

STATE AGRICULTURE DEVELOPMENT COMMITTEE (SADC)

Department of Agriculture

REGULAR MEETING

**REMOTE MEETING DUE TO CORONAVIRUS
EMERGENCY**

June 25, 2020

Chairman Fisher called the meeting to order at 9:06 a.m.

Ms. Payne read the notice indicating the meeting was held in compliance with the Open Public Meetings Act.

Roll call indicated the following:

Members Present

Chairman Fisher
Renee Jones
Gina Fischetti
James Waltman
Martin Bullock
Ralph Siegel
Pete Johnson
Scott Ellis
Roger Kumpel (Alternate Farmer Member for Mr. Norz)

Members Absent

Brian Schilling
Richard Norz
Denis Germano

Susan E. Payne, Executive Director
Jason Stypinski, Esq., Deputy Attorney General

Minutes

A. SADC Regular Meeting of May 28, 2020 (Open Session)

It was moved by Mr. Kumpel and seconded by Mr. Johnson to approve the Open Session minutes of the SADC regular meeting of May 28, 2020. A roll call vote was taken. Mr. Ellis abstained from the vote. The remaining members unanimously approved the motion.

Report of the Chairman

Chairman Fisher stated that there are many factors affecting farmers right now involving complications from COVID-19. Some of these factors include gathering workers to plant and pick crops, the need for COVID-19 safety inspections, and disruptions in the marketplace. Agritourism and the horse racing industry are adversely affected due to social distancing requirements. He noted that some farm markets are recovering nicely and are able to provide products to consumers; however, he wants everyone to understand that this is a stressful time for the entire agricultural community.

Chairman Fisher observed that budgetary problems arising from the COVID crisis may cause the state to take certain measures such as furloughing employees in order to balance the state budget.

Report of the Executive Director

Ms. Payne stated that the Delegation Report was provided to the Committee and will continue to be distributed monthly to the SADC members for their information.

Ms. Payne reported that the FY2019 Annual Report was mailed out and she thanked Ms. Winzinger and Ms. Lemyre for their work on the report.

Ms. Payne stated that there was a seminar held June 10th hosted by American Farmland Trust to discuss its recent report titled "Farms Under Threat – the State of the States" and the report's finding that NJ received the #1 rank of all states in working to stem the loss of farmland. Ms. Payne noted that she and Secretary Fisher participated in the meeting and recommended the Committee review the link to the study on the agency's website, as it is a great resource tool.

Ms. Payne stated NJ ranks number one primarily because of its investment in farmland preservation, the identification of Agriculture Development Areas (ADAs), and the Farm Link program. Ms. Payne has begun working with fiscal staff to examine our program's

statistics and performance, broken down by program type and county to understand what trends we can recognize. Data to be reviewed will include farm sizes, closings statistics, geographic distribution and development easements values in an effort to evaluate what NJ is doing well and where is there room for improvement. She anticipates that a subcommittee will be formed and information will be presented to the Committee after the data is collected and analyzed.

Ms. Payne noted that the Planning Incentive Grant rule revisions the Committee approved in February 2020 will be published in late July or early August, which will allow for immediate access by municipalities to a competitive pot of funds to support their preservation efforts.

Finally, Ms. Payne stated that given COVID-19 and the restrictions on travel and social distancing requirements, the SADC has contracted with a drone operator to allow for remote inspections of five farms seeking to enter the program. She noted that all farm owners consented in writing to the drone overflights and they will be provided a full copy of the drone report submitted to staff.

Public Comment

Ms. Payne stated that public comments are to be emailed to sadc@ag.state.nj.us and will be read at the appropriate time during the meeting .

Ms. Winzinger stated that Mr. Clare Nichols, a retired district conservationist, and technical service provider for the National Resource Conservation Service (NRCS), wanted to introduce himself and pass his resume along to the department to possibly do work in NJ. Chairman Fisher observed that the state does not accept unsolicited resumes. Ms. Payne stated that Mr. Nichols could potentially attend an SADC meeting and hand his resume to the Committee for its review, but that the resume would not be distributed or posted in any way.

Old Business

NOTE: Mr. Johnson, a member of the Burlington County CADB, recused on the discussion of this matter as the Burlington County CADB had previously acted on this item.

A. Resolution: Review of Non-Agricultural Development Project in an ADA on Preserved Farmland-Medford Township Temporary Construction Access; Jennings Farm, Medford Township, Burlington County

Alison Reynolds, Esq. reviewed a draft resolution memorializing the SADC's findings at its May 2020 meeting that the proposed use of the preserved Jennings farm for a

temporary construction access does not meet the statutory test that there is no immediately apparent feasible alternative.

Ms. Reynolds recapitulated the facts, applicable ARDA statutes and legal positions of the parties she presented at the May 2020 meeting.

Finally, she noted that at last month's meeting staff recommended that the Committee find that the Wildflower access presented an immediately feasible alternative and, therefore the proposed condemnation of the preserved farm did not meet the ARDA statutory requirements.

It was moved by Mr. Ellis and seconded by Mr. Kumpel to approve Resolution FY2020R6(1), granting approval of the staff recommendation that the Wildflower access presents an immediately feasible alternative and, therefore, the proposed condemnation of the preserved farm does not meet ARDA statutory requirements. A roll call vote was taken. Mr. Johnson recused from the vote. The remainder of the committee unanimously approved the motion. A copy of Resolution FY2020R6(1) is attached to and a part of these minutes.

A. Stewardship

1. Resolution: House Replacement Request

Willis Farm, Block 82, Lot 9, Hopewell Township, Cumberland County, 137.3 Acres

Mr. Roohr referred the Committee to a request for a house replacement on the Willis Farm. He reviewed the specifics of the application with the Committee and stated that staff recommendation is to grant final approval. He noted that Mr. Willis lives in the existing house and is asking permission to continue to reside there until the new house is complete. SADC has honored such requests numerous times in the past, on condition that the existing residence house be demolished within 60 days of the landowner obtaining a certificate of occupancy for the new house. The Cumberland CADB previously reviewed and approved Mr. Willis's request.

Mr. Ellis asked if Hopewell Township is on board with demolition of the old house. Ms. Armstrong stated that she did not check with the township about demolishing the old house, but can do so in the future if that's the Committee's preference. The Committee agreed that it's good practice to determine if there is a municipal historic preservation restriction when a request like this arises in the future.

Ms. Payne stated that the Committee could consider the resolution with an amendment that indicates staff will communicate with the municipality regarding future demolition of

the existing residence, and if the township approves the demolition, then the landowner can proceed. However, if the township raises concerns, then this would have to be brought back to the Committee for review.

It was moved by Mr. Siegel and seconded by Mr. Kumpel to approve Resolution FY2020R6(2), granting approval for the house replacement request for the Willis Farm, with an amendment that staff will communicate with the municipality regarding the proposed demolition of the existing residence, and if the township approves the demolition, the landowner can proceed. However, if the township raises concerns, then the house replacement request would have to be brought back to the Committee for review. A roll call vote was taken. The motion was unanimously approved. A copy of Resolution FY2020R6(2) is attached to and a part of these minutes.

2. Resolution: Division of Premises – Cericola Farm

Cericola Farm #1
Block 58, Lots 8, 9, 12, 13, 15
Franklin Township, Warren County, 173 Acres

Cericola Farm #2
Block 58, Lot 10
Franklin Township, Warren County, 30 Acres

Mr. Roohr referred the Committee to a request for division of premises and reconfiguration of the Cericola Farms. The request is to divide Cericola #1 to create one 99-acre farm and combine the remaining 74 acres with Cericola #2 to create a 105-acre farm. Mr. Cericola is under contract to sell the 105-acre area to the tenant farmer who owns the neighboring farm operation. A condition of this division approval is the requirement that the transfer deed include additional language that merges the 74-acre piece with the 30 acres of Cericola #2. He reviewed the specifics of the application with the Committee and stated the division did satisfy the ag purpose and ag viability tests and as such, staff's recommendation is to grant final approval.

It was moved by Mr. Bullock and seconded by Mr. Kumpel to approve Resolution FY2020R6(3), granting approval for the division of premises request for the Cericola Farm. A roll call vote was taken. The motion was unanimously approved. A copy of Resolutions FY2020R6(3) is attached to and a part of these minutes.

3. Resolution: Septic Replacement Outside Exception Area

Enz Farm
Block 3, Lot 20
Washington Township, Warren County
Block 14, Lots 4 & 52

White Township, Warren County 75.64, Acres

Mr. Roohr referred the Committee to one request for a septic replacement outside a 1.5 acre non severable exception area on the Enz Farm. During the process of building a new home, it was established a new septic was needed. The landowner's engineer determined a new septic was not feasible with the land area available within the exception due to the size of the pond and the location of the water source for the house. Policy P-49 allows landowners with non-severable exceptions to construct septic systems outside the exception if it is determined it is not physically possible to build one inside the exception and three tests referenced in the Policy are met. He reviewed the specifics of the application with the Committee and stated that staff recommendation is to grant final approval.

It was moved by Mr. Kumpel and seconded by Ms. Jones to approve Resolution FY2020R6(4) for a septic replacement for the Enz Farm. A roll call vote was taken. The motion was unanimously approved. A copy of Resolution FY2020R6(4) is attached to and a part of these minutes.

4. Rural Microenterprise Discussion – Hart Farms

Hart Farms
Block 37, Lot 23
Hopewell Township, Mercer County, 15 Acres
SADC ID# 11-0002-EP

Note: Mr. Waltman, Executive Director of The Watershed Institute, recused on the discussion of this matter as the Hart Farm is adjacent to the Watershed Reserve, which is managed by The Watershed Institute. The Watershed Institute also occasionally does business at Mr. Hart's Rosedale Mills store.

Mr. Roohr stated that staff received an application for a Rural Microenterprise permit (RME) from Mr. Hart to repurpose his 4,000 square foot barn as an agricultural supply store and to continue to utilize his existing 500 square foot butcher shop for the processing of deer as "Class Two" activities under the RME law.

Staff finds the applicant and the qualifying land eligible to receive a special permit for an RME on the premises, as the farm was preserved prior to January 12, 2006 without an exception area and Mr. Hart is the owner-operator of the farm. The entire 4,000 square feet of floor space of the larger barn proposed to be dedicated for the RME will be used as a retail store. The store will sell a mix of merchandise commonly purchased by backyard homesteaders, small farmers, and hobbyists including, but not limited to, livestock feed and materials, deer corn, fertilizer, gardening materials, poultry feed and equipment, canning supplies, and miscellaneous farm supplies including fencing materials, and farm pest control supplies. A second, approximately 500 square foot barn next to the main

barn is used as a butchering facility dedicated to processing livestock produced by the farm as well as deer that are brought from off-site.

The improvements to the larger barn are anticipated to exceed 2,500 square feet, so the applicant is pursuing a heritage farm structure designation for this barn as required by the RME law. If eligible for this designation, the owner would be permitted to renovate the entire interior of the structure for use as an RME in exchange for an agreement to place a historic façade easement on the exterior of the building.

Mr. Roohr stated that staff is requesting the Committee's input to determine if the combination of the retail farm store selling livestock and wildlife grains and feeds and butchering facility meets the criteria found as a "Class Two" activity. Staff finds that the proposed dual use of the butchering facility shares a nexus to agriculture and that processing deer, when combined with a retail farm store, is compatible with agricultural use and production on the preserved premises. Staff is seeking input from the Committee on whether it concurs that there is enough of a connection between the feed/supply store and butcher shop to consider them one activity for purposes of a Rural Microenterprise. If the Committee agrees with the staff assessment, a completed formal resolution will be brought to the Committee at its July meeting.

Mr. Everett reviewed the historic and heritage preservation aspects of this potential RME application with the Committee. He noted that conversion of the entire barn into a new retail business location is possible under the SADC's RME rules which allow conversion and finishing of greater than 2,500 square feet if a heritage preservation easement is recorded on the historic barn. If this proposal comes to fruition it will be the first time an RME permit has utilized the "barn preservation" aspects of the SADC's RME rules. A 20-year heritage preservation easement will be recorded on the property contemporaneous with the issuance of a special permit for the RME. The reason for a 20-year easement is so the business interest is commensurate with the protections on the building.

Chairman Fisher stated that he approached Ms. Payne with the idea of RMEs 8 to 10 years ago because he was concerned these types of barns needed to be preserved as heritage farm structures. He noted that staff created an effective RME and heritage structure program and asked the Committee if it had any concerns with the staff proceeding in the manner presented by Mr. Roohr and Mr. Everett. The Committee expressed no concerns.

Mr. Hart, who attended the meeting remotely, stated that his vision for the farm is to downsize his business while maintaining the preserved farm's operation and promoting agriculture. Chairman Fisher stated that he is hopeful that the inside of the barn will remain as intact as possible, because it tells the story of the original barn. Mr. Hart stated that everything that is in the barn now will remain the same except to modernize the floor and the siding.

Ms. Jones stated that this is very ambitious and a terrific representation of preserving agricultural history. Mr. Johnson stated that he commends this effort as it takes tremendous cooperation from local and state officials to preserve these structures and make them safe to occupy and practical for use.

Chairman Fisher asked Mr. Everett to facilitate this worthwhile project with Mr. Hart.

