CABLE TELEVISION AND
TELECOMMUNICATIONS

IN THE MATTER OF THE APPLICATION OF VERIZON)
NEW JERSEY, INC. FOR EMERGENCY NETWORKS,)
LLC FOR APPROVAL OF AN INTERCONNECTION)
AGREEMENT UNDER SECTION 252(e) OF THE)
TELECOMMUNICATIONS ACT OF 1996)
ORDER APPROVING)
INTERCONNECTION)
AGREEMENT)
DOCKET NO. TO16070635)

Parties of Record:

Stefanie A. Brand, Esq., Director, New Jersey Division of Rate Counsel
Sylvia Del Vecchio, Manager-State Government Relations, Verizon New Jersey, Inc.
Scott Sawyer, General Counsel, Emergency Networks, LLC

BY THE BOARD:

By letter dated July 7, 2016, Verizon New Jersey, Inc. ("Verizon"), a New Jersey corporation, and Emergency Networks, LLC ("Emergency") (jointly, "Parties"), pursuant to Section 252(e) of the Telecommunications Act of 1996, P.L. 104-104, 110 Stat. 56 (codified in scattered sections of 47 U.S.C. § 151 et seq.) ("Act"), submitted to the Board of Public Utilities ("Board") a joint application ("Application") for approval of a certain negotiated interconnection agreement dated May 23, 2016 ("Agreement"). Verizon asserts: "The Act specifies in § 252(e)(4) that, if a state agency does not act to approve or reject an agreement reached by negotiation within 90 days following the filing, it shall be deemed approved." Application at 1.

The Agreement sets forth the terms, conditions, and prices under which Verizon will offer and provide network interconnection, access to unbundled network elements, ancillary services, and wholesale telecommunications services available for resale to Emergency. The Agreement is in effect until May 22, 2018 and thereafter, as noted in the Agreement, continues in full force and effect unless terminated as provided in the Agreement.

By correspondence dated July 21, 2016, the New Jersey Division of Rate Counsel ("Rate Counsel") submitted comments to the Board recommending the Board approve the Agreement subject to specific modifications.

DISCUSSION

Pursuant to 47 U.S.C. § 252(a)(1), an incumbent local exchange carrier may negotiate and enter into a binding interconnection agreement with a carrier requesting interconnection, service, or network elements. In addition, 47 U.S.C. § 252(e)(1) requires approval by the Board of any interconnection agreement adopted by negotiation or arbitration, and further requires the Board to approve or reject the Agreement, with written findings as to any deficiencies. The Act provides that the Board may reject a negotiated agreement or any portion thereof only if it finds that: "(i) the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or (ii) the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity . . ." 47 U.S.C. § 252(e)(2)(A).

The Board finds that Rate Counsel's objections to certain provisions of the Agreement are without merit, and accordingly, the Board declines to make modifications to the Agreement. See I/M/O the Joint Application of Verizon New Jersey, Inc. and Ernest Communications, Inc. For Approval of an Interconnection Agreement Under Section 252(e) of the Telecommunications Act of 1996, Docket No. TO02050287, Order dated September 18, 2002 (rejecting Rate Counsel's recommendation that Condition 3 of the Pricing Section of the Agreement is inconsistent with FCC rules).

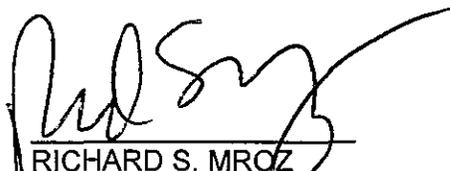

The Board's review of the Agreement and the record in this matter indicate that the Agreement is consistent with the public interest, convenience, and necessity, and that the Agreement does not discriminate against telecommunications carriers not parties to the Agreement. Therefore, the Board **FINDS** that the Agreement meets the standards set forth in the Act, and **HEREBY APPROVES** the Agreement as presented by the Parties. This approval should not be construed as preapproval of any future petitions for rate recovery of costs incurred pursuant to the Agreement, nor shall the Board be bound by any provisions within the Agreement regarding the confidentiality of information.

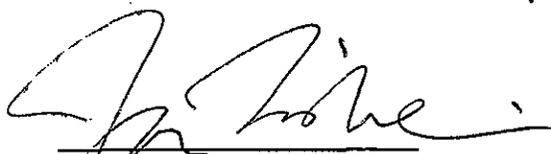

The Board notes that amendments or modifications to Board-approved interconnection agreements are subject to Board review and approval. No agreement shall be read, nor does the Board believe the Parties to the Agreement intend that it be read, to limit the authority of the Board under Section 252(e) of the Act to review interconnection agreements. Accordingly, until and unless otherwise provided by the Board, subsequent amendments or modifications to the Agreement approved herein shall be subject to review and approval by the Board. Additionally, pursuant to 47 U.S.C. § 252(h), a copy of the Agreement will be made available for public inspection and copying within ten days of the issuance of this Order.

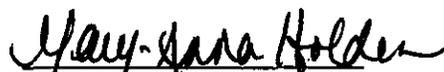

This Order shall be effective on December 10, 2016.
