CLEAN HANDS BLOCK GERMS

Use soap & water
or hand sanitizer

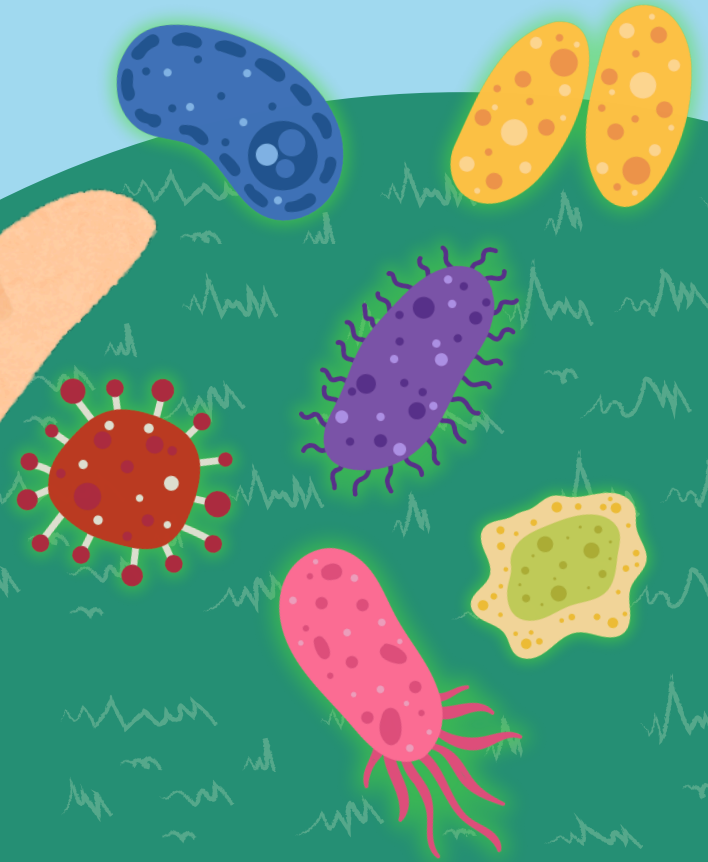

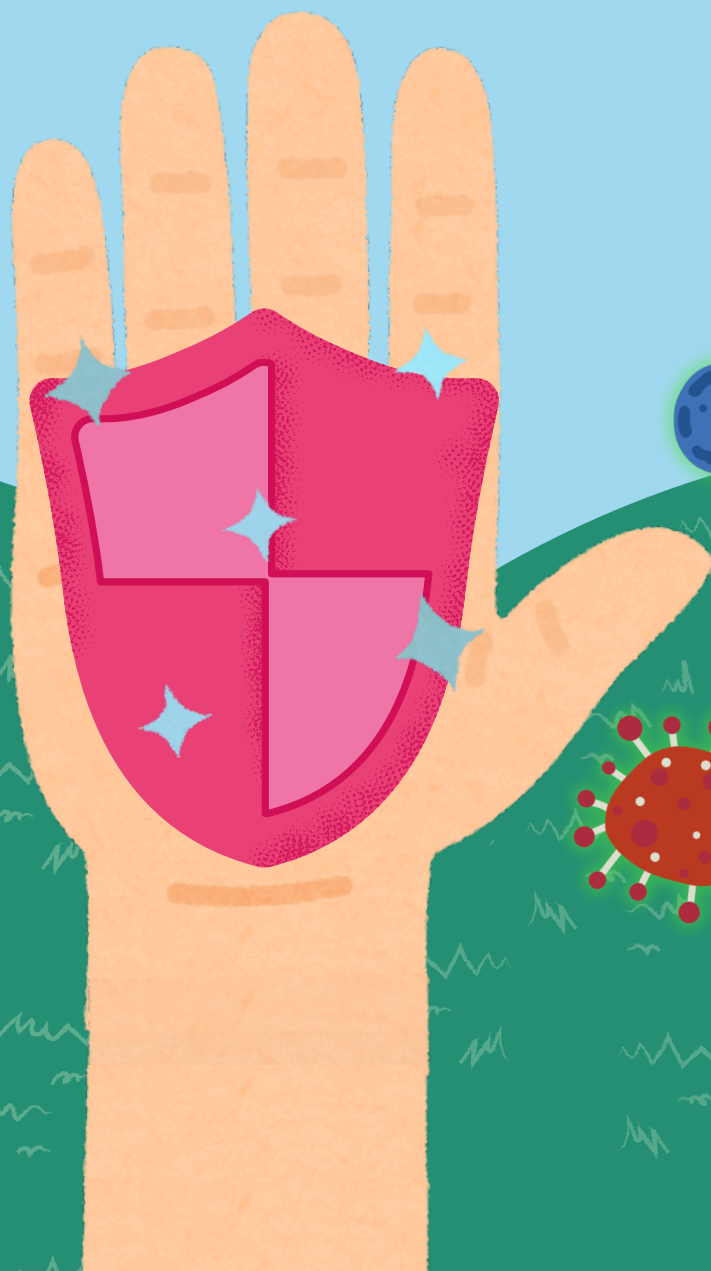

NEW JERSEY
DEPARTMENT OF AGRICULTURE

BRING HOME MEMORIES, NOT GERMS!

