

NJSART

NEW JERSEY STATE ANIMAL RESPONSE TEAM

Mission

The New Jersey State Animal Response Team (SART) will provide support to the residents of New Jersey by managing emergency companion animal sheltering during a disaster or other large emergency. SART will also support the New Jersey Department of Agriculture during times when circumstances require protection of the animal populations of the State.

**Volunteer
opportunity**

**Local and State-wide
community**

Help pets in need

**Learn about animal
emergency response**

**Connect with other
animal lovers**
