping us encourage good thrift and other financial relations.

-The Salem Co. Vo. Tech FFA Chapter

Thank you so much for your sponsorship for being recognized as this year's Star State Greenhand. Everything I have accomplished in my FFA career so far would not have been possible without the support of my great sponsors like you. Thank you for your continued support and encouragement.
