ORDER APPROVING RESALE AGREEMENT

DOCKET NO. TM09050386

(SERVICE LIST ATTACHED)

BY THE BOARD:

1996

BACKGROUND

Pursuant to Section 252(e) of the Telecommunications Act of 1996, P.L. 104-104, 110 Stat. 56, codified in scattered sections of 47 <u>U.S.C.</u> §151 <u>et seq.</u> ("the Act"), and by letter dated May 15, 2009, Verizon New Jersey, Inc. ("Verizon") filed an application ("Application") with the Board of Public Utilities ("the Board") for approval of a negotiated Resale Agreement ("the Agreement") between Verizon and iNetworks Group, Inc. ("iNetworks"). iNetworks authorized Verizon to file the application on its behalf.

RESALE AGREEMENT

The Agreement, dated April 17, 2009, sets forth the terms, conditions, and prices under which Verizon will offer and provide to iNetworks telecommunications services available for resale and resale support. The Agreement is in effect until April 26, 2010 and thereafter as noted in the Agreement continues in full force and effect unless terminated as provided in the Agreement.

The Department of the Public Advocate, Division of Rate Counsel ("Rate Counsel") recommends that the Board approve the Agreement subject to conditions. The Board finds that Rate Counsel's objections to certain provisions of the Agreement and accompanying Letter Agreement are without merit, and accordingly, the Board declines to make modifications to the

Agreement. See Order, I/M/O the Joint Application of Verizon New Jersey, Inc. and Ernest Communications, Inc. For Approval of an Interconnection Agreement Under Section 252(e) of the Telecommunications Act of 1996, Docket No. TO02050287, dated September 18, 2002 (rejecting Rate Counsel's recommendation that Condition 3 of the Pricing Section of the Agreement is inconsistent with FCC rules).

DISCUSSION

Pursuant to 47 <u>U.S.C.</u> §252(a)(1), an incumbent LEC may negotiate and enter into a binding interconnection agreement with a carrier requesting interconnection, services, or elements without regard to the standards set forth in 47 <u>U.S.C.</u> §251(b) and (c).

47 <u>U.S.C.</u> §252(e)(1) requires approval by the Board of any resale agreement adopted by negotiation or arbitration, and further requires the Board to approve or reject the Agreement, with written findings as to any deficiencies. The Act provides that the Board may reject a negotiated agreement or any portion thereof only if it finds that:

- (i) the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or
- (ii) the implementation of such agreement or portion thereof is not consistent with the public interest, convenience, and necessity.

[47 U.S.C. §252(e)(2)(A)].

Therefore, the Board <u>FINDS</u> that the Agreement meets the standards set forth in the Act, and <u>HEREBY APPROVES</u> the Agreement as presented by the Parties. This approval should not be construed as preapproval of any future petitions for rate recovery of costs incurred pursuant to the Agreement. The Board's approval does not constitute a determination concerning Verizon's obligations pursuant to Section 271 of the Act, although this Agreement will be taken into consideration in that determination. In addition, approval does not constitute a determination concerning, nor shall the Board be bound by, any provisions within this Resale Agreement regarding the confidentiality of information.

Additionally, the Board <u>DIRECTS</u> the Parties to conform to all federal and state statutes and Board regulations regarding service quality standards and customer relations, as applicable, including, but not limited to, those related to the resale of telecommunications services, the solicitation of resale customers, and the submission of primary interexchange and local exchange carrier change orders to local exchange carriers.

Pursuant to 47 <u>U.S.C.</u> §252(h), a copy of the Agreement will be made available for public inspection and copying within ten days of the issuance of this Order. Subsequent amendments to or modifications of the Agreement are subject to review and approval by the Board.
