**CAP Accepted Corinne Santos-Hernandez 12/18/2020 10:36 AM**

Afterschool snack counting has since been rectified for better and more accurate accounting of the number of meals served. The school now takes tallies by classroom for the number of students that are served after school snack. Changing the counting to class by class has eased the rush of counting when all students would be counted/served together. This change in counting will ensure that all snacks that are served are precisely counted.

**Date of Implementation 7/1/2020**

**CAP Submitted MICHAEL FALKOWSKI 12/14/2020 02:36 PM**

Afterschool snack counting has since been rectified for better and more accurate accounting of the number of meals served.