B. Resolutions: Delegation of Routine SADC Actions for Acquisition

Ms. Winzinger reviewed the delegation request with the Committee. The resolution authorizes the review and approval of certain routine Acquisition Program actions to the Executive Director, in furtherance of the Committee's recent delegation of other routine business matters, in order to speed the approval process and increase staff efficiency. These include minor amendments to the appraisal handbook, annual approval of the list of appraisers eligible to perform SADC program appraisals, annual approval of the County and SADC Direct easement purchase programs' minimum standards and scores, and enrollment of farms into the SADC's term easement 8 or 16-year terms program. She stated that staff recommendation is to grant approval.

It was moved by Mr. Siegel and seconded by Ms. Jones to approve Resolution FY2020R6(5) for the Delegation of Routine SADC Actions for Acquisition. A roll call vote was taken. The motion was unanimously approved. A copy of Resolution FY2020R6(5) is attached to and a part of these minutes.

C. Resolution - Term Farmland Preservation Program - Certification for New Enrollment

Mr. Kimmel referred the Committee to a Term Farmland Preservation Program request for new enrollment. He reviewed the specifics of the application with the Committee and stated that staff recommendation is to grant final approval.

It was moved by Mr. Ellis and seconded by Mr. Siegel to approve Resolution FY2020R6(6), granting final approval to the following application under the Term Farmland Preservation Program, as presented, subject to any conditions of said resolution:

1. William H. Madara, Jr. and Cynthia Madara, SADC ID #08-0033-TF, Resolution FY2020R6(6), Block 260, Lot 13, Mantua Township, Gloucester County, 9.785 acres.

A roll call vote was taken. The motion was unanimously approved. A copy of Resolution FY2020R6(6) is attached to and a part of these minutes.

D. Resolutions: Final Approval- County PIG Program

Ms. Mazzella referred the Committee to two requests for final approval under the County PIG program. She reviewed the specifics of the requests with the Committee and stated that staff recommendation is to grant final approval.

It was moved by Mr. Ellis and seconded by Mr. Siegel to approve Resolutions FY2020R6(7) and FY2020R6(8) granting approval to the following applications under the County PIG Program, as presented, subject to any conditions of said resolution.

1. Daniel and Heather Brown, SADC ID #08-0203-PG, Resolution FY2020R6(7), Block 19, Lot 3, South Harrison Township, Gloucester County, 10.057 acres.
2. Benny LaSala, SADC ID #06-0200-PG, Resolution FY2020R6(8), Block 84, Lots 21, 24, 25, 29 & 30, Deerfield Township, Cumberland County, 97 acres.

A roll call vote was taken. The motion was unanimously approved. A copy of Resolutions FY2020R6(7) and FY2020R6(8) is attached to and a part of these minutes.

E. Resolutions: Final Approval- Municipal PIG Program

Ms. Mazzella referred the Committee to two requests for final approval under the Municipal PIG program. She reviewed the specifics of the requests with the Committee and stated that staff recommendation is to grant final approval.

It was moved by Mr. Ellis and seconded by Mr. Siegel to approve Resolutions FY2020R6(9) and FY2020R6(10) granting approval to the following applications under the Municipal PIG Program, as presented, subject to any conditions of said resolution.

1. Eric & Shelly Mihalecz, SADC ID #17-0213-PG, Resolution FY2020R6(9), Block 701, Lot 50 & 50.02, Pittsgrove Township, Salem County, 25.5 acres.
2. Anna Bauman, SADC ID #17-0215-PG, Resolution FY2020R6(10), Block 2202, Lot 17, Block 2203, Lot 32, 33, 42, 42.01, 42.02, & 43, Pittsgrove Township, Salem County, 56.20 acres.

A roll call vote was taken. The motion was unanimously approved. A copy of Resolutions FY2020R6(9) and FY2020R6(10) is attached to and a part of these minutes.

F. Resolutions: Final Approval- Direct Easement Purchase Program

Ms. Mazzella referred the Committee to three requests for final approval under the Direct Easement Purchase Program. She reviewed the specifics of the requests with the Committee and stated that staff recommendation is to grant final approval.

It was moved by Mr. Ellis and seconded by Mr. Siegel to approve Resolutions FY2020R6(11), FY2020R6(12) and FY2020R6(13) granting approval to the following applications under the Direct Easement Purchase Program, as presented, subject to any conditions of said resolution.

1. James Wepler (Lot 16), SADC ID #10-0252-DE, Resolution FY2020R6(11), Block 2, Lot 16, Clinton Township, Hunterdon County, 54.9 net easement acres.
2. James Wepler (Lot 18), SADC ID #10-0253-DE, Resolution FY2020R6(12), Block 3, Lot 18, Clinton Township, Hunterdon County, 108.5 acres.
3. David & Lisa Oertle, SADC ID #10-0274-DE, Resolution FY2020R6(13), Block 39, Lot 3, 3.03, & 4, Kingwood Township, Hunterdon County, 107.4 net easement acres.

A roll call vote was taken. The motion was unanimously approved. A copy of Resolutions FY2020R6(11), FY2020R6(12) and FY2020R6(13), is attached to and a part of these minutes.

G. Resolutions: Final Approval- Non-Profit Program

Ms. Mazzella referred the Committee to two requests for final approval under the Non-Profit program. She reviewed the specifics of the requests with the Committee and stated that staff recommendation is to grant final approval.

It was moved by Mr. Bullock and seconded by Mr. Kumpel to approve Resolutions FY2020R6(14) and FY2020R6(15) granting approval to the following applications under the Non-Profit Program, as presented, subject to any conditions of said resolution.

1. Kent Kimball, SADC ID #21-0045-NP, Resolution FY2020R6(14), Block 61, Lot 5, White Township, Warren County, 44.62 acres.
2. James Parave and Elicia Smith, SADC ID #17-0054-NP, Resolution FY2020R6(15), Block 99, Lot 10 & 10.01, and 14 and Block 101, Lot 24, Alloway Township, Salem County, 61.9 acres.

A roll call vote was taken. The motion was unanimously approved. A copy of Resolutions FY2020R6(14) and FY2020R6(15) is attached to and a part of these minutes.

Public Comment

Ms. Payne read an email that was submitted by Ms. Ashley Kerr, of the NJ Farm Bureau, which stated: *“At the State Board meeting yesterday, Secretary Fisher and Susan*

mentioned A2773 Bill for Special Occasion Events on farms that is going to be voted on by the full Assembly during their next session on Monday. Both concurred that the winery pilot had expired on May 30th and that it may or may not be extended. One of the Governor's executive orders extended expiration dates of regulations, so was the pilot technically extended 60 days beyond the end of the pandemic? Just to clarify, what do you expect to happen next in the legislature?"

Chairman Fisher clarified that he and Ms. Payne mentioned that the winery pilot was expiring, and they did not mention a bill at the state board meeting. Ms. Payne noted that was correct.

Ms. Payne stated for clarification that the Winery Special Occasion Event (SOE) law expired at the end of May so there is no current winery SOE enabling law in effect at this moment. The Governor's executive order allowed for extensions of regulations, not statutes like the SOE law, and Ms. Payne indicated she believes any such extension would have to be enacted by the legislature. The SADC sent its report containing recommendations on SOEs to the Legislature and to the Governor's office in March of this year.

WHEREAS, pursuant to the Agriculture Retention and Development Act (ARDA), N.J.S.A. 4:1C-19, et seq., any public body which intends to advance a grant, loan, interest subsidy or other funds within an Agricultural Development Area (ADA) for the construction of facilities to serve nonfarm structures shall file a Notice of Intent (NOI) with the County Agriculture Development Board (CADB) and the State Agriculture Development Committee (SADC) 30 days prior to the initiation of the action; and

WHEREAS, pursuant to N.J.S.A. 4:1C-25, no public body shall advance a grant, loan, interest subsidy or other funds with regard to land in a municipally approved farmland preservation program or from which a development easement has been conveyed for the construction of facilities to serve nonfarm structures unless the Governor declares that the action is necessary for the public health, safety and welfare and that there is no immediately apparent feasible alternative; and

WHEREAS, CADBs and the SADC are charged with the responsibility, pursuant to N.J.S.A. 4:1C-19, to review the construction of certain facilities to serve nonfarm uses by public bodies and public utilities on land in an ADA in order to determine the proposed action's effect upon the preservation and enhancement of agriculture in the ADA, the municipally approved program, and overall State agriculture preservation and development policies; and

WHEREAS, Medford Township has a 30' wide sanitary sewer easement (sewer easement) on the southern boundary of Block 403, Lot 3 in Medford Township, which, along with Block 404, Lot 7, was permanently preserved by the SADC on April 5, 2006 (Jennings Farm); and

WHEREAS, the sewer easement, dated September 30, 1983, pre-dates the preservation of Jennings Farm, and therefore the farmland preservation deed of easement is subject to the sewer easement; and

WHEREAS, there is an existing sewer line within the sewer easement area, the Sharp's Run Interceptor, which runs generally parallel to the northern banks of Sharp's Run; and

WHEREAS, pursuant to court order dated June 20, 2017, the Township is required to provide affordable housing on adjacent property south of the Jennings farm (Tofamo site) as well as on two other properties; and

WHEREAS, the Township intends to construct a sanitary sewer main extension to connect the existing Sharp's Run Interceptor to the proposed affordable housing developments (see Schedule A); and

WHEREAS, the proposed sewer main extension will utilize horizontal drilling methods from the Tofamo site to a single receiving pit that is proposed to be 10'x10' next to an existing manhole within the sewer easement area on the Jennings farm; and

WHEREAS, the Jennings Farm is in an Agricultural Development Area; and

WHEREAS, the Township filed a Notice of Intent with the Burlington CADB and the SADC pursuant to N.J.S.A. 4:1C-19, informing both agencies of the Township's proposal to use a 12'-wide, approximately 1200'-long unimproved grassed travel lane on the Jennings Farm for construction access from Jennings Road to the manhole within the sewer easement area on the Jennings farm that the Township is proposing to connect to; and

WHEREAS, it is anticipated that the Township's contractor would most likely require access to the main at the commencement of construction and that access would be required for approximately two weeks; and

WHEREAS, according to the Township, the largest piece of equipment that is anticipated to utilize the proposed access is a Caterpillar 930 Wheel Loader, or its equivalent; and

WHEREAS, the Township's Notice of Intent listed the following alternatives in lieu of the Township's proposed use of the unimproved grassed travel lane on the Jennings farm to access the manhole within the sewer easement area:

- Access from Hartford Road over adjacent property located south of the Jennings farm to the manhole in the sewer easement area on the Jennings farm (Hartford Road access) (see Schedule B)].
- Access from Montclair Road located in the Wildflowers subdivision west of the Jennings farm through the sewer easement to the manhole in the sewer easement area on the Jennings farm (Montclair Road access) (see Schedule C).
- Access from a Township stormwater easement at Highspire Court located in the Wildflowers subdivision west of the Jennings farm (see Wildflowers access) (see Schedule D).

WHEREAS, the Burlington CADB approved the proposed access; however, it did not make a finding as to whether there were no immediately feasible alternatives, and therefore, it did not make a finding under N.J.S.A. 4:1C-25; and

WHEREAS, the SADC reviewed the Notice of Intent submitted by the Township, including all subsequent documentation, and conducted a site inspection to assess the alternatives to access through the Jennings farm; and

WHEREAS, SADC staff conducted a site visit on April 3, 2020 (see Schedule E); and

WHEREAS, SADC staff focused on the Wildflowers access as that appeared to be the most feasible alternative based on the information provided (See Schedule F); and

WHEREAS, the SADC determines that the Wildflowers access provides an immediately apparent feasible alternative to the Township's proposed access through the Jennings farm for the following reasons:

- There is no existing travel lane on the Jennings farm and further, water and electric utilities intersect the proposed access and would need to be removed or relocated to utilize the access as proposed (See Schedule G); and
- Utilizing the Wildflowers access would result in only an additional 0.11 acres of wetlands transition area disturbance and no disturbance to the wetlands area; and
- Regarding the trees that would need to be removed in order to utilize the Wildflowers access, several are already dead, the majority are less than six inches in diameter, and a large portion shows signs of Emerald Ash Borer infestation (see Schedule H); and

WHEREAS, at the SADC's May 28, 2020 meeting, staff recommended that the Committee disapprove Medford's proposed access on the preserved Jennings farm; and

WHEREAS, representatives from Medford Township and the Wildflowers at Medford Community Association appeared at the meeting presented their objections to the staff recommendation; and

WHEREAS, by email dated May 21, 2020, Jennings farm owners Mary Beth Melton and Sally Ann Jennings expressed their support for the staff recommendation; and

WHEREAS, a majority of the SADC voted in favor of the staff's recommendation; and

WHEREAS, this Resolution memorializes official action taken by the SADC at its May 28, 2020 meeting,

NOW, THEREFORE, BE IT RESOLVED as follows:

1. WHEREAS paragraphs set forth above are incorporated herein by reference.
2. The SADC finds that there is an immediately apparent feasible alternative to the proposed access to the Jennings farm by using the Wildflowers access.

3. The SADC does not recommend that the Governor find that there is no immediately apparent feasible alternative to Medford's proposed access on the Jennings farm (N.J.S.A. 4:1C-25).
4. If Medford Township encounters serious obstacles in connection with its use of the Wildflowers access that would serve to defeat the feasibility of that alternative, the Township may present that information to the SADC for further consideration.
5. This action is considered a final administrative agency decision appealable to the Appellate Division of the Superior Court of the State of New Jersey.
6. This action is not effective until the Governor's review period expires pursuant to N.J.S.A. 4:1C-4f.

