BY THE BOARD:

On October 21, 2008, pursuant to N.J.S.A. 48:2-21 and N.J.A.C. 14: 1-5.12, United Water Arlington Hills Sewerage Inc. (Company or Petitioner), a public utility of the State of New Jersey subject to the jurisdiction of the Board Of Public Utilities (Board), filed a petition seeking to increase and revise its rates and charges for wastewater service amounting to approximately \$399,000 or 50.38%. The increase in rates was proposed to become effective on December 1, 2008. On November 10, 2008, the Company filed a letter with the Board stating that it will not implement the proposed rates pending Board action to suspend the proposed rates at its December 2008 meeting.

According to the petition, the Company seeks the requested increase to enable it to preserve its financial integrity, permit proper maintenance, development and improvement of the utility facilities required to furnish safe, adequate, and proper service, and to earn a reasonable return upon the fair value of its property used and useful in the public service.

The company provides wastewater service to approximately 600 customers located in the Borough of Mount Arlington and Roxbury Township, Morris County.

It appearing that the proposed revisions will increase existing rates and change or alter existing classifications in Petitioner's tariff, it is HEREBY ORDERED that:

- (1) Pursuant to N.J.S.A. 48:2-21, the proposed revisions be, and are suspended until April 1, 2009, unless the Board prior to that date makes a determination disposing of the petition;
- (2) Petitioner shall, at least ten (10) days prior to the date set for hearing on the petition by the Office of Administrative Law, file with this Board and with the Office of Administrative Law (33 Washington Street, Newark, N.J. 07102) proof of

compliance with the Notice provisions of N.J.S.A. 48:2-21 and N.J.A.C. 14: 1-5.12, and, which Notice shall include a statement that any relief found by the Board to be just and reasonable may be allocated by the Board to any class or classes of customers on any rate or schedule as the Board may determine; and

- (3) Petitioner shall, at the same time it files with this Board, also file proof of service of copies of this Order upon the Office of Administrative Law, the Division of Rate Counsel (31 Clinton Street, P.O. Box 46005, Newark, NJ 07102), the clerks of each affected municipality, the clerks to the Boards of Chosen Freeholders of each affected county, and where appropriate, the executive officer of each affected county within its service area. Service of the petition, notice of hearings and this Suspension Order may be made simultaneously.