Use soap & water
or hand sanitizer

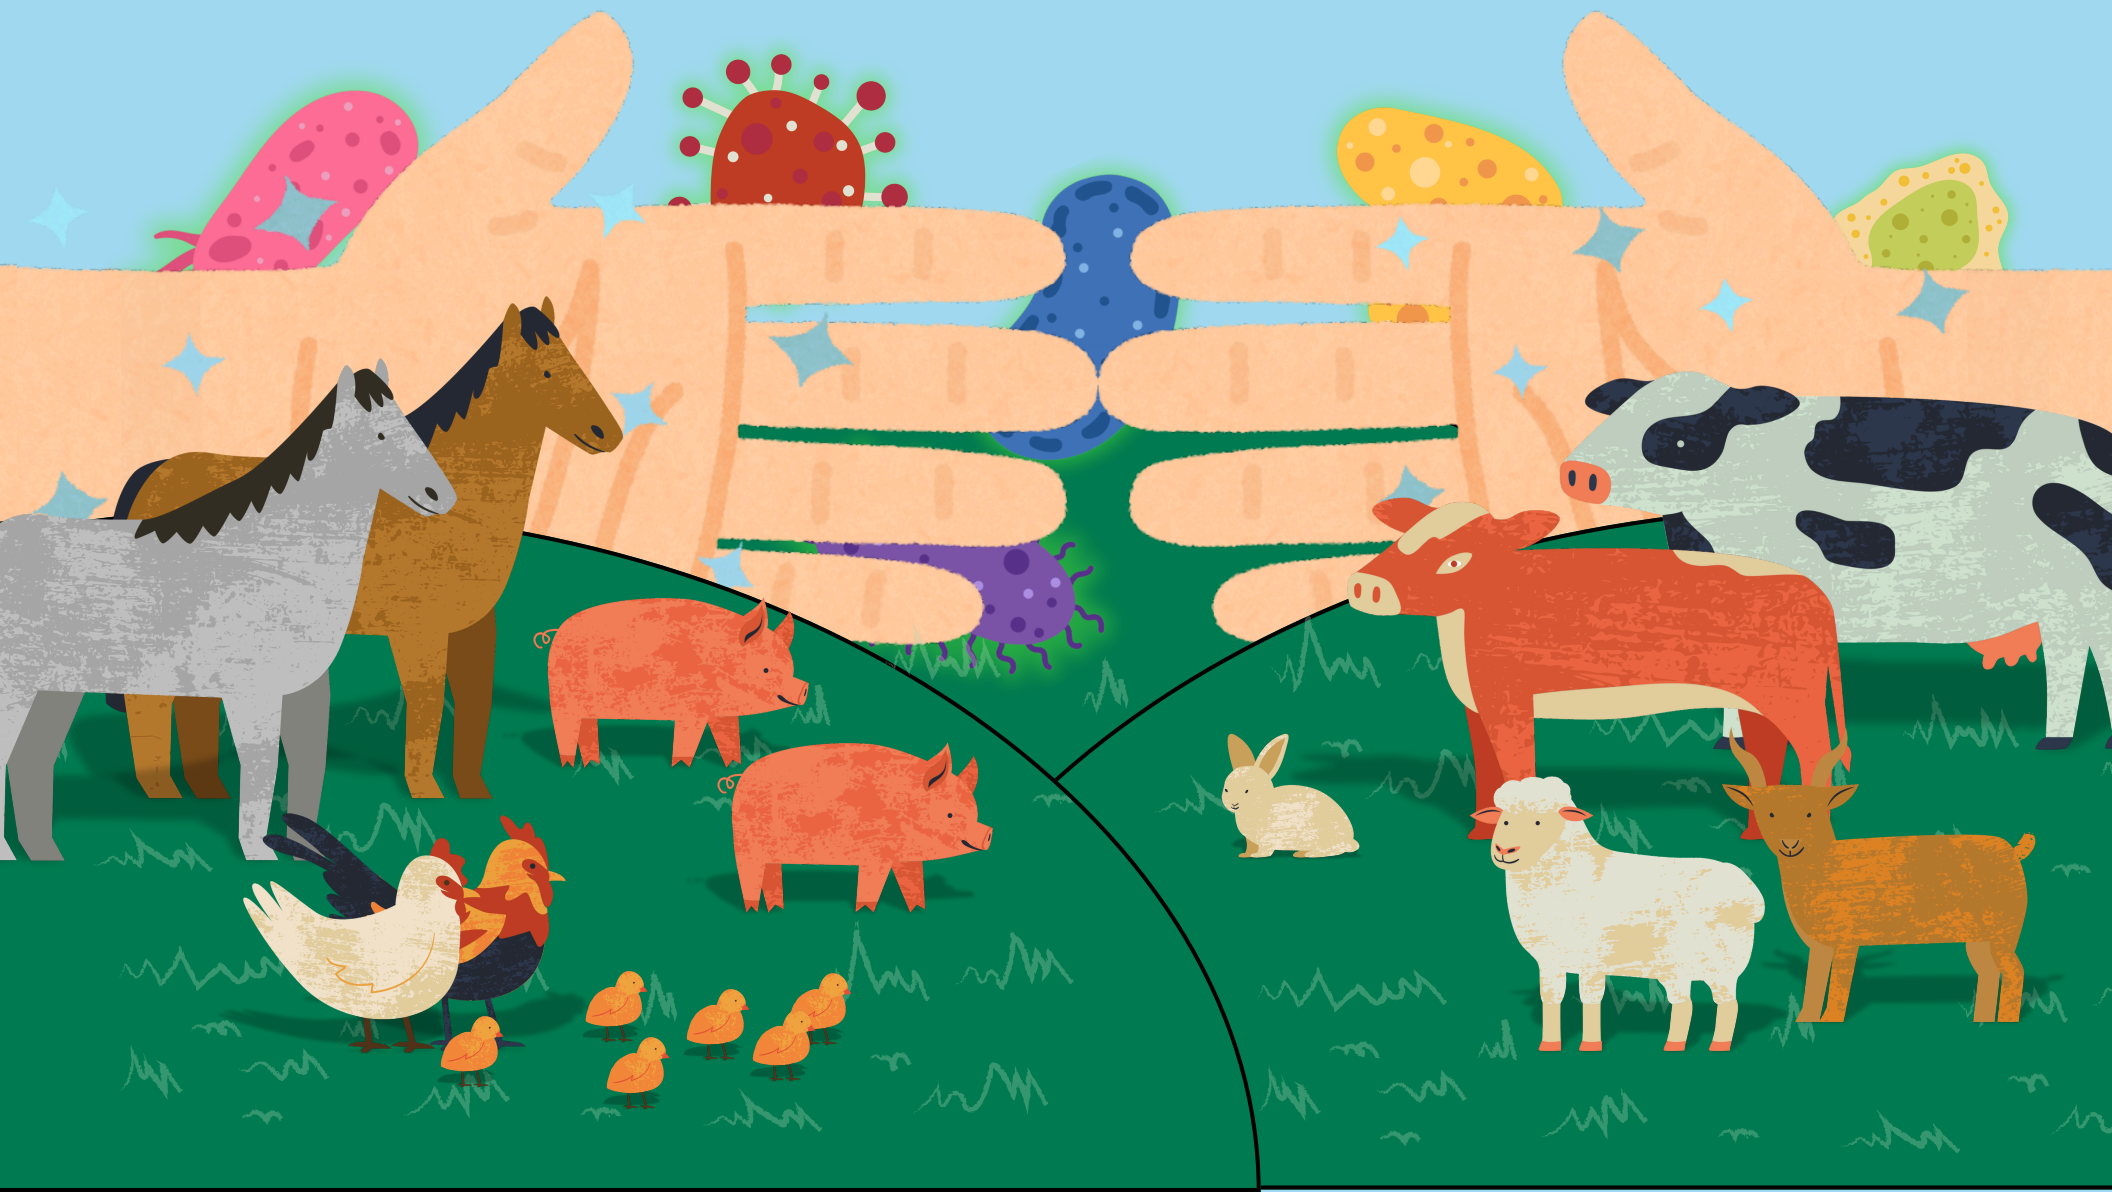

NEW JERSEY
DEPARTMENT OF AGRICULTURE

Clean hands keep germs OUT

Wash **before** to protect **them**
Wash **after** to protect **yourself**

Scrub, shield, stop the spread

Hands dirt-free?
Use me!

Dispense soap
onto damp
hands

Rub hands
together and
scrub for 20
seconds

Wash off soap
with water

Dry hands with
paper towels
or dryer

THANK
YOU

for keeping you, your
family, and our
animals safe!

Love the animals, leave the snacks

Baby
items too!

Eating near animals can add
unwanted germs to your food!

No eating, drinking, smoking,
or vaping near the animals!

NEW JERSEY
DEPARTMENT OF AGRICULTURE

Holy Cow - No Human Chow!

It might seem nice, but think twice - human food could make the animals sick

Please, no feeding the animals!
