

2020 Envirothon Cancelled

It was a difficult decision, but due to the coronavirus crisis and the related uncertainty of when we will return to normal everyday life, the New Jersey Association of Conservation Districts in conjunction with the State Soil Conservation Committee have canceled the 2020 NJ Envirothon. Even if the social distancing mandate in New Jersey is suspended before May 2, and the students are allowed to return to school, there would not be sufficient time for the students to adequately prepare. Furthermore, the efforts of the committee responsible for the logistics necessary to prepare for and conduct this event would be hampered by this uncertainty. All school advisor and donor inquiries can be submitted to dbd16@comcast.net.
