Going forward the school district will properly complete the non-program revenue tool annually.

We will insure the NPFRT will match the figures to our Exhibit B-5 and include all non-program food revenues and cost in its calculation. The SFA's revenue ratio via the tool will equal or exceed the SFA's food cost ratio. We will increase revenues on adult prices to be sufficient to cover the cost.

This will be monitored by Nancy Mitrocsak, the Food Service Director, no later than Sept. 1 of each year, per the Business Administrator.

Finding: Revenue from Non-program Foods

The NPFRT Tool did NOT match the figures to the SFA's Exhibit B-5 Statement of Revenues, Expenses and Changes In Fund Net Position & did NOT include all of its nonprogram revenues and costs in its calculation.

In addition, Revenue Ratio DID NOT equal or exceed its Food Cost Ratio as required under 7 CFR 210.14(f).

A Corrective Action Plan is required

Please review the NPFRT webinar in SNEARS on the proper completion of the tool:
