At breakfast, all required meal components must be offered to students daily. When planning menus, the SFA must make sure that all 3 components of the reimbursable breakfast, in minimum daily and weekly requirements, are offered. Daily production records and supporting documentation (including but not limited to standardized recipes, food labels, CN Labels, manufacturer product formulation statements, USDA Foods Information Sheets, etc.) must be used to make sure menus are in compliance with the meal pattern.

On 2/25/20, 57 breakfast meals were claimed for reimbursement but only 56 fruits are recorded on the production record.

Explain in detail, how the finding will be corrected and the measures taken to ensure that it will not reoccur in the future.
