Application for New Jersey Wine Industry Research, Development and/or Promotional Funds for 2019
www.nj.gov/agriculture/grants/wineindustrygrants.html

**WINE INDUSTRY PROJECT GRANT APPLICATION
PART I**

The undersigned hereby applies for grant funds to be used, as specified in the application, for the New Jersey wine industry during calendar year 2019 in one or more of the following:

- research concerning viticultural and winemaking processes
- market development, and/or promotion programs

The specified activity(ies) identified in an application submitted are collectively known as the Wine Industry Project for which grant funds are sought. Applications **must** benefit all grape growers and wine producers. Proposed projects must benefit the wine industry as a whole and funded project activities may not exclude any plenary and/or farm wine licensee whose sales of New Jersey wine contribute to the Wine Promotion Account and who wishes to participate. **Please note that research and marketing projects will be considered separately, therefore separate applications are required. Applicants may submit multiple applications.** A final report is required at the end of the grant period, with accounting of expenditures and the outcome of research and marketing/promotional conclusions. Research and marketing/promotional results will be made available to the NJ Wine Industry Council to view.

In consideration of the receipt of such funds, the undersigned agrees:

1. To submit to the New Jersey Department of Agriculture a notarized listing of expenditures at the completion of the wine industry project.
2. Grant applications submitted by organizations, cooperatives, partnerships, corporations and other multi-member entities **MUST** be accompanied by a list of members and major stakeholders (10% or more) in order for the grant to be considered. This requirement does not pertain to universities, school boards, institutions or government entities.
