EXAMPLE

County submitting (agency, co.) Hunterdon Co Mosq Control	Specimen ID	Date <u>collected</u> May 23, 2018
Collector's name Jane S. Smith	Collector's telephone 973-555-5555`	Collector's email smithanddoe@gmail.com
County where <u>collected</u> <u>Burlington</u>	Where found on animal/person (head, ear, under front leg, etc.) Underneath head between jaw bones	
Collected from (circle) <input checked="" type="radio"/> Dog <input type="radio"/> Cat <input type="radio"/> Horse (pony, Donkey) <input type="radio"/> Llama, alpaca <input type="radio"/> Sheep <input type="radio"/> Goat <input type="radio"/> Cattle <input type="radio"/> Bison <input type="radio"/> Poultry (chicken, ducks, geese, etc.) <input type="radio"/> Person <input type="radio"/> Environment (e.g. lawn, brush, field) <input type="radio"/> Other (specify)	Where collected (address, cross road – be descriptive) and any additional information: Went hiking in Long Bridge Park in Hainesport, NJ. We were all over the trails (did the L loop trails) there and I don't know where my dog picked up the tick. I checked him for ticks as soon as we got home to Flemington and found the ticks on him.
