BY THE BOARD:

On September 19, 2007, Steven F. Roth, Esq. (Petitioner) filed a petition with the Board disputing the charges of Public Service Electric and Gas Company (Respondent) for utility services.

After the filing of Respondent's answer, the Board transmitted this matter to the Office of Administrative Law (OAL) for hearing and initial disposition as a contested case pursuant to N.J.S.A. 52:14B-1 et seq. and N.J.S.A. 52:14F-1 et seq. This matter was assigned to Administrative Law Judge (ALJ) Walter M. Braswell.

While this matter was pending at the OAL, the parties engaged in negotiations and reached a settlement that was submitted to the ALJ. By Initial Decision issued on February 27, 2008, and submitted to the Board on March 4, 2008, to which the Stipulation of Settlement (Stipulation) was attached and made part thereof, ALJ Braswell found that the Stipulation was voluntary, that its terms fully disposed of all issues in controversy and that it met the requirements of N.J.A.C. 1:1-19.1.

Pursuant to the Stipulation, the Respondent has credited the account of the Petitioner in the amount of \$569.77, applied as of November 8, 2007. In return, the Petitioner has agreed to pay \$50.00 per month, plus current monthly bills, until the past due amount of \$425.92 is paid in full.

After review and consideration, the Board FINDS that the terms of the settlement are fair and reasonable. Therefore, the Board HEREBY ADOPTS the Initial Decision and the Settlement Agreement in their entirety, incorporating the terms thereof into this final decision as if fully set forth at length herein.