Trip Report

To: Susan Payne, Executive Director, SADC
From: David Clapp, Resource Conservationist
Date: April 6, 2020 (Revised May 8, 2020)
Re: Proposed Temporary Construction Access on the EC Jennings and Associates Farm (03-0011-DE)

On April 3, 2020 I conducted a site visit to the EC Jennings and Associates (Jennings) farm, Block 403, Lot 3 in Medford Twp., Burlington County. The Jennings farm is a preserved farm (Premises). Under N.J.S.A. 4:1C-25, no public body shall exercise eminent domain on a preserved farm for a non-agricultural use unless the governor declares that "the action is necessary for the public health, safety and welfare and that there are no immediately apparent feasible alternatives." Therefore, the purpose of the site visit was to review a proposed Temporary Construction Access (TCA) across the Premises and evaluate the feasibility of any immediately apparent alternatives. Particular attention was paid to the alternative located immediately adjacent to the preserved farm where access would be afforded through an area owned by the adjacent Wildflowers Development Homeowners Association.

The TCA is proposed as an, "approximately twelve foot-wide construction access approximately 1200 feet from Jennings road to the rear of the property along the existing unimproved farm road." (Letter from C. Noll to T. Prime dated 12/13/2019 - Attachment A). The lane is proposed for access to an existing sanitary sewer easement on the Premises, which predates the preservation easement. Access is alleged to be necessary to extend an existing sanitary sewer system across Sharps Run creek to service the Arc Wheeler, Tofamo, & Hartford Sq. developments, which are currently under construction. Horizontal directional drilling (HDD) was approved by the NJ Department of Environmental Protection (NJDEP) to minimize impacts to Sharps Run creek. An approximately 10-foot by 10-foot (100 square foot) pit needs to be excavated on the Premises, within the pre-existing sewer easement area, to make the interconnection between the current and proposed sewer lines.

Proposed Temporary Construction Access:

The current proposal would require the temporary use of approximately 0.29 acres of the Premises for the TCA¹. While the area is described as an “unimproved lane”, only the northern portion of the proposed route appears to be used for occasional tractor use and is part of an existing hay field (Photo 1). A wood board fence and water and electric utilities intersect the proposed access and would need to be removed or relocated to utilize the current proposed route. See Figure 1 and Photos 3 through 6. The southern portion of the field is cropped or mowed with hay and trees planted. A board fence near the approximate sewer easement boundary would also need to be removed to facilitate access (Photo 7). There is no indication of a preexisting access lane in this area.

Several other areas of potential areas of concern were noted within the proposed access that would need to be addressed.

- Pasture adjacent to the proposed lane is used for horses. The electric fence in this area does not appear to be in good condition. During the site visit a horse was standing over the fence, with its forelegs outside the fence, eating grass. Any use of the farm for vehicular traffic as proposed would require appropriate measures to ensure the safety of the horses, workers, and general public should the horses be frightened by the equipment and escape from their enclosure. (Photo 4)
- Beehives located to the south of the fence intersecting the proposed access would need to be relocated to facilitate access. (Photo 2, 3)
- The approved Soil Erosion and Sediment Control (SESC) plan provided does not appear to show any controls required as part of the access lane. All controls, including access to the site, must be shown on the SESC plan. The current plan does not show any excavation on the Premises or the need for access, which may be why the SCD did not require any controls in place for approval.
- The size and location of any soil stockpiles excavated from the approximately 10-foot by 10-foot work area should be noted. The depth of the work area is assumed to be ~10 feet based on the existing manhole elevation at 42.25 and the proposed pipe invert at 33.75 shown on the SESC plan set. This will generate approximately 40 yards of excavated material.

Proposed Alternative(s):

An alternative access was reviewed that would eliminate the need to utilize a TCA on the Premises entirely by accessing the existing sewer easement through the neighboring Block 403.01, Lot 51. (Formerly 403, 1.01) (Photos 9-13). This parcel, currently owned by Wildflower at Medford Community Association (Association), is listed as ‘open space’ dedicated as part of

¹ The total TCA is approximately 1200 feet x 12 feet (14,400 sf), or 0.33 acres. Approximately 175 feet by 12 feet (2100 sf) is located within an exception area along Jennings Road.

the 'Wildflower at Medford' subdivision. Temporary access to the existing sewer easement could be obtained by gaining a temporary access agreement from the Association or, if necessary, by condemnation. Utilizing this route would avoid any use of the Premises outside of the preexisting sewer easement area, and use associated with site access within the existing sewer easement area on the Premises would be limited to ~0.08 acres (3600 square feet)². All disturbance on the premises would be within the existing sanitary sewer easement that predates the preservation easement.

Wetland and transition area disturbances were reviewed utilizing the plans and documentation provided to the SADC on May 5, 2020 by the Medford Township engineer, Christopher Noll, PE, specifically, Addendum 1 to the NJDEP Statewide G.P./TAW/Flood Hazard area Permit Plan, undated, prepared by Mr. Noll. (Drawing 25982-03). The plan notes an additional 0.110 acres (4800 square feet) of wetlands transition area would be disturbed utilizing this alternative compared to utilizing the current proposal. This area is equivalent to an approximately 12-foot wide temporary access route within the existing ~30-foot wide sanitary sewer easement. Approximately 0.05 acres (2200 square feet) of the proposed 12-foot access easement is forested. The remainder is existing managed grass/hay on the farm.

| EXTENT OF LAND TYPES ASSOCIATED WITH PROPOSED AND ALTERNATIVE 12 FOOT WIDE ACCESS EASEMENTS (Acres/Square Feet)* | | | | | | |
|--|------------------------|--------------------------------|--------------------------|-----------------------------|--------------|---|
| | Total Area | Total Wetlands Transition Area | Forested Transition Area | Hay/Pasture Transition Area | Wetland Area | Preserved Farmland Area (excluding pre-existing sewer easement overlap) |
| Proposed TCA (Jennings) | 0.33ac 14,400 sf | 0 ac 0 sf | 0 ac 0 sf | 0 ac 0 sf | 0 ac 0 sf | 0.29 ac 12,300 sf (excludes exception) |
| Alternate TCA (Wildflowers) | 0.32 ac 13,800 SF** | 0.110 ac 4800 sf | 0.05 ac 2200 sf | 0.06 ac 2600 sf | 0 ac 0 sf | 0 ac 0 sf |

*All values exclude the common area of disturbance required at the interconnection within the sewer easement. Values approximate.
 ** Includes existing, 200 foot x 12 foot (2400 sf) stabilized gravel entrance from Highspire Court.

² The alternative temporary construction access from Wildflowers includes a section 300 foot long and 12 foot wide on the Premises and entirely within the existing sanitary sewer easement.

The alternative access could qualify for a NJDEP permit (GP2A for Underground Utility Lines; N.J.A.C. 7:7A-7.2), provided all conditions of the permit are met. A modification to the existing freshwater permit could be obtained. (Drawing 25982-03 noted above is named as an addendum to the existing statewide general permit). Subject to DEP concurrence, pruning of trees along the Jennings hedgerow may is not regulated as described at N.J.A.C. 7:7A-2.3 (b)1.(3).

One of the concerns raised by the Association relates to removal of vegetation on its property. (Photo 14) A tree inventory provided by Medford suggests ~40 trees will need to be removed. The site visit determined the majority of the trees are less than 6 inches in diameter. Only one tree identified in the sanitary sewer easement in the area in question was greater than 24 inches diameter and it showed signs of damage and rot at the base. Several of the trees in question are already dead. The site inspection revealed a large portion of the trees within the sewer easement are Ash (*Fraxinus spp.*), which show signs of infestation with the Emerald Ash Borer. (Photo 15,16) Without treatment, it is likely the remainder of these trees would die and based on the extent of damage it's unlikely many would live even if treated. Removal of these trees to facilitate access, coupled with the use of timber mats to protect the soil from compaction and replanting with native vegetation after disturbance could enhance the long-term vegetative diversity on the site.

It appeared that most of the sewer easement area located on the Premises is already absent woody vegetation. Several overhanging limbs from adjacent trees could be pruned to increase access height without total removal, however this does not appear to be necessary based on the location of the proposed access lane. An existing wood fence may need to be removed to facilitate access (Photo 8). The alternative 12-foot wide access would require the removal of approximately 0.05 acres (2200 square feet) of woody vegetation.

While reviewing this alternative several other possible alternatives were identified that could potentially be utilized if access cannot be obtained from the Association, however these alternatives were not sufficiently addressed in Medford Township's alternative analysis and therefore will not be further evaluated here.

Re: Sanitary Sewer Extension for
Arc Wheeler, Tofamo, & Hartford Sq.
NOI : Agricultural Development
Medford Township

Mr. Timothy M. Prime, Esq.
Prime Law Office
14000 Horizon Way Suite 325
Mt. Laurel, NJ 08054

Dear Tim:

This letter is in support of the Township of Medford's (Township) request to obtain Temporary Construction Access through Block 403; Lot 3, commonly referred to as the Jennings Farm. The purpose of this temporary construction access is to facilitate the construction of a sanitary sewer main extension for the Township to provide sewer services to three(3) proposed court ordered affordable housing developments; Arc Wheeler, Tofamo, and Hartford Square. The proposed sewer extension is to connect to the Township's existing Sharp's Run Interceptor, which runs generally parallel to the northern banks of Sharp's Run. The connection will be accomplished by a jack and bore from the south side of Sharp's Run. The Township has obtained the necessary Flood Hazard Individual Permit, Freshwater Wetlands General Permit, and Treatment Works Approval from the NJDEP for this work. The Township currently has a 30' wide sanitary sewer easement on the Jennings Farm, dated September 30, 1983, as well as the neighboring properties, for the existing sewer main. In order to facilitate the construction of the proposed sewer main under Sharp's Run, the Township will require construction access to the existing sewerline and manholes within the existing 30' easement. As the existing easement is immediately adjacent to wetlands and is heavily vegetated, the Township is seeking permission to utilize the existing farm road to access the Township's infrastructure in order to reduce the environmental impact to the wetlands and vegetation due to the required disturbance. It is our understanding that the New Jersey State Agricultural Development Committee requires a Notice of Intent (NOI) for this work to address six (6) NOI Checklist items as well as four (4) Additional Requirements. The following is our office's response to these items that will follow the NOI Checklist Nomenclature.

1. This project is being performed on behalf of the Township of Medford, 17 North Main Street, Medford, NJ 08055. Myself, Christopher J. Noll, PE, of Environmental Resolutions, Inc. (815 East Gate Drive-Suite 103, Mt. Laurel, NJ 08054) acting as the Township Engineer, shall be the Township's Contact Person. Our telephone number is (856) 235-7170.
2. The Project is being proposed is commonly known as Jennings Farm.
 - a. The property is located on Block 403; Lot 3 in the Township of Medford.
 - b. Enclosed is a *Proposed Temporary Access Plan* that illustrates the location of the proposed 12' wide construction access.
 - c. The property is currently an active farm under the Farmland Preservation Program.

- two (2) week period of time while the Contractor installs the first section of sewer main under Sharp's Run.
- c. As the project will utilize the existing unimproved farm road, there will be no alterations or modifications to the farm road that would promote any additional trespass of unauthorized individuals.
 - d. There will be a minor increase of vehicular traffic utilizing the temporary construction access but it will be limited in duration.
 - e. The overall construction project, to which this temporary construction access would be associated with, requires that the Contractor keep a neat and clean working area and to restore it to preconstruction conditions. As such, there should be no increase of litter on the property.
 - f. As noted above, the overall construction contract requires the site to be restored to preconstruction conditions therefore there will be no alteration to site aesthetics. It should be noted that the other alternatives which require the removal of the trees and vegetation, would have a significant impact to the aesthetics in the area.
6. The proposed temporary construction access will have minimal to no impact on the water resources with respect to the agricultural operations on Jennings Farm. The following are the considerations for the potential problems set forth in the checklist.
- a. For water diversion, there will be no impact of:
 - i. Surface runoff affecting water bodies, including irrigation ponds, nor
 - ii. Groundwater aquifers, nor
 - iii. Any rechanneling of any streams or water courses.
 - b. There is no perceived potential effect on any surface or groundwater quality based on the proposed activities.
 - c. As the project is to utilize an existing unimproved farm road, there will be no change to the site's function as a water recharge area.

The NOI Review Checklist also enumerates four (4) Additional Requirements that are to be addressed. The following is the Township's response to these requirements.

1. Beyond the scope of the proposed access, the overall project to extend the Township's sewer service has determined that the existing sanitary sewer manhole at the southern property line of Jennings Farm (along Sharp's Run) is ideal based on feasibility, constructability, cost and potential impact to the environment.
 - a. Relative to the Township's analysis of the various methods of accessing this manhole, the two (2) options were to utilize the existing sanitary sewer easement from either Hartford Road or the neighboring development to the west, or to seek the proposed 12' wide temporary construction access.
 - b. There are no construction costs associated with utilizing the temporary construction access across the Jennings Farm. Conversely, the cost to remove trees and other vegetation through the existing easement would cost upward of \$200,000.00, or more.
 - c. In addition, should the Township limit their work to within the existing easement, there could be the issue of accessibility for machines and other construction vehicles to access the manhole without potentially stabilizing and/or grading the easement. This is not preferable to the Township nor would it be for the adjacent residents.
 - d. The clearing of the easement to provide access to the manhole from either Hartford Road or the adjacent property would require work near the waterway and potential wetlands. This could raise

environmental protection concerns potentially involving the NJDEP. Again, the Township would prefer to maintain the natural landscape of the easement, if possible.

- e. As this project is for access only, no design waivers are required for either alternative.
 - f. There are no significant safety concerns from either alternative other than the increased risk associated with the removal of trees for the alternative of remaining in the existing access.
2. The enclosed *Proposed Temporary Access Plan* illustrates the temporary workspace required for this application for construction equipment access. This application does not require temporary material storage areas, equipment storage areas, or staging areas on the Jennings Farm property outside of the proposed 12' access.
 3. As noted previously, the overall project requires that the Contractor restores the site to preconstruction conditions. The access through Jennings Farm utilizing the existing unimproved farm road should not have any impact on the soil or drainage systems. The Contractor will need to temporarily remove a portion of fencing at the property line, which would be replaced to comply with the contract requirement to restore the site to preconstruction conditions.
 4. The proposed use of the existing farm road will create no limitations on the site for any future agricultural use. This includes any effects on water, crops, buildings fences or farm lanes.

In summation, it is in our engineering opinion that the proposed use of the existing unimproved farm road on the Jennings Farm property for temporary construction access is the ideal choice for all interested parties. There are no adverse impacts anticipated with the Township's use of the farm road and the proposed access is significantly preferable as compared to the Township's alternative method. As noted above, should the Township not be granted access through the Jennings Farm property it would result in a larger impact, in terms of vegetation that will be removed and the wetlands impacted, on the property in order to operate within the Township's existing easement. The Township would like to proceed in the most effective, efficient, and least invasive method possible.

Should you have any questions or require additional information, please do not hesitate to contact our office.

Sincerely yours,

Christopher J. Noll, PE, CME, PP
Township Engineer

**STATE AGRICULTURE DEVELOPMENT COMMITTEE
RESOLUTION #FY2020R6(2)**

**Request to Replace a Single-Family Residence
Willis Farm**

June 25, 2020

Subject Property:

**Block 82, Lot 9
Hopewell Township, Cumberland County
137.3 Acres**

WHEREAS, Ian Willis, hereinafter "Owner," is the record owner of Block 82 Lot 9, Hopewell Township, Cumberland County, by deed date February 2, 2010, and recorded the Cumberland County office in Deed Book 4067, Page 1671, totaling approximately 137.3 acres, hereinafter referred to as the "Premises", as shown in Schedule "A"; and

WHEREAS, a development easement on the Original Premises was conveyed to the Cumberland County Agriculture Development Board on August 21, 1997, by Howard J. Willis, Sr. and Nola Willis, pursuant to the Agriculture Retention and Development Act, N.J.S.A. 4:1C-1, et seq. as a Deed of Easement recorded in the Cumberland County Clerk's Office on August 28, 1997, in Deed Book 2253, Page 205; and

WHEREAS, the Deed of Easement for the Original Premises identifies one (2) single family residences on the Premises, no agricultural labor units, no Residual Dwelling Site Opportunities, and two exception areas; and

WHEREAS, the Original Premises, consisting of approximately 220 acres, was previously divided since the original preservation as shown on Schedule "B"; and

WHEREAS, the Original Premises farm consisted of Block 80, Lot 18 and Block 82, Lot 9 in Hopewell Township, Cumberland County; and

WHEREAS, on December 10, 2009, the SADC approved division of premises resolution #FY2010R12(1), thereby dividing the Premises from the original Willis farm; and

WHEREAS, as a result of that division the Owner acquired the Premises which includes one (1) single family residence, no agricultural labor units, no Residual Dwelling Site Opportunities, and no exception areas;

WHEREAS, on March 30, 2020, the SADC received a request from the Owner to replace the existing, 4,000+/- sq. ft. single-family residence on the Premises, located at 81 Hope Grange Road in Hopewell Township, as shown in Schedule "A"; and

WHEREAS, the Premises currently is in field and vegetable crop production and is being farmed by a neighbor; and

WHEREAS, the existing residence is in a state of disrepair due to structural damage and prolonged lack of maintenance; and

WHEREAS, paragraph 14ii. of the Deed of Easement allows for the replacement of any existing single-family residential building anywhere on the Premises with the approval of the CCADB and the Committee; and

WHEREAS, the existing residence is a two-story frame farmhouse, the main block of which was built circa mid-19th century, with a two-story rear addition, circa third-quarter 19th century, and is not listed on the New Jersey or National Register of Historic Places, as shown in Exhibit "A"; and

WHEREAS, SADC staff received confirmation from the CCADB that the existing residence is not included on the County or Local Historic Sites list; and

WHEREAS, the Owner proposes to replace the existing residence with an approximately 1,380 sq. ft., 2-bedroom home, hereinafter referred to as the "Proposed Residence", to be used as a residence for the Owner and his family; and

WHEREAS, the Proposed Residence will be built within the farmstead complex, in proximity to the existing residence, and utilize the existing driveway, as shown in Schedule "A"; and

WHEREAS, the Proposed Residence will require the installation of new septic system, as shown in Schedule "A"; and

WHEREAS, the Owner has requested to keep the existing farmhouse until the new residence is completed because he is currently occupying the residence; and

WHEREAS, Hopewell Township reviewed and approved the request to remove and replace the existing house in the Spring of 2020; and

WHEREAS, on June 9, 2020, the Cumberland CADB approved the Owner's request to replace a residence on the Premises;

NOW THEREFORE BE IT RESOLVED:

1. The WHEREAS paragraphs above are incorporated herein by reference.
2. The SADC, pursuant to the restrictions as contained in the Deed of Easement, finds that the replacement of the existing, deteriorating single-family residence on the Premises with a new residence will have a positive impact on the continued agricultural operations of this farm by the construction of a new residence which shall serve as the primary residence for the Owner and his immediate family.
3. The Committee approves the construction of a two-bedroom residence, consisting of approximately 1,380 sq. ft. of heated living space to be constructed on the Premises as shown in Schedule "A," to replace the current residence on the Premises.

4. In accordance with the Hopewell Township Planning Board application no. 2020-02, and this approval, the existing residence must be removed within 60 days of receipt of certificate of occupancy for the new residence.
5. This approval is valid for a period of three years from the date of this resolution.
6. This approval is non-transferable.
7. The construction of the new residence is subject to all applicable local, State and Federal regulations.
8. This approval is considered a final agency decision appealable to the Appellate Division of the Superior Court of New Jersey.
9. This action is not effective until the Governor's review period expires pursuant to N.J.S.A. 4:1C-4f.

**STATE AGRICULTURE DEVELOPMENT COMMITTEE
RESOLUTION #FY2020R6(3)**

**Request for Division of Premises
Cericola Farm**

June 25, 2020

Subject Properties:

**Cericola Farm #1
Block 58, Lots 8, 9, 12, 13, 15
Franklin Township, Warren County
173- Acres**

**Cericola Farm #2
Block 58, Lot 10
Franklin Township, Warren County
30- Acres**

WHEREAS, Robert Cericola, hereinafter "Owner" is the record owner of Block 58, Lots 8, 9, 12, 13, and 15, in Franklin Township, Warren County, hereinafter referred to as the "Farm #1", and Block 58, Lot 10, in Franklin Township, Warren County, hereinafter referred to as the "Farm #2" by deed dated January 19, 1995 and recorded in the Warren County Clerk's office in Deed Book 1405, Page 222; and

WHEREAS, a development easement on Farm #1 was conveyed to the Warren County Board of Chosen Freeholders pursuant to the Agriculture Retention and Development Act, N.J.S.A. 4:1 C-1, et seq. by Deed of Easement dated August 14, 2015, and recorded in the Warren County Clerk's Office in Deed Book 2636, Page 59; and

WHEREAS, Farm #1 consists of approximately 173 acres as shown on Schedule "A"; and

WHEREAS, the Deed of Easement identifies one existing single-family residential unit, no agricultural labor units, no RDSOs and no exceptions on Farm #1; and

WHEREAS, at the time of preservation, the Owner conveyed a 20 ft. wide, non-exclusive access easement from Asbury-Bloomsbury road, for the use and benefit of Block 58, Lots 8, 12, and 13.01, by Access Easement dated August 14, 2015, and recorded in the Warren County Clerk's office in Deed Book 2635, Page 109; and

WHEREAS, a development easement on Farm #2 was conveyed to the Warren County Board of Chosen Freeholders pursuant to the Agriculture Retention and Development Act, N.J.S.A. 4:1 C-1, et seq. by Deed of Easement dated September 9, 2015, and recorded in the Warren County Clerk's Office in Deed Book 2640, Page 37; and

WHEREAS, Farm #2 consists of approximately 30 acres as shown on Schedule "A"; and

WHEREAS, the Deed of Easement identifies no existing single-family residential units, no agricultural labor units, no RDSOs, and one (1) one-acre, non-severable exception area on Farm #2; and

WHEREAS, at the time of preservation, the Owner conveyed a 20 ft. wide non-exclusive access easement from Butler road, for the use and benefit of Block 58, Lot, 11, 12, 15, (through lot 10), by Access Easement dated September 9, 2015, and recorded in the Warren County Clerk's office in Deed Book 2639, Page 98; and

WHEREAS, on May 18, 2020, the SADC received a request for a division of the Premises from the Warren CADB on behalf of the Owner; and

WHEREAS, the Owner proposes to divide Farm #1 along existing lot lines 8 and 12, and combine lots 8 & 9 with Farm # 2, so as to reconfigure the two farms, subject to the development easement, but maintaining the farms as contiguous tracts that can be efficiently utilized for agricultural production purposes, as shown in Schedule "B";

WHEREAS, the Owner proposes to reconfigure the two farms as follows:

Parcel A at 98.5 acres- Block 58, Lots 12, 13, 15 (Franklin Twp., Warren County)

Parcel B at 105.04 acres- Block 58, Lots 8, 9, 10 (Franklin Twp., Warren County)

WHEREAS, the Owner's intent is to transfer ownership of the resulting Parcel-B to the current tenant farmer Ronald Sigler, hereinafter "Purchaser"; and

WHEREAS, the Purchaser, a former dairyman, is a 4th generation, lifelong farmer whose family began farming in Asbury in 1896; and

WHEREAS, the Purchaser, and his adult son, Brad, currently farm approximately 1,000 acres of grain crops; and

WHEREAS, Brad Sigler is the 5th generation on the Sigler family farm; and

WHEREAS, the Purchaser is acquiring Parcel-B to expand his landholdings and further advance the farm business for the next generation; and

WHEREAS, paragraph 15 of the Deed of Easement states that no division of the Premises shall be permitted without the joint approval in writing of the Grantee (Warren CADB) and the Committee; and

WHEREAS, in order to grant approval, the Grantee and the SADC must find that the division is for an agricultural purpose and will result in agriculturally viable parcels such that each parcel is capable of sustaining a variety of agricultural operations that yield a reasonable economic return under normal conditions, solely from the parcel's agricultural output; and

WHEREAS, the resulting Parcel-A is an approximately 98.5-acre property that is 36% (35-acres) tillable of which 33% (32.5 acres) are prime soils, as defined by the NJ Natural Resources Conservation Service; and

WHEREAS, the resulting Parcel-A is improved with a single-family residence, equipment barn and former dairy barn now used for hay storage and several smaller outbuildings; and

WHEREAS, the primary outputs of Parcel-A have historically been livestock, grain and hay crops; and

WHEREAS, the Owner will retain ownership of Parcel-A; and

WHEREAS, the resulting Parcel-B is approximately 105.04-acre property that is 95% tillable (99.4-acres) with 100% (105.04 acres) important soils, as defined by the NJ Natural Resources Conservation Service; and

WHEREAS, the resulting Parcel-B has one (1) one-acre, non-severable exception but is otherwise unimproved; and

WHEREAS, the primary outputs of Parcel-B have historically been grain crops; and

WHEREAS, the Purchaser intends to purchase Parcel-B to add to his existing landholdings;

WHEREAS, the SADC makes the following findings related to its determination of whether the division will result in agriculturally viable parcels, such that each parcel is capable of sustaining a variety of agricultural operations that yield a reasonable economic return under normal conditions, solely from the parcel's agricultural output:

Parcel-A contains sufficient acreage of tillable, quality soils, consisting of approximately 35-acres (36%) of tillable ground, of which 32.5 acres are prime soils, and is improved with a single-family residence and several outbuildings; and

Parcel-B, contains significant acreage of tillable, quality soils (100% important soils), consisting of approximately 99.4-acres (95%) tillable ground, and includes a one (1) one-acre non-severable exception area; and

WHEREAS, the SADC makes the following findings related to its determination of whether the division meets the agricultural purpose test:

1. The sale of Parcel-B to a to the current tenant farmer, facilitates the expansion and long-term business planning strategy of the operator and his son; and
2. The sale of Parcel-B, allows the Purchaser to make long term investments/improvements to that parcel; and

3. The addition of Parcel-B into the Purchasers operation enhances the transition of the operation to the next generation; and

WHEREAS, the Warren CADB, approved this request at its May 21, 2020, meeting; and

NOW THEREFORE BE IT RESOLVED:

1. The WHEREAS paragraphs above are incorporated herein by reference.
2. The SADC finds that the division, as described herein, for the purpose of selling Parcel-B to the current tenant farmer, to expand his existing operation is for an agricultural purpose.
3. The SADC finds that Parcels A and B are agriculturally viable parcels capable of sustaining a variety of agricultural operations that yield a reasonable economic return under normal conditions.

