	The revised Non-Program Revenue Tool for 2022-23 indicated a need to increase non-program food prices. The District approved increases on multiple a la carte offerings to ensure compliance in the 2023-24 school year. I am uploading a copy of the price list approval that shows the amount of increases that were charged in 2023-24. We will continue to monitor the Non-Program Revenue to ensure that prices charged for adult meals, catering, and a la carte offerings will be in compliance.
