			CAP Submitted SIMON SCHREIBER 11/29/2017 02:48 PM	On 11/29/2017 we resolved to make sure that our school receives 2 health inspections per year or at least show documentation that we reached out to the health dept and requested them.		
			Flagged Lorena Paredes 11/28/2017 08:34 PM	SFA did not have documentation indicating that two food safety inspections were requested in the previous school year. Schools participating in the school lunch and breakfast programs must, at least twice during the each school year, obtain a food safety inspection conducted by a State or local governmental agency responsible for food safety inspections. Describe in the corrective action how this will be corrected.