4. The SADC approves the division of Premises as follows:

Parcel-A – Block 58, Lot 12, 13, and 15 (approximately 98.5 acres) with one single- family residence, and several barns and outbuildings, as shown on Schedule “A”.

Parcel-B – Block 58, Lot 8, 9, 10 (approximately 105.04 acres) with one (1) one-acre, non-severable exception, as shown on Schedule “A”.

5. This approval is conditioned on the Owner incorporating deed language in the transfer deed prohibiting the sale of the lots in Parcel-B separate and apart from one another.
6. This approval is conditioned on the submission, and SADC approval, of this draft deed language prior to recording with the Clerk’s office. Approval of this document will allow the SADC to prepare the legal document necessary to record its approval of the division of the premises for Parcels A and B; and
7. This approval shall not be valid until the SADC’s legal document is recorded with the Warren County Clerk’s office.
8. This approval is valid for a period of three years from the date of this resolution.
9. Eligible funding for state soil and water conservation cost share practices shall be reallocated to the respective parcels.
10. This approval is non-transferable.
11. This approval is considered a final agency decision appealable to the Appellate Division of the Superior Court of New Jersey.

12. This action is not effective until the Governor's review period expires pursuant to N.J.S.A. 4:1C-4f.

STATE AGRICULTURE DEVELOPMENT COMMITTEE
RESOLUTION #FY2020R6(4)

Request for Division of Premises
Enz Finken Farm

June 25, 2020

Subject Property:
Enz Finken Farm
Block 3, Lot 20
Washington Township, Warren County
Block 14, Lots 4 & 52
White Township, Warren County
75.64 - Acres

WHEREAS, Enz Capital Investment LLC, hereinafter "Owner" is the record owners of Block 3, Lot 20 in Washington Township, Warren County, and Block 14, Lots 4 & 52 in White Township, Warren County, hereinafter referred to as the "Premises", by deed dated December 15, 2012, and recorded in the Warren County Clerk's Office in Deed Book 2465, Page 22; and

WHEREAS, Kathleen Enz Finken is the principal of Enz Capital Investment LLC; and

WHEREAS, the Premises consists of approximately 76-acres as shown on Schedule "A"; and

WHEREAS, a development easement on the Premises was conveyed to the Warren County Board of Chosen Freeholders by the previous owner, Kathleen Enz, pursuant to the Agriculture Retention and Development Act, N.J.S.A. 4:1 C-1, et seq. by Deed of Easement dated January 19, 2006, and recorded in the Warren County Clerk's Office in Deed Book 2060, Page 16; and

WHEREAS, the Deed of Easement for the Premises identifies no existing single-family residences, no existing agricultural labor units, no RDSO's and one 1.5-acre non-severable exception area; and

WHEREAS, at the time of preservation the non-severable exception area was improved with an existing five-bedroom, single-family residence; and

WHEREAS, on May 14, 2020, the SADC received an application from the Owner for approval to install a septic system field and laterals on the preserved portion of the of the Premises, as shown on Schedule "A", to service a new four-bedroom home being proposed to replace the existing residence in the non-severable exception area; and

WHEREAS, the SADC adopted Policy P-49 on September 27, 2007 to govern the installation of septic systems to service residential and agricultural uses located in exception areas (P-49); and

WHEREAS, P-49 states that when replacing an existing residence within a nonseverable exception area the landowner may install the septic system outside the delineated boundary of that exception area if:

(1) the landowner is not increasing the number of bedrooms that existed in the original house;

- and
- (2) the SADC finds that there is no feasible alternative location for the system in the exception area; and
 - (3) placement of the system outside the exception area has a minimal impact on the agricultural operation; and

WHEREAS, in order to demonstrate that there is no feasible alternative location for the septic system, P-49 requires the landowner provide a report, signed by a licensed engineer, showing that it is not possible to obtain approval for the construction of a septic system within the exception area pursuant to the Standards for Individual Subsurface Sewage Disposal Systems, N.J.A.C. 7:9A and the Realty Improvement Sewerage and Facilities Act, N.J.S.A. 58:11-23; and

WHEREAS, the Owner has provided a report and proposed site plan from George R. Gloede, Jr., PE, of G. Gloede and Associates, LLC, consulting engineers, explaining the physical constraints of the exception area, see attached Schedule "B"; and

WHEREAS, in compliance with N.J.A.C. 7:9A-4.3, Standards for Subsurface Sewage Disposal Systems, the engineer is utilizing a minimum 25 ft offset from the residence and a 50 ft offset from the pond in determining the useable area remaining on the exception to place a septic field; and

WHEREAS, in accordance with N.J.A.C. 7:9A-10.1(g), the topography of the useable area within the exception area calls for the use of a trench system, the design of which requires longer lineal space to build the trenches and which the engineer finds insufficient to install within the exception area; and

WHEREAS, in demonstrating minimal impact on the agricultural operation P-49 states the SADC shall consider how much agricultural land will be displaced, the location of the land being displaced, and whether the septic system will obstruct, or act as a barrier to, the agricultural operation; and

WHEREAS, the Owner has provided a site plan showing regulatory setbacks constraining the exception area site and the proposed new septic field location, see attached Schedule "C"; and

WHEREAS, the septic holding tanks will be located within the exception area, and only the septic field and connecting lateral pipe will be located on the preserved premises; and

WHEREAS, the proposed septic field, at approximately 900 sq./ft., is within the current front yard of the home just south of the residence; and

WHEREAS, the application was filed with the Warren County Agriculture Development Board (CADB), in accordance with P-49, and the CADB reviewed and approved the application at its May 21, 2020, meeting;

NOW THEREFORE BE IT RESOLVED:

1. The WHEREAS paragraphs above are incorporated herein by reference.

2. The SADC finds that the proposed installation of a septic field and lateral piping on the preserved Premises to service a new replacement home in the non-severable exception area complies with P-49 for the following reasons:

(a) the Owner is not increasing the number of bedrooms in the new house (four) from that existing in the original house; and

(b) the nonseverable exception area is constrained by the location of a water body and steep slopes making it infeasible to install a septic field and laterals within the exception area; and

(c) the proposed location of the septic field and laterals has a minimal impact on the agricultural operation.

3. Based on the above findings, the Owner's application is hereby approved, subject to the following:

(a) This approval is valid for a period of three years from the date of this resolution; and

(b) This approval is non-transferable.

4. This approval is considered a final agency decision appealable to the Appellate Division of the Superior Court of New Jersey.

5. This action is not effective until the Governor's review period expires pursuant to N.J.S.A. 4:1C-4f.

Re: **State Agriculture Development Committee (SADC) Deviation**
Proposed Individual Subsurface Sewage Disposal System
Block 3, Lot 20
White Township, Warren County
Rydt No. 2019-064

Dear Kathleen:

This letter is to *further* address the deviations from State Agriculture Development Committee (SADC) regulations and requirements for the installation of an Individual Subsurface Sewage Disposal System on the above referenced property. In this particular case, the installation of a septic system outside of an existing Exception Parcel (Parcel).

Based on the proposed building footprint (and required 25' offset from the bed to the dwelling *as described in section N.J.A.C. 7:9A-4.3, Table 4.3*) and the fact that there is an existing pond on the Exception Parcel that will require a minimum 50' buffer, there is an extremely limited area, if any area, on Parcel to install a new septic disposal bed.

The new disposal bed will be located outside of the Parcel, but will not impact any agricultural areas. The proposed location of the disposal bed will be located approximately 55' to the northeast of the Parcel, but will remain on the overall subject parcel. It should be noted that this proposed location lies within the existing yard area of the dwelling and is located approximately 150' from any agricultural areas on the property. The proposed location also serves as the best possible location near the proposed dwelling due to the topography of the existing parcel as the new disposal bed will be placed in an area that has a minimal cross slope. *Per N.J.A.C. 7:9A-10.1 (g), when the slope of the existing ground surface is between 10 and 25 percent, trenches shall be used rather than beds. The remaining area as shown on the septic design exceeds 10% and therefore would require trenches. It is our opinion that this remaining area is not large enough to accommodate the required trench system.* This also adheres to the best practices as prescribed by N.J.A.C. 7:9A, Standards for Individual Subsurface Sewage Disposal Systems.

It is the opinion of this office that the proposed location of the septic system and its components are placed in the best possible location to facilitate the construction of a new four bedroom dwelling on the Parcel.

Our office has included a draft copy of the proposed Individual Subsurface Sewage Disposal System that will be submitted to the Warren County Health Department for review and approval. This design plan contains the soil log results and the results of the soil permeability class rating (SPCR) tests. The SPCR test resulted in a K-3 permeability rate which will facilitate the installation of the proposed disposal bed. The design will also introduce 48" of suitable fill. Due to constraining slopes on the Parcel (7:9A-10.1(g)), the system will also be required to be designed as a pump/pressure dosed septic system

If you have any questions or comments, please contact me at your earliest convenience.

Very truly yours,

**STATE AGRICULTURE DEVELOPMENT COMMITTEE
RESOLUTION #FY2020R6(5)**

DELEGATION OF ROUTINE SADC ACTIONS FOR ACQUISITION

JUNE 25, 2020

WHEREAS, at its September 26, 2019, meeting, the State Agriculture Development Committee (SADC) discussed delegating certain routine actions of the SADC to the Executive Director to review, approve, deny, or alternatively, when deemed appropriate, to bring the matter to the SADC to review, approve or deny; and

WHEREAS, in order to maximize efficiency in reviewing and processing certain routine actions and applications, the SADC requested staff to develop parameters for each proposed delegation so only actions falling within the prescribed parameters are eligible for delegation; and

WHEREAS, the Right to Farm Act (Act), which also created the SADC, contains language at N.J.S.A. 4:1C-5e. enabling the Committee to "perform any act or thing necessary, convenient, or desirable for the purposes of the committee to carry out any power expressly given" in the Act, which would include the authority to delegate certain actions to the Executive Director; and

WHEREAS, Part IV, Section 3 of the SADC By-Laws states that "The Executive Director shall have all the power and authority delegated to him/her in accordance with these By-Laws, actions of the Committee or otherwise pursuant to the 'Right to Farm Act' and the "Agriculture Retention and Development Act"; and

WHEREAS, the SADC previously delegated to the Executive Director approval for: appraised and final values for conveyances of development easements on farms subject to eminent domain actions; ADA amendments of 10% or less; roof mounted solar installation applications on existing buildings; deer fence and soil and water cost share grants; and certain other routine stewardship actions; and

WHEREAS, SADC staff has subsequently developed the recommendations for the delegation of certain other routine Acquisition Program-related actions including, and subject to, the noted conditions (Schedule A):

- Annual Appraisal Handbook Updates
 - The delegation of routine minor edits and corrections to the Appraiser Handbook. Substantive changes would be submitted to the SADC for review and approval.

- Annual List of Approved Appraisers
 - No conditions or parameters for delegation. Appraisers must meet the adopted Appraiser Selection Guidelines P-6-C.
- County Planning Incentive Grant average quality score eligibility
 - No conditions or parameters for delegation. Individual application waivers will still be brought to the Committee.
- Direct Easement Purchase Application Prioritization
 - Individual application approvals for Alternate and Other farms will still be brought to the Committee.
- Term Preservation (New Enrollments)
 - All denials or deeds with incompatible terms shall be reviewed by the Committee.; and

WHEREAS, the Executive Director shall not be precluded from bringing any approval to the SADC for review, approval or denial if deemed necessary; and

NOW, THEREFORE, BE IT RESOLVED that:

1. The WHEREAS paragraphs above are incorporated herein by reference.
2. The SADC has determined that circumstances warrant the delegation of, and it so delegates, authority to the Executive Director to review and approve, approve with conditions, or deny any applications or updates listed on and under the conditions set forth in Schedule A.
3. Such approvals may be issued without the further approval of the SADC unless deemed necessary or appropriate by the Executive Director.
4. SADC staff shall provide notification of all such approvals in the form of a written report at SADC regular monthly meetings as outlined in Schedule A.
5. The denial of any approval, or conditional approval, by the Executive Director may be appealed to the SADC within 30 days of the receipt of the Executive Director's decision; and
6. This Resolution shall not be effective until the Governor's review period expires pursuant to N.J.S.A. 4:1C-4f.

