  Hi,

  My apologies, just uploaded the updated NPFR tool for Ogdensburg.

  Will also email Lisa Garland.

  Please let us know if we can provide any additional information.

  Thanks,

  Rich
Finding: Revenue from Non-program Foods

The NPFR Tool did NOT include all of its nonprogram revenues and costs in its calculation.

In addition, Revenue Ratio DID NOT equal or exceed its Food Cost Ratio as required under 7 CFR 210.14(f).

Additional revenue was needed to comply.

A Corrective Action is required.

Please review the NPFRT webinar in SNEARS on the proper completion of the tool:
