  SFA did not have documentation indicating that two food safety inspections were requested in the current school year. Schools participating in the school lunch and breakfast programs must, at least twice during the each school year, obtain a food safety inspection conducted by a State or local governmental agency responsible for food safety inspections. Describe in the corrective action how this will be corrected. SFA did not have both food safety inspections for the current school year. Applicant #14's mother was contacted and she came to the school on January 11. Mother explained she does not receive child support and confirmed her weekly income was incorrectly listed twice on the original application.

She was sent a letter explaining there will be no change to her child's lunch eligibility status.

### Corrective Action History

**Flagged Corinne Santos-Hernandez 01/10/2019 11:44 AM**

Incomplete and/or incorrectly determined applications were found during the State Agency review of the selected applications. Errors were recorded on the Eligibility Certification and Benefit Issuance Worksheet (SFA-1.) The SFA must indicate the date of correction for all application errors.

Application number 14 was incorrectly approved as FREE when it should be denied. The household documented income of $381 x 2 = $762 per week for a household of 2. (Free-Denied. Application was approved on September 7, 2018.)