WHEREAS, William H. Madara, Jr. and Cynthia Madara, hereinafter "Owner", is the record owner of Block 260, Lot 13, in Mantua Township, Gloucester County, by deed dated September 11, 2002 and recorded in the Gloucester Clerk's office on September 19, 2002 in Deed Book 3480 Page 295 totaling approximately 9.785 acres, hereinafter referred to as the "Premises" (Schedule A); and

WHEREAS, a development easement on the Premises was conveyed to the Gloucester County Agriculture Development Board ("CADB") as a Farmland Preservation Deed of Easement dated March 24, 2006 and recorded in the Gloucester County Clerk's Office on April 20, 2006 in Deed Book 4201, Page 206; and

WHEREAS, the Agriculture Retention and Development Act, N.J.S.A. 4:1C-11 et seq., P.L. 1983, c.32 and N.J.A.C. 2:76-3 et seq. provide for the creation of Farmland Preservation Programs; and

WHEREAS, on March 2, 2020, the Owner submitted a petition to the CADB for the creation of Farmland Preservation Program for the Premises, as the Premises' development easement had been conveyed without SADC funding and therefore was not eligible for certain benefits under the Agriculture Retention and Development Act; and

WHEREAS, on May 21, 2020, the CADB passed a resolution granting approval for the creation of a Farmland Preservation Program for the Premises; and

WHEREAS, on May 28, 2020, the CADB submitted its Resolution, the approved Petition, an Agreement, and supporting documents to the State Agriculture Development Committee ("SADC") for certification of a Farmland Preservation Program for the Premises; and

WHEREAS, the SADC has reviewed said Petition and accompanying documents to assure compliance with the provisions of N.J.S.A. 4:1C-11 et seq., P.L. 1983, c.32 and N.J.A.C. 2:76-3 et seq.;

WHEREAS, under N.J.S.A. 4:1C-7 and N.J.A.C. 2:76-3, the SADC has the authority to certify a Farmland Preservation Program; and

WHEREAS, upon the effective date of the recorded Agreement, the Owner is eligible to receive the benefits described in the Agreement pursuant to N.J.S.A. 4:1C-11 et seq., P.L. 1983, c.32 and N.J.A.C. 2:76-3 et seq.; and

WHEREAS, pursuant to N.J.A.C. 2:76-5, the Owner or farm operator as an agent for the Owner shall be eligible to apply to the local Soil Conservation District for up to \$5,871.00 in State soil and water conservation cost-share grant funds, subject to availability of such funds, for soil and water conservation projects on the Premises; and

WHEREAS, work performed on soil and water conservation projects prior to Soil Conservation District and State Soil Conservation Committee approval will not be eligible for cost sharing.

NOW THEREFORE BE IT RESOLVED:

1. The WHEREAS paragraphs above are incorporated herein by reference.
2. The SADC certifies the Farmland Preservation Program, which shall continue for a **sixteen (16)** year period beginning from the recording date of the fully executed Agreement with the county clerk's office.
3. All documents required for the creation of this Farmland Preservation Program shall be subject to review and approval by the SADC and the Office of the Attorney General.
4. This approval is considered a final agency decision appealable to the Appellate Division of the Superior Court of New Jersey.
5. This approval is not effective until the Governor's review period expires pursuant to N.J.S.A. 4:1C-4f.

June 25, 2020**

WHEREAS, on May 29, 2018 it was determined that the application for the sale of a development easement for the subject farm identified as Block 19, Lot 3, South Harrison Township, Gloucester County, totaling 10.057 gross surveyed acres hereinafter referred to as "the Property" (Schedule A) was complete and accurate and satisfied the criteria contained in N.J.A.C. 2:76-17.9(a) and the County has met the County Planning Incentive Grant ("PIG") criteria pursuant to N.J.A.C. 2:76-17.6 - 7; and

WHEREAS, the Owners have read and signed SADC Guidance Documents regarding Exceptions, Division of the Premises, and Non-Agricultural Uses; and

WHEREAS, the targeted Property is located in the County's Raccoon Creek Project Area; and

WHEREAS, the Property includes 2 exception areas, one (1), 1.187 acre non-severable exception area for a future single family residential unit and to afford future flexibility for nonagricultural uses and one (1), 1 acre severable exception area for the existing single family residential unit resulting in 7.870 surveyed acres to be preserved; and

WHEREAS, the 1.187 acre non-severable Exception Area:

- 1) Shall not be moved to another portion of the Premises and shall not be swapped with other land
- 2) Shall not be severed or subdivided from the Premises
- 3) Shall be restricted to one future single family residential unit and flexibility of uses
- 4) Right-to-Farm language will be included in the Deed of Easement; and

WHEREAS, the 1 acre severable Exception Area:

- 1) Shall not be moved to another portion of the Premises and shall not be swapped with other land
- 2) May be severed or subdivided from the Premises
- 3) Shall be restricted to one existing single family residential unit
- 4) Right-to-Farm language will be included in the Deed of Easement; and

WHEREAS, the portion of the Property outside the exception area includes:

- 1) zero (0) housing opportunities
- 2) zero (0) Residual Dwelling Site Opportunity (RDSO)
- 3) zero (0) agricultural labor units
- 4) no pre-existing non-agricultural uses; and

WHEREAS, at the time of application, the Property was in grape, vegetable and melon production; and

WHEREAS, the Property has a quality score of 64.30 which exceeds 42, which is 70% of the County's average quality score, as determined by the SADC, at the time the application was submitted by the County; and

WHEREAS, pursuant to N.J.A.C. 2:76-17.11, on September 27, 2018 the SADC certified a development easement value of \$12,000 per acre based on zoning and environmental regulations in place as of the current valuation date May 23, 2018; and

WHEREAS, pursuant to N.J.A.C. 2:76-17.12, the Owner accepted the County's offer of \$12,000 per acre for the development easement for the Property; and

WHEREAS, on March 5, 2020 the County prioritized its farms and submitted its applications in priority order to the SADC to conduct a final review of the application for the sale of a development easement pursuant to N.J.A.C. 2:76-17.14; and

WHEREAS, pursuant to N.J.A.C. 2:76-17.13, on May 9, 2018, the South Harrison Township Committee approved the application for the sale of development easement but is not participating financially in the easement purchase; and

WHEREAS, pursuant to N.J.A.C. 2:76-17.13 on December 20, 2018, the Gloucester County Agriculture Development Board passed a resolution granting final approval for the pre-acquisition of the development easement on the Property and for the submission to the SADC for cost share funding; and

WHEREAS, pursuant to N.J.A.C. 2:76-17.13 on March 4, 2020, the County of Gloucester passed a resolution granting final approval for a commitment of funding for 12,000 per acre for the pre-acquisition of the development easement; and

WHEREAS, subsequent to purchasing the development easement, the County will request a cost share reimbursement from the SADC; and

WHEREAS, the cost share breakdown is as follows (based on 7.87 surveyed acres):

| | <u>Total</u> | <u>Per/acre</u> |
|-------------------------|--------------|-----------------|
| SADC | \$56,664 | (\$7,200/acre) |
| County | \$37,776 | (\$4,800/acre) |
| Total Easement Purchase | \$94,440 | (\$12,000/acre) |

WHEREAS, pursuant to N.J.A.C. 2:76 17.14 (d) (f), if there are insufficient funds available in a county's base grant, the county may request additional funds from the competitive grant fund; and

WHEREAS, pursuant to N.J.A.C. 2:76-17.14, the County is requesting \$56,664 in base grant funding which is available at this time (Schedule B); and

WHEREAS, pursuant to N.J.A.C. 2:76-17.14, the SADC shall approve a cost share grant for the purchase of the development easement on an individual farm subject to available funds and consistent with the provisions of N.J.A.C. 2:76-6.11;

NOW THEREFORE BE IT RESOLVED:

1. The WHEREAS paragraphs set forth above are incorporated herein by reference.
2. The SADC grants final approval to provide a cost share grant to the County for the purchase of a development easement on the Property, comprising 7.87 net easement acres, at a State cost share of \$7,200 per acre, (60% of certified easement value and purchase price), for a total grant of \$56,664 pursuant to N.J.A.C. 2:76-6.11 and the conditions contained in (Schedule C).
3. Any unused funds encumbered from either the base or competitive grants at the time of closing shall be returned to their respective sources (competitive or base grant fund).
4. If unencumbered base grant funds become available subsequent to this final approval and prior to the County's execution of a Grant Agreement, the SADC shall utilize those funds before utilizing competitive funding.
5. Should additional funds be needed due to an increase in acreage and if base grant funding becomes available the grant may be adjusted to utilize unencumbered base grant funds.
6. The SADC's cost share grant to the County for the purchase of a development easement on the approved application shall be based on the final surveyed acreage of the area of the Property to be preserved outside of any exception areas, adjusted for proposed road rights-of-way, other rights-of-way or easements as determined by the SADC, and streams or water bodies on the boundaries as identified in Policy P-3-C.
7. The SADC shall enter into a Grant Agreement with the County in accordance with N.J.A.C. 2:76-6.18.
8. All survey, title and all additional documents required for closing shall be subject to review and approval by the SADC.
9. This approval is considered a final agency decision appealable to the Appellate Division of the Superior Court of New Jersey.
10. This action is not effective until the Governor's review period expires pursuant to N.J.S.A. 4:1C-4f.

WHEREAS, pursuant to N.J.A.C. 2:76 17.14 (d) (f), if there are insufficient funds available in a county's base grant, the county may request additional funds from the competitive grant fund; and

WHEREAS, pursuant to N.J.A.C. 2:76-17.14, the County is requesting \$362,400 in base grant and/or competitive grant funding which is available at this time (Schedule B); and

WHEREAS, pursuant to N.J.A.C. 2:76-17.14, the SADC shall approve a cost share grant for the purchase of the development easement on an individual farm subject to available funds and consistent with the provisions of N.J.A.C. 2:76-6.11;

NOW THEREFORE BE IT RESOLVED:

1. The WHEREAS paragraphs set forth above are incorporated herein by reference.
2. The SADC grants final approval to provide a cost share grant to the County for the purchase of a development easement on the Property, comprising approximately 96 net easement acres, at a State cost share of \$3,775 per acre, (65.65% of certified easement value and purchase price), for a total grant of approximately \$362,400 pursuant to N.J.A.C. 2:76-6.11 and the conditions contained in (Schedule C).
3. This final approval is conditioned upon all lots being under common ownership prior to closing.
4. Any unused funds encumbered from either the base or competitive grants at the time of closing shall be returned to their respective sources (competitive or base grant fund).
5. If unencumbered base grant funds become available subsequent to this final approval and prior to the County's execution of a Grant Agreement, the SADC shall utilize those funds before utilizing competitive funding.
6. Should additional funds be needed due to an increase in acreage and if base grant funding becomes available the grant may be adjusted to utilize unencumbered base grant funds.
7. The SADC's cost share grant to the County for the purchase of a development easement on the approved application shall be based on the final surveyed acreage of the area of the Property to be preserved outside of any exception areas, adjusted for proposed road rights-of-way, other rights-of-way or easements as determined by the SADC, and streams or water bodies on the boundaries as identified in Policy P-3-C.

STATE AGRICULTURE DEVELOPMENT COMMITTEE
RESOLUTION FY2020R6(9)
FINAL REVIEW AND APPROVAL OF A PLANNING INCENTIVE GRANT TO
Pittsgrove Township
for the
PURCHASE OF A DEVELOPMENT EASEMENT
On the Property of Mihalecz, Eric J. & Shelly R. ("Owners")
SADC ID#17-0213-PG
Pittsgrove Township, Salem County
N.J.A.C. 2:76-17A. et seq.

June 25, 2020

WHEREAS, on April 26, 2019, it was determined that the application for the sale of a development easement for the subject farm identified as Block 701, Lot 50 & 50.02, Pittsgrove Township, Salem County, totaling approximately 25.5 gross acres hereinafter referred to as "the Property" (Schedule A) was complete and accurate and satisfied the criteria contained in N.J.A.C. 2:76-17.9(a) and the Township has met the Township Planning Incentive Grant ("PIG") criteria pursuant to N.J.A.C. 2:76-17A.6 - 7; and

WHEREAS, the Owners read and signed SADC Guidance Documents regarding Exceptions, Division of the Premises, and Non-Agricultural Uses; and

WHEREAS, the targeted Property is located in the Township's East Project Area; and

WHEREAS, the Property includes one (1), approximately 3-acre severable exception area for the existing single family residential unit and garage apartment and to afford future flexibility for nonagricultural uses resulting in approximately 22.5 net acres to be preserved; and

WHEREAS, the Exception Area:

- 1) Shall not be moved to another portion of the Premises and shall not be swapped with other land
- 2) May be severed or subdivided from the Premises
- 3) Shall be restricted to one single family residential unit and garage apartment
- 4) Right-to-Farm language will be included in the Deed of Easement; and

WHEREAS, the portion of the Property outside the exception area includes:

- 1) zero (0) housing opportunities
- 2) zero (0) agricultural labor units
- 3) no pre-existing non-agricultural uses; and

WHEREAS, at the time of application, the Property was in hay production; and

WHEREAS, deed to this property notes that lot 50.02 is subject to agricultural buffers that are inconsistent with the variety of agricultural uses permitted under the farmland preservation deed of easement; and

WHEREAS, the Green Light Letter, certification of easement value and this Final Approval are conditioned upon the buffer being rescinded via a duly recorded instrument prior to closing; and

WHEREAS, pursuant to N.J.A.C. 2:76-17.11, on September 26, 2019, the SADC certified a development easement value of \$5,400 per acre based on zoning and environmental regulations in place as of the current valuation date June 19, 2019; and

WHEREAS, pursuant to N.J.A.C. 2:76-17.12, the Owner accepted the Township's offer of \$5,400 per acre for the development easement for the Property; and

WHEREAS, pursuant to N.J.A.C. 2:76-17A.13, on April 22, 2020, the Pittsgrove Township Committee approved the application for the sale of development easement and a funding commitment of \$900 per acre; and

WHEREAS, pursuant to N.J.A.C. 2:76-17A.13 on April 22, 2020, the County Agriculture Development Board passed a resolution granting final approval for the development easement acquisition on the Property; and

WHEREAS, pursuant to N.J.A.C. 2:76-17A.13 on May 5, 2020, the County Board of Chosen Freeholders passed a resolution granting final approval and a commitment of funding for \$900 per acre to cover the local cost share; and

WHEREAS, the estimated cost share breakdown is as follows (based on 22.5 acres):

| | <u>Total</u> | <u>Per/acre</u> |
|-------------------------|--------------|-----------------|
| SADC | \$81,000 | (\$3,600/acre) |
| Pittsgrove Township | \$20,250 | (\$900/acre) |
| Salem County | \$20,250 | (\$900/acre) |
| Total Easement Purchase | \$121,500 | (\$5,400/acre) |

WHEREAS, the Township is requesting \$3,600 per acre or approximately \$81,000 and sufficient funds are available (Schedule B); and

WHEREAS, pursuant to N.J.A.C. 2:76-17A.15, the County shall hold the development easement since the County is providing funding for the preservation of the farm; and

WHEREAS, pursuant to N.J.A.C. 2:76-17A.14, the SADC shall approve a cost share grant for the purchase of the development easement on an individual farm subject to available funds and consistent with the provisions of N.J.A.C. 2:76-6.11; and

WHEREAS, pursuant to N.J.A.C. 2:76-6.11, the SADC shall provide a cost share grant to the Township for up to 50% of the eligible ancillary costs for the purchase of a development easement which will be deducted from its PIG appropriation and subject to the availability of funds;

NOW THEREFORE BE IT RESOLVED:

1. The WHEREAS paragraphs set forth above are incorporated herein by reference.
2. The SADC grants final approval to provide a cost share grant to the Township for the purchase of a development easement on the Property, comprising approximately 22.5 net easement acres, at a State cost share of \$3,600 per acre, (66.67% of certified easement value and purchase price), for a total grant of approximately \$81,000 pursuant to N.J.A.C. 2:76-6.11 and the conditions contained in (Schedule C).
3. The Green Light Letter, certification of easement value and this Final Approval are conditioned upon the buffer being rescinded via a duly recorded instrument prior to closing.
4. Should additional funds be needed and grant funding be available, the grant may be adjusted to utilize unencumbered grant funds.
5. The SADC will be providing its grant directly to Salem County, and the SADC shall enter into a Grant Agreement with the Township and County pursuant to N.J.A.C. 2:76-6.18, 6.18(a) and 6.18(b).
6. The SADC's cost share grant to the Township for the purchase of a development easement on the approved application shall be based on the final surveyed acreage of the area of the Property to be preserved outside of any exception areas, adjusted for proposed road rights-of-way, other rights-of-way or easements as determined by the SADC, and streams or water bodies on the boundaries as identified in Policy P-3-C.
7. All survey, title and all additional documents required for closing shall be subject to review and approval by the SADC.
8. This approval is considered a final agency decision appealable to the Appellate Division of the Superior Court of New Jersey.
9. This action is not effective until the Governor's review period expires pursuant to N.J.S.A. 4:1C-4f.

WHEREAS, at the time of application, the Property was in soybean production; and

WHEREAS, the Green Light Letter, certification of easement value and this Final Approval are conditioned upon the consolidation of contiguous lots for future taxation and monitoring; and

WHEREAS, pursuant to N.J.A.C. 2:76-17.11, on September 26, 2019, the SADC certified a development easement value of \$7,300 per acre based on zoning and environmental regulations in place as of the current valuation date June 19, 2019; and

WHEREAS, pursuant to N.J.A.C. 2:76-17.12, the Owner accepted the Township's offer of \$7,300 per acre for the development easement for the Property; and

WHEREAS, pursuant to N.J.A.C. 2:76-17A.13, on April 22, 2020, the Pittsgrove Township Committee approved the application for the sale of development easement and a funding commitment of \$1,375 per acre; and

WHEREAS, pursuant to N.J.A.C. 2:76-17A.13 on April 22, 2020, the County Agriculture Development Board passed a resolution granting final approval for the development easement acquisition on the Property; and

WHEREAS, pursuant to N.J.A.C. 2:76-17A.13 on May 6, 2020, the County Board of Chosen Freeholders passed a resolution granting final approval and a commitment of funding for \$1,375 per acre to cover the local cost share; and

WHEREAS, the estimated cost share breakdown is as follows (based on 54.20 acres):

| | <u>Total</u> | <u>Per/acre</u> |
|-------------------------|-----------------|-----------------------|
| SADC | \$246,610 | (\$4,550/acre) |
| Pittsgrove Township | \$74,525 | (\$1,375/acre) |

| Total Easement Purchase | \$395,660 | (\$7,300/acre) |

WHEREAS, the Township is requesting \$4,550 per acre or approximately \$246,610 and sufficient funds are available (Schedule B); and

WHEREAS, pursuant to N.J.A.C. 2:76-17A.15, the County shall hold the development easement since the County is providing funding for the preservation of the farm; and

WHEREAS, pursuant to N.J.A.C. 2:76-17A.14, the SADC shall approve a cost share grant for the purchase of the development easement on an individual farm subject to available funds and consistent with the provisions of N.J.A.C. 2:76-6.11; and

WHEREAS, pursuant to N.J.A.C. 2:76-6.11, the SADC shall provide a cost share grant to the Township for up to 50% of the eligible ancillary costs for the purchase of a development easement which will be deducted from its PIG appropriation and subject to the availability of funds;

NOW THEREFORE BE IT RESOLVED:

1. The WHEREAS paragraphs set forth above are incorporated herein by reference.

2. The SADC grants final approval to provide a cost share grant to the Township for the purchase of a development easement on the Property, comprising approximately 54.2 net easement acres, at a State cost share of \$4,550 per acre, (62.33% of certified easement value and purchase price), for a total grant of approximately \$246,610 pursuant to N.J.A.C. 2:76-6.11 and the conditions contained in (Schedule C).
3. Should additional funds be needed and grant funding be available, the grant may be adjusted to utilize unencumbered grant funds.
4. The Green Light Letter, certification of easement value and this Final Approval are conditioned upon the consolidation of contiguous lots for future taxation and monitoring.
5. The SADC will be providing its grant directly to Salem County, and the SADC shall enter into a Grant Agreement with the Township and County pursuant to N.J.A.C. 2:76-6.18, 6.18(a) and 6.18(b).
6. The SADC's cost share grant to the Township for the purchase of a development easement on the approved application shall be based on the final surveyed acreage of the area of the Property to be preserved outside of any exception areas, adjusted for proposed road rights-of-way, other rights-of-way or easements as determined by the SADC, and streams or water bodies on the boundaries as identified in Policy P-3-C.
7. All survey, title and all additional documents required for closing shall be subject to review and approval by the SADC.
8. This approval is considered a final agency decision appealable to the Appellate Division of the Superior Court of New Jersey.
9. This action is not effective until the Governor's review period expires pursuant to N.J.S.A. 4:1C-4f.

**STATE AGRICULTURE DEVELOPMENT COMMITTEE
RESOLUTION #FY2020R6(11)
FINAL REVIEW AND APPROVAL OF A SADC EASEMENT PURCHASE**

On the Property of Weppler, James F. (Lot 16) ("Owner")

JUNE 25, 2020

Subject Property: **Weppler, James F. (Lot 16)**
Block 2, Lot 16
Clinton Township, Hunterdon County
SADC ID#:10-0252-DE
Approximately 54.9 Net Easement Acres

WHEREAS, on October 22, 2019, the State Agriculture Development Committee ("SADC") received a development easement sale application from Weppler, James F. (Lot 16), hereinafter "Owner," identified as Block 3, Lot 16, Clinton Township, Hunterdon County, hereinafter "the Property," totaling approximately 58.4 gross acres, identified in (Schedule A); and

WHEREAS, the SADC is authorized under the Garden State Preservation Trust Act, pursuant to N.J.S.A. 13:8C-1 et seq., to purchase development easements directly from landowners; and

WHEREAS, the Owner has read and signed SADC Guidance Documents Exceptions, Division of the Premises and Non-Agricultural Uses; and

WHEREAS, the Property includes one (1), approximately 3.5-acre non-severable exception area for one existing and one future single family residential unit and to afford future flexibility for nonagricultural uses resulting in approximately 54.9 net acres to be preserved; and

WHEREAS, the Exception Area:

- 1) Shall not be moved to another portion of the Premises and shall not be swapped with other land
- 2) Shall not be severed or subdivided from the Premises
- 3) Shall be restricted to two (2) single family residential units
- 4) Right-to-Farm language will be included in the Deed of Easement; and

WHEREAS, the portion of the Property outside the exception area includes:

- 1) zero (0) housing opportunities
- 2) zero (0) Residual Dwelling Site Opportunity (RDSO)
- 3) zero (0) agricultural labor units
- 4) no pre-existing non-agricultural uses; and

WHEREAS, at the time of application, the Property was in hay production; and

WHEREAS, staff evaluated this application for the sale of development easement pursuant to SADC Policy P-14-E, Prioritization criteria, N.J.A.C. 2:76-6.16 and the State Acquisition Selection Criteria approved by the SADC on September 26, 2019, which categorized applications into "Priority", "Alternate" and "Other" groups; and

WHEREAS, SADC staff determined that the Property meets the SADC's "Priority" category for Hunterdon County (minimum acreage of 47 and minimum quality score of 58) because it is approximately 54.9 acres and has a quality score of 66.71; and

WHEREAS, pursuant to N.J.A.C. 2:76-17.11, on May 27, 2020, in accordance with Resolution #FY2020R4(14), Executive Director Payne and Secretary Fisher certified the Development Easement value of \$8,400 per acre based on zoning and environmental regulations in place as of January 1, 2004 and \$2,800 per acre based on zoning and environmental regulations in place as of the current valuation date February 2020; and

WHEREAS, the Owners accepted the SADC's offer to purchase the development easement for \$8,400 per acre; and

WHEREAS, to proceed with the SADC's purchase of the development easement it is recognized that various professional services will be necessary including but not limited to contracts, survey, title search and insurance and closing documents; and

WHEREAS, contracts and closing documents for the acquisition of the development easement will be prepared and shall be subject to review by the Office of the Attorney General;

NOW THEREFORE BE IT RESOLVED:

1. The WHEREAS paragraphs are incorporated herein by reference.
2. The SADC grants final approval for its acquisition of the development easement at a value of \$8,400 per acre for a total of approximately \$461,100 subject to the conditions contained in (Schedule B).
3. The SADC's purchase price of a development easement on the approved application shall be based on the final surveyed acreage of the area of the Property to be preserved outside of any exception areas, adjusted for proposed road rights-of-way, other rights-of-way or easements as determined by the SADC, streams or water bodies on the boundaries as identified in Policy P-3-C.
4. Contracts and closing documents shall be prepared subject to review by the Office of the Attorney General.

5. The SADC authorizes Secretary of Agriculture Douglas H. Fisher, Chairperson, SADC or Executive Director Susan E. Payne, to execute an Agreement to Sell Development Easement and all necessary documents to contract for the professional services necessary to acquire said development easement including, but not limited to, a survey and title search and to execute all necessary documents required to acquire the development easement.
6. This approval is considered a final agency decision appealable to the Appellate Division of the Superior Court of New Jersey.
7. This action is not effective until the Governor's review period expires pursuant to N.J.S.A. 4:1C-4f.

WHEREAS, on October 22, 2019, the State Agriculture Development Committee ("SADC") received a development easement sale application from Wepler, James F. (Lot 18), hereinafter "Owner," identified as Block 3, Lot 18, Clinton Township, Hunterdon County, hereinafter "the Property," totaling approximately 108.5 gross acres, identified in (Schedule A); and

WHEREAS, the SADC is authorized under the Garden State Preservation Trust Act, pursuant to N.J.S.A. 13:8C-1 et seq., to purchase development easements directly from landowners; and

WHEREAS, the Owner has read and signed SADC Guidance Documents Exceptions, Division of the Premises and Non-Agricultural Uses; and

WHEREAS, the Property includes one (1), approximately 6 acre non-severable exception area for one (1) existing single family residential unit and to afford future flexibility for nonagricultural uses resulting in approximately 102.5 net acres to be preserved; and

WHEREAS, the Exception Area:

- 1) Shall not be moved to another portion of the Premises and shall not be swapped with other land
- 2) Shall not be severed or subdivided from the Premises
- 3) Shall be restricted to one (1) single family residential unit
- 4) Right-to-Farm language will be included in the Deed of Easement; and

WHEREAS, the portion of the Property outside the exception area includes:

- 1) one (1) existing single family residential unit
- 2) zero (0) Residual Dwelling Site Opportunity (RDSO)
- 3) zero (0) agricultural labor units
- 4) no pre-existing non-agricultural uses; and

WHEREAS, at the time of application, the Property was in hay production; and

WHEREAS, staff evaluated this application for the sale of development easement pursuant to SADC Policy P-14-E, Prioritization criteria, N.J.A.C. 2:76-6.16 and the State Acquisition Selection Criteria approved by the SADC on September 26, 2019, which categorized applications into "Priority", "Alternate" and "Other" groups; and

WHEREAS, SADC staff determined that the Property meets the SADC's "Priority" category for Hunterdon County (minimum acreage of 47 and minimum quality score of 58) because it is approximately 102.5 acres and has a quality score of 69.82; and

WHEREAS, pursuant to N.J.A.C. 2:76-17.11, on May 27, 2020, in accordance with Resolution #FY2020R4(14), Executive Director Payne and Secretary Fisher certified the Development Easement value of \$13,300 per acre based on zoning and environmental regulations in place as of January 1, 2004 and \$5,200 per acre based on zoning and environmental regulations in place as of the current valuation date February 2020; and

WHEREAS, the Owners accepted the SADC's offer to purchase the development easement for \$13,300 per acre; and

WHEREAS, to proceed with the SADC's purchase of the development easement it is recognized that various professional services will be necessary including but not limited to contracts, survey, title search and insurance and closing documents; and

WHEREAS, contracts and closing documents for the acquisition of the development easement will be prepared and shall be subject to review by the Office of the Attorney General;

NOW THEREFORE BE IT RESOLVED:

1. The WHEREAS paragraphs are incorporated herein by reference.
2. The SADC grants final approval for its acquisition of the development easement at a value of \$13,300 per acre for a total of approximately \$1,363,250 subject to the conditions contained in (Schedule B).
3. The SADC's purchase price of a development easement on the approved application shall be based on the final surveyed acreage of the area of the Property to be preserved outside of any exception areas, adjusted for proposed road rights-of-way, other rights-of-way or easements as determined by the SADC, streams or water bodies on the boundaries as identified in Policy P-3-C.
4. Contracts and closing documents shall be prepared subject to review by the Office of the Attorney General.

5. The SADC authorizes Secretary of Agriculture Douglas H. Fisher, Chairperson, SADC or Executive Director Susan E. Payne, to execute an Agreement to Sell Development Easement and all necessary documents to contract for the professional services necessary to acquire said development easement including, but not limited to, a survey and title search and to execute all necessary documents required to acquire the development easement.
6. This approval is considered a final agency decision appealable to the Appellate Division of the Superior Court of New Jersey.
7. This action is not effective until the Governor's review period expires pursuant to N.J.S.A. 4:1C-4f.

STATE AGRICULTURE DEVELOPMENT COMMITTEE
RESOLUTION FY2020R6(14)
FINAL REVIEW AND APPROVAL OF A NONPROFIT GRANT TO
The Land Conservancy of New Jersey (TLCNJ)
for the
PURCHASE OF A DEVELOPMENT EASEMENT
On the Property of Kimball, Kent D. ("Owner")
FY20 Non Profit Round - SADC #21-0045-NP
JUNE 25, 2020

WHEREAS, on April 5, 2019 the State Agriculture Development Committee ("SADC"), received a non-profit cost share grant application from The Land Conservancy of New Jersey (TLCNJ) for the Kimball, Kent D. farm identified as Block 61, Lot 5, White Township, Warren County, totaling approximately 44.62 gross acres hereinafter referred to as "Property" (Schedule A); and

WHEREAS, the Property is in the Highlands Planning Area; and

WHEREAS, the Owners have read and signed SADC Guidance Documents regarding Exceptions, Division of the Premises, and Non-Agricultural Uses; and

WHEREAS, the Property also includes one (1), approximately 1 acre non severable exception area for a future single family residence and to afford future flexibility for nonagricultural uses, resulting in approximately 43.62 net acres to be preserved; and

WHEREAS, the Exception Area:

- 1) Shall not be moved to another portion of the Premises and shall not be swapped with other land.
- 2) Shall not be severed or subdivided from the Premises.
- 3) Shall be restricted to one (1) single family residential unit.
- 4) Right-to-Farm language will be included in the Deed of Easement; and

WHEREAS, the portion of the Property outside the exception area includes:

- 1) zero (0) housing opportunities
- 2) zero (0) Residual Dwelling Site Opportunity (RDSO)
- 3) zero (0) agricultural labor units
- 4) no pre-existing non-agricultural uses; and

WHEREAS, at the time of application, the Property was in hay production; and

WHEREAS, on June 27, 2019 the SADC granted preliminary approval by Resolution #FY2019R6(1) to the Nonprofit application and appropriated \$933,875 for the acquisition of development easement on five farms including the Kimball farm; and

WHEREAS, at this time the following funds have received final approval and there is approximately \$452,139 still available:

- 1) \$213,019.50 for Rogers, Daniel & Flaherty, Sioban (TLCNJ-FY20 - Hidden Woods)
- 2) \$131,176.50 for Santini, Matthew, Robert & Sharon (TLCNJ-FY 20 - Lot 31.01)
- 3) \$137,540 for Santini, Robert & Sarah (TLCNJ-FY20)

WHEREAS, in accordance with N.J.A.C. 2:76-12.2(b) the SADC determined that any farm that has a quality score (as determined by N.J.A.C. 2:76-6.16) greater than or equal to 70% of the county average quality score as determined in the County PIG program be eligible for funding; and

WHEREAS, the Property has a quality score of 57.84 which is greater than 70% of the County average quality score of 44 as determined by the SADC, at the time the application was submitted; and

WHEREAS, pursuant to N.J.A.C. 2:76 15(b) 2., if two appraisals have been obtained on a parcel, and the difference between the two appraisal values is 10% of the higher appraisal value or less, the eligible land cost shall be the average of the appraisal values; and

WHEREAS, on January 23, 2020 the SADC acknowledged the development easement value of the Property to be \$4,200 per acre based on January 2004 zoning and environmental regulations in place as of September 2019; and

WHEREAS, the SADC advised TLCNJ of the certified value and its willingness to provide a 50 percent cost share grant pursuant to N.J.A.C. 2:76-15.1, not to exceed 50 percent of TLCNJ's eligible costs and subject to available funds; and

WHEREAS, pursuant to N.J.A.C. 2:76-15.2, on February 10, 2020, TLCNJ informed the SADC that it will accept the SADC cost share of \$2,100 per acre; and

WHEREAS, the Warren County Board of Chosen Freeholders entered into a Farmland Preservation Agreement with TLCNJ on September 10, 2019 and will provide 50% matching funds from Warren County for TLCNJ's easement acquisition on the Kimball arm and agreed to accept assignment of the development easement from TLCNJ and be responsible for annual monitoring; and

WHEREAS, the cost share breakdown based on 43.62 acres is as follows:

| | <u>Total</u> | <u>Per/acre</u> |
|-------------------------|--------------|----------------------------------|
| SADC | \$ 91,602 | (\$2,100/acre or 50% total cost) |
| Warren County | \$ 91,602 | (\$2,100/acre or 50% total cost) |
| Total Easement Purchase | \$183,204 | (\$4,200/acre) |

WHEREAS, pursuant to N.J.A.C. 2:76-12.6 and N.J.A.C. 2:76-16.3, the SADC shall provide a cost share grant to TLCNJ for up to 50% of the eligible ancillary costs which will be deducted from its FY20 appropriation and subject to the availability of funds; and

WHEREAS, N.J.A.C. 2:76-16.1(a)3.iii allows for the conveyance of the development easement to the Federal Government, the State, the County, or another qualifying tax exempt organization for farmland preservation purposes; and

WHEREAS, TLCNJ will assign the Deed of Easement to the County immediately after closing on the Deed of Easement; and

**STATE AGRICULTURE DEVELOPMENT COMMITTEE
RESOLUTION FY2020R6(15)
FINAL REVIEW AND APPROVAL OF A NONPROFIT GRANT TO
New Jersey Conservation Foundation (NJCF)
for the
PURCHASE OF A DEVELOPMENT EASEMENT
On the Property of Parave, Jr. James C. & Parave, Elicia Marie Smith (NJCF) ("Owners")
FY19 Non Profit Round - SADC #17-0054-NP**

June 25, 2020

WHEREAS, on April 4, 2018, the State Agriculture Development Committee ("SADC"), received a non-profit cost share grant application from New Jersey Conservation Foundation (NJCF) for the Parave farm identified as Block 99, Lots 10, 10.01, and 14 and Block 101, Lot 24, Alloway Township, Salem County, totaling approximately 61.9 gross acres hereinafter referred to as "Property" (Schedule A); and

WHEREAS, the Owners read and signed SADC Guidance Documents regarding ALE Grants, Exceptions, Division of the Premises, Division of the Premises for Non-Contiguous Parcels, and Non-Agricultural Uses; and

WHEREAS, the Property includes one (1), approximately 2.5 acre non-severable exception area for the existing single family residential units and to afford future flexibility for nonagricultural uses resulting in approximately 59.4 net acres to be preserved; and

WHEREAS, the Exception Area:

- 1) Shall not be moved to another portion of the Premises and shall not be swapped with other land
- 2) Shall not be severed or subdivided from the Premises
- 3) Shall be restricted to one single family residential unit
- 4) Right-to-Farm language will be included in the Deed of Easement; and

WHEREAS, the portion of the Property outside the exception area includes:

- 1) zero (0) housing opportunities
- 2) zero (0) agricultural labor units
- 3) no pre-existing non-agricultural uses; and

WHEREAS, at the time of application, the Property was in beef production; and

WHEREAS, on May 24, 2018 the SADC granted preliminary approval by Resolution #FY2018R5(9) to NJCF's FY2109 Nonprofit application and appropriated \$557,000 for the acquisition of development easement on two farms including the Parave farm; and

WHEREAS, at this time none of the appropriated money has been encumbered; and

WHEREAS, in accordance with N.J.A.C. 2:76-12.2(b) the SADC determined that any farm that has a quality score (as determined by N.J.A.C. 2:76-6.16) greater than or equal to 70% of the county average quality score as determined in the County PIG program be eligible for funding; and

WHEREAS, the Property has a quality score of 50.82 which is greater than 70% of the County average quality score of 48 as determined by the SADC, at the time the application was submitted; and

WHEREAS, on May 13, 2020, in accordance with Resolution #FY2020R4(14), Executive Director Payne and Secretary Fisher certified the development easement value of \$7,350 per acre based on zoning and environmental regulations in place as of the current valuation date November 8, 2019; and

WHEREAS, the SADC advised NJCF of the certified value and its willingness to provide a 50 percent cost share grant pursuant to N.J.A.C. 2:76-15.1, not to exceed 50 percent of NJCF's eligible costs and subject to available funds; and

WHEREAS, pursuant to N.J.A.C. 2:76-15.2, on June 1, 2020, NJCF informed the SADC that it will accept the SADC cost share of \$3,675 per acre; and

WHEREAS, a parcel application was submitted by NJCF to the United States Department of Agriculture, Natural Resources Conservation Service (NRCS), Agriculture Conservation Easement Program (ACEP) for an Agricultural Land Easement (ALE) grant; and

WHEREAS, the NRCS has determined that the Property and Landowner qualified for ALE grant funds; and

WHEREAS, the landowner has agreed to the additional restrictions associated with the ALE Grant, including no future division of the premises and a 6.33% maximum impervious coverage restriction (approximately 3.76 acres) for the construction of agricultural infrastructure on the Property outside of exception area, which is the maximum allowable for this property through the ALE program at this time; and

WHEREAS, at this time the ALE approved current easement value has not been finalized, therefore, the estimated ALE grant of \$4,000 per acre (50% of \$8,000) or approximately \$237,600 in total ALE funds will be utilized; and

WHEREAS, should alternate ALE funding or other federal funding become available from other funding years or through other qualified entities such as the SADC, a Non-Profit organization, or County it may be utilized if such funding benefits the easement acquisition and/or the successful use of ALE funding; and

WHEREAS, the cost share breakdown based on 59.4 acres is as follows:

| | <u>Total</u> | <u>Per/acre</u> |
|-------------------------|--------------|-------------------------------------|
| SADC | \$198,990 | (\$3,350/acre or 45.58% total cost) |
| ALE | \$237,600 | (\$4,000/acre or 54.42% total cost) |
| Total Easement Purchase | \$436,590 | (\$7,350/acre) |

WHEREAS, pursuant to N.J.A.C. 2:76-12.6 and N.J.A.C. 2:76-16.3, the SADC shall provide a cost share grant to NJCF for up to 50% of the eligible ancillary costs which will be deducted from its FY19 appropriation and subject to the availability of funds; and

NOW THEREFORE BE IT RESOLVED:

1. The WHEREAS paragraphs set forth above are incorporated herein by reference.
2. The SADC grants final approval to NJCF for the Property easement acquisition application subject to compliance with N.J.A.C. 2:76-16.
3. This approval is conditioned upon receipt of ALE or other funds sufficient enough to cover the remaining cost share.
4. The SADC shall provide a cost share grant not to exceed \$3,350 per acre (total of approximately \$198,990 based on 59.4 acres) to NJCF for the development easement acquisition on the Property, subject to the availability of funds.
5. The application is subject to the conditions contained in (Schedule B).
6. The SADC authorizes staff to proceed with the preparation of a Project Agreement and closing documents prepared in accordance with N.J.A.C. 2:76-16.1.
7. The SADC's cost share grant to NJCF for the development easement purchase on the Property shall be based on the final surveyed acreage of the Premises adjusted for proposed road rights-of-way, other rights-of-way or easements as determined by the SADC, and streams or water bodies on the boundaries of the Premises as identified in Policy P-3-B Supplement and for residual dwelling site opportunities allocated pursuant to Policy P-19-A.
8. The SADC authorizes Douglas Fisher, Secretary of Agriculture as Chairperson of the SADC or Executive Director Susan E. Payne to execute all documents necessary to provide a grant to NJCF for the acquisition of a development easement on the Property.
9. All survey, title and all additional documents required for closing shall be subject to review and approval by the SADC.
10. This approval is considered a final agency decision appealable to the Appellate Division of the Superior Court of New Jersey.
11. This action is not effective until the Governor's review period expires pursuant to N.J.S.A. 4:1C-4f.
